The real estate market in the tri-county area continues to trend upward, whether you're looking at a cozy condo or a sprawling \$1 million dollarplus property.

What has really made the news this year is that high-end

homes with million dollar price tags have been selling well.

"Just this year, we sold three houses priced between \$1.7 and \$2 million," said John Wentworth, of ReMAX Platinum. "That's unheard of. It's huge for our market."

In fact, the first six months of this year is ahead

Local Realtors are seeing an increase in home prices especially those on popular lakes in the tri-county area. If they are priced right, homes in the under \$100,000 range are in high demand and being bought quickly. For any price point, local real estate agents describe what kind of home you will find.

of last year's record year since 2006 in all housing units sold, average price and price per square foot, according to Patrik Welty of Legacy Realty in Fenton. "Combine this volume with limited inventory and it's a recipe for continued price increases."

Wentworth said that the market is just "scratching the surface" of the rebound after the housing crisis of 2007. "High-end sales will taper off between now and the election in November, then we'll continue this upward trend."

If a million dollar home is slightly out of your price range, here are a few other price options to look at, each with their own features.

\$100,000 and under

If you're lucky enough to find a home in this price range, you can expect that it will either be a condominium, a fixer-upper or a foreclosure.

"The lower the price, the more demand there is," said John Tremaine of Tremaine Real Living Real Estate. "Baby boomers are downsizing, and

News briefs

Funds secured for Holly street rehab project

The Oakland County Board of Commissioners has unanimously passed a resolution securing \$7,711 in funding for a local road project in the Village of Holly. Oakland County's contribution will be put toward the completion of an estimated \$55,000 project to rehabilitate Cogshall Street. Funding for the project has been made available from Oakland County's new Local Road Improvement Pilot Program. The Oakland County Board of Commissioners allocated up to \$1 million in matching funds to launch the program in 2016. Communities are allocated a share of these funds based upon a formula consisting of road miles, population and crash data. The program supplements the long-standing Tri-Party Road Improvement Program, which provides a onethird share in matching funds to support repairs on local roadways that are under the control of the Road Commission for Oakland County (RCOC). The resolution securing the funds for the village of Holly was sponsored by Oakland County Commissioner Bob Hoffman.

Tri-county fundraisers

NEIGHBOR FOR NEIGHBOR HOSTS FUNDRAISING EVENTS TO HELP FAMILIES IN CRISIS

Neighbor for Neighbor, an allvolunteer, non-profit organization, is raising funds for programs in Holly, Rose, Groveland, Independence and Springfield townships and parts of White Lake Township. They hosted their annual Butterfly Festival on Aug. 21. While participants learned about the butterfly, Neighbor for Neighbor volunteers informed fair goers about their local food pantry. Parents saw first-hand how far a small donation could go to provide the essentials to local families. In total, residents donated \$172 Neighbor for Neighbor, founded in 1983, provides food, clothing and limited financial assistance to families in crisis. The pantry and offices are located in the Hart Community Center on the grounds of Mill Pond Park in Downtown Davisburg. Anyone can help by donating non-perishable food items on Monday or Wednesday or attend the "Treasures and Treats" semi-annual rummage and bake sale on Friday, Sept. 30 and Saturday, Oct.1, from 10 a.m. until 4 p.m. at the Neighbor for Neighbor food pantry. All proceeds will benefit Neighbor for Neighbor programs. Call (248) 634-0900 or email nfndavisburg@gmail.com

HOT LINE CONTINUED

ITHINK THEY need to find out who is paying these thugs to be at Trump rallies and fundraisers and disturb taxpaying people. It is, I am pretty sure, a fat cat Hillary supporter.

LOUISIANA HAD 6.9 trillion gallons of rainfall last week creating historic flooding. Our national debt is \$18.96 trillion. How long will we survive as a nation with this much debt?

THE SECOND CORNERSTONE

project looks fabulous. Another quality addition to our beautiful downtown area. Come on DDA, go ahead and lend the Corlin Group \$400,000 so we can get this project done

I AGREE THAT the comment about 31 different gender and transgender is astounding but I am not sure anyone has ever called the King a liberal before.

A SPECIAL THANKS to the Fenton DPW brush chipping crew for a job well done.

FULL PRICE FOR things? More backdoor deals I guess.

THIS IS TO correct the Hot-liner who said that Loose Center's grief support group is only for seniors. You don't have to be a senior to come to the grief support group, but you should call ahead.

