Enriching lives of the young and old

■ Elderly memory care residents interact with daycare kids for fun and much-needed interaction

By Tim Jagielo

Fenton — While holiday public service announcements might urge people to check on their elderly and possibly lonely neighbors, Tonia Hishke, Courtyard Manor of Fenton manager, said this interaction isn't just for the holiday season. "It's all year," she said. "Watch

out for each other. Help each other out."

Positive interaction with the elderly was the point of the event Thursday, Nov. 21. Five residents of the assisted living facility visited with Fenton Early Learning Center children for crafts, snacks and singing songs between 10 and 11:30 a.m.

Shelly Williamson is co-owner of Fenton Early Learning Center. She said this is the first time they've had elderly residents of such a facility visit their daycare, with the plan of the children interacting with seniors, "so they're not afraid of them."

She said sometimes children aren't used to octogenarians and beyond, or used to seeing an elderly person in a wheelchair.

Visiting residents were between 78 and 100 years old. The children's grandparents are likely closer to 60. "A lot of see children now don't have that

“A lot of children now don't have that interaction with great-grandparents or even grandparents. Their grandparents may live in another state, so they don't have that interaction with actual elderly.”

CRASH**Continued from Page Front Page**

The preliminary investigation revealed that northbound traffic, south of Clyde Road, was stopped due to congestion.

A 2008 Ford Edge, operated by a 75-year-old Fenton resident with five occupants in the vehicle, was traveling north on Old U.S. 23 when it struck the rear of a stopped 2003 GMC Sierra, driven by a 53-year-old

Brighton resident. The GMC Sierra was pushed forward into a 2008 Jeep Grand Cherokee, driven by a 19-year-old Fenton resident that was stopped in the roadway while waiting for traffic.

An 89-year-old woman from Fenton was a front seat passenger in the Ford Edge. She sustained serious injuries while all of the other parties involved were treated and released at the scene. She was transported to

the University of Michigan Hospital in Ann Arbor by Livingston County EMS.

Speed and alcohol do not appear to be a factor in this crash. All parties involved were wearing their seatbelts.

Deputies were assisted on scene by the Hartland Fire Department and Livingston County Ambulance. The crash remains under investigation by the Livingston County Sheriff's Office Major Crash Team.

After snacks and crafts, children sang Thanksgiving songs for their elderly visitors. Richard Parker, 4, (above) and Kai Dreffe, 4, were included. **Photo:** Tim Jagielo

interaction with great-grandparents or even grandparents," Hishke said. "Their grandparents may live in another state, so they don't have that interaction with actual elderly."

Many of residents have Alzheimer's or dementia. She said they only see children when they visit them at their home. The children seemed to be having fun with the Courtyard residents.

The benefits of such an event are the children becoming much more comfortable with the elderly, while enriching the lives of the Courtyard residents. "The smiles I've seen today have been amazing," Hishke said.

She has a granddaughter at the day-care, which gave her the idea to suggest to Williamson. They plan to come again for Christmas and in the future, try to make it a regular event.

Children gave Courtyard Manor residents flowers. **Photo:** Tim Jagielo

TYRONE TOWNSHIP PUBLIC NOTICE

REVISIONS TO ZONING ORDINANCE #36

Notice is hereby given the Tyrone Township Board, during a regular meeting held on November 19, 2019, adopted amendments to Zoning Ordinance #36, Article 21. All ordinances are available to the public for review during regular business hours at the Tyrone Township Hall, 8420 Runyan Lake Rd., Fenton, Michigan 48430 and can also be accessed from the township's website at www.tyronetownship.us. A summary of the revisions follows:

1. Home Occupations: Article 21, Section 21.14 – Home Occupations, to redefine review requirements for permitted home occupations such that those permitted may be administratively approved, to update the list of permitted home occupations, to permit signs in certain cases subject to Planning Commission approval, and to redefine the space limits for home occupations;
2. Noise Regulations: Article 21, Section 21.16 – Noise, to update fireworks regulations for consistency with PA 634 of 2018 and PA 635 of 2018, and to add clarification to enforcement of noise violations;

The above amendments to the Tyrone Township Zoning Ordinance #36 shall take effect 30 days after the publication of this notice.

Tips for safe holiday entertaining in pet-friendly households

The holidays are a time to spend with friends and family. Celebrating and entertaining are large components of what makes Thanksgiving, Christmas, Chanukah, and New Years festivities so enjoyable. Holiday hosts with pets must consider companion animals when planning the festivities.

The holiday season brings added dangers for pets. The American Veterinary Association notes that, by keeping hazards in mind, pet owners can ensure their four-legged friends enjoy the season as much as everyone else.

