HOME REMEDIES THAT WORK

● Cures for common ailments as close as your kitchen cabinet, garden

By Hannah Ball

hball@tctimes.com; 810-433-6792

A trip to the doctor might not be needed for all ailments, since many home remedies, like herbs, minerals, and different foods have been known to help headaches, sunburns and various aches and pains.

For example, if you have high blood pressure, a multitude of items probably found in your kitchen can help. Garlic and potatoes are organic foods that lower blood pressure, as well as watermelon seeds.

The chemical in celery that gives it its smell, 3-n-butylphthalide, has properties that lower blood pressure and stress. People with high blood pressure are advised to reduce their sodium intake, and instead can use herbs like ginger root, cayenne, fennel, parsley, and rosemary to spice up different foods.

Other home remedies to alleviate high blood pressure include exercise like yoga and meditation. Many families have passed down the secrets to colds, burns, and aches, but a few of these remedies might work for you.

Herbs and plants

Curing headaches and other various aches and pains with herbs might be the oldest tested home remedy.

Celene Howard, 21, from Tyrone Township, said she uses jewelweed on her skin when she has poison ivy or when it gets irritated.

"It's a weed that grows in our backyard. I've used it on my skin when it gets weird and I love it. You

"WHEN YOU SLICE AN ONION AND PUT IT ON THE BEE STING, IT WILL ABSORB THE TOXINS THAT CAUSE THE PAIN."

TAYLOR WILSON
Argentine Township resident

VERY CHERRY

Three unbelievable benefits of cherry juice:

SOOTHE PAIN

Thanks to its anti-inflammatory superpowers, cherry juice relieves joint and muscle pain.

BEAT INSOMNIA

Cherries are naturally rich in melatonin (the hormone responsible for sleepiness) and tryptophan, an amino acid the body uses to create even more melatonin.

PREVENT GOUT

Tart cherry juice can combat gout, a type of arthritis that causes repeated attacks of intense pain and swelling. Researchers give credit to anthocyanins, which give the fruit its dark red hue.

LAVENDER
helps to lower stress.

reTHINK
varicose veins

Think varicose veins are just a cosmetic issue?

Varicose veins are a sign of vein (venous) disease.

Symptoms may include pain, swelling, restlessness, burning, itching, fatigue of the legs as well as skin damage. Learn more about vein disease at www.flintveins.com

TYRONE TOWNSHIP PUBLIC NOTICE

Notice is hereby given of a public hearing to be held on Monday, September 14, 2015 by the Tyrone Township Zoning Board of Appeals at the Tyrone Township Hall, 10408 Center Road, Fenton, Michigan, at 7:30 p.m., to consider the following variance applications:

APPEAL NO. 1: Ref. Tyrone Township Zoning Ordinance No. 36 – Sections 21.02B (Accessory Buildings and Structures Provisions – FR and RE Districts Accessory Buildings and Structures); see Section 21.02B.2.b.iii

A variance request by Joseph and Corey Floyd to build a proposed new garage in front of the existing house, located at 8065 Hogan Road, (TAX CODE # 4704-07-300-010).

Additional information, legal descriptions and location maps are available at the Tyrone Township Clerk's Office, 10408 Center Road, Monday through Thursday, 9 a.m. to 5 p.m. Individuals with disabilities requiring auxiliary aids or services should contact the Tyrone Township Clerk, at (810) 629-8631, at least seven days prior to the meeting.

Gregory Carnes, Chairman
Tyrone Township Zoning Board of Appeals

REMEDIES

Continued from Page 1B

break the stalk of the plant open and rub the oil on your irritated skin and it helps," she said.

Aromatherapy uses different herbs to help stimulate the body. Lavender helps lower stress, lemon grass produces an energy boost, mint gives moisture to dry skin, and rosemary helps with digestion and getting rid of scars.

Herbs can also be used to help allergies. The herbs ALJ (Allergy and Lung) and Angelica have been known to be extremely effective against allergic reactions.

You can buy herbs already grown or buy seeds and grow them yourself. Herbs can be used in lotions and consumed in tea form, like the popular chamomile tea that helps reduce high fevers.

Onions

Argentine Township resident Taylor Wilson, 21, said one home remedy for bee stings is onions. Onions are natural detoxers, so by putting an onion on the bee sting, it draws out the toxins.

"When you slice an onion and put it on the bee sting, it will absorb the toxins that cause the pain," Wilson said.

