FENTON

— Incorporated 1863 —

The city of Fenton is conveniently located with access to the U.S. 23 expressway possible from three locations in the city, as well as Fenton Township to the north and Tyrone Township to the south. Major Michigan cities, including Ann Arbor, Flint, Lansing and Detroit can be reached in under an hour.

HISTORY

In 1834, a New Yorker named Clark Dibble explored the wilderness along the Shiawassee River on his way to Grumlaw, which is now known as Grand Blanc. By mistake, he found himself on the White Lake Trail. He proceeded north and landed on a spot on the Shiawassee River that he found so beautiful that he decided to stay. By 1836, "Dibbleville" consisted of a handful of people, a saw mill and two small houses that were all built along the river. Dibbleville was at the center of five trails, and several families came to make their homes there.

Other settlers, including William M. Fenton and Robert LeRoy, also natives of New York, followed soon after. Local legend has it that the city's current name came from the winner of a card game in 1837, between Fenton, a lawyer and land speculator, and LeRoy , a land speculator. Fenton won the game, and the town was named "Fentonville," and LeRoy earned the consolation prize, which was the opportunity to name the town' s main road after himself and other smaller streets after his family members, including Ann, Caroline, Adelaide, and Elizabeth.

Over the years, Fentonville prospered and in 1863 was incorporated as the village of Fenton. In 1964, the village of Fenton was incorporated and became the city of Fenton. Harry Lemen, who served Fenton for 41 years, became the city's first mayor. Paul Bottecelli served as mayor after Lemen, from 1965 to 1968. Bottecelli was followed by Jack Winegarden, who served as mayor from 1969 to 1972.

TODAY

With a challenging year, the city of Fenton continued to make progress while still responding to a pandemic. The city purchased additional PPE. The city purchased an electrostatic disinfecting sprayer paid for with the assistance donation from Gerry and Kay Willey of Fenton Home Furnishings.

The city took delivery of a replacement fire truck, two replacement dump/snow plow trucks, a replacement sewer truck and three replacement vehicles for the police department.

The city implemented a Stormwater, Asset Management and Wastewater program, which included cleaning, inspection and video of about 20 percent of the collection system. Water main updates on Shiawassee Street and water main replacement on George Street were completed and the City will repave Shiawassee from Adelaide to Bent Oak in Spring 2021.

The City received $168,000 in CARES Act funds for reimbursement of costs related to the COVID-19 Coronavirus. The city applied for grants for the LAFF Pathway and the Riverwalk project.

Construction of 111 Leroy Place in the downtown area continued to make progress.

The DDA created an eGift card program with $300,000 in matching funds to assist participating local businesses in the DDA district. Additionally, City Council approved an Industrial Facilities Tax abatement for Niles Industrial Coatings. The Planning Commission and Building Department remains busy as construction continues at the former Kmart property with several stores opening. A site plan was approved for ClearPath's assisted living/memory care facility, all in the Business and Industrial Park.

The year 2021, will start out much the same as 2020 ended with the important exception that we now have a vaccine to help us end the pandemic.

GREAT PLACE TO LIVE, WORK AND PLAY

Despite the growth that has taken place in the city of Fenton and the surrounding communities, the tri-county area remains a wonderful place to live, work and play. Residents and visitors alike enjoy simple pleasures, such as a stroll along the river or a picnic at one of the area's many parks. Pre- and post-COVID-19 pandemic events attract thousands to the city. Events that took place in the past and expected to take place in the future include the summer concerts at the Fenton Millpond, the Fourth of July Freedom Festival, Fenton Artwalk, Farmers Market, Back to the Bricks, Taste of Fenton, St. John Applefest, and Jinglefest at Christmastime. The latest big event in the fall is called Bottles, Brews & News, brought to the city by The View Newspaper Group and Tri-County Times.

Featuring dozens of lakes and streams, Fenton and the surrounding communities boast a hub of outdoor recreational activities.

HOLLY

— Incorporated 1865 —

The village of Holly is located approximately five miles east of the city of Fenton. The community can be accessed from U.S. 23 to Silver Lake Road, east to Grange Hall Road, and from I-75 exits at East Holly Road and Grange Hall Road.

