# Tupperware – put a lid on it

■ This ‘blast from the past’ started with a bowl that ‘burped’ and revolutionized kitchen storage

By Sally Rummel

Who doesn’t remember the days of Tupperware parties when moms would get together to socialize and watch demonstrations of the newest food storage products — from sippy cups to mixing bowls and even a shape-sorting ball toy for kids.

Yes, Tupperware is a part of many of our collective memories, and it’s still here 73 years later after being invented by Earl Tupper during the post-World War II year of 1946. According to Tupperware.com, he created the first lightweight, non-breakable plastic containers inspired by the seal-tight design of paint cans.

What has changed the most over the years is Tupperware’s way of reaching customers. Many sales are conducted at the Tupperware online site, on Amazon, Facebook and at mall kiosks around the world.

Karen Ates of Linden has sold tens of thousands of dollars worth of Tupperware products over her career. She’s holding her favorite item, the Pressure Cooker.

But that doesn’t mean there aren’t Tupperware parties anymore.

Local Tupperware representative Karen Ates of Linden has at least a

party a month, and she used to hold many more before working two jobs consumed much of her time.

“People are shocked that there are still

Tupperware’s catalogue features more kitchen items than containers, including the Fusion Master Spiralizer.

Tupperware parties,” Ates said. “Parties are the main way hostesses get their (Tupperware) products, and it allows representatives like me to show people how to cook with new products.”

She typically makes a meal or a dessert at the party to share with the guests. “I can make a delicious hot cake from the microwave in 10 minutes,” she said.

Ates first sold Tupperware in the 1980s, after having grown up in a Tupperware-filled home. “I knew all

about the products," she said. "Then I got back into it about five or six years ago."

The expansion of Tupperware products from mainly storage containers into cooking innovations has created a niche for busy people to maximize their time.

"I lost 65 pounds by cooking with different Tupperware products," Ates said. "I use my Smart Steamer to steam dishes in the microwave, and the fat goes to the bottom. I also make homemade soups from scratch with my Tupperware Microwave Pressure Cooker and homemade salsa in less than five minutes with my Tupperware Chop N Prep."

Ates is also a huge believer in the positive environmental impact of Tupperware. "It replaces a lot of disposable wraps and packaging and no one ever throws it away," she said.

Some of the most iconic Tupperware items are still available, includ-

ing the Bell Tumblers with sipping lids, Wonderlier Bowls, Modular Mates and the Toy Shape Sorter.

One of the biggest selling points for Tupperware today is still its lifetime warranty if a product or lid is damaged or broken. The only thing it can't guard against is a neighbor or friend not returning it.

"Don't ever walk away with someone else's Tupperware," Ates said.

COMPILED BY SHARON STONE

**Benefit Dinner for Jessica Burns**

For those in the Fenton area, a fundraiser dinner at the Moose Lodge, 2245 Sonora Dr., Fenton, on Lake Fenton is planned for **Saturday, Dec. 14, from 4 to 11 p.m.** There will be dinner, silent auction, music and more. This fundraiser is for mother of three, Jessica Burns, 35, of Fenton, who is battling stage 4 breast cancer. She has worked the past 15 years at Skipper Bud's on Lake Fenton. Due to her treatments, she is no longer able to work. The event is hosted by the Fenton Moose Lodge. Additional details are on Moose's Facebook page under events. Tickets are \$15 per person, \$5 for ages 5-12 and kids under 5 are free. A gofundme page, "Jessica Burns Breast Cancer Fight," has also been created with hopes of raising \$10,000. For more information, call Tara Goldman at (810) 429-9899.

vhogan@tctimes.com

## Vinyl, records, albums, whatever – I had a bunch of ‘em

The article in today's edition regarding vinyl record albums really brought me back to when I was in my late teens and very early 20s. My boyfriend at the time worked in the distribution warehouse of United Artist Records in the Chicago suburbs. He had an amazing vinyl collection, thanks to a generous employee discount.

One of our favorite pastimes was to sit in his mom and dad's basement and listen to our favorite albums over and over. Although they recorded under a different label, my personal favorite was "A Question of Balance," by the Moody Blues. I loved all their music and my second favorite was "Days of Future Past." We listened to them for hours and later attended their live concerts.

