Lenny flew close enough to the heads of the Michigan Renaissance Festival crowd that they could feel the beat of his wings. He flew in a circuit around the show and hopped along the stage to leader Will

Lubrano, who discussed the environmental importance of scavengers like Lenny, during his “Birds of Prey” show at the festival Saturday, Aug. 24.

The Ren Fest will draw approximately 250,000 visitors over the course of the seven-week run. It’s known for feats

# Fun things to do on **LABOR DAY**

Compiled By Vera Hogan

Labor Day was instituted as a federal holiday in 1894 to honor the contributions and dedication of American workers — it's always the first Monday in September, and it marks the unofficial end of the summer season. The following are some fun things to do on Labor Day.

## TAKE A HIKE

Embrace the beautiful weather, grab some friends, and go on a trek through nature. Life can seem all too busy sometimes, so it's important to stop and smell the wildflowers you encounter along the way.

## TRY PADDLEBOARDING

Step outside of your comfort zone. This water activity can be so relaxing — plus, it's a great workout, so you can skip the gym that day.

fentonbrewery.com

## GO ON A BREWERY TOUR

Indulge in frothy tastes galore. Then, pick up some of your favorite brews to crack open at home, and grab some for sharing, too.

## UNWIND ON A POOL FLOAT

All the adorable pool and lake floats are making us want to chill out with an umbrella drink in hand. Just be sure to take a dip when the rays become too much.

## HAVE A BONFIRE

There's something about gathering around a fire pit that brings out great conversation. Invite old and new friends over for some appetizers, drinks, and a trip (or two) down memory lane.

## SHOP YOUR HEART OUT

This is the time to take advantage of all the Labor Day sales going on. Whether you've been eyeing something or just want to treat yourself, we're giving you permission to go for it.

of strength, jousting, medieval-themed booths and strolling entertainment.

You can also learn something here

as a well. The “Birds of Prey” show is one example, where conservation can be taught amidst the din of the festival. Lubrano hails from Bastrop, Texas and helps run “Wildlife Revealed,” a 40-bird

conservation 501(c)3 non-profit organization dedicated to wildlife education.

“Bird shows are one way in which we like to have people encounter wildlife and understand their relationship with the birds,” said Lobrano, a trainer and falconer.

There are other learning opportunities, according to Kim Heidger of the festival marketing department. There are glass blowing demonstrations, leather-working demonstrations, and a festival Friday that is geared a little more toward school groups.

Every year there are themed weekends, which are listed in detail at michrenfest.com.

### What’s new this year?

“Ulfgard” is the new **Viking encampment**. There are various demonstrations, like blacksmithing, Viking wrestling (glima) and Viking lore.

If you’re lucky, you could catch **pickle jousting**, a new “lame game” that happens randomly throughout the day.

New this year is the **Pegasus performance**. You can see this from 10:30 a.m. to noon, 3:45 to 4:30 p.m., and 6 to 7 p.m.

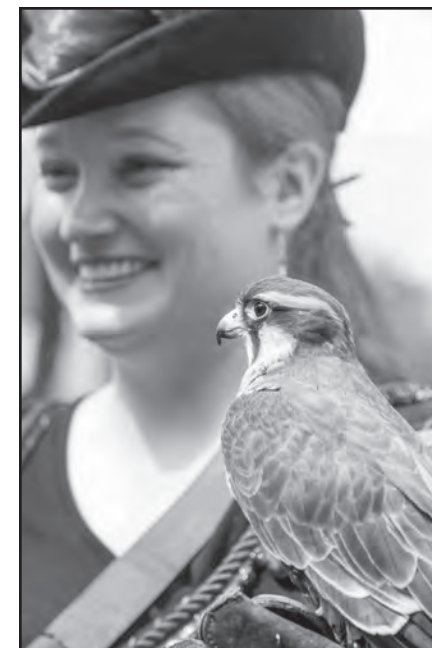

You can reserve the **Tower of Dragons** party location. This spot overlooking the jousting field is bookable for groups and gives you a spot to store belongings and offers a party food menu.

Visitors also can watch the new **joust troupe** or experience the **MedEvil es-**

### cape room.

These themed weekends and activities are brainstormed by the festival staff, including Heidger. “There is literally something for everyone,” she said. “We have such a wide demographic that come out. It’s tons of fun.”

Check the website ([www.michrenfest.com](http://www.michrenfest.com)) for remaining themed weekends and special Halloween-themed events in October.

