Unknown issues lead to more work, costs

Shiawassee Avenue water project reveals lead pipes, small mains that must be fixed

By Sharon Stone

The Shiawassee Avenue water project was a topic of discussion during the Fenton City Council work session on Tuesday, Sept. 8.

In a memo from Stephen Guy, supervisor for the city of Fenton's water plant, the water main improvements, which need to be completed prior to the road projects, began with several unknowns that would need to be discovered through exploratory work.

The GIS mapping system showed some situations that were believed to be inaccurate. In response, a review of pertinent records was conducted and retired individuals were interviewed.

Additional information revealed that more work needs to be done, at an additional cost. Fenton City Council originally approved expenses of $993,730. According to OHM, the city's engineering firm, an additional estimated cost of $191,785 brings the project up to $585,515.

‘This is what reform looks like’

I.G.N.I.T.E. program aims to reduce Genesee County Jail population

By Hannah Ball

Flint — Genesee County Jail inmates are going to school.

Thanks to the new I.G.N.I.T.E. program, which stands for Inmate Growth Naturally and Intentionally Through Education, the 571 inmates have the option to take online courses while behind bars so they can create a better life when they’re released.

On Tuesday, Sept. 8, standing alongside a group of community leaders, Sheriff Chris Swanson celebrates after the ribbon-cutting ceremony Tuesday, Sept. 8, marking the start of I.G.N.I.T.E. at the county jail. The program, which allows inmates to learn while they’re serving time, is aimed at helping inmates create a better life for themselves once they’re released. The average grade completed of prisoners in the Genesee County Jail is sixth to ninth grade. Speakers at Tuesday’s press conference stressed the importance of education.

Linden schools $55-million bond to be on November ballot

Funds would go to security, upgrades, new building and more

Compiled by Hannah Ball

Voters in the Linden Community Schools district will see a $55-million bond proposal on the Nov. 3 General Election ballot.

In early spring, the Linden Board of Education approved moving the proposal from the May election to November due to the COVID-19 pandemic.

“The November ballot proposal contains the same projects as the May 5 proposal, and the net tax rate increase will also remain the same — 1.0 mill. To reduce overall bond interest cost, the bonds will be sold in three series,” according to a press release.

See BOND on 13

I would like to thank the young lady who helped me pay for my prescriptions at Rite-Aid in Linden on Sept. 9. She will be in my prayers for the future. Thank you, my dear.”

Would it be too much to ask that our political leaders have exactly the same health insurance options that are available for the rest of us?"

We love seeing all of the veterans featured in the Times. We were proud to see our grandpa featured. Thanks to the Times staff and Sharp Funeral Homes for doing this. Editor's note: Email your veteran’s information and photo to sstone@tctimes.com so that it can be featured in an upcoming issue.”

To the kind person who leaves the ‘Solo Cup’ notes on Sorenson Park’s fence. You are appreciated by me. Namaste.”

Flu vaccine is still important, experts say

‘Getting a flu vaccine will be more important than ever’

By Hannah Ball

As fall and the flu season begin during the COVID-19 pandemic, medical experts are stressing the importance of receiving the influenza vaccine.

Joseph Starrs, pharmacist/manager at VG’s Pharmacy off Silver Parkway, said they’ve been administering the flu vaccine for a few weeks now.

“The flu vaccine is the best way to prevent the virus,” he said, adding that the flu can lead to hospitalization and severe respiratory issues. “We want to prevent it.”

Older people and those with underlying illnesses are at greater risk for the virus.

“The flu vaccine is serious every year. It’s something you don’t hear about all the time. You can have thousands of deaths just from the flu. If we can give the flu shot and help prevent some of that, it’s great,” Starrs said.

The vaccine has been highlighted this year due to the pandemic, he said, but it’s important to get the flu shot every year.

More people are wearing masks inside while in public because of COVID, which Starrs said could help prevent the flu from transmitting. Both viruses are transmitted by water droplets, and masks have shown to help slow the spread.

“People should be aware that the flu virus is still a very serious thing,” he said.

An appointment is not necessary to receive the shot at VG’s Pharmacy.

The Centers for Disease Control and Prevention (CDC) released information and guidelines on the upcoming flu season and how it will be affected by the ongoing COVID-19 pandemic.

“While it’s not possible to say with certainty what will happen in the fall and winter, CDC believes it’s likely that flu viruses and the virus that causes COVID-19 will both be spreading. In this context, getting a flu vaccine will be more important than ever,” according to the CDC.

Efforts to slow the spread, including stay-at-home orders, have led to a decrease in people seeking routine preventive medical services, including immunizations.

“Ensuring that people continue or start getting routine vaccinations during the COVID-19 pandemic is essential for protecting people and communities from vaccine-preventable diseases and illnesses,” said Starrs.

See FLU VACCINE on 19
We have used the analogy, building a plane in the air, regarding our work and experiences since the shutdown of all schools in March. Now that we have a flight plan and we are well on our way to a finished product, we are finding many challenges along the way that have taken a team to solve. The team consists of our hard working staff, our supportive and caring parents and our dedicated community members.

On July 31, Fenton Area Public Schools announced we were delaying face-to-face instruction based on both safety measures and maintaining the continuity of teaching and learning.

Our team of staff, parents and community members have stepped up and are doing what it takes to make the flight as successful as possible.

The key to moving forward is understanding that this school year will be full of challenges that we have never experienced before.

When FAPS does return for face-to-face instruction, we will have challenges inside our buildings and will still be providing instruction online for a number of our learners. Returning to school is what we all want and is what we are all working toward. We have experienced turbulence while building the plane in the air and we know there will be more, however, being resilient, adapting to new challenges and working to solve problems will help us make the 2020-21 school year a year to remember.

Many Genesee County schools, including FAPS, have set a return date in the near future, and FAPS, like many others, are ready to take on the challenges ahead. Safety and continuity will remain our priority and we will continue to work with our team of staff, parents and community members eventually to land the plane we have built and get back to a sense of normalcy.

On behalf of the FAPS Board of Education and the FAPS administration, thank you to our families for their continued support and for being a part of the team.