As of this date, I have seen the Moody Blues in concert more than a dozen times, first in the Chicago area and after I moved to Michigan. Several years ago, my husband of 31 years and I saw the Moody Blues in concert at The Palace. His cousin worked for a company that had a suite on the mezzanine level. We were invited in to enjoy hors d'oeuvres and cocktails, and watch the concert from the balcony. I was in heaven.

My other favorite vinyl record albums included the very first one I ever bought with my own money "In a Gada da Vida" by Iron Butterfly.

Nothing to this day compares to the drum solo in that song performed by Ron Bushy.

Other all time must-haves included music by The Doors (L.A. Woman), Jethro Tull (Aqualung), as well as albums recorded by Neil Diamond, Santana, Crosby, Stills and Nash, Eagles — there were just so many. I

was never much of a Beatles fan, although I did like their earlier music.

I saw Jethro Tull in concert once and it was fabulous. At the start of the concert, the venue turned off the house lights. Then starting out very low and getting increasingly louder we heard the song "Locomotive Breath." Suddenly,

the house lights came back on and Ian Anderson (flautist) came flying out of the ceiling wearing what looked like a Sherlock Holmes outfit. It still makes the hair on my arms stand up thinking about it.

One Christmas, a vinyl record album by Emerson, Lake and Palmer was on my wish list. My dad, who was very frugal (cheap) seized this opportunity to convince a younger family member that there really is a Santa Claus.

He told her, "Do you actually think I would waste my own money on something called 'Brain Salad Surgery?' Well, think again." That did the trick.

# Tips for hosting houseguests over the holidays

Hosting houseguests over the holidays? For happier guests and hosts alike, you'll want to be sure you're equipped to accommodate all your overnighters. Here are a few pointers:

## Special considerations

You'll likely know of any special considerations you will need to make for individual guests, but if you aren't sure, ask in advance. For older guests, be sure the floor is free of tripping hazards and that walkways are well-lit. For families, offer a room away from noise so small children can sleep undisturbed at their regular bedtimes. Anticipating and accommodating allergies, dietary restrictions and mobility issues can help keep guests health, happy and safe during their stay with you.

## Better bedding

Whether you are hosting one guest or many, it's important to ensure that everyone under your roof has a comfortable place to sleep. Thanks to the latest updates in air mattress technology, that's easier than ever these days. Before the holidays, get equipped with a compact, high-quality air mattress — which are a must-have for travelers who need to pack a car compactly, as well as hosts who want to store guest bedding between uses.

## A stocked bathroom

Not only will a well-stocked bathroom help avoid last-minutes trips to the store, it will make guests feel comfortable and welcome upon arrival. You'll always want to provide a set of linens for each guest, as well as shampoo, conditioner and soap in the shower. Having a few additional items on hand — disposable razors, cotton swabs, combs, toothbrushes and toothpaste — is a nice touch. For many reasons, guests often ar-

rive with certain essentials. Maybe they forgot them at home. Maybe the airport made them toss something in the trash. Whatever the reason, you'll want to prepare for this common occurrence.

A full holiday house does not need to be overwhelming. With a few considerations, you can create a joyful holiday experience for you and your houseguests.

## LOOKING BACK at this week in HISTORY

COMPILED BY VERA HOGAN

### DEC. 1

**1990:** Shortly after 11 a.m., 132 feet below the English Channel, workers drill an opening the size of a car through a wall of rock. This was no ordinary hole. It connected the two

ends of an underwater tunnel linking Great Britain with the European mainland for the first time in more than 8,000 years.

### DEC. 2

**1972:** The Temptations earn the last of their four chart-topping hits when "Papa Was A Rollin' Stone" reaches #1 on the Billboard Hot 100.

### DEC. 3

**1947:** Marlon Brando's famous cry of "STELLA!" first booms across a Broadway stage, electrifying the audience at the Ethel Barrymore

Theatre during the first-ever performance of Tennessee Williams' play "A Streetcar Named Desire."

### DEC. 4

**1952:** Heavy smog begins to hover over London, England. It persists for five days, leading to the deaths of at least 4,000 people. It was a Thursday afternoon when a high-pressure air mass stalled over the Thames River Valley. When cold air arrived suddenly from the west, the air over London became trapped in place. The problem was exacerbated by low temperatures, which caused residents to burn extra coal in

their furnaces. The smoke, soot and sulfur dioxide from the area's industries along with that from cars and consumer energy usage caused extraordinarily heavy smog to smother the city.