# Holly VFW to help school marching band get to Ireland

■Carnival will raise funds and provide fun for the whole family

By Vera Hogan

The Holly VFW Post and VFW Auxiliary 5587 are hosting a fundraising carnival Sunday, Sept. 15 at the post home, 201 Airport Dr., Holly.

The event will take place between 2 and 6 p.m. and feature carnival games and food. Activities will provide fun for the whole family. There is no admission, however, there is a nominal charge for food and games.

Proceeds from the event will help the Holly Broncho Marching band get to Ireland. The band will perform in the 89th St. Patrick's Day Parade next year in Dublin, Ireland. The group will travel with more than 200 students and parents of the village of Holly from March 13 to

18, 2020. This is a major milestone for the Holly band program. Preparations have been going on for two years.

In May 2018, the Holly Area Schools district received a letter from the Lord Mayor of Dublin officially inviting the band to perform in the 2020 St. Patrick's Day Parade.

Superintendent Scott Roper said there currently are only a few high school bands from the United States performing in the parade along with several college marching bands. While in Ireland, the Holly band will visit the city of Limerick, Bunratty Castle and Trinity College along with various other historical landmarks and castles. The band is also getting new uniforms, which they will debut for the first time in the parade.

The band is under the direction of Ben Baldwin, a former professional trombonist with the U.S. Marine Corps Band.

**ADDRESSING D.C. CORRUPTION.** Draining the swamp is taking longer due to deep layers and multiple players of corruption that occurred in the Obama administration. The FBI, CIA, IRS, DOJ, DNC, Hillary Clinton, and others have committed crimes and collaborated on fake news and phony investigations.

# Pineapple Upside Down Cake

Pineapple upside down cake is a familiar dessert classic on which people can put their own unique spins. With this recipe from “Vegan Cooking for Beginners” (Publications International) by PIL editors, vegan dessert guests can also enjoy the fare thanks to vegan-friendly ingredients.

Makes 10 servings

## INGREDIENTS:

### TOPPING

- ½ cup packed brown sugar
- ¼ cup vegan buttery spread
- 7 canned or fresh pineapple slices
- 7 maraschino cherries

### CAKE

- 3 tablespoons boiling water
- 1 tablespoon ground flaxseed
- 2 cups all-purpose flour
- 2 teaspoons baking powder
- ½ teaspoon salt
- 1 cup granulated sugar
- ½ cup vegetable oil
- 1 teaspoon vanilla
- 1 cup refrigerated coconut milk beverage
- ½ teaspoon baking soda
- 1 tablespoon apple cider vinegar

## DIRECTIONS:

1. Preheat oven to 350 F. Grease 9-inch round baking pan.
2. For topping, cook and stir brown sugar and buttery spread in medium skillet over medium heat until melted and smooth. Remove from heat. Pour into prepared pan. Arrange pineapple slices in pan, placing cherries in centers of pineapples.
3. Combine boiling water and flaxseed in small bowl. Let stand until cool. Whisk flour, baking powder and salt in medium bowl. Whisk granulated sugar, oil and vanilla in large bowl until well blended. Whisk in flaxseed mixture. Stir in flour mixture just until moistened. Stir in coconut milk just until blended. Place baking soda in small cup; stir in vinegar. Gently stir vinegar into batter just until blended. Pour batter over pineapple.
4. Bake 45 to 50 minutes, or until toothpick inserted into center comes out clean. Cool in pan on wire rack for 10 minutes. Run thin knife around edge of pan to loosen cake. Invert onto serving plate. Cool completely.  
Note: The cake can also be baked in a 12-inch cast-iron skillet. Melt the buttery spread and brown sugar in the skillet, add the pineapple and cherries and pour the batter over the fruit. Check the cake for doneness at 40 minutes.

**Section 2. Adoption of New Regulations Concerning Pedestrians.**

The City hereby adopts new sections under Chapter 71 to read as follows:

Pedestrians shall obey the instructions of all official traffic control signals, signs, and other control devices applicable to vehicular traffic unless otherwise directed by a police officer.

**71.02 Crosswalk Defined**

“Marked crosswalk” means any portion of a roadway distinctly indicated for pedestrian crossing by appropriate markings, signs, barriers, or other devices to give notice thereof.