Do you prefer winter or summer?

“Summer. It’s hot, no clothes, flowers, grass and trees are all bloomed, nice tan and the lake.”

“Summer – Up North, baseball, sunshine, grilling, spending quality time with family.”

“Summer. We can be outside all day, go swimming, have people around more often because there is more space, and the fact that sunshine makes everything better.”

“I’m gonna’ go out on a limb — winter, but I live in the U.P. now and I am hunting, ice fishing, snowmobiling, and my busy town is quiet and nice without a bunch of tourists.”

“Summer. We will be able to be outside all the time!”

“I prefer fall. The scenery is better, the weather is acceptable and it’s football and deer season.”

Some residents could see water bill relief

- Water Assistance Program has $25 million to help during COVID-19 pandemic

By Sharon Stone

Some Fenton City residents could see relief in their water and sewer bills.

A $25 million Water Assistance Program by the Michigan Department of Health and Human Services (MDHHS) and the Bureau of Community Action and Economic Opportunity (BCAEO) aids eligible water customers during the time of the COVID-19 pandemic.

Eligible customers are any water and sewer customers who receive food assistance. Eligible dollars pay any arrearages up to $700 per customer starting in March 2020 through the end of December. See RELIEF on 19

Local county commissioner secures funds for road repairs

- Village manager says improving local streets not possible without these types of funds

On July 23, the Oakland County Board of Commissioners adopted a resolution sponsored by Commissioner Bob Hoffman (R-Highland Twp.) securing $15,210 for the village of Holly through the county’s Local Road Improvement Program (LRIP).

These funds will be used to help with road maintenance requirements and other road repairs. Holly plans to use the funds to help with crack sealing on various roads.

“This program has been an excellent way for the Oakland County Board of Commissioners to partner with local units of government to assist them in needed road repairs,” Hoffman said.

Oakland County's LRIP provides limited financial assistance to Oakland County cities and villages for repairs and improvements on roadways under their jurisdiction. The program ensures that the county investment in roads is multiplied by requiring local municipalities to match funding from Oakland County. Launched in 2016, the LRIP has driven an estimated $89 million investment in local roads across Oakland County.

The program is an effective means for encouraging investment in local roads, which continue to be underfunded by the State of Michigan. This lack of funding from the state and federal government has resulted in poor road conditions, which negatively impact safety, quality of life and economic development in the region.

“The village of Holly is very fortunate to have support and to partner with the Board of Commissioners, as they provide additional funds for local road repairs,” Jerry Walker, village manager, said.

“Especially as we feel the effects of the pandemic, funds for repair of local streets would not be possible without funds like these being allocated. The residents in the village of Holly are represented very well by Commissioner Hoffman, and ultimately by support of the entire Board of Commissioners.”

In 2017, the Board of Commissioners’ LRIP received national recognition when it was selected for a National Association of Counties (NACo) Achievement Award in the category of Community and Economic Development.

Hoffman represents the second county commission district, which includes Groveland, Highland, Holly, Rose and Springfield townships, in addition to the village of Holly.

Health screenings shouldn’t wait, even now

Don’t delay the important care you need

Delaying screenings may affect your health. Heart, colon and lung screenings, as well as mammograms, can help your Ascension Genesys care team get a clearer picture of your health and work with you to address any concerns. Ascension hospitals and facilities are following strict safety precautions and are fully prepared for your safety while in our care. Ask us if a virtual visit is right for you.

Call 866-506-1378 to schedule a heart scan or appointment to discuss other important health screenings.
Stop compressing your symptoms...

FHS senior takes step toward Merit Scholar title

School learns Caroline Weaver qualifies as semifinalist in national scholarship program

By Sharon Stone

Caroline Weaver, a senior at Fenton High School, qualified as a semifinalist in the 2021 National Merit Scholarship Program. She is one of 16,000 high school seniors who qualified as a semifinalist and will continue in the competition for some 7,600 National Merit Scholarships to be offered next spring.

Weaver will have to complete the next application by Oct. 7.

The National Merit Scholarship Corp. (NMSC), which announced the semifinalists, is a not-for-profit organization that operates without government assistance. It was established in 1955 specifically to conduct the annual scholarship program.

National Merit Scholarship winners of 2021 will be announced beginning in April 2021. These recipients will join more than 353,000 other distinguished young people who have earned the Merit Scholar title.

Public hearing Sept. 17 on grant application for Silver Lake Road Connector Trail

The Southern Lakes Regional Metropolitan Parks and Recreation Commission (SLPR) is developing a Michigan Department of Natural Resources Trust Fund grant application for the development of the Silver Lake Road Connector Trail. The pathway will be constructed along the south side of Silver Lake Road through the communities of Linden, Fenton and Fenton Township and connects Triangle Park in the city of Linden with Silver Lake Park in the city of Fenton. The proposed pathway benefits the southern lakes area communities by providing alternate transportation, recreational opportunities, and regional connectivity with an overall goal to develop non-motorized connectivity within these southern Genesee County communities and beyond. SLPR will hold an informational public hearing Thursday, Sept. 17 at 6 p.m. to explain the proposed project and grant application and seek input from the community. Due to COVID restrictions, the public hearing will be held using the Zoom meeting platform. If you have any questions, please contact SLPR Executive Director Ed Koledo at (810) 714-2011 or email him at ekoledo@slpr.net.

Hogan Road to close for one week for railroad track repairs

The Genesee County Road Commission announced that CN Railroad will close Hogan Road between Lahring and Rolston roads in Fenton Township to thru-traffic Monday, Sept. 14 at the CN railroad crossing for track repairs. The closure will last approximately seven days. A detour will be posted using Rolston Road, Linden Road/Bridge Street and Lahring Road.

RECKLESS MOTORCYCLE AND ATV OPERATION IN HOLLY
On Saturday, Sept. 5, at 1:35 p.m., residents of Crescent and Fairfield reported constant and numerous young operators on motorcycles and all-terrain vehicles (ATV) exceeding speed limits, running stop signs and operating recklessly in the area. Holly police officers were able to locate two operators and impounded their motorcycles. Parents have been notified and officers will be continuing directed patrols in the area.