THURSDAY, AUG. 18, just after 12 p.m. on Owen Road near the light at Target, a black Town & Country Chrysler rear-ended a blue Town & Country Chrysler. Damage was done. Please identify yourself to Fenton police

REGARDING THE SPEEDING that goes on in the downtown area, why don't we change the speed limit on the entry roads and the downtown area to 25 miles per hour. That would be a much safer for families and pedestrians who walk along these streets.

I JUST ENJOYED another outdoor concert on a Thursday night. It has certainly been a lot of fun. Hope they do it again next summer.

THE SIDES OF the Silver Lake Road bridge certainly are understated. They certainly could have done something more outstanding than just some dull paint colors.

THE NOTION THAT the Free Masons have anything to do with either political party is absurd, at best. Look up the 'Bilderbergs' on the internet.

FENTON WILL LOOK even prettier to you people when more people leave town or even Michigan. Prepare yourselves to pay even higher city and road taxes when we do.

HOME PRICES

Continued from Page 1B

\$80,000 condos are going for \$110,000 because of supply and demand. Plus, the baby boomers are paying cash, making it more difficult for first-time home buyers to compete."

Up to \$150,000

"You can't get into Fenton under \$150,000," said Tremaine. "There's nothing.

When a home does come up for sale at this price, they are selling quickly if priced appropriately, according to Steve "Melch" Melchor of Berkshire Hathaway Home Services Michigan. "There are very few properties in the Fenton/Grand Blanc area at this price point. You'll have more success in Linden and Holly."

Anything in this price range is "flying off the shelf," he said. "This price range works well for first-time home buyers, but there will be lots of competition with multiple offers."

\$150,000 to \$300,000

With the average home sales price now \$229,000, this mid-range house will typically offer 1,700 to 2,200 square feet of living space, three to four bedrooms, two-plus bathrooms and less acreage than homes on the higher end of this range, according to Ken Brant of Brant & Associates in Fenton.

"This is a great price range for the majority of buyers. New construction in the \$250,000 range will offer between 1,200 and 1,600 square feet, nice amenities on a very small lot."

Wentworth said that properties in this price range, if it's a good property, will have multiple offers. "Buyers need to be working with a full-time Realtor, be the first one at the door and be creative about their offer."

\$300,000 to \$499,000

The minimum you need to live on Lake Fenton is about \$400,000, unless you live on a channel or island, according to Brant. "You can still buy a home on Lobdell Lake for \$350,000, but they are crossing over from more seasonal cabins to homes."

There's a trade-off between a smaller, older waterfront home and a higher-end non-waterfront property. "Most people, when given a choice, would rather be on water," said Tremaine. "That's why prices are where they are."

This price point will also provide a high-end subdivision home in a desirable Fenton neighborhood like the Hills of Tyrone, where prices are about \$450,000 on up for a custom-built, quality home, according to Brant.

Over \$500,000

The average price of a home on Lake Fenton is \$500,000, but that buys an older home that would sell for \$200,000-\$250,000 if it wasn't on the water. Homes that were selling for \$300,000 six months ago are selling for about \$500,000 today, according to Tremaine.

Higher-priced homes over \$600,000 that aren't on the water, are harder to sell, because baby boomers are downsizing rather than trading up to larger homes.

\$750,000 and up

This price point will buy a 3,000-squarefoot older waterfront home built in the '60s or '70s, according to Tremaine.

"Non-waterfront properties in this price range don't sell as quickly because there isn't the demand," said Brant. "On the lake, there are lots of buyers.

AVERAGE SALARIES in Michigan

By Hannah Ball hball@tctimes.com; 810-433-6792

Money shouldn't be the most important factor when deciding on a career choice, but it's something to consider.

Here are the average salaries for certain positions in Michigan.

In customer service, someone with a retail sales job, which is **the most popular job in Michigan**, will make on average \$20,470 a year. Cashiers make around \$19,010, receptionists and information clerks make about \$26,200, and hotel, motel, and resort desk clerks make on average \$19,400 a year.

SCIENCE & ENGINEERING

In the field of science, chemical engineers make \$84,660, while electrical engineers make approximately \$84,790 a year.

Computer programmers

make \$72,700 a year, civil engineers make \$69,420, zoologists and wildlife biologists make \$67,400, and speech language pathologists make approximately \$71,930 a year.

LEGAL

Lawyers earn an average of approximately \$95,500 a year, and detectives and criminal investigators make around \$79,640. Police and sheriff's patrol officers make \$57,700 a year.

