2020 Detroit Boat Show makes waves a month early

This year’s dates are Jan. 18-26 at the TCF Center (formerly Cobo Center)

By Sally Rummel

Michigan boaters and fishermen will “get their oars in the water” a month early at the upcoming 62nd annual Detroit Boat Show.

Show dates this year are Saturday, Jan. 18 through Sunday, Jan. 26 at the TCF Center (formerly Cobo Center).

This new date is a full month ahead of the traditional February show, filling the vacancy left when the North American International Auto Show moved its show date from January to June.

More than 100 of Michigan’s top boat dealers and marine businesses will be under one roof for nine days of special pricing, selection and services. Boat manufacturers and dealers will present their latest 2020 model boats, including fishing boats, ski boats, cruisers, pontoons, inflatables, personal watercraft, kayaks, plus antique boats.

Special events will include a live Stingray Encounter, Career Days (Monday through Friday for high school and college students) and the popular Kids Zone, weekends only.

Many local boat dealers will present their latest models at the show or in their showroom during the show dates.

As a local boat dealer, Silver Spray Sports will have all the latest Nautiques on display, plus docks and hoists, pro shop items and a large selection of standup paddleboards.

Action Water Sports in Tyrone Township will fill 15,000 square feet of display space at the show with all MasterCraft boats, representing nearly every model, as well as a Bulmann hydraulic lift.

“Attendees will be able to see the all new X26 that is completely redesigned for 2020,” said owner Mary Rising. “Also, the entire NXT series has been redesigned. This affordable series has not only taken on a look more like the XT series but it also has more standard features including surf profiles. Now, with the push of one button, any MasterCraft boat can be in surf mode.”

The legendary GEN2 Surf System has also been improved, Rising said. Surf tabs have been reshaped for even more customizing of the wave than before.

Those attending the boat show will be able to experience the difference in material and heat absorption of the “Cool Feel” upholstery at an interactive display in the Action Water Sports booth.

“Boaters can have exotic dark interiors that are actually 30 percent cooler than the standard light colored vinyls,” Rising said.

WHY IS IT that the plow trucks follow each other, sometimes three or four in a row? They are plowing and salting sometimes up front. So they are dropping salt from the lead truck and then plowing the salt off the road. Does this make sense or can someone explain it?

I CAN APPRECIATE a few minutes of fireworks on New Year’s Eve. Three hours is excessive. Some of us work early shifts. Please have some respect. That includes you, Argentine Township supervisor.

THE ANNUAL FEDERAL deficit is how much more money the government spends versus what it takes in. For 2020, the deficit is projected to be $1.1 trillion. That is the highest deficit since 2012. Good job, Trump.

IT’S AMUSING TO me just how many people truly don’t understand our constitution and government framework. Impeachment has happened. Removal from office has not. Even if Trump is acquitted by the Senate, he will still be the third impeached president and will always carry that asterisk.

THE MILITARY BUDGET in the U.S. is completely out of control. The fact that you think it is OK is insane. Please stop sending my generation to fight unnecessary wars.

TO THE TRUMP supporters. I laugh all day when people like you post. You are brainwashed and don’t even know it. During the Obama administration, I remember all kinds of help wanted signs. Now we have tariffs that make even buying a bicycle unaffordable.

Freeway Sports Center in Fenton Township offers Detroit Boat Show pricing at their showroom. “All the prices are the same here as they are at the boat show,” said owner Jim Adams, who also serves on the Michigan Boating Industry Association Board of Directors.

He is excited about the early date of the show because it will get fishermen out on the lakes early with new boats, depending on the weather, of course.

C&C Sports in Brighton has exhibited its Sea-Doo line at the Detroit Boat Show for more than 21 years. This year, General Manager Chuck Heil is showing more than a dozen boats, including personal watercraft and the popular Sea-Doo Fish Pro line of boats with an extended platform for fishing.

White’s Landing in Fenton will be introducing a new line, Striper, a Great Lakes fishing boat, at the Detroit Boat Show. “They were a very popular fishing boat in the Great Lakes for many years,” said owner Jonathan Hamel. “The brand was recently purchased by the Polaris boat group, which also owns Bennington Pontoons.”

Watch for the Novi Boat Show coming March 12 to 15 to Suburban Collection Showcase, also with a number of local boat dealers participating.

What NOT to say at a job interview!

“I really need this job.”
Coming across as desperate never makes for a good first impression. Employers want to hire people who are organized and confident in their abilities. Instead of saying that you really need the job, focus on your qualifications and why you’re motivated to work for the company.

“I foresee a scheduling conflict.”
If you’ve got a major trip booked for the near future, now may not be the best time for a job search. If you are hired, instead of asking for time off, simply provide the date you can start and explain that you’re looking to improve and build upon.

(Bleep!) Any foul language or cursing
Foul language has no place in a work situation, so don’t use it during an interview — even if one of your interviewers drops a swear word first.

Weakenesses
Interviewers love to ask job candidates about their weaknesses, because the answers say a lot about applicants’ skills, their ability to overcome difficulties — and their personalities. Although it’s tempting to say you don’t have any weaknesses, that will sound dishonest. It’s also a bad idea to over share about serious past struggles, so focus instead on your skills that you’re looking to improve and build upon.