FENTON WOMAN FAILS TO SCAN MERCHANDISE AT SELF-CHECKOUT
At 7:30 p.m. on Sept. 3, Fenton police were dispatched to a retail store in the 3200 block of Owen Road for a retail fraud complaint. The loss prevention employee told police that a male and female shopper were together. The woman failed to scan and pay for 16 items ($300 value) in the self-checkout line. The couple was detained until police arrived. She did purchase a few other things with her credit card, which led police to her identity. Fenton police arrested the 49-year-old Fenton woman and issued her a Nov. 5 court appearance ticket for retail fraud.

HOLLY WOMAN FAILS TO SCAN MERCHANDISE AT SELF-CHECKOUT
On Sept. 5 at 6:30 p.m., Fenton police were dispatched to a big box store in the 3700 block of Owen Road for a retail fraud complaint. Loss prevention had a 47-year-old Holly woman in custody. Police learned that the woman failed to scan and pay for 18 items ($127 value) and exited the store. Lt. Jeff Cross said retail fraud suspects will scan an item and toss extra items in their bag at the self-checkout lines. Loss prevention employees monitor these self-checkouts. The woman was taken to the police station for booking and was issued a Nov. 5 court appearance citation.

HOT LINE CONTINUED
I WAS WAITING for the Democrat Convention to open with what I think should be their theme song, Sam Cooke’s, ‘Don’t know much about history.’

TO THE PERSON who said Trump was impeached for a good reason. Can you please at least tell us the good reason? I’ll wait.

TO ‘WHITE CAUCASIAN’ male. Learn to read. Hot line didn’t claim Whitmer’s declaration of racism as public health emergency was due to Flint BLM agenda. Comment simply pointed out high profile Democrat leader holds same ideological view as BLM.

BIDEN ACTUALLY CONDEMned riots all the way back in June, according to fact-checking website Snopes. Do your research.

TAMPERING OF VEHICLE TIRE
On Friday, Sept. 4, at 2:32 p.m. a Grange Hall Road resident reported to Holly police that she left her Holly residence and was driving to another town when she felt the vehicle reacting in an unstable manner. She stopped the vehicle and found four of the six lug nuts on one of her tires were missing. The victim believes someone was trying to steal her tire, which also created a safety hazard. The incident remains under investigation.

ASSAULT AND BATTERY IN HOLLY
On Thursday, Sept. 3, at 4:35 p.m., a Holly police officer was dispatched to the police station to speak with the victim of an assault and battery that was reported to have occurred at Crapo Park. The victim reported she was asked to meet a person at the park. When she arrived, there were several teens present and one of the juveniles slapped the victim. Officers are completing their investigation of the incident.

HOLLY WOMAN ARRESTED FOR ASSAULT AND BATTERY
On Friday, Sept. 4, at 2:54 p.m., a Grange Hall Road resident reported that her neighbor had placed items in her driveway to block her entrance and then confronted the victim, calling her names. The victim reported the suspect then punched her in the face. The suspect was identified as a 48-year-old Holly woman, who according to the victim, began damaging flowerpots and other property as the victim called police. Responding Holly police officers were able to secure the suspect in her home and arrested her on charges of assault and battery and malicious damage. A court date is pending.

Would you like to have your name, organization, business or a loved one's name on a bench in the city of Linden? Now is the time to act.

The city of Linden Parks & Recreation Commission is presenting its Adopt a Bench program. This program is for individuals, families, businesses or organizations who wish to help contribute to the beauty and relaxation of our city's parks.

There are currently benches available for adoption at Mill Pond Park.

Contact the City of Linden at 810-735-7980 or hmacdermaid@lindenmi.us

‘Adopt a Bench’ program underway

- Businesses, individuals, organizations may adopt a city bench

**OPTION 1:** Adopt a Bench and do the work yourself.

The benches must be thoroughly scraped and cleaned or when possible, power washed and stained with two coats of stain. Every subsequent year, the benches need to be stained no later than July 4. The adoptee will purchase the approved stain directly from The Stain Shop in Linden. A plaque with the adoptee’s name will be provided by the City. The adoption period is for 10 years. At any time that the bench is no longer maintained it will be available for re-adoption.

**OPTION 2:** Adopt a Bench for a one-time fee of $500 and the bench will be cleaned and maintained by the City. The fee would be used to offset the cost of the stain, labor and a plaque on the bench. The adoption period is for 10 years.
HOLLY TOWNSHIP
NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN, that the Holly Township Planning Commission will hold a public hearing on:

DATE: October 6, 2020
TIME: 6:30 PM or as soon as possible thereafter
PLACE: Electronic Meeting.

BOND
Continued from Front Page
The $55-million bond proposal is a 1-mill increase on the approximate 3.9 existing mills already paid by those in the school district, totaling 4.8 mills. The money would go toward upgrades in every school building for security, technology, STEM (science, technology, engineering, math) classrooms, and instructional development.

It would also go toward a new multipurpose building that would be constructed between Linden High School and Linden Middle School. It would serve as a hub for gymnastics, team rooms for games, a wrestling room, an area for robotics programs, court space, a walking track and more.

The proposal would fund a media center to Linden Elementary School and expand the Linden High School Media Center, as well as fund secure entrances to Central, Hyatt, and Linden Elementary, Linden Middle School, and Linden High School.

The proposal would relocate the Early Childhood Center from its current Argentine location and move it to Hyatt Elementary.

“The school district worked with construction and architectural specialists to complete an in-depth facility study in early 2019. The overall focus was to identify projects designed to upgrade and enhance the learning environment,” according to the press release on linden-schooilsbond.com.

THE TRUMP BOAT parade on Lake Fenton on Labor Day was awesome. It was a beautiful sight to see so many American flags, as well as Trump flags on display. We heard there were 273 boats in the parade. Go USA.