Onions can also be used to cure earaches by chopping and cooking them, then placing them over the ear. Garlic juice, olive oil, fresh ginger juice and sesame oil with bishop's weed oil can be mixed to make ear drops for earache relief.

Epsom salts

These minerals, which aren't actually salts, are made of magnesium and sulfate and act as a natural exfoliate and anti-inflammatory remedy to help alleviate many ailments from dry feet to sore muscles.

If you have dry feet, you can make a homemade foot scrub using one cup of Epsom salt, two drops of lavender essential oil, and one half cup of cold water.

To help inflammation and pain from arthritis, mix some Epsom salts in warm water and soak your joints. They have also been known to help with sunburns, muscle cramps, and blood circulation.

Cucumbers

Because they contain potassium and manganese, cucumbers lower blood pressure and have many other healthy benefits.

These green vegetables have dietary fiber and help with digestive problems, flush toxins from the body, promote gum health and joint health, and contain many antioxidants, like phytochemicals and phenolic compounds, that help fight cancer.

Cucumber juice helps sunburns and wind burns and is used in skin and hair care products.

Home remedies for arthritis

- Heat and cold packs have been speculated to relieve pain from arthritis.
- You can dissolve some Epsom salts in warm water and soak your hands because it helps the inflammation.
- Drinking a mixture of carrot, beet, and spinach juices will increase the immunity of the body.
- Potatoes contain antioxidants and anti-inflammatory properties, and the juices are said to relieve pain and increase flexibility in the joints. Soak potato slices in cold water overnight, and drink that water in the morning.
- Drinking a glass of warm milk with turmeric, an anti-inflammatory spice, and a dash of honey will help relieve tension.

CUCUMBERS

have many healthy benefits.

Home remedies for sunburns

- Aloe vera might be the most popular remedy for prolonged sun exposure, because it's very effective at soothing burnt skin.
- Vinegar, apple cider vinegar, and cod liver oil all have soothing properties for burns.
- Using a cool milk compress or wearing a T-shirt soaked in ice tea will make a sunburn fade faster.
- Cool compresses can also be made using baking soda and Epsom salts or witch hazel.
- Soaking yourself in oatmeal in tepid bath water for a few minutes sounds weird, but it's effective.

Home remedies for headaches

- The herb feverfew is popular as a headache remedy, along with the nutrients riboflavin and magnesium.
- Deep breathing, meditation, and massage therapy are common techniques for curing headaches.
- Essential oils like lavender, chamomile, peppermint, and rosemary help reduce pain as well.

KEVO | SMART KEY

No more fumbling for your keys...just touch the lock to open for the ultimate in convenience or send a friend an eKey.

- Send an eKey to anyone, anywhere, anytime
- Temporarily disable or permanently delete any user from the Kevo system
- eKeys never expire and can be reassigned from one person to the next

• **eKEY** allows you to pre-set time constraints for the recipient. You control the days and the time of the week when the eKey will be active.

WeMo | SMART APPLIANCES

WEMO is a simple way to control your home electronics and appliances from your mobile. Be at home...even when you're not. Whether it be lights, **APPLIANCES**, power outlets or cameras, WEMO has many products to make your home smart.

ECHO | PERSONAL ASSISTANT

- Information, music, audiobooks, news, weather, traffic, sports, and more — instantly
- Controlled by your voice for hands-free convenience
- Far-field voice recognition hears you from across the room
- Connected to the Cloud, so it's always getting smarter
- 360-degree omni-directional audio to fill the room with immersive sound
- Compatible with select Belkin WeMo, Philips Hue, SmartThings, and Wink connected devices to control lights and switches with your voice
- Plays music from Amazon Music, Prime Music, Pandora, iHeartRadio, TuneIn, and more

SMART|HOUSE

Your phone is smart. Your kids are smart. Your home should be smart, too. Now it can be. A smart home can protect your family and property, save you money, and make you feel like a superhero by giving you powers you've only dreamed of.

SMART THINGS| HUB

With the free SmartThings app, you can receive important notifications about what's happening at home, control your smart devices with a simple tap, and automate your home to react to your unique preferences.

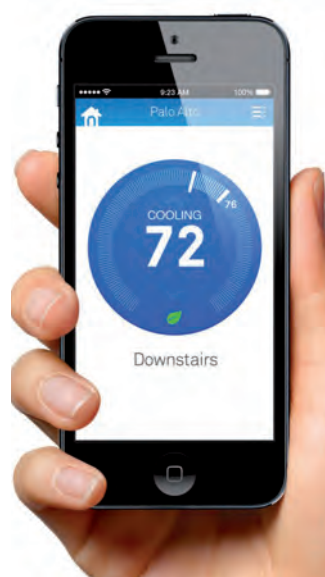

WINK | SMART SYSTEM

The Wink system allows you to control many different brands of smart devices in one centralized location. **RELAY** is a touchscreen controller that's tailored to you. It runs the Wink app, so you can manage all your favorite smart products from one central location. It's bold, it's brainy, it's beautiful. It's an entire smart home on your wall.

