VOTES

LEGISLATIVE ACTIVITY

MichiganVotes.org is a free, non-partisan website created by the Mackinac Center for Public Policy to provide concise, non-partisan, plain-English descriptions of every bill and vote in the Michigan House and Senate. This report was released Friday, Nov. 30.

Senate Bill 1171: Initiated minimum wage law 're-do'

To revise an initiated law enacted in September that increased the state minimum wage. The measure was brought to the legislature by a petition drive, and originally would have increased the current \$9.25 minimum to \$12 in 2022, and eliminated a separate lower minimum wage for tipped workers. This bill extends the phase-in of the \$12 minimum to 2030, keeps a separate and lower minimum for tipped workers (employers must pay the difference if tips come up short of the regular minimum wage), and eliminates indexing the minimum wage to inflation.

Passed 26 to 11 in the Senate

Sen. Mike Kowall (R-Dist. 15) ❌ YES
Sen. Joe Hune (R-Dist. 22) ❌ YES

Sen. Ken Horn (R-Dist. 32) ❌ YES

Senate Bill 1175: Initiated paid leave law 're-do'

To revise an initiated law enacted in September imposing a paid leave mandate on employers. The law was brought to the legislature by a petition drive, and originally would have granted workers one hour of paid leave for every 30 hours worked, up to a maximum of 72 hours a year. The revised version mandates one hour of leave for every 40 hours worked, with an annual paid leave cap of 36 hours. Firms with 50 or fewer workers would be exempt. The revised version also removes provisions that would impose extensive record keeping requirements on employers, with a potential legal presumption that incomplete records means an employer has violated the law.

Senate Bill 796: Ban schools and local governments paying union officials to do union work

To prohibit the state and local governments including public schools paying employees who are also union officials for doing union work on school or government time. Under these so-called "release time" arrangements, many public school districts pay a local union official a full time teacher's salary and benefits even though the individual does not teach or perform

any other educational functions.

WHAT CAN I DO TO HELP LATER?

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.

How to recognize skin and food allergies in dogs

ALLERGIES CAN AFFECT ANYONE, EVEN THE FAMILY DOG.

According to the American Kennel Club, various types of allergies can affect dogs. Skin allergies and food allergies can be very unpleasant. And just like their owners, dogs may be vulnerable to environmental allergens like dust, pollen and mold.

Learning about allergies and how to recognize them in dogs can help pet owners ensure their four-legged friends live as happily and as comfortably as possible.

SKIN ALLERGIES

The most common type of allergic reactions in dogs, skin allergies, also referred to as “allergic dermatitis,” are caused by flea allergy dermatitis, food allergies or environmental allergies. Flea allergy dermatitis is an allergic reaction to flea bites. Dogs may be allergic to flea saliva, which can make them very itchy, particularly at the base of their tails. As dogs scratch their itches, their skin can

become red and inflamed and may scab over. The AKC notes that itchy skin may also be a byproduct of food allergies or sensitivities to certain foods. In such instances, the most common places dogs will itch are their ears and paws. Itchiness also may be accompanied by gastrointestinal issues.

Dogs that only seem to itch their skin during certain times of the year may be dealing with skin allergies resulting from

environmental allergens like dust, pollen and mold. The ears and paws are the most commonly affected areas in these instances, though dogs also may feel itchiness in other areas, such as their wrists, ankles, muzzle, underarms, groin, around their eyes, and in between their toes.

FOOD ALLERGIES AND SENSITIVITIES

The AKC notes that food allergies may not be as common as people think. In many instances, food sensitivities are to blame for many symptoms dogs exhibit. If the veterinarian suspects a dog has a food sensitivity, he or she will work with dog owners to identify the ingredient that is causing a reaction. Both food allergies and food sensitivities can trigger gastrointestinal problems like diarrhea and/or vomiting. Skin conditions like hives and facial swelling may be indicative of an allergy. Itchiness, poor skin and coat, and chronic ear or foot infections are among the symptoms of food sensitivities noted by the AKC.

Diagnosing allergies in dogs can be complicated. Veterinarians may first try to rule out other conditions that may be causing symptoms in your dog. If the vet suspects an allergy, he or she may try to confirm this by utilizing an elimination diet that restricts what the dog eats for 12 weeks. Learn more about dogs and allergies at www.akc.org.

TOMATO BRUSCHETTA

A delicious and easy appetizer. The balsamic vinegar gives it a little bite.
Dried basil can be substituted but it is best with fresh.
Salsa can be used in this recipe also.

INGREDIENTS

- 6 roma (plum) tomatoes, chopped
- 1/2 cup sun-dried tomatoes, packed in oil
- 3 cloves minced garlic
- 1/4 cup olive oil
- 2 tablespoons balsamic vinegar
- 1/4 cup fresh basil, stems removed
- 1/4 teaspoon salt
- 1/4 teaspoon ground black pepper
- 1 French baguette
- 2 cups shredded mozzarella cheese

DIRECTIONS

Preheat the oven on broiler setting. In a large bowl, combine the roma tomatoes, sun-dried tomatoes, garlic, olive oil, vinegar, basil, salt, and pepper. Allow the mixture to sit for 10 minutes. Cut the baguette into 3/4-inch slices. On a baking sheet, arrange the baguette slices in a single layer. Broil for 1 to 2 minutes, until slightly brown. Divide the tomato mixture evenly over the baguette slices. Top the slices with mozzarella cheese. Broil for 5 minutes, or until the cheese is melted.