PROJECT
Continued from Front Page
The city council approved the added costs to address the issues. Additional work that needs to be addressed includes:

The 4-inch main that runs down Shiawassee, under Michigan Department of Environment, Great Lakes, and Energy (EGLE) rules, must be abandoned due to its small size. There is a 12-inch main that runs down the road as well and most of the service lines were thought to be tapped on the 12-inch main and not the 4-inch main. This turned out to be false, so the majority of the service lines had to be re-tapped to the larger main, which adds a cost of $74,000.

Guy explained that the revised lead and copper rule added work to the project too. Every galvanized piece of pipe on either side of the service line is required to be replaced. A situation on George Street was not known until recently. The current 2-inch water main must be upgraded to an 8-inch water main and all seven service lines must be replaced. The entire line is considered to be a lead service line and it must be replaced when it is disconnected.

City Manager Lynn Markland said the 4-inch main was likely installed prior to the 1950s when records for such items were not kept. This work adds $85,000 in costs.

Abandoning the 4-inch main also means the streets that are connected to the 4-inch main need to be changed over to the later water main at a cost of $25,000.

Lastly, the 12-inch main that runs down Shiawassee has no valves on it from Fenway Drive to Adelaide Street. Insertion type valves will be installed in order to not disrupt service to all the customers on that section of line during the project. This adds a cost of $28,920.

Guy said he and OHM recommended the extra costs, not to exceed $212,920 be approved.

HOT LINE CONTINUED
FOR ALL THE people who think mail-in voting is 100-percent foolproof and nothing bad can happen. Here’s a way to test it. Go to your bank, withdraw $5,000 and then put it in an envelope and mail it to yourself. Didn’t think so.

WHAT IF THERE were a poll workers union? What if they endorsed Trump? People would lose their minds. Well guess what, there is a postal workers union, you know the people collecting your ballots, and guess what, they have endorsed Biden. Sounds fair to me.

THE TRUMP BOAT parade on Lake Fenton on Labor Day was awesome. It was a beautiful sight to see so many American flags, as well as Trump flags on display. We heard there were 273 boats in the parade. Go USA.

MESSING WITH THE post office is real. My relative works in the post office and overtime is only authorized from Thanksgiving to Christmas to ensure holiday deliveries. No overtime during the election, elimination of sorting machines is an effort to slow delivery impacting all mail, not just ballots.

PRO-MASKERS WHO are so upset over those who don’t wear them: If masks work, then what are you worried about? You’re completely protected from any virus with that face covering, aren’t you? Mind your own.

ISN’T IT ABOUT time the Democrats had a new tune? I see today the same old tactic of the Republicans are going to cut your Social Security is back in ads. It hasn’t happened in 50 years but I know the same old song is sung.

Continued from Front Page

Swanson unveiled stacks of new Chromebooks that will help Genesee County inmates further their education. The I.G.N.I.T.E program is aimed at reducing the recidivism rate, which is the percentage of released prisoners who relapse into criminal behavior and return to jail.

“We all make mistakes. Every one of us has made a mistake that could cost us dearly or has cost us dearly,” Swanson said. “Every one of us has an opportunity, and based on what we do with that opportunity, brings us to where we are today.”

Swanson said with the county jail population, the average grade completed is sixth to ninth grade. Half of them struggle to read and write, he said, nine out of 10 are addicted or co-addicted to a substance, and five out of 10 are treated for mental health issues.

“All of them deserve dignity. All of them deserve another opportunity. Whether they want it or not, they deserve the opportunity,” he said. “It’s about changing their mindset so they never come back again.”

The state of Michigan Department of Corrections budget is $2 billion, Swanson said, and this doesn’t include what people pay per county for their county jail. If fewer people are housed in jails, the cost to taxpayers reduces.

“That means that we’re going to school, and school started here in this jail this morning at 8 a.m.,” he said. This program was beta tested this year.

There are three tiers based on their education level: beginner, intermediate or advanced. In these curriculums, inmates go to school an hour before lunch and an hour before dinner five days a week. The studies can encompass sign language, French literature, culinary arts, skilled trades taught through virtual reality, and more.

“There is not one thing that we can’t teach them,” he said.

Swanson said the cost to taxpayers is $0. The inmates already have tablets, through GTL, that allow them to stream music and games, which generates revenue. That revenue will pay for the I.G.N.I.T.E program.

Percy Glover, a former inmate of the Genesee County Jail, first met Swanson when he was an inmate. He told the crowd how when he got out of jail, he was lost and had no resources. Glover went to Mott Community College, he’s worked with inmates and those on probation as a reentry specialist, and he now has a master’s degree.

“Without the training, without the education, without the resources, a person cannot get ahead,” he said.

Genesee Intermediate School District Superintendent Lisa Hagel, Ph.D. spoke in favor of the I.G.N.I.T.E program. “As children grow into adults, we still hold this belief that education changes lives,” she said. “No matter what the reality or what the situation, education and the skills and knowledge that comes along with it provide the men and the women the freedom to contribute back to society, and that is what we believe this program will do.”

Chief Justice Bridget McCormack of the Michigan Supreme Court commended Swanson, the previous sheriff Robert Pickell and the new program. She’s on a state task force aimed at criminal justice reform. County jail populations have tripled over the last three years “even though crime is at a 50-year low,” she said.

She told a story she heard while doing work for the task force about a police officer who pulled over a man who had been arrested eight times for driving without a license. The man said he’d been wanting to take the test, but he can’t read.

McCormack spoke of thinking “upstream” to create better solutions to help people.

University of Michigan football coach Jim Harbaugh spoke at the event.

“We have a saying on our team—your actions speak so loudly that we cannot even hear what you’re saying,” he said. “This is action. This is what change looks like. This is what reform looks like.”

Swanson read a note from an inmate about how they’re hopeful for the I.G.N.I.T.E program.

“No one wants to hire an uneducated criminal. They have never had options for us… We run back to what we know best, which leads us right back to jail, the revolving door. Some of us just need that extra push. Some of us just need someone to say, ‘you got this,'” he said.
Deadline is Friday for USDA’s Coronavirus Food Assistance Program

RICHFIELD TWP. — U.S. Dept. of Agriculture Farm Service Agency reminds Genesee County farmers that the deadline to apply for the Coronavirus Food Assistance Program is Sept. 11, 2020.