MEDICINE

In medicine, being a family or general practitioner is the highest paying general occupation in Michigan, with an average salary of \$179,380.

Occupational therapists make about \$68,610 a year and registered nurses make about \$65,460.

Dental hygienists rake in approximately \$60,540 every year, and chiropractors make around \$62,290.

Nuclear medicine technologists make approximately \$66,420 a year.

MATHEMATICS

In math, general mathematicians earn about \$78,110 a year while financial analysts earn about \$72,510.

Economists make on average \$69,420 and personal financial advisors make \$62,790 a year.

FOOD SERVICE

In the food industry, food preparation and serving

workers (including fast food), which is the fourth most popular job in Michigan, make approximately \$18,110 annually. Restaurant cooks make \$20,650 a year, fast food cooks earn \$18,160, waiters and waitresses earn \$18,250, and bartenders make \$18,380 a year.

EDUCATION

In schools, postsecondary English language and literature teachers bring in about \$66,790 a year,

secondary school special education teachers make around \$66,770, and elementary school teachers, except special education, earn about \$64,320 a year.

The average salary of a clinical, counseling and school psychologist in Michigan is approximately \$67,750.

WRITERS, JOURNALISTS

Journalists make approximately \$33,510 a year, and technical writers earn around \$61,910.

NTHFR

Architects in Michigan make approximately \$72,270 a year, commercial pilots make \$71,040 a year, and farmers, ranchers and other agricultural managers make \$64,740 a year.

LAKE FENTON 2016-2017 SCHOOL BUS SCHEDULES

Dear Parents,

On behalf of First Student and Lake Fenton Transportation Department, welcome to a new school year. We take great pride in our department and are looking forward to serving you during the 2016-2017.

Our number one priority is to provide the safest most reliable student transportation service. We focus on the safest loading and unloading procedure for your child.

Michigan State law requires bus stops to be 200 feet apart from one another. Please have your child at his/her bus stop 15 minutes early for the first few days of school. Loading times are approximate until drivers adjust the routes. When routes have been adjusted we recommend your children are at their bus stop 5 minutes prior to their loading time.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLAC-ARD SIGN to ensure no sleeping children are left on board. All drivers prior to employment will have an extensive Local, State and Federal background check on both criminal and drivers license records. After employment we update these records yearly. Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening. Every driver is fully trained with a minimum of 52 hours classroom and behind the wheel training. Every driver is to attend scheduled safety meetings. Every driver is re-evaluated at least once a calendar year.

We ask, for the safety of your child and to continue consistency for the driver that you maintain the same pick up and drop off location every day throughout the week. Your Am pick up may be different from your PM drop off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.
- Please keep your emergency card up to date, any bus changes please notify transportation as well.

Please contact the Lake Fenton Transportation Department if you have questions or need additional clarification regarding this information at (810) 591-2552. Your cooperation and assistance in making sure these policy and guidelines are followed will help insure the personal safety of your student.

Who qualifies for transportation?

Michigan state law does not require a school district to provide transportation to and from school. The Lake Fenton Community School District, as a courtesy to the public, provides transportation to all students who live outside the designated walk area from their home school. The Lake Fenton Community School District has established a one pick-up, one drop-off procedure; this means that a student must have the same pickup point Monday through Friday and the same drop off point Monday through Friday. The morning pick up location may be different from the afternoon drop off point.

School district practice requires that a parent or other designated responsible adult be visible at the bus stop for students at, or under, the kindergarten grade level. If the child must cross the street to board the bus, the responsible adult must escort the child across the road. Kindergartens without adult supervision present at the bus stop will be instructed to remain on the bus and that student will then be transported to kids club. Parents of students in grade first through fifth may make a written request that the procedure used for kindergarten students be used for their older children. First student and the Lake Fenton Community School District will make every attempt to honor each of these requests. It is strongly advised that the parents of young children make arrangements to meet the bus both before and after school, especially during the first week that your child rides to school. This provides a wonderful opportunity to start and finish the school day on a positive note and ensures safety during the walk to and from the bus stop. There are certain programs that require parents or adults to meet the bus. If your student is involved in these programs information concerning special transportation procedures will be made available.

LIN

LINDEN 2016-2017 SCHOOL BUS SCHEDULES

Welcome on behalf of

on behalf of First Student and Linden Community Schools

Our number one priority is to provide safe and reliable transportation. We are looking forward to serving you during the 2016-2017 school year. We focus on the safest loading and unloading procedures for your child. Michigan State law requires bus stops to be a minimum of 200 feet apart from one another.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, digital cameras and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLACARD SIGN to ensure no sleeping children are left on board.