NEST | SMART THERMOSTAT

Nest Labs is a home automation producer of programmable, self-learning, sensor-driven, Wi-Fi-enabled thermostats, smoke detectors, and other security systems. The nest learns your habits and starts to adjust climate control based off them. With WiFi built in you can control your thermostat from work or vacation. It also can send alerts to your phone if it senses smoke or carbon monoxide.

LAKE FENTON 2015-2016 SCHOOL BUS SCHEDULES

Dear Parents,

On behalf of First Student and Lake Fenton Transportation Department, welcome to a new school year. We take great pride in our department and are looking forward to serving you during the 2015-2016.

Our number one priority is to provide the safest most reliable student transportation service. We focus on the safest loading and unloading procedure for your child.

Michigan State law requires bus stops to be 200 feet apart from one another. Please have your child at his/her bus stop 15 minutes early for the first few days of school. Loading times are approximate until drivers adjust the routes. When routes have been adjusted we recommend your children are at their bus stop 5 minutes prior to their loading time.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLACARD SIGN to ensure no sleeping children are left on board. All drivers prior to employment will have an extensive Local, State and Federal background check on both criminal and drivers license records. After employment we update these records yearly. Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening. Every driver is fully trained with a minimum of 52 hours classroom and behind the wheel training. Every driver is to attend scheduled safety meetings. Every driver is re-evaluated at least once a calendar year.

We ask, for the safety of your child and to continue consistency for the driver that you maintain the same pick up and drop off location every day throughout the week. Your Am pick up may be different from your PM drop off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.
- Please keep your emergency card up to date, any bus changes please notify transportation as well.

Please contact the Lake Fenton Transportation Department if you have questions or need additional clarification regarding this information at (810) 591-2552. Your cooperation and assistance in making sure these policy and guidelines are followed will help insure the personal safety of your student.

Sincerely,
Laura O'lewin— Contract Manager
Melissa Huff—Dispatcher

Who qualifies for transportation?

Michigan state law does not require a school district to provide transportation to and from school. The Lake Fenton Community School district, as a courtesy to the public, provides transportation to all students who live outside the designated walk area from their home school. The Lake Fenton Community School district has established a one pick-up one drop-off procedure; this means that a student must have the same pick-up point Monday through Friday and the same drop-off point Monday through Friday. The morning pick-up location may be different from the afternoon drop-off point.

School district practice requires that a parent or other designated responsible adult be visible at the bus stop for students at, or under, the kindergarten grade level. If the child must cross the street to board the bus, the responsible adult must escort the child across the road. Kindergartens without adult supervision present at the bus stop will be instructed to remain on the bus and that student will then be transported to Kids Club. Parents of students in grade first through fifth may make a written request that the procedure used for kindergarten students be used for their older children. First Student and the Lake Fenton Community School district will make every attempt to honor each of these requests. It is strongly advised that the parents of young children make arrangements to meet the bus both before and after school, especially during the first week that your child rides to school. This provides a wonderful opportunity to start and finish the school day on a positive note and ensures safety during the walk to and from the bus stop. There are certain programs that require parents or adults to meet the bus. If your student is involved in these programs information concerning special transportation procedures will be made available.

LINDEN 2015-2016 SCHOOL BUS SCHEDULES

Welcome

on behalf of
First Student and
Linden Community
Schools

Our number one priority is to provide safe and reliable transportation. We are looking forward to serving you during the 2015-2016 school year. We focus on the safest loading and unloading procedures for your child. Michigan State law requires bus stops to be a minimum of 200 feet apart from one another.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, digital cameras and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLACARD SIGN to ensure no sleeping children are left on board.

- Prior to employment we perform an extensive Local, State and Federal background check on both criminal and drivers license records. after employment we update these records yearly.
- Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening.
- Every driver will be fully trained with a minimum of 52 hours classroom and behind the wheel training.
- Every driver is to attend scheduled safety meetings.
- Every driver is re-evaluated at least once a calendar year.