**NOTICE OF MORATORIUM  
ARGENTINE TOWNSHIP, GENESEE COUNTY**

On August 26, 2019, the Township Board for Argentine Township adopted a moratorium ordinance that will be effective throughout Argentine Township and for all lakes within the Township. More specifically, the new Ordinance imposes a moratorium on the construction, placement, installation, expansion or reinstallation of any private drawbridge, bridge, walkway or similar structure on, over or within any lake within Argentine Township. The Ordinance also prohibits any Township official, body or agency from issuing any permit, license, zoning approval, building permit or other approval for the construction, installation, expansion, placement or reinstallation of any drawbridge, bridge, walkway or similar structure on, over or within any lake within the Township. The moratorium shall be in effect for four (4) months after the effective date of the new Ordinance, but the Township can extend the moratorium. While the moratorium and the new Ordinance are in effect, the Township is drafting and will attempt to enact another separate ordinance that regulates private drawbridges, bridges, walkways and similar structures on, over or within any lake within the Township. A full copy of the new Ordinance can be inspected, purchased or reviewed at the Argentine Township offices located at 9048 Silver Lake Road, Linden, Michigan, during normal business hours (Monday - Friday, 8:30 a.m. – 4:30 p.m.) or by contacting the Township Clerk at (810) 735-5050. Given that this new Ordinance is an emergency ordinance, it will become effective one day after this notice appears in the newspaper.

Respectfully submitted by,  
Denise M. Graves  
Argentine Township Clerk  
(810) 735-5050

**NOTICE- ORDINANCE NO. 391  
CITY OF LINDEN**

“Linden City Council adopted Ordinance No. 391, entitled the City Storm Water Management Ordinance, on August 26, 2019. The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is requiring that the City of Linden adopt a Illicit Discharge and Connection Ordinance as it pertains to the City of Linden’s municipal storm sewer system. The purpose of this ordinance is to provide for the health, safety, and general welfare of the citizens of the City of Linden through the regulation of non-storm water discharges to the storm drainage system to the maximum extent practicable as required by federal and state law. This ordinance establishes methods for controlling the introduction of pollutants into the municipal separate storm system (MS4) in order to comply with requirements of the National Pollutant Discharge Elimination System permit process. The objectives of this ordinance are:

## Signs of separation anxiety in dogs

Dogs are loyal and beloved companions that make great household pets. When leaving for work in the morning, dog owners may lament that they can't take their furry friends with them. But it turns out those dogs might be even more upset that they can't follow their owners out the door each morning.

Separation anxiety is a significant issue that can affect any breed of dog. According to the ASPCA, separation anxiety is triggered when dogs become upset because they've been separated from their guardians, such as in the morning when owners leave for work. Separation anxiety is a very difficult problem for dogs, creating a sense of distress that can pave the way for destructive and potentially harmful behaviors.

Dog owners may wonder what they can do to soothe their dogs' anxiety so they can be left alone without experiencing the fear or distress associated with separation anxiety. Learning to recognize the symptoms of separation anxiety is a great first step in that healing process.

• **Urinating and defecating:** Some dogs urinate or defecate when left alone, even if they're potty trained. This is a sign of separation anxiety. The ASPCA notes that dogs that urinate or defecate in the presence of their owners are probably not suffering from separation anxiety but a different issue, and such behavior should be discussed with a veterinarian.

• **Barking and howling:** Dogs experiencing separation anxiety may persistently bark or howl when separated from their guardians. Neighbors may complain that dogs continuously bark throughout the day, which can signal to owners that their dogs are experiencing separation anxiety. The ASPCA notes that barking or howling is typically only triggered by being left alone.

Separation anxiety is a significant issue that can affect any breed of dog

• **Destructive behaviors:** Destructive behaviors when left alone, such as chewing on objects, door frames or window sills, is a telltale sign of separation anxiety. Some dogs will dig at doors and doorways, perhaps in an attempt to escape the home and follow their guardians out the door, or destroy household objects, including furniture. These destructive behaviors not only aggravate owners, but they also pose a significant injury risk to dogs. Dog owners typically do not witness the destructive behavior, which can cause injuries like broken teeth, cut and scraped paws and damaged nails.

• **Coprophagia:** Some dogs defecate and then consume all or some of their excrement when left alone. This is all called coprophagia and likely won't occur when owners are present.

Dogs that act up when owners leave home aren't being destructive for the sake of being disruptive. In fact, these dogs are often suffering from separation anxiety, the recognition of which can be the first step toward helping dogs overcome this troubling condition.