- Prior to employment we perform an extensive Local, State and Federal background check on both criminal and drivers license records. after employment we update these records yearly.
- Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening.
- Every driver will be fully trained with a minimum of 52 hours classroom and behind the wheel training.
- Every driver is to attend scheduled safety meetings.
- Every driver is re-evaluated at least once a calendar year.

The policy, for the safety of your child is to have consistent pick up and drop off locations. You must maintain the same pick up and drop off location every day throughout the week. Your AM pick up may be different from your PM drop off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.
- Please keep your emergency card up to date, any bus changes please notify transportation as well
- Please have your kindergarten child wear their bus tag for the first two weeks of school.

DO NOT CHANGE THIS TAG FOR ANY REASON WITHOUT CONSULTING TRANSPORTATION.

Please contact the Linden
Transportation Department if you
have questions or need additional
clarification regarding this information
at (810) 591-0996. Your cooperation
and assistance in making sure these
policy and guidelines are followed
will help insure the personal safety of
your student.

Sincerely, Laura O'Lewin, Location Manager Melissa Huff, Dispatcher First Student Transportation Linden Community Schools

Personal Notices

HOLY SPIRIT who solves all problems and lights all roads so I may attain my goals. Who gives me the divine gift to forgive and forget all evil against me. In all instances of my life you are with me. I want in this short prayer to thank you for all things and confirm once again that I never want to be separated from you. I wish to be with you in eternal glory. Thank you for your mercy towards me and mine. This person must say this prayer for 3 consecutive days. After 3 days the favor will be granted, even if it appears difficult. This prayer must be published immediately after the favor is granted, without mentioning the favor. Only your initials should appear at the bottom. JS

We are God's handiwork, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Ephesians 2:10 (NIV)

Excused: Treasurer Freeman and Trustee Cornwell.

Consent Agenda. Approved:

Postponed: Proposed Amendments to Outdoor Gatherings Ordinance.

Distribution of Master Plan. Approved:

Approved: National Recovery Month - Proposed Resolution 2016-13.

Approved: Comcast Franchise.

Alternate for Board of Review. No Action:

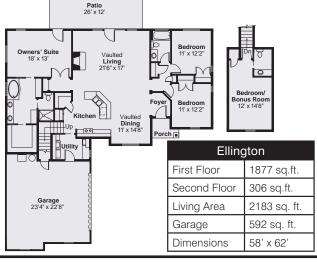

Karin S. Winchester, MMC Dale M. Smith

Holly Township Clerk Holly Township Supervisor

HOUSE PLAN OF THE WEEK

More plans at associateddesigns.com

PLAN 30-242

Four gables, each accented by a decorative corbel, give an open, friendly look to the Ellington. Gentle arches, Craftsman-style windows and stone veneer wainscoting all add to the exterior appeal. With the exception of the bonus room (or bedroom) over the garage, this is a single level plan.

Obituaries

ľimes

Dwight Leon Haas 1948-2016

Dwight Leon Haas - age 67, of Linden, died Wednesday, August 24, 2016. Funeral Mass will be celebrated

Monday, August 29, 2016 at St. John the Evangelist Catholic

Church,

600 N. Adelaide St, Fenton. Fr. Robert Copeland celebrant. Visitation will be held at Sharp Funeral Homes, Fenton Chapel, 1000 Silver Lake Road, Fenton Sunday, August 28, 2016 from 1-4 and 6-8 PM and at church Monday from 10 AM until the time of the Mass. A vigil service will be held at the funeral home Sunday at 7 PM. Those desiring may make contributions to the American Cancer Society or the Mayo Clinic. Dwight was born October 29, 1948 in Holly, the son of Elmer and Vivian (Perry) Haas. He was a 1967 graduate of Holly High School. He married Judy A. Teffner July 11, 1969 at St. John the Evangelist Catholic Church in Fenton. Dwight retired from GM Chevrolet Metal Fabricating after 39 years of service. He was a member of St. John the Evangelist Catholic Church and the U.A.W. Local 659. Surviving are: his wife of 47 years, Judy; daughter, LeAnn and husband Anthony Ridgway of Flint; son, Kevin Haas and fiancée Stacey Gehringer of Grand Blanc; grandchildren, Michael Condon, Chelsea Haas, Kyle Ridgway, Emma Haas, and Collin Ridgway; sister, Sharon Adams of Arizona; mother-in-law, Shirley Teffner of Fenton; nine brothers-in-law and sistersin-law; and many other relatives. He was preceded in death by his parents and brothers, Elmer and Dennis Haas. Online tributes may be posted on the obituaries page at www.sharpfuneral-