The policy, for the safety of your child is to have consistent pick up and drop off locations. You must maintain the same pick up and drop off location every day throughout the week. Your AM pick up may be different from your PM drop off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.
- Please keep your emergency card up to date, any bus changes please notify transportation as well.
- Please have your kindergarten child wear their bus tag for the first two weeks of school.

DO NOT CHANGE THIS TAG FOR ANY REASON WITHOUT CONSULTING TRANSPORTATION. Please contact the Linden Transportation Department if you have questions or need additional clarification regarding this information at (810) 591-0996. Your cooperation and assistance in making sure these policy and guidelines are followed will help insure the personal safety of your student.

Sincerely,
Laura O'lewin, Contract Manager
Melissa Huff, Location Manager
First Student Transportation
Linden Community Schools

HOLY SPIRIT
 you made me see everything and showed me the way to reach my ideals. You who gave me the divine gift to forgive and forget the wrong that is done to me and you who are in all instances of my life with me. I, in this short dialogue, want to thank you for everything and confirm once more that I never want to be separated from you, no matter how great the material desire may be. I want to be with you and my loved ones in your perpetual glory. Amen. Thank you for your love towards me and my loved ones. Persons must pay the prayer 3 consecutive days without asking your wish. After 3rd day, wish will be granted no matter how difficult it may be. Then promise to publish the dialogue as soon as favor is granted. RN

GENERAL OFFICE CLERK POSITION OPENING

Description:

The City of Fenton, Michigan (population 11,786) is currently accepting applicants for the position of General Office Clerk. This is a staff position which is appointed by and reports to the City Manager. The position is responsible for performing general clerical tasks and provides general customer service in support of departmental operations.

The requirements for the position are; High School diploma or GED. Previous office/customer service experience is preferred. Basic knowledge of City Services, organizational structures, and general operations to provide general customer service. Basic knowledge of cash-handling practices. Strong organizational skills and strict attention to detail. Skill in answering phones and handling customers at the counter, including in a busy, high-traffic office situation, with tact and diplomacy. Skill in maintaining accurate and comprehensive filing systems and records. Ability to learn departmental processes and procedures and explain them to others in a customer-friendly manner. Ability to learn specialized departmental computer software and applications, and to master new technologies. Knowledge of general office operations and clerical procedures and practices. Basic skill in the use of computers and related software applications. Skill in the ability to operate general office equipment and troubleshooting of such equipment. Ability to type and enter data with speed and accuracy. Ability to establish and maintain effective working relationships and provide positive customer service according to City standards and policies. Ability to coordinate multiple tasks, adjust to changing priorities and work within deadlines.

Working knowledge of Microsoft Office products is required. Valid State of Michigan operator's license is required.

To Apply:

Submit a cover letter, detailed resume including employment history, along with 3 employment-related references to City Manager Lynn Markland, 301 S. Leroy Drive, Fenton, MI 48430 by 5:00 PM on Monday September 14, 2015. Please include a copy of college transcripts, licenses and any other related documentation that is pertinent to this position. For a more detailed job description, please go to www.cityoffenton.org.

Compensation:

Beginning hourly wage of \$16.97. Step increases available as this is a collective bargaining position.

CITY OF FENTON GENESEE COUNTY, MICHIGAN

NOTICE OF PUBLIC HEARING ON A PROPOSED COMMERCIAL REDEVELOPMENT DISTRICT

MONDAY, SEPTEMBER 14, 2015

Notice is hereby given that the Fenton City Council will hold a public hearing at 7:30 p.m., or as soon thereafter as the matter may be heard, on Monday, September 14, 2015 for the purpose of considering the establishment of a proposed Commercial Redevelopment District on the following described property:

A PARCEL OF LAND BEG AT INTERSECTION OF E LINE OF LEROY ST & SLY LINE OF MAIN ST TH S 68 DEG 55 MIN E 231.03 FT TH S 27 DEG 26 MIN 48 SEC W 101.65 FT TH N 67 DEG 57 MIN W 182.02 FT TH N 104.97 FT TO PL OF BEG SEC 25 & 36 T5N R6E .47 A (87) FR 5300005107. Commonly known as 234 N. Leroy.

The public hearing will be held in the City Hall Council Chambers, 301 South Leroy Street. The purpose of the public hearing is to accept public comment on the proposed Commercial Redevelopment District, after which the City Council will consider taking action to establish the Commercial Redevelopment District. All interested parties are welcome to attend and present their comments.

Written comments concerning the proposed district may be submitted at the above address prior to the hearing and will be made part of the official record. All minutes of meetings are available at the City Clerk's office.