“Mind if I take this call?”
When you’re in a job interview, your cell phone should be turned off, period. Just glancing down at an incoming text can be a huge turnoff for interviewers. If you can’t keep your eyes off your phone for this important first-impression-making meeting, you’ll probably be distracted by personal business on your phone all during the workday. No employer wants that.

Compiled By Vera Hogan
January and February are the best months of the year to look for long-term, full-time jobs. These are the months most companies receive updated budgets and sales forecasts, and plan their staffing needs accordingly.

This also is a good time of year to remind job seekers of what “not” to say during a job interview — that is, if you want the job.

“Tell me about your company.”
One of the biggest mistakes an interviewee can make is walking into a job interview with no idea why they want to work for the company. Before you head to the interview, investigate the company online and make sure you understand its business, have an idea of what your duties will entail, and know which aspects of your personality and experience make you a perfect fit.

“My last job/boss was the worst.”
Complaining about a previous job, boss or company is unprofessional and makes potential employers wonder what you’d say about their company if things don’t work out. Simply stick to saying you think the new position will be an exciting opportunity to grow your skills, or that it’s more closely aligned with your long-term interests.

“Sorry, I’m late.”
Unless you’re held up by an incident worthy of making the local news, you might as well not even show up to most job interviews if you’re running late. Make sure you leave incredibly early to interview for a job you seriously want to land.

““I have another offer on the table.”
Contrary to popular opinion, dropping this one will not make you look more in demand. What you’re really telling the people you’re interviewing with is that their job is a fallback option and you’re not all that enthusiastic about it.

Fenton’s Keiser earns Runner of the Year honors

By David Troppens

There has never been a four-time All-State cross country runner in Fenton High School history.
At least that was the case until November.
Fenton’s Alexa Keiser became the first four-time All-State competitor, placing eighth at the Division 1 state meet held at Michigan International Speedway.
That was just one reason why she’s not only our Tri-County Female Runner of the Year for the fourth straight year, but also this year’s Tri-County Runner of the Year.
Linden’s Tyler Buchanan is our Male Runner of the Year.
Keiser’s cross country resume is beyond impressive. She’s the only runner to ever win all 12 Metro League jamboree races during their careers. She helped lead the team to the D1 state meet all four years and was a regional champion this season.
“Alexa’s accomplishments are incredible,” Fenton assistant coach Chris Root said. “We had a chance at the end,” Root said. “We missed too many shots in the game. It was kind of a different kind of game. Both teams had a couple of big dryspells offensively. I’m not sure if the long layoff affected them and us, but I think it affected us.”
The positives of playing in a winter break game involves keeping the team together and keeping some of the mindset on basketball. Of course, the issue can be the vacation itself as well — the holidays make it easy for people to not keep their minds on the program as much as hoped.
“I like playing in them because it’s easy for people to not keep their minds on the program as much as hoped.

Holly’s Hogan leads our volleyball squad

By David Troppens

Kennedy Hogan and the Holly varsity volleyball team had a few goals this fall.
One of the big ones involved the banner that is hanging in Holly’s gym for each varsity sport played at the school.
“One of our biggest goals of the year was to win the Flint Metro League and we tied Flushing for it,” Holly’s junior middle hitter said. “We were happy with that. Flushing was a tough team to beat. The first time we lost to them but we came back and beat them the second time in three (sets). That was the first time the banner was taken down in 25 years (to add another championship season to it). It was definitely one of our biggest goals.”
It was an outstanding season to be on the Holly varsity volleyball team. The Bronchos not only won a share of the Metro League Stripes Division, but they beat Fenton twice in league play and three times overall during the season. The Bronchos won 32 matches, finishing just one victory short of the school record. That success has followed a large group of players that have been together ever since they played on Holly Academy’s volleyball squad. The Bronchos were a strong team, with four players earning either first- or second-team All-Conference honors. Hogan and Nicole Jewell were first-team picks while Paige Weeder and Sarah Jewell took home second-team honors.
But while the squad has plenty of talented players, only one can earn our top honor — our 2019 Tri-County Volleyball Player of the Year. Hogan is our worthy winner.
Hogan would rather look at the squad than herself.
“We’ve all played together since we were little,” Hogan said. “We’ve all played in varsity volleyball games and we really started playing together ever since we played on Holly Academy’s volleyball squad. The Bronchos were a strong team, with four players earning either first- or second-team All-Conference honors. Hogan and Nicole Jewell were first-team picks while Paige Weeder and Sarah Jewell took home second-team honors.

**DEVILS CAPTURE VICTORY VS. MARYSVILLE**

**By David Troppens**

The Lake Fenton varsity girls basketball team ended 2019 with a big positive.

The Blue Devils competed in SC4 Holiday Basketball Showcase in Port Huron, defeating Marysville 64-48.

Lake Fenton has competed at the SC4 tournament (SC4 stands for St. Clair Community College), for a few years.

“I love our trip to SC4,” Lake Fenton varsity girls basketball coach Brian VanBuren said. “(James) Whymer does a great job with it and we are glad to have been a part of it.”