- **Secure the tree.** Securely anchor the Christmas tree so that it won't tip over on anyone, including rambunctious pets. Also, stagnant tree stand water can grow bacteria. If a pet should drink the water, it may end up with nausea or diarrhea. Replenish the tree basin with fresh water daily.
- **Skip the candles.** When creating mood lighting, opt for electronic or battery-powered lights instead of open flames. Pets may knock over candles, and that can be an instant fire hazard.
- **Keep food out of reach.** Situate food buffets beyond the reach of hungry and curious animals. Warn guests to promptly throw out their leftovers so that dogs and cats do not sneak away with scraps that may cause stomach upset or worse. Real Simple magazine warns that fatty foods can promote pancreatitis - a potentially dangerous inflammation of the pancreas that produces toxic enzymes and causes illness and dehydration. Small bones can get lodged in a pet's throat or intestines as well.
- **Avoid artificial sweeteners.** Exercise caution when baking sugar-free desserts. The artificial sweetener xylitol can cause dogs' blood pressure to drop to dangerously low levels. Xylitol is found in some toothpastes and gum, so tell overnight guests to keep their toiletries secure to avoid accidental exposure.

- **Be cautious with cocktails.** If the celebration will include alcoholic beverages, the ASPCA says to place unattended adult beverages where pets cannot reach them. Ingested alcohol can make pets ill, weak and even induce comas.
 - **Be picky about plants.** Mistletoe, holly and poinsettias can be dangerous in pet-friendly households. These plants can cause gastrointestinal upset and may lead to other problems if ingested. Opt for artificial replicas instead. If guests bring flowers, confirm they are nontoxic to pets before putting them on display.
 - **Watch the door.** Guests going in and out may inadvertently leave doors open. In such instances, pets who get scared or are door dashers may be able to escape the house. Put a note by the door to watch for escaping pets.
 - **Designate a safe space for pets.** If the holiday hustle proves too much for cats, dogs, birds, and more, give the pet a safe, quiet spot away from the crowds.
- Holiday hosts should factor in pet safety when they open their homes to guests.

Linden's Buchanan headed to Wayne State's XC team

By David Troppens

Tyler Buchanan has been the Metro League's elite male cross country runner in each of the last three seasons.

So it's not a shock that the three-time Metro League champion is going to con-

tinue his running career at the college level. The question was where the Linden senior was going to do that.

Buchanan made his decision — he's going to run for the cross country and the indoor track team at Wayne State Univer-

sity, a Division 2 athletic program.

Buchanan said the decision came between Wayne State and Grand Valley State University, another Division 2 Great Lakes Intercollegiate Athletic Conference (GLIAC) program.

Griffins open hockey season at U-M's Yost Arena

■ Co-op falls behind early, but competes vs. Davison

By David Troppens

Ann Arbor — It was a little bit different way to open the season.

There was a pep band and the Fenton/Linden co-op hockey team was hosting the Davison Cardinals in a special venue — the University of Michigan's Yost Arena. Also, it felt like old times with Matt Krusniak back at the helm of the program, even if the last time he coached an area high school hockey team, it wasn't a co-op squad.

The Griffins played pretty well for most of the contest. However, Davison used a few odd-man rushes to jump out to a four-goal lead and earn a 4-1 season-opening win against the Fenton/Linden Griffins.

Really, it was the odd-man rushes

that defined the contest. When the Cardinals got one, they usually made the Griffins pay. Once the Griffins stopped giving up the puck in precari-

ous positions, the second half of the game was very even with Davison only enjoying a 31-30 shot edge. The

Holly's Barrett, Johnson thriving on college squads

By David Troppens

The Holly varsity girls tennis program has been one of the most successful programs, if not the most successful, in the tri-county area for the last 30 years.

The girls have either won or shared every single Metro League crown but two since the 1982-83 school year, and have made waves at the state level in recent seasons as well.

But some new history was made this fall when two ex-Holly teammates competed against each other at the collegiate level — at least in terms of their teams. The pair didn't play directly against each other in either of their matches.

Grand Valley while Nicole Johnson competed for Saginaw Valley. Grand Valley won the dual match 5-3, but both Holly graduates left the dual with victories.

Barrett played at No. 4 singles and won her match against Gyselle Gutierrez 4-6, 6-0, 10-4, while Johnson played at No. 6 singles and won her match 6-2, 2-6, 6-3. Both also played in doubles matches. Barrett teamed up with Marija Leko to win her No. 2 doubles match while Johnson teamed with Sara Neves and lost at No. 3 doubles.

Johnson is in her sophomore season and posted a 9-5 record in singles matches and a 4-9 record in doubles matches this fall. During her freshman season she posted a 3-7 singles record and a 3-6 doubles record. She capped her Holly playing career by winning the No. 2 singles state title at the Division 2

meet in 2018.

Barrett began her career at Grand Valley this year and posted a 10-1 record in singles matches at a variety of flights. She was 10-4 in doubles matches, usually playing at No. 2 doubles.