HISTORY

The village of Holly has a rich history. For many years, settlers referred to the area as Busseyburg, Algerville and Holly Mills. In the early 1830s, William "Big Bill" and Sarah Gage visited often, and built the first known cabin in the area. Gage was elected to the Michigan legislature in 1842, and contributed to the area's growth by building plank roads between communities. The first man to settle permanently in the area was Ira C. Alger, a native of New York who arrived in 1836. The following year, the population doubled as his wife, Mary Anne, moved to the area and joined him.

Because of the saw and gristmills, Holly attracted the railroad industry. In 1855, the first train rolled into Holly, marking the true start of Holly's economic growth. While the first set of railroad tracks were actually laid in 1834, it wasn't until 1853 that the Detroit & Milwaukee Railroad reached the village. Afterward, Henry Howland Crapo later extended track from Holly northward to Flint, making it the first railroad intersection in Oakland County and among the oldest in the state.

The railroad years in Holly brought several businesses into town, including 17 hotels and numerous saloons. In the 1870s, a section of Holly's Martha Street became known as "Battle Alley" as it was often the backdrop for many a barroom brawl that often spilled out into the street.

By 1907, word about Holly and its famous Battle Alley reached the ear of well-known prohibitionist Carry Nation of Kansas. Nation traveled to Holly where she continued her six-year campaign against the evils of alcohol, visiting many Battle Alley watering holes, and using her "all hell howl" and famous axe to make her point.

In 1838, Jonathon T. Allen founded Holly Township and became its first supervisor. During that time, Allen named the village Mt. Holly after his boyhood home in New Jersey.

TODAY

The Holly area includes the village of Holly, and Holly, Rose and Groveland townships. Today, Holly Village and Holly Area Schools administration is located under one roof at the Karl Richter Community Center. Holly Township administration remains in downtown Holly. The area continues to be an entertainment, dining and recreation destination that is continually growing and developing, while maintaining the rustic, small-town feel.

For most of 2020, restaurants, retailers, businesses and schools, however, have been dramatically impacted or closed by the COVID-19 pandemic. With vaccines becoming available in late 2020 and early 2021, businesses and people are looking forward to everything opening back up.

While 2020 started off as normal, just a few months in the pandemic struck. The middle of March, like other municipalities, Holly Village offices were open to the public by appointment only. All other operations of the village continued as normal. However, due to the impact of COVID on their local restaurant and bars, the village council upon recommendation of the Downtown Development Authority (DDA) authorized the conversion of Battle Alley St. to a pedestrian corridor. As part of the transition, the DDA purchased decorative metal bollards instead of street barricades along with metal table and chairs. In essence, Battle Alley became a place where downtown restaurants could provide carryout food and then direct patrons to Battle Alley to eat. This conversion has become very popular for all involved.

Other projects and additions include continued renovation of Water Works Park where the dilapidated building was removed and replaced with a viewing deck overlooking the Shiawassee River. Timing of this improvement went hand in hand with the Shiawassee being named a National River Trail. The village also saw change as new community policing initiatives were put into place by the recently appointed Police Chief Jerry Narsh and officers. The village council also received "new blood" as three new council members were elected in November.

Another project completed is the Holly Oaks ORV Park which was constructed from a gravel mine in Groveland Township. This park was in the works for several years.

ENTERTAINMENT REIGNS

Today, residents are proud of their home's colorful history, and are very optimistic about the future once we get past the COVID-19 pandemic. Businesses continue to re-open, keeping the Holly municipal offices and DDA busy.

Holly's historic downtown is a booming shopper's paradise, with stores and boutiques full of Michigan-made and hand-crafted products, specialty food items, clothing and antiques. Winglemire Furniture and Joseph's Oak Shop are sesquicentennial Michigan businesses. Most stores are open after 5 p.m. and have special hours and sales during community events.

The North District of Holly provides the necessities of life in one convenient location, including groceries, sundries, dry cleaning, flowers, hardware and auto supplies.

Each year, pre-pandemic and post-pandemic, downtown Holly welcomes visitors to a number of village events including Wednesday night car shows from May through October, Blues, Brews and Barbecue, and the annual Dickens Festival, a popular Victorian holiday celebration that takes place in downtown Holly between Thanksgiving and Christmas.