This program provides direct relief to mid-Michigan producers who faced price declines and additional marketing costs due to COVID-19. More than 160 commodities are eligible for CFAP, including certain non-specialty crops, livestock, dairy, wool, specialty crops, eggs, aquaculture, and nursery crops and cut flowers.

All eligible commodities, payment rates, and calculations can be found on farmers.gov/cfap.

“FSA offers several options for farmers and ranchers to apply for CFAP, including a call center where employees can answer your questions and help you get started on your application,” stated Richard Fordyce, Farm Service Agency administrator. “With only two weeks before the deadline, now is the time to check out the resources on our website and contact the call center or your local office for your last-minute questions.”

Customers seeking on-one support with the CFAP application process can call 877-508-8364 to speak directly with a USDA employee ready to offer general assistance. This is a recommended first step before a producer engages the team at the FSA county office at their local USDA Service Center.

Producers have several options for applying to the CFAP program by the Sept. 11 deadline:

• Using an online portal, accessible at farmers.gov/cfap. This allows producers with secure USDA login credentials, known as eAuthentication, to certify eligible commodities online, digitally sign applications, and submit directly to the local USDA Service Center.
• Completing the application form using our CFAP Application Generator and Payment Calculator found at farmers.gov/cfap. This Excel workbook allows customers to input information specific to their operation to determine estimated payments and populate the application form, which can be printed, then signed, and submitted to their local USDA Service Center.
• Downloading the AD-3114 application form from farmers.gov/cfap and manually completing the form to submit to the local USDA Service Center by mail, electronically, or by hand delivery to an office drop box. In some limited cases, the office may be open for in-person business by appointment.

Appeals court rules against farmworkers, farmers

By MITCH GALLOWAY
Farm News Media

LANSING — A nine-page filing Sept. 2 by the U.S. Sixth Circuit Court of Appeals ruled against farmworkers and farm owners, plaintiffs in a case against the Michigan Dept. of Health and Human Services.

Previously, plaintiffs argued the state’s emergency order requiring COVID-19 testing at certain-sized operations infringed on migrant workers’ civil rights. When U.S. District Court for the Western District of Michigan upheld state testing requirements in August, farm employers had until Aug. 24 to implement mandatory testing and protocols.

Grand Rapids-based law firm Varnum LLP first filed a complaint Aug. 12 on behalf of the farmworkers. Later, they filed a preliminary injunction, which the appeals court denied, in part, because “proffered evidence is insufficient.”

“(C)onsidering the effects of government action on various racial groups is not evidence of improper Purpose,” the court wrote in the filing.

“Put simply, Plaintiffs’ argument requires us to view disparate impact as evidence of discriminatory motive,” the court continued. “That is inconsistent with longstanding Supreme Court precedent requiring those asserting equal protection violations to show both impact and intent.”

Previously, Michigan Farm News reported Michigan has about 75,000 Latino farmworkers. Plaintiffs in the case include True Blue Berry Management LLC, Smeltzer Orchards Co. LLC, and six farm workers.

“We are obviously disappointed in the Sixth Circuit opinion,” said Rob Anderson, manager of government relations for Michigan Farm Bureau. “We will wait to hear what the next steps are for the plaintiff farmworkers and employers. We just received the opinion ourselves but the ultimate decision to move forward is that of the plaintiffs and their counsel at Varnum LLP.”

Anderson said that despite the targeting of certain employees in the ag workforce, “Our growers will continue to provide safe workplaces for their employees, as they have since the beginning of the pandemic.”

MDARD reminds U-pick, corn mazes and agri-tourism operators to follow COVID-19 safety guidance

GENESEE COUNTY — As Michigan moves into autumn, the Michigan Dept. of Agriculture and Rural Development (MDARD) reminds U-pick, corn mazes and other agri-tourism operations in and around Genesee County opening up to implement and follow plans to protect themselves and their customers in response to the COVID-19 pandemic.

“Fall harvest in Michigan brings a bounty of delicious food and products highlighting Pure Michigan agriculture. U-pick and other agri-tourism farming operations are part of the foundation of our food supply chain,” said Gary McDowell, MDARD director. “These businesses need to continue adhering to specific guidance such as social distancing in the retail and field areas, using masks, and taking the necessary steps to protect public health as they open for the season.”

A couple of key items to note:

• Operators must have a COVID-19 preparedness and response plan and make it readily available to employees and customers; train employees; and supervise implementation.
• U-pick and agri-tourism operations must screen staff daily for symptoms and those with symptoms should not be permitted to work until they subside.
• The use of personal protective equipment such as gloves, goggles, face shields, and face coverings as appropriate for the activity being performed is required and must be provided.
• Limit in-person interaction with clients and patrons to the maximum extent possible, and bar any such interaction in which people cannot maintain six feet of distance from one another.
• Customers must take steps to maintain social distancing in sale and retail areas and in fields.
• Spacing out guests in U-pick areas is critical to the safety of all guests. A minimum of six feet between guests must always be maintained. This also means avoiding crowds waiting to enter sales or field areas and providing for six feet between each guest standing in any lines.
• Family units should stay together and six feet apart from others. Customers should only be accompanied with family members and should limit the numbers in their groups.

Continued from Page 3
outbreaks, including flu. Routine vaccination prevents illnesses that lead to unnecessary medical visits and hospitalizations, which further strain the healthcare system,” according to the CDC.

The flu vaccination will help reduce the overall impact of respiratory illness on populations, which will lessen the burden on the U.S. healthcare system during this pandemic. It is recommended that everyone 6 months of age and older, with a few exceptions, receive the vaccine.

The CDC is working with healthcare providers and state health departments to develop contingency plans on how people can get the flu vaccine without increasing their risk of being exposed to COVID-19.

Influenza and COVID-19 are different. “Influenza (flu) and COVID-19 are both contagious respiratory illnesses, but they are caused by different viruses. COVID-19 is caused by infection with a new coronavirus (called SARS-CoV-2) and flu is caused by infection with influenza viruses. Because some of the symptoms of flu and COVID-19 are similar, it may be hard to tell the difference between them based on symptoms alone, and testing may be needed to help confirm a diagnosis,” according to the CDC.