### DEC. 5

**1945:** At 2:10 p.m., five U.S. Navy Avenger torpedo-bombers comprising Flight 19 take off from the Ft. Lauderdale Naval Air Station in Florida on a routine three-hour training mission. Flight 19 was scheduled to take them due east for 120 miles, north for 73 miles, and then back over a final 120-mile leg that would return them to the naval base. They never returned.

### DEC. 6

**1884:** Washington, D.C., workers place a nine-inch aluminum pyramid atop a tower of white marble, completing the construction of an impressive monument to the city's namesake and the nation's first president, George Washington.

### DEC. 7

**1941:** At 7:55 a.m. Hawaii time, a Japanese dive bomber bearing the red symbol of the Rising Sun of Japan on its wings appears out of the clouds above the island of Oahu. A swarm of 360 Japanese warplanes followed, descending on the U.S. naval base at Pearl Harbor in a ferocious assault. The surprise attack struck a critical blow against the U.S. Pacific fleet and drew the United States irrevocably into World War II.

## Fenton swim squad places eighth at D2 girls at Oakland University

By David Troppens

**Rochester** — It was the perfect way to end an outstanding night at the Division 2 State Girls Swimming and Diving Championships at Oakland University.

The Fenton varsity

girls swim team had already watched its 200 medley relay team place fifth, saw sophomore Gracie Olsen win two individual event state titles in the 200-yard freestyle and the 100-yard butterfly and seen many others have strong individual efforts during the second day of the meet. Emotions were already high.

So why not finish with something else that would make the performance historical?

The Tigers did just that.

The 400 freestyle relay team of Olsen, Lillie Kromer, Delaney Fries and Abigail Dolliver finished in third place

## Fenton's Olsen picks right time to have memorable meet

■ Sophomore swimmer leaves state event with two individual state titles

By David Troppens

**Rochester** — Gracie Olsen called it "One of the best meets I've ever been to."

In Fenton's varsity girls swim program history her Saturday efforts probably ranked as the greatest performance by an individual ever.

A D2 state champion as a freshman in the 200-yard individual medley just one year earlier, Olsen became the first Fenton swimmer to win two individual state championships at the same meet Nov. 23, earning state titles in the 200-yard freestyle and the 100-yard butterfly at the Division 2 State Girls Swimming and Diving Championships held at Oakland University.

She also helped lead two relays to championship final finishes. The finals began with Fenton's 200 medley relay team of Olsen, Abigail Dolliver, Halee Alexander and Lillie Kromer placing fifth in 1:49.19 — a pretty nice highlight on its own. However, the meet ended with Fenton's best relay finish in state meet history when the 400 freestyle relay team of Olsen, Kromer, Delaney Fries and Dolliver placed third in a school-record time of 3:34.55. The Tigers finished the meet in eighth place with 111 points, one of nine teams to score at least 100 points. For more details on the rest of the Tigers' performance check [tctimes.com](http://tctimes.com).

Olsen entered Saturday's finals after an outstanding Friday in the preliminary races. She dominated her events, winning the 200 freestyle with a time of 1:49.90 (more than two seconds ahead of the rest of the field) and

# Powers's Wujciak earns All-State honors at D3 state swim meet

■ Holly's Costigan caps her swim career at D2 event

By David Troppens

**Rochester** — The Fenton varsity girls swimmers and divers weren't the only area performers at Oakland University last weekend.

Holly's Rebecca Costigan and Fenton's Lara Wujciak also competed at state meets.

Wujciak, who started the meet ill with a body temperature of 102 degrees, competed in the D3 Girls State Swimming and Diving Championships, competing in four events.

The junior who attends Powers Catholic High School earned All-State honors in the 100-yard butterfly with a fifth-place time of 57.41 seconds. Her finals time was a 1.03 second drop from her prelim time of 57.21.

Wujciak also competed during the second day of the meet in one more event — the 200 freestyle relay. In that event, she teamed with Olivia Camara, Lauren Taylor and Abigail Merz to place 14th with a school-record time of

1:43.37. The squad qualified for the consolation finals by posting a prelim time of 1:43.59 on Friday.

Wujciak competed in another relay and another individual event that didn't make it beyond Friday's preliminary rounds. Powers had its 200 medley relay team of Hannah Murawski, Merz,

Wujciak and Taylor finish 20th overall in 1:55.97. Wujciak also competed in the 100 backstroke, posting a 30th-place time of 1:03.82 in the event.