Comments and questions may be directed to the City of Fenton Clerk, Renee Wilson, at 810-629-2261.

PLEASE CONTACT THE FENTON CITY CLERK'S OFFICE IF ANY ACCOMMODATIONS ARE NEEDED DUE TO A DISABILITY.

Obituaries, Funeral Services and Memoriams

Laurel Marie McKinley 1920-2015

Laurel Marie McKinley - age 95, of Fenton, died Tuesday, August 25, 2015. Funeral services will be held 1 PM Saturday, August 29, 2015 at Sharp Funeral Homes, Fenton Chapel, 1000 Silver Lake Road, Fenton. Burial in

Lakeside Cemetery, Holly. Visitation will be held at the funeral home Saturday from 11 AM until

the time of service. Those desiring may make contributions to Reverence Hospice, 5445 Ali Dr., Grand Blanc, MI 48439. Mrs. McKinley was born August 24, 1920 in Detroit, the daughter of William and Laura (Allen) Hartner. She married DeForest E. McKinley September 13, 1947 in Flint and he preceded her in death October 27, 1995. She was a former member of St. John the Evangelist Catholic Church. She enjoyed sewing, crocheting, china painting, dinners, movies, shopping, and feeding and watching birds and squirrels, but most of all spending time with her grandchildren and great-grandchildren. The family wishes to extend special thanks to Mrs. McKinley's caregivers, Shelly, Eva, Vickie, Traci, and Jennifer and all the staff at Reverence Hospice and special thanks to Denise. Surviving are: daughters, Gail Hyzer of Caro and Norine and husband, Jim Jaster of Fenton; grandsons, Matthew and wife Kelly Jaster of Huntley, IL and William and wife Cody Jaster of Wichita Falls, TX; great-grandchildren, Zoe, Noah, Sarah, Morgan, and Preston. She was also preceded in death by her parents; sister, Janet Wolverton; brother, Norman Hartner; and son-in-law, Darrel Hyzer. Online tributes may be posted on the obituaries page at www.sharpfuneralhomes.com.

Mary Elizabeth Utt 1925-2015

Mary Elizabeth Utt - age 90, of Fenton, died Tuesday, August 25, 2015. Mary was born February 2, 1925 in Hornick, Iowa, the daughter of Samuel Burton and Minnie Mae (Burger) Mercer. Mary was a lifelong mem-

ber of the Fenton VFW Ladies Auxiliary and served as a past president. Surviving

are: children, Harry (Bobbie) Utt of Florida, Russell (Susan) Utt of Fenton, Maureen Utt of Fenton, and Trayce Utt of Fenton; 7 grandchildren; 9 great-grandchildren; and 1 great-great-grandchild. She was preceded in death by her parents; husband, Oswald "Bob" in 1988; and 8 brothers and sisters. A memorial service will be held 11 AM Saturday, September 12, 2015 at Tyrone Community Presbyterian Church, 9141 Hartland Rd., Fenton. The family wishes to extend a special thank you to her church family at Tyrone Community Presbyterian Church; friend, Charon Wilson and the wonderful staff and caregivers at Vicinia Gardens Assisted Living. Arrangements by Sharp Funeral Homes, Fenton Chapel, 1000 W. Silver Lake Rd., Fenton. Tributes may be shared on the obituaries page of www.sharpfuneralhomes.com.

Corsica PLAN 30-443

A bright stucco facade and high, arched windows give the Mediterranean-style Corsica a beguilingly sunny look. Keystone arches add a classic touch, centered on garage-door lintels and at the apexes of all five majestic front arches. Passing through the lofty arched porch, you step into an exceptionally bright entry. Natural light washes in through sidelights as well as a graceful half-circle transom. All of these windows are gridded, echoing the patterns seen in the other arched windows.

Woman wants to keep past hidden from Facebook

DEAR AMY:

I recently responded to a friend’s Facebook post. She had posted a picture from her past. I commented on how nice it was to see the photo and what great memories it brought back. She then responded to my post with a cringe-worthy comment, asking if I remembered a certain night with “so and so.” I do remember those days well. They are buried deep -- just where I want them. My family (kids, husband, other relatives, etc.) see these responses. I have no intentions of sharing stories of youthful indiscretions with the aforementioned FB friend. I just wish everyone would be mindful of comments made beyond “nice picture” or “brings

back memories.” I’m sure I’ll catch a lot of heat from readers, but I want to keep my past to myself. What do you think?
— What’s Past is Past

ASK

Amy

BY AMY DICKINSON

AMY DICKINSON

DEAR PAST:

You have encountered the classic Facebook overshare. This is the same person who might say to one of your kids: “You should have seen Mom back in the day! She was the original Party Animal!” Here are some options for how you can deal with it: Quietly scroll through, move on and hope others don’t carry it further. Delete the original comment YOU made. Send that

friend a private message, asking her to be more discreet (or “block” or “hide” her). Respond with humor: “Busted!” I enjoy Facebook, but if my privacy is going to be violated, I want to be the one doing it.