Gyms, fitness centers, pools reopen

Closed since mid-March, staff and members adjust to pandemic guidelines

By Sharon Stone

Area gyms, fitness centers and pools were allowed to reopen Wednesday, Sept. 9. This comes after Gov. Gretchen Whitmer signed Executive Order 2020-176 on Thursday, Sept. 3.

In addition to gyms being allowed to open their doors, organized sports were allowed to resume.

Whitmer also signed an executive order that outlines strict workplace safety measures that gyms and pools must follow to protect people from the spread of COVID-19.

Gyms must require wearing of masks at all times, including times of exercise, configure workout stations or implement protocols to enable 6 feet of distance between individuals during exercise sessions, reduce class sizes to enable at least 6 feet of separation between individuals, provide equipment-cleaning products throughout the gym, and more.

Planet Fitness on Owen Road in Fenton reopened Wednesday. Employees at the Fenton location have worked hard to welcome guests back and to provide a clean, sanitary and judgment free workout members expect, according to the gym’s Facebook page. Because of the local requirements, they are only able to accommodate 138 members at a time and masks are required for members and guests at all times.

Members who paid dues in March, when the governor shut the state down, will have those dues credited toward their first monthly bill.

Coreena Storms of Fenton said her gym, Libratum Strength & Conditioning, is an “awesome gym with amazing coaches.”

Ed McNulty, who owns Tri County Ninja with his wife Megan, said business is going “OK, but no where near as well as pre-covid.”

McNulty said they are starting to see interest return a little bit.

“We were able to host camps and things earlier, but we weren’t classified as a gym in the same way as Planet Fitness. Even though we did get under most of the same restrictions. The governor would allow us to have almost 50 people inside based on occupancy guidelines, but we have instituted a self-imposed cap of 10.”

To offset their lost revenue, the McNultys are offering some distance learning assistance. “We have staff on hand to help the kids with homework

Tigers open soccer season with impressive 7-0 win vs. Owosso

By David Troppens

Fenton — On Aug. 12, the Fenton varsity boys soccer team started practicing for its 2020 fall season.

But just like so many other fall sports teams, the journey to a first game took much longer than hoped due to the COVID-19 pandemic and the state guidelines preventing play.

First, a game against area rival Linden was canceled, and following that was the cancellation of a few other games. But, on Wednesday, the wait was finally over. The Fenton Tigers were able to begin their season with a home game against Owosso.

And while playing the first game took nearly a month, it didn’t take senior Desmond Coughlin long to give the Tigers their first lead of the season. It took just 34 seconds.

Coughlin gave the Tigers an early 1-0 lead and Fenton never lost control of the contest earning a 7-0 win at home in their first Flint Metro League game of the season.

“It was pretty tough because we thought the games were going to start but then we had to wait,” Coughlin said. “We were having fun practicing but we are really glad that the season is starting.

“It feels great now because we have been working so hard. And coming off such a good season last year we just want to get out here and play as good as we can and have a good time with our brother-ship.”

The Tigers struck quickly. A pass from Ashton McKellar set up a nice shot to the far-side corner by Coughlin for the first goal of the season.

“It does feel pretty exciting and exhilarating,” Coughlin said about the goal. “We are just ready to get the season going.”

The score remained 1-0 until Andrew Hutchins dished a pass to Calvin Curtis. Curtis dribbled up the field for about five yards before taking the shot and scoring, making it a 2-0 lead. Before the half was

Holly tennis off to strong start in Flint Metro League action

By David Troppens

Holly — COVID-19 does pose a few issues when it comes to the Holly varsity boys tennis season.

“For one, we have to wear a mask when we get off the court,” senior Garrett Reid said. “We have to try to stay away from each other and that’s kind of a bummer because we all want to talk to each other. ... But one nice thing is we don’t have to wear a mask when we are playing anymore. It’s great that we have that freedom to be able to take off our mask when we are playing.”

Whatever the issues may be during a meet, they don’t seem to be stopping the Bronchos. Holly improved to 3-0 in Metro League action on Thursday, defeating Owosso by an easy 8-0 score.

“I feel like we are doing pretty good,” senior Joe Kittle said. “It’s a little weird having to wear masks and almost having to wear them while playing, but I think we are doing well.

“Like I said we have a lot of kids that have potential over the next couple of years. I am good buddies with everyone on the team. It’s a pretty good team. I love it.”

Fenton girls golf team earns two more wins

By David Troppens

The Fenton varsity girls golf team is now more than halfway through the Flint Metro League’s dual meet portion of the season, and they remain perfect in league play.

The Tigers improved to 5-0 in Metro action by beating Kearsley and Brandon at Goodrich Country Club on Wednesday. Actually, the Tigers dominated their competition, posting a team score of 169 while Kearsley (241) and Brandon (245) were more than 70 strokes behind the victors.

Brook Herbstreit helped lead the Tigers’ domination with a match med-alist nine-hole score of 39. However, she wasn’t the only strong performer as the Tigers had all six of their golfers post scores under 50.

Katelyn Burkett was the meet’s next-best golfer, shooting a 42. Meanwhile, Olivia Herbert carded a 43 and Victoria Carnell shot a 45. Fenton’s fifth and sixth scorers also had strong days as Jillian Roberts shot a 46 and Elise Roberts carded a 47.

The only other team with an undefeated record in the Flint Metro League is Goodrich. The Tigers host them in a key Metro dual Wednesday.

TIGERS
Continued from Page 22

up. Benjamin Chapple and Zander Fulton also scored, giving the Tigers a 4-0 half-time lead.

The Tigers continued to dominate in the second half, flirting with the eight-goal mercy rule. McKellar scored two second-half goals and Curtis scored another goal in the second half, however, the Tigers were unable to get the eighth goal that would’ve called the game early. Still, a 7-0 victory was pretty impressive.

“I like most that we were out here having fun and playing good soccer for our first game,” Coughlin said. “We had great brother-ship out there today.”