Holly High School's Costigan, a senior, qualified for the D2 state meet in one event. She finished 29th in the 100 breaststroke with a time of 1:13.02.

## Fenton swimmers post strong first day at state meet

By David Troppens

**Rochester** — The Fenton varsity girls swim team had an outstanding day during the first day of the Division 2 State Swimming and Diving Championships Nov. 22 at Oakland University.

The Tigers had competitors in each of the 12 events during the preliminary event.

Gracie Olsen provided some of the

biggest highlights. She earned the top seed for Saturday's championship meet in two events. She posted the top time in the 200 freestyle (1:49.90) and in the 100 butterfly (55.24). Olsen helped two relay teams earn spots in the finals as well. Olsen, Abigail Dolliver, Hallee Alexander and Lillie Kromer earned the fifth seed in the

in the event in a school-record time of 3:34.55, becoming the first-ever Fenton relay to leave a state meet with a top-three finish.

Overall, the Tigers had an outstanding meet, placing eighth in the final standings with 111 points, just one of nine teams to score at least 100 points at the event. The relay performance may have meant more to Kromer, a senior, who was competing in her final race as a Fenton Tiger. The other three girls are underclassmen. The Tigers entered the race as the fifth seed after Friday's prelim time of 3:36.21. However, on Saturday, the Tigers had outstanding performances by all four swimmers, and actually led the race for the majority of the event before finishing in third.

"Going into it we had to pull out every last bit of energy we

had," Kromer said. "(Fenton varsity girls swim coach Brad) Jones told us 'Third place is yours. You just have to work for it' and we did. Gracie pulled out and I don't even remember swimming. I just remember going off the wall, touching and suddenly it was over. Delaney swam

faster than I ever saw her swim before and Abby — I just haven't seen that type of energy from them before. It was absolutely insane ... watching Abby touch, see No. 3 on the scoreboard and see it was a record-breaking time was amazing."

championship race in the 200 medley relay (1:49.02) while Olsen, Kromer, Delaney Fries and Dolliver earned the fifth seed in the 400 free-style relay (3:26.4).

Diver Emma Jump earned a spot in the diving finals as well. She was in 13th place after Friday's preliminary and semifinal action (230.80).

The Tigers earned some athletes in the consolation finals races as well. Kromer placed 14th in the prelims with a time of 24.77 seconds and 10th in the 100 freestyle (53.71). Abigail Dolliver earned a spot in the consolation finals of the 100 breaststroke as well. She placed 12th in the prelims (1:09.36).

**Continued from Page 41**

then winning the 100 butterfly with a time of 55.24 (more than a half-second ahead of the rest of the field). She entered Saturday's finals knowing she'd be the top seed in both races.

"(Friday) was a huge adrenaline rush," Olsen said. "Going to bed that night all I could think about was swimming today and what would happen. My nerves were going crazy. I had no idea what to expect."

She ended up finishing with two overwhelming championship performances. First, came the 200 freestyle. Olsen led by a half-second at the halfway point with a time of 52.42 seconds, and then crushed the field in the second 100 yards, finishing with a time of 1:48.98, beating Grosse Pointe South's runner-up finisher Oliva Yoo (1:51.13) by a considerable margin.

"That race has always been one of my most nerve wracking races, so today all those nerves came back to me," Olsen said. "I was (wondering) what's going to happen, what am I go-

ing to do. I got up in the ready room, I calmed down and I was like, 'This is it. This is the last day' and I just went for it.

"It's definitely the most painful (event)."

About an hour later, Olsen was competing for her second individual event title (and third of her young prep career) against a familiar foe. Olsen led the first 50 yards of the 100 butterfly finishing in 25.43 seconds and she never lost the lead. She won with a time of 54.62 seconds. Yoo came in second in this event as well with a time of 55.57 seconds. Her performance also earned her a spot on the Michigan Interscholastic Swim Coaches Association's Dream Team.

"It was a lot like the 200 freestyle," Olsen said. "The 100 fly is my favorite event so I'm always super-excited for it. I definitely got up there with the pain a couple of times, but once you get to that third 25 all I can think about is getting to the wall and everything I have to put in the last 25 (to finish). It was exciting."
