

LINDEN 2019-2020 SCHOOL BUS SCHEDULES

Welcome

on behalf of
First Student and Linden
Community Schools

Our number one priority is to provide safe and reliable transportation. We are looking forward to serving you during the 2019-2020 school year. We focus on the safest loading and unloading procedures for your child. Michigan State law requires bus stops to be a minimum of 200 feet apart from one another.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, digital cameras and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLACARD SIGN to ensure no sleeping children are left on board.

- Prior to employment we perform an extensive Local, State and Federal background check on both criminal and drivers license records. after employment we update these records yearly.
- Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening.
- Every driver will be fully trained with a minimum of 52 hours classroom and behind the wheel training.
- Every driver is to attend scheduled safety meetings.
- Every driver is re-evaluated at least once a calendar year.

The policy, for the safety of your child is to have consistent pick-up and drop-off locations. You must maintain the same pick-up and drop-off location every day throughout the week. Your AM pick-up may be different from your PM drop-off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.
- Please keep your emergency card up to date, any bus changes please notify transportation as well.
- Please have your kindergarten child wear their bus tag for the first two weeks of school.

DO NOT CHANGE THIS TAG FOR ANY REASON WITHOUT CONSULTING TRANSPORTATION.

Please contact the Linden Transportation Department if you have questions or need additional clarification regarding this information at (810) 591-0996. Your cooperation and assistance in making sure these policy and guidelines are followed will help insure the personal safety of your student.

Sincerely,
Laura O'lewin, Location Manager
Melissa Huff, Dispatcher
First Student Transportation
Linden Community Schools

**Routes will be posted on
Linden Community Web site**