Elderly mom is stressed by Sis' calls

BY AMY DICKINSON

AMY

DICKINSON

My mom is nearly 90 and is in great

health. She is living with my husband and me and we all get along well in our small home. My older sister had been taking care of her but called nearly two years ago and proclaimed that Mom had to move in with us, as she could take NO responsibility for her because she had her own life to live. Big Sis moved across the country to be with a man she met online — one in a long line of "soul mates." She now hates this man, but is scared to leave due to

ruined credit, no job and nowhere to go. She calls Mom daily with tales of how awful her partner is, but how she can't leave. All of her friends and her counselor have advised her on ways to exit, but she seems to prefer to stay and whine about her life. I understand it is scary to start over. These calls are very stressful for Mom; and when she is stressed I am stressed, as stress for her often leads to illness. Should I ask Sis not to call, or if she does call, to just pretend everything is fine? Mom's radar regarding her children is legendary and she would then worry about why Sis is no longer talking about her miserable life. Is there a middle ground? — Trickle Down Stress

DEAR TRICKLE DOWN:

You cannot ask your sister not to call your mother. Instead, you should do two things: Ask your sister to be aware of the impact her daily narration has on your mother. Tell her, "She worries excessively about you and ruminates on your situation. This is affecting her health. Can you be more mindful of this

when you talk to her?" She needn't pretend that her life is perfect, but she could change

her tone if she wanted to. Your second focus should be on helping your mother to manage her own stress. Continue to reassure her that your sister has options, and that she is just blowing off steam. Simple meditation techniques could help both of you: Close your eyes, breathe deeply, and visualize releasing these stressors as little balloons or butterflies that flutter skyward.

15B

DEAR AMY:

You receive lots of questions from older

readers who complain about not being adequately thanked for gifts they have given to young people. While helping an 8-year-old boy write thank you cards for gifts he received last Christmas, he made an observation: He is always expected to write thank you cards, but never receives them. He said that an older relative told him it's important to write thank you cards because it makes the giver feel appreciated and special. He suggested that, "Maybe if kids knew how special it felt to get a thank you card, we would be more excited to make other people feel that way." This has stuck with me all year long. — Thankful

DEAR THANKFUL:

I often wonder if the people who are so concerned about others' expressions of gratitude take the time to demonstrate this important value in their own lives. Your young friend's observation is wise, as well as profound. I'm sure it will inspire many people to reexamine their own behavior.

ZONING BOARD OF APPEALS CITY OF FENTON **GENESEE COUNTY, MICHIGAN**

NOTICE OF PUBLIC HEARING ON **DIMENSIONAL VARIANCE REQUESTS**

TUESDAY, SEPTEMBER 13, 2016

Notice is hereby given that the City of Fenton Zoning Board of Appeals will hold a public hearing at 7:00 p.m., or as soon thereafter as the matter may be heard, on Tuesday, September 13, 2016 for the purpose of considering the variance request below for Fenton Technology Center at 155 Alloy Drive, Tax ID #53-34-200-006. The property is located on the west side of Alloy Drive, just south of Fenway Circle, and is zoned IND, Industrial, where industrial uses including manufacturing facilities and warehouses are permitted uses.

1. A variance from Section 36-15.0(I), Footnotes to Section 15.01, Schedule Limiting Height, Bulk, Density and Area by Zoning District, of the zoning ordinance to allow a twenty (20) foot parking lot setback from U.S. when a thirty (30) setback is required.

The public hearing will be held in the City Hall Council Chambers, 301 South Leroy Street. The purpose of the public hearing is to describe the proposed variance requests and receive public comment on the proposal. All interested parties are welcome to attend and present their comments.

Copies of the variance requests are available for public inspection at the City of Fenton offices, 301 South Leroy Street, during regular business hours. Written comments concerning the project may be submitted at the above address prior to the hearing and will be made part of the official record. All minutes of meetings are available at the City Clerk's office or on the City of Fenton website.

Comments and questions may be directed to the City of Fenton Zoning and Building Administrator, Michael Reilly, at 810-629-2261.

PLEASE CONTACT THE FENTON CITY CLERK'S OFFICE IF ANY ACCOM-MODATIONS ARE NEEDED DUE TO A DISABILITY.