The Tigers have a good nucleus of players returning from last year’s team that not only shared the Metro League title with Linden and Good-rich, but also advanced to the D2 state semifinals before falling in an overtime game. This season, the Tigers will be competing at the Division I level in the state tournament.

“We are just trying to go as far as we can, play as long together as we can as a team and stay together,” Coughlin said. “We are in D1 in districts this year so it’s going to be tougher. We are just going to have to play tougher.”

The game was played with every participant wearing a mask due to the pandemic.

BOYS SOCCER

The Eagles opened the Flint Metro League season with a victory against the Brandon Blackhawks. The Eagles led 2-1 at halftime and the game was tied 2-2 early in the second half.

Continued from Page 22

A year ago, the Lake Fenton varsity boys soccer team only had 15 players and lacked serious depth. Consequently, the Blue Devils were able to only win two games and record two draws in 17 contests.

Just two games into this season, things have changed. The Blue Devils not only have more players (22 on the roster) but they also have more talent-ed players within that depth. Many of those players that were on last year’s team also have more experience as well. The results? The Blue Devils have a win and a tie in their first two games of the 2020 fall season.

Lake Fenton drew Genesee Christian 1-1 in its first game and then beat Flushing in a Flint Metro League contest 2-0 on Wednesday.

“Both of those teams beat us 3-0 last year,” Lake Fenton varsity boys soccer coach Sam Jawhari said. “But I have some really good ninth-graders that came up this year and three are getting a lot of playing time. ... Last year we had 15 players and there weren’t

PREP REPORT

GIRLS GOLF

► Goodrich 182, Holly 224: The Bronchos (1-2) were led by Kendall Stilwell’s 50 at Flint Elks Golf Course. Makenna McGee shot a 54 while Ella Bush carded a 57. Emma Tooley shot a 63.

Holly hosts Brandon on Monday.

BOYS SOCCER

► Linden 4, Brandon 3: The Eagles opened the Flint Metro League season with a victory against the Brandon Blackhawks. The Eagles led 2-1 at halftime and the game was tied 2-2 early in the second half.
REQUEST FOR PROPOSALS
Charter Township of Fenton – Snow Removal Services

The Charter Township of Fenton is requesting proposals from qualified contractors for snow removal services at Fenton Township facilities. Proposal forms are available at the Fenton Township Office, 12060 Mantawauka Drive, Fenton, Michigan 48430. Proposal forms are also available on Fenton Township’s website at www.fentontownship.org.

Sealed proposals must be submitted to Fenton Township no later than 3:00 p.m. Thursday October 1, 2020. Any questions should be directed to the Fenton Township Operations Manager by email at info@fentontownship.org or by phone at (810) 629-1537.

NOTICE OF PUBLIC HEARING
Proposed Silver Lake Road Connector Trail
M.D.N.R. Grant Application

The Southern Lakes Regional Metropolitan Parks and Recreation Commission (SLPR) is developing a Michigan Department of Natural Resources Trust Fund grant application for the development of the Silver Lake Road Connector Trail. The pathway will be constructed along the south side of Silver Lake Road through the communities of Linden, Fenton and Fenton Township and connects Triangle Park in the City of Linden with Silver Lake Park in the City of Fenton. The proposed pathway benefits the southern lakes area communities by providing alternate transportation, recreational opportunities, and regional connectivity with an overall goal to develop non-motorized connectivity within these southern Genesee County communities and beyond.

SLPR will be holding an informational public hearing on Thursday, September 17th at 6 PM to explain the proposed project and grant application and seek input from the community. Due to COVID restrictions, the public hearing will be held using the Zoom meeting platform. Use the following link to attend the meeting, ask questions and/or show your support:

https://us02web.zoom.us/j/86805964438?pwd=SGY4UzAwd3U1ZTlEVEvU54YS9JdmduUT09

or dial in at (646) 558-8656, using the meeting ID 868 0596 4438 and Pass Code 606872. If you have any questions, please contact Ed Koledo at SLPR by calling (810) 714-2011 or using email at ekoledo@slpr.net.

GUIDELINES
Continued from Page 21

and technical issues, so parents can work and the kids can get socialization until school resumes,” he said.

Nick Rizzo, fitness research director for RunRepeat.com said just 30.98 percent of gym members have returned to their gym, according to a survey involving 5,055 respondents.

The survey showed that Michigan had the least amount of gym members having returned to their gyms since the initial lockdown, with only 10.34 percent returning.

Gym members from Michigan were the third most likely of any state to have already canceled or are considering canceling their memberships (64.66 percent).

GUIDELINES THAT FACILITIES MUST FOLLOW:
• Maintain accurate records, including date and time of entry and exit, names of patrons and contact information, to aid with contact tracing; and deny entry to any visitor who does not provide at a minimum their name and phone number.
• To the extent feasible, configure workout stations or implement protocols to enable 6 feet of distance between individuals during exercise sessions.
• Indoor class sizes must be reduced to 10 or fewer.
• Limit capacity in the facility to 25 percent of the total occupancy limits.
• Mandate wearing of facial coverings at all times except when swimming. Face shields are not sufficient.
• Regularly disinfect exercise equipment, including immediately after use. If patrons are expected to disinfect, post signs encouraging patrons to disinfect equipment.
• Ensure that ventilation systems operate properly.
• Close steam rooms and saunas, jacuzzies and cold plunge pools.
• Businesses failing to comply with these orders may be subject up to $7,000 general industry safety fines from MIOSHA and penalties from local law enforcement or health departments.

You don’t believe it? Start doing the research.

THANKS, SHARON, FOR a great article on a thank-you to our police officers note shared by Sheriff Murphy.

DEAR HOT-LINER, CALLING someone bigoted and sexist because of their race is racism.

SO, OUR HIGH school football players have to wear a mask the entire time they are practicing and playing a game — outside? How’s that going to work when it’s raining out? How will they possibly keep the mask clean when they get splattered with mud? Whose idea was this?