Grand Valley finished second in the Great Lakes Intercollegiate Athletic Association (GLIAC), posting an 8-1 dual record. Saginaw Valley was 3-6 in its GLIAC duals.

Andrew Foerster

The Lake Fenton graduate is playing defensive end for Concordia University's NAIA national tournament-bound football squad.

Foerster played in nine games this fall, recording 12 unassisted tackles and 13 assisted tackles. He posted 3.5 sacks for a loss of 35 yards and 8.5 tackles for loss for 43 yards worth of losses.

Concordia (8-2 overall) competes against Grand View University Saturday in Des Moines, Iowa.

BUCHANAN

"The reason I picked Wayne State was not only because I liked the programs they offered but also the team they have," Buchanan said. "I enjoyed talking to all of the teammates during my visit there. I also know that I would be an immediate contributor to their team. I really liked the fact that they had their own big goals to win regionals and go to nationals."

"I also related to this with Linden because we had always made goals, whether it was to win the Metro title, win the regional title or place well at the state meet. I really liked having these kinds of challenges, and that's exactly what I want to continue doing at Wayne State."

The Warriors placed fourth at the GLIAC Championships and placed seventh out of 31 teams at the D2 NCAA Midwest Regional this fall. Another interesting aspect about the Wayne State program is that it already has a strong tri-county flavor to the roster. Linden graduate Tanner Blaney and Fenton graduate Mitchell Chabot are on the squad as well. Buchanan will have to prepare for longer cross country races. The men's cross country teams generally compete in 8K races to start the year and conclude with 10K events. High school cross country programs run 5K races.

"I'm very excited for the longer distances because I believe that I am a very strong runner and I will perform better because I run well with the longer distances," Buchanan said. "(Being able to continue his running career at the collegiate level) means a lot to me that I get to continue doing what I love and I'm very excited for it. It also shows my dedication to the sport which means a lot to me because I can now carry on such a huge factor of my life that has impacted me so greatly."

Buchanan finished first in seven races this fall, including all three Metro League jamborees. He won the final league meet race with a time of 16:17.4. He also won a Division 2 regional championship with a time of 16:14.3, earning a spot at

the state meet. While there he placed sixth overall in the D2 race with a time of 15:57.3. He also competed in a recent MITCA Team Michigan Trials, placing second among seniors with a time of 15:43.0.

Last track season Buchanan was the Metro League's 1,600 run champion (4:30.15). He was a regional runner-up (4:20.01) in the same event and placed fifth at the D2 state meet (4:22.78).

"The Linden cross country and track programs have helped me prepare for the next level with the year-round training by holding non-mandatory practices in the winter and non-mandatory but eventually mandatory practices in the summer," Buchanan said.

GRIFFINS

Continued from Page 37

Cardinals are typically a strong program in the Flint area. Last season the Griffins lost to Davison 7-2. Two years ago the Griffins lost 8-2 and 9-1 verdicts to the Cardinals, so Tuesday night's three-goal loss looked a bit better after comparing the verdict to previous contests.

"I felt the game was closer than the 4-1 score," Krusniak said. "Davison and Powers are the powerhouses in this area and if we want to play at that level, we have to play them. I'm thankful they give us the games, and we have to take it to that level. I think we have the depth to be able to do it."

Early in the first period the Cardinals controlled action, taking 14 of the first 17 shots of the session. However, once the Griffins killed off a penalty, they started to get back into the contest, enjoying a 7-2 shot-on-goal edge during the final 7:12 of the period. However, it was on one of those Davison shots that the Cardinals took the lead.

The Griffins lost the puck and it resulted in a 2-on-1 scoring chance for the Cardinals. Jeffrey Schmidt took advantage of the situation, scoring the game's first goal off an assist by Caleb Manville. Davison led 1-0.

Fenton/Linden outshot Davison in the second period 13-8, but that didn't keep the Cardinals from taking a four-goal lead. The next goal was provided by Schmidt on another odd-man rush, followed by a goal by Dylan McMullen about two minutes later. Fenton/Linden trailed 3-0 with 12:35 left in

the second period.

The lead grew to 4-0 when the Griffins were on the power play. The puck got out of the Davison zone and they were able to pounce on it resulting in a breakaway goal by McMullen off an assist by Schmidt. Fenton trailed 4-0, and Krusniak called a time out.

Whatever Krusniak said must've worked. Fenton/Linden's Brendan Miles won the ensuing face off and passed it to Ethan Hutchings, who scored the Griffins' first goal of the season.

"I'd like to say I called it," Krusniak said.

Fenton/Linden goalie Loren Jones freezes a puck while Davison's Matt Willett (center) and Fenton/Linden's Brendan Miles (right) fight for position on the puck. The Griffins lost to Davison 4-1 at the University of Michigan's Yost Arena Tuesday. The Griffins return to action Wednesday against Flint Powers. **Photos: David Troppens**