Lake Fenton used defensive pressure which helped create balanced scoring. The Blue Devils (4-2) led 32-27 at halftime, but blew the game open during a 19-6 third-quarter run.

“We were able to step up and defend better,” VanBuren said. “We talked about a couple of adjustments from the first half and we were able to get right into those changes as soon as we began the second half. And (Morgan) Furey got going. She went 5-for-5 from the free-throw line and scored 10 points (during the quarter). It took us to another level for real.”

Leading 51-33 after the third quarter, the Blue Devils were able to hold their lead and get the victory. Kerrigan Howdeshell, Christina Lamb and Katelyn Siebert each scored four points in the fourth quarter.

The Blue Devils saw themselves in a competitive battle during the first half. Siebert scored 10 points in the first quarter as Lake Fenton’s Katelyn Siebert attempts a shot during a recent Blue Devils’ contest. Lake Fenton defeated Marysville 64-48 during the SC4 Holiday Basketball Showcase during winter break. Times file photo

Lake Fenton’s defense forced 10 turnovers and created seven steals. The Blue Devils led 17-15 after one quarter.

“We weren’t able to capitalize as we would have wanted,” VanBuren said. “(Morgan) Furey picked up two fouls in the quarter. We also turned it over four times ourselves and sent them to the line 10 times.”

The Blue Devils were able to add to their lead with a 15-12 edge in the second quarter. Aubrey Fray led Lake Fenton with five points during the quarter.

Siebert led the Blue Devils with 17 points while Furey had 13 points. Howdeshell chipped in 12 points while Fray had 10 points.

The Blue Devils return to action Tuesday when they host Linden. Lake Fenton travels to Owosso on Jan. 10.

“I cannot wait,” VanBuren said. “We share the same backyard.”

and we all like to work hard together,” Hogan said. “We have brought that into the high school team. ... We have good talent but a lot of it has to do that we know each other and how we play together. We’ve known each other since the sixth grade. We have talent but we beat teams we shouldn’t beat because of that chemistry and it’s an amazing feeling. It’s one of the reasons why I play the sport.”

“It’s been a pleasure to see her grow as a volleyball player,” Holly varsity volleyball coach Deena Maher said. “I met her when she was an eighth-grader and she wanted to be the best volleyball player should could possibly be, and it’s great to see her take the challenges that have been presented to her.

“She wanted to take on everything at once and wanted to learn everything at once. She took it all like a sponge. She’s ready to go take on any challenge.”

Individually, Hogan had an outstanding season. She led the team with 253 kills, recording a 44.7 kill percentage and a 29.5 hit percentage. While she led the team in kills by more than 30, she was only fourth in hitting errors with just 86.

She also is a force at the net with her blocking. She led the team with 16 solo blocks and 76 assisted blocks, for a total of 92 stops. She didn’t play in the back row frequently, but still found time to get four aces on 43 service chances, scoring 22 service points.

“Kennedy has the best attitude,” Maher said. “There is no negativity about her. She’s an incredible teammate wanting to learn and willing to push herself while bringing her teammates with her. If something needs to be learned as a team, she’ll be the one to learn it first and bring everyone along with her. She has such a team mentality and is a wonderful person.”

Hogan loves her time with her teammates and thinks their bond is the reason for their success.

“I love the team aspect of the sport. I love my team so much and they continue to amaze me every single day,” Hogan said.

cross country coach and girls coach Sue Larsen said. “I think most importantly, even with all she’s accomplished, she is just a nice kid and fun-loving girl. She loves her team, loves her coaches and just loves the purity of running. I’m going to miss her next year. She is a one-of-a-kind. There will never be another Alexa Keiser who steps through the doors of Fenton High School. I am so appreciative to have had the opportunity to be a part of this journey with her.”

During her state race, Keiser began with a time of 5:59 during the first mile. She moved up in the second mile, finishing it in 11:52. By the end of the third mile she was within the top 10, eventually finishing seventh.

“I am extremely happy about my finish this year at state,” Keiser said. “I accomplished exactly what I wanted to do.”

Buchanan finished his season placing sixth in the D2 boys race with a time of 15:57.3, helping the boys place 11th as a team.

it gives us something to focus on during the break as opposed to having just a long layoff,” Root said. “Everyone’s got things going on with their family and we are trying to walk that line — giving guys time off but not too much.”

The Eagles (3-1) had a strange shooting night, making just one three-pointer the entire contest. Of course, that’s very atypical for the typically strong perimeter shooting squad.

“We have to make sure offensively we are moving the ball and not falling in love with the three,” Root said. “It’s a strength of ours, but we haven’t shot it all that great so far. We have to find other ways to score.

“We made one on Saturday and it wasn’t like they were all bad looks either. It was one of those nights. It was hard for us to get in a rhythm and we just missed some wide open shots.”

Blake Lund led the Eagles with 13 points while Eli Beil had 12 points. Reichen Lund chipped in 10 points while Seeger DeGayner had seven points. Brenden Miller had six points.

The Linden Eagles return to action Tuesday when they host Lake Fenton.