Just outside the village, in Groveland Township, the Michigan Renaissance Festival brings in thousands of visitors every fall, luring them back in time to a fictional English village called "The Shire of Hollygrove," during the reign of Queen Elizabeth I in the latter part of the 16th Century. Because of the COVID-19 pandemic, activities at the Renaissance grounds were altered to accommodate drive-thru events.

For outdoor enthusiasts, the Holly area boasts a large number of lakes and rivers, and two state parks, the Holly Recreation Area and Seven Lakes State Park. There, visitors can enjoy fishing, swimming, camping, hiking and all that nature affords. In winter, skiing and snowboarding await at the Mt. Holly Ski Area.

LINDEN

— Incorporated 1865 —

The city of Linden is located approximately four miles west of the city of Fenton, and can be accessed via U.S. 23 to Silver Lake Road.

HISTORY

Linden is rich with stories about the hardy settlers who overcame many struggles to make their homes in this community along the Shiawassee River.

In 1835, brothers Richard and Perry Lamb built a log home and settled what is now Linden. The following year, many new people arrived to the area, including Richard Newton and Joseph Irving. Two other settlers, Jonathon Shepard and Benaiah Sanborn, helped Herman Harris and Consider Warner build what is now the longest-standing building in the city, the Warner Mill, a dual saw and grist mill.

Warner and Harris then began drawing how the village would be settled, but just after their plans got off the ground, tragedy struck twice.

In the early 1840s, just after the mill construction was completed, an epidemic broke out and infected more than 60 percent of the settlers, half of whom left their belongings and moved away. Less than a decade later, the mills caught fire and burned to the ground, only to be rebuilt again.

The 138-year-old mill, a well-constructed building, has become the city's civic center. Today, the historic mill is the meeting place for the Linden City Council and its various committees and commissions, and serves the community as a museum and public library.

POPULATION

Linden City

Projected 2035 = 3,803

PUTTING LINDEN ON THE MAP

As the years passed, several industries put Linden on the map, including a buggy manufacturer, until another Michigander, Henry Ford, changed the course of history. With the invention of the automobile, Lindenites turned their gaze from the land to water. High quantities of marl were found in area marshlands and another industry, cement manufacturing, would take hold of the tri-county area for the next 30 years.

In 1885, the "Union Block," which stretched from Bridge Street to Main Street, was constructed and used bricks made locally by culling the clay from the earth at the corner of Hyatt Lane and Silver Lake Road.

Tragedy struck on May 18, 2007, when residents and other onlookers watched as the Union Block burned to the ground, destroying forever this part of Linden's rich history. City officials are currently working with individuals to rebuild on the site.

The Linden Hotel remains one of the area's oldest businesses, having served the community for more than 120 years.

Down the road, west on Silver Lake Road, in Argentine Township, another historic mill, the Wolcott Mill, was also thriving. Almost 166 years after its construction, the mill has new owners who have made significant inroads into preserving its history.

One of the area's most prominent citizens was former Argentine Township Supervisor Dr. Isaac Wixom, who according to some historical accounts, performed the first successful war time hip joint amputation. It was Wixom who first laid out the plans for what is now the main strip in the township before moving on to the Michigan State House of Representatives.

TODAY

In 2019, Linden City saw dramatic changes in the downtown area. Construction started on the two-story building owned by Dr. Nicole Wax of Dr. Wax Orthodontics at the northeast corner of Bridge and Broad streets. It was completed in 2020, and is home to three businesses and Dr. Wax Orthodontics.

Across the street from the new building will be the new Beacon & Bridge gas station and market. Owners Quick-Sav Food Stores are working on plans to rebuild with the market at the intersection.

Last year brought its fair share of challenges but it also brought many positives. City staff, the community and businesses adapted and handled the uncertainty with resiliency. Recreational activity increased significantly in Linden's parks, millpond area, and the new LAFF Pathway.

BEALE ST. SMOKEHOUSE BBQ, 2461 North Rd. Fenton, Mi (US-23 at Exit 80) • 810-750-0507

We serve real Southern Style Memphis BBQ seasoned with a dry rub. All pork, beef, chicken and ribs are specially prepared and smoked with selected hardwoods to create our signature smoky flavor. This makes the meat tender and tasty and gives it the reddish color known as "smoke line". Ain't no sin to get sauce on your chin — so roll up your sleeves and dig in!