YES! Coupon Book
SAVE HUNDREDS!
LOOK FOR YOUR COPY OF THE YES COUPON BOOK INSIDE THIS ISSUE OF THE TRI-COUNTY TIMES!
The letters of these crazy words are all mixed up. To play the game, put them back into the right order so that they all make real words you can find in the dictionary. Write the letters of each real word under each crazy word, but only one letter to a square.

Now you’re ready to solve today’s Jumble for Kids. Study the picture for a hint. Play around with the letters in the circles. You’ll find you can put them in order so that they make your funny answer.

Constance Marie Hibbard
1931 – 2020

Constance Marie Hibbard - age 89, of Linden, died Thursday, September 10, 2020. Per her wishes an anatomical donation has been made to University of Michigan Medical School. A memorial service will be held at a later date at St. Jude’s Episcopal Church in Fenton. Contributions may be made to St. Jude’s Episcopal Church, 106 E Elizabeth St, Fenton. Constance was born March 8, 1931 in Ann Arbor, the daughter of Thomas and Nellie (Foust) Knowles. She earned a Bachelor Degree in Nursing from University of Michigan. Constance was a Registered Nurse at Hurley Medical Center for 16 years and Advanced Professional Home Health Care of 15 years. She was a very active member of St. Jude’s Episcopal Church, where she was involved in the choir, prayer shawl ministry and coffee ministry. Constance was a caregiver to friends and strangers alike. Surviving are four children, Jeff Hibbard, Gerald Hibbard, John Hibbard, and Cynthia Hibbard; many grandchildren, and great-grandchildren; sister, Patricia (Grant) DuCharme; dear friend, Marceline Nelson. She was preceded in death by daughter, Julie Mace; and brother, Gerald Knowles. Arrangements by Sharp Funeral Homes, Linden Chapel, 209 E. Broad St., Linden. Tributes may be shared at www.sharpfuneralhomes.com.

Gerald Hugh “Jerry” Sprague
1933 – 2020

Gerald Hugh “Jerry” Sprague - age 87, of Holly, died Tuesday, September 8, 2020. He was born in Flint on August 27, 1933, the son of Hugh and Ina (Cruthers) Sprague. He served from 1953 to 1955 in the U.S. Army. He married Maria Jean Beers on June 26, 1964 in Swartz Creek. He was employed 31 years at General Motors Fisher Body Grand Blanc and was a member of U.A.W. Local 1292. He retired in 1987. He liked to fish, hunt, and travel and spent 18 winters in Mission, TX. He also was a volunteer for the Holly Ambulance for nearly 10 years, was a member of the NRA for 25 years, a member of Holly American Legion Post #149, and a member of the Elks for 13 years. Surviving are his wife, Maria; son, Robert of Swartz Creek; Daughter, Sandi (Bill) Balkw of Holly; four grandchildren, Jason (Sabrina), Sarah (Napoleon), Erika (John Morrise) and Tiffany (Sam LaPlant); nine great-grandchildren, Arielle, Aloya, Abigail, Alex, Anna, Jackson, Michelle, Nadia, Olivia, and Quincey; brother, Ellsworth and wife, Vivian of Port Charlotte, FL; one niece, Janet (Bill); and his dog Tilly Mae. He was preceded in death by his parents; one brother, and sister-in-law. Visitation will be from 2 - 6 PM Thursday, September 10, 2020, with social distancing at the Dryer Funeral Home, Holly. Military honors and graveside services will be held at 2:30 PM Tuesday, September 22, 2020 at Great Lakes National Cemetery, Holly. Memorial donations may be made to the Leader Dogs for the Blind.

Georgia Lynn Szymanski
1948 – 2020
Georgia Lynn Szymanski - age 71, of Fenton, passed away Wednesday, September 2, 2020 at home surrounded by her family after an 18 year battle with cancer. She was born November 25, 1948 to George and Marilyn Gilbert in Detroit. She married Tim Szymanski, her husband of 49 years, July 9, 1971 in Livonia. She enjoyed spending time with family and friends, especially at her cabin on Mullet Lake. Some of her hobbies were cooking, baking, gardening, crafting, crocheting and boating. She also had a love for dogs and bunnies. Georgia is survived by her husband, Tim Szymanski; children, Tim (Suzy) Szymanski, Teri (Brad) Smith; grandchildren, Brady, Ashlyn, Lauren, Rachel and Brooke; brother, Randy (Joan) Gilbert; cousins; nephews; a niece; and many friends. She was preceded in death by her parents. Interment at Great Lakes National Cemetery will be held at a later date. In lieu of flowers, donations can be made to St. Jude Children’s Research Hospital. Share memories at www.temrowski-familyfuneralhome.com.

David John "Jack" Bretzke
1929 – 2020
David John ‘Jack’ Bretzke - age 90, of Fenton, died Thursday, September 3, 2020. A memorial service will be held at a later date. Jack was born October 3, 1929 in Flint, the son of Paul Julius and Eva Maude (Stillwell) Bretzke. He married Rita M. Leggett on July 28, 1951 in Pontiac. Jack retired from Fenton Public Schools in 1985 as the Supervisor of Facilities. He was a member of St. Jude Episcopal Church and managed F.A.R.R. Thrift Store. He loved to travel, work with stained glass windows and fish. Surviving are his mother, Rita of Fenton; son, James Bretzke with wife, Rita; three sisters, Felisha Buff, Riley Wallace; father, Chad Buff; three sisters, Felisha Buff, Riley Wallace, and Marlyn Gilbert in Detroit. She married Tim Szymanski, her husband of 49 years, July 9, 1971 in Livonia. She enjoyed spending time with family and friends, especially at her cabin on Mullet Lake. Some of her hobbies were cooking, baking, gardening, crafting, crocheting and boating. She also had a love for dogs and bunnies. Georgia is survived by her husband, Tim Szymanski; children, Tim (Suzy) Szymanski, Teri (Brad) Smith; grandchildren, Brady, Ashlyn, Lauren, Rachel and Brooke; brother, Randy (Joan) Gilbert; cousins; nephews; a niece; and many friends. She was preceded in death by her parents. Interment at Great Lakes National Cemetery will be held at a later date. In lieu of flowers, donations can be made to St. Jude Children’s Research Hospital.