Sugar alcohols aren’t sugars or alcohol

DEAR DR. ROACH:

I recently was diagnosed as being prediabetic and told to watch my sugar intake. So I now read the nutrition facts on packages. However, I am confused about the listed sugars. Sometimes the label includes both “sugar” and “sugar alcohols.” For instance, a package can read “sugars 1 g” and “sugar alcohols 11 g.” Would my sugar intake be 1 g or 12 g? What is the difference, and what should I avoid/limit?
— B.D.

ANSWER:

First, congratulations on reading labels. There is a lot of good information to be found that can help you decide whether something is a healthy food for you. That being said, sugar alcohols are confusing. Sugar

alcohols have nothing to do with the type of alcohol in beer, wine or spirits, and they aren’t sugars either. A sugar alcohol, such as sorbitol or xylitol, is an incompletely absorbed carbohydrate. Since they are incompletely absorbed, you get only some of the calories, and your blood sugar goes up less than if you had had the same amount of sweetness with regular sugar. A rough but reasonable rule of thumb is to count about half the grams of sugar alcohol as sugar, for the purposes of counting sugar grams. So in your example, it would be about 6.5 grams of sugar. You might wonder what happens to the unabsorbed sugar alcohol.

It continues through your GI tract and acts as a laxative. Some people are very sensitive and will have diarrhea with just a little sugar alcohol; others tolerate more.

ALOHA

A disgraced military defense contractor is rehired by an old boss to oversee the launch of a weapons satellite in Hawaii. Upon his arrival, he reconnects with an old love but finds himself becoming increasingly attracted to an Air Force pilot assigned to watch over him.
PG-13, 1 hr. 45 min

HASH BROWN EGG CUP

INGREDIENTS

- 1 head of cauliflower, stalk and leaves removed, cut into florets
- 1 extra large egg, whisked
- ½ cup cheddar cheese (or Mozzarella)
- ¼ cup grated Parmesan cheese
- ½-1 teaspoon salt (to your taste)
- Pepper (optional - to taste)
- ½ teaspoon garlic powder (or 1 teaspoon onion powder)
- 12 small-medium sized eggs

INSTRUCTIONS

- Preheat oven to 230C | 350F Lightly spray a 12-hole muffin tin with cooking oil spray (or grease with butter), wipe over excess with a paper towel and set aside.
- Pulse the cauliflower in two batches for about 30-50 seconds until a fine ‘rice’ is formed. It’s ok if there are a few bigger pieces in there. (Be careful not to over process or the cauliflower will form a raw puree.)
- Measure out 3 cups (480g or 17oz in weight) of the cauliflower rice into a micro-wave safe bowl and heat for about 8 minutes or until soft. Alternatively, lightly steam over a

- pot of boiling water or in a vegetable steamer until soft. Remove and allow to cool for a good 5 minutes before handling.
- Using paper towels, an old tea towel or a cheesecloth, squeeze out as much liquid as you can until hardly any liquid can be squeezed out. (It’s easier to wrap the cauliflower in the towel (or cloth) and squeeze it into a ball over the sink. Less mess.)
 - Transfer back into your bowl (make sure there’s no liquid in it), and add the whisked egg, cheeses, salt and garlic powder. Divide the mixture into each muffin hole and firmly press them with your fingertips to create a ‘nest’ or cup.
 - Bake for about 15-20 minutes or until the cheese has melted, the cups are golden and the edges are browned. Remove from the oven; break the eggs into each cup; season with salt and pepper; return to the oven and bake for a further 10-15 minutes, or until the whites are set and the yolks are cooked to your liking.
 - Allow them to cool for 5 minutes before handling them, or they may fall apart. Lightly slide a knife around the sides of each cup. Using a fork, gently lift one side first to make sure they’re not sticking to the bottom, and lift out of the pan.
 - Garnish with red chili flakes and parsley (optional) or leave as is.

SUNDAY SCRAMBLER

Unscramble the letters within each rectangle to form four ordinary words. Then rearrange the boxed letters to form the mystery word, which will complete the gag!
