Non-competitive ‘fun runs’ offer an excuse to get moving this winter

By Tim Jagielo

To get ready for spring fun runs, just start walking now.

This is the advice of Fenton High School cross country coach Sue Larsen. “Many of the fun runs are in the warmer months,” she said. “If you have never participated in one, the winter is a great time to start to prepare/train.”

She adds that indoor walking equipment might be safer depending on the road conditions, and of course, consult your doctor.

A “fun run” is a road race that is timed, but less competitive than say, The Crim Festival of Races. If you go to runmichigan.com, you can view a calendar of races. There’s a Paczki Run in Hamtramck on Saturday, and a Mardi Gras race on March 7 in Reese, for example.

Runs often support a cause such as the Runway 5K benefitting Wings of Mercy, or the World Vision 6K for access to drinking water in third world countries.

Of course, Larsen is competitive, but she adds that it can be fun to just jump into an organized race without the pressure to compete. Really, there’s no pressure to even run if you’re unable.

Either way, the benefits are substantial for running or walking in an organized fun race. “First of all, you are getting a great cardiac workout and getting outside in the fresh air,” Larsen said. “It is a positive environment that is supportive and motivating. It is also a great place to socialize and meet new people.” She said that fun runs also are a great way to work toward fitness goals in a social setting.

**There’s an Herb for That**

Compiled By Vera Hogan

There’s still snow on the ground, but there is nothing stopping us from starting our indoor herb gardens. The following are the most popular herbs, easily grown inside and used by cooks to make a host of delicious meals.

<table>
<thead>
<tr>
<th>HERB</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Basil</strong></td>
<td>Basil’s fresh taste is wonderful with tomatoes, served with slices in a summer salad or added to a sauce for depth of flavor. Basil also works well in cocktails, squash, lamb, fish, eggs, cheese, potatoes, and pasta dishes.</td>
</tr>
<tr>
<td><strong>Parsley</strong></td>
<td>One of the most popular herbs in cooking, parsley can be used in salads, combined with basil to make pesto, and used in soups, stews and fish dishes. Curly parsley, with its decorative curled leaves, is often used as a garnish to dishes.</td>
</tr>
<tr>
<td><strong>Thyme</strong></td>
<td>Thyme is a more subtle herb, which, like basil, can work just as well in a cocktail as it does in a soup or mashed potatoes. Also use it in stuffing, beef, pork dishes, eggs, cheese, bean and vegetable soups and fish.</td>
</tr>
<tr>
<td><strong>Cilantro</strong> (coriander)</td>
<td>Bright and fresh cilantro is always great to have on hand. You can also add the herb to pesto for a kick, or go all out with salsa recipes and a host of Mexican dishes.</td>
</tr>
<tr>
<td><strong>Dill</strong></td>
<td>Dill is a seriously underrated herb. The pickle-esque flavor is a tried-and-true pairing with fish, sour cream and cottage cheese, potatoes, fish, vegetable salads, pickles, tomatoes.</td>
</tr>
<tr>
<td><strong>Chives</strong></td>
<td>A hardy perennial and especially easy to grow, the entire chive plant is edible. Its flowers can be used as garnishes, and the bulb and leaves also can be eaten. With their light onion flavor, chives can be used in all sorts of dishes, from the classic potato salad, to soups and omelets.</td>
</tr>
<tr>
<td><strong>Sage</strong></td>
<td>Sage is fragrant and woody, especially well-suited for comforting fall dishes. Sage is a delicious complement to stuffing (think Thanksgiving turkey), pork roast, sausage, poultry and hamburgers.</td>
</tr>
<tr>
<td><strong>Rosemary</strong></td>
<td>Pair rosemary with roast meats such as lamb and chicken, and use it to flavor poultry stuffing, potatoes, cauliflower and fish stuffings.</td>
</tr>
<tr>
<td><strong>Oregano</strong></td>
<td>Oregano is often used for Italian and Greek-style dishes. It also makes an excellent seasoning for egg dishes, meats, poultry, legumes, and breads.</td>

Bronchos post strong offensive game vs. WOLL, 68-42

By David Troppens

Waterford Our Lady of the Lakes (WOLL) wanted to force the Holly varsity boys basketball team to perimeter shots on Tuesday night.

The game plan worked for the Holly Bronchos pretty well.

Holly hit seven first-half three-pointers helping set up a 68-42 non-league victory.

The Bronchos opened the game with a Danny Mathews three-pointer against WOLL’s 1-3-1 zone defense. That was followed by a Ben Wilson three-pointer, and from there the Bronchos were hot. Holly (8-9) led 22-12 after one quarter and led 37-28 at halftime.

In the second half, the Bronchos’ offense remained reasonably hot while the team’s defense also stiffened. Holly outscored WOLL 14-7 in the third quarter, cruising to a 51-35 lead entering the fourth quarter. Holly’s defense held the Lady Blue Devils to just seven points.

Holly’s Daniel Mathews scored 22 points in the Bronchos’ win versus Waterford Our Lady of the Lakes.

Holly, Linden fall in team regional at Goodrich

By David Troppens

Goodrich — It was a team regional wrestling meet that it appeared all four squads had a reasonable chance to earn the crown.

All four teams at the event had their moments at the Goodrich Division 2 team regional, but Croswell-Lexington was a tad better than all three, earning the regional crown.

In the process, Croswell-Lexington defeated both tri-county team district champions — first Linden in the semifinals and then Holly in the championship match — to earn the title.

Linden won six of the 14 bouts but lost a 43-30 verdict to the Pioneers while the Bronchos edged Goodrich 37-33 in the other semifinal contest. In the title match Holly won four of the first eight bouts, but Croswell-Lexington won the next two matches en route to the 49-21 victory against the Bronchos.

“I’m proud of the fight, but I’m not happy with the result,” Holly’s first-year varsity wrestling coach Zachary Wood said. “But I love this team. I don’t have any bad things to say about anyone on the team.

“Our goal is the same (as when ex-Holly varsity wrestling coach Don Pluta coached), it’s the standard. Our goal all year was making it to team states. We have to reassess right now and focus on our individu-See REGIONAL on 30

Tigers win fourth of five games, beat Davison, 71-58

By David Troppens

The Fenton varsity boys basketball team is on a little bit of a hotstreak.

The Tigers won their fourth out of five games, defeating the Davison Cardinals 71-58 Tuesday night at home.

“After the game was over it just seemed we played a better game,” Fenton varsity boys basketball coach Chad Logan said. “We just did everything a little better. We handled the ball over, took better shots and just played better.”

The teams were tied 15-15 after one See TIGERS on 29

Eagles capture fifth win of the season, beat Durand

By David Troppens

The Linden varsity girls basketball team has definitely shown growth since February started.

The Eagles won their third game of five contests by defeating Durand 47-34 Monday night.

Under first-year head coach Zack Darling the Eagles opened the season with a 2-10 record. However, since then the squad has steadily improved. The Eagles defeated Brandon 37-33 on Feb. 4 and a week later defeated Clio 35-25. After a respectable 47-36 road loss to Swartz Creek on Feb. 14, the Eagles posted their most impressive victory (based on scoring differential) of the season on Monday.

“It was kind of a trap game with the strange situation of no school, playing on a Monday and the second game vs. crosstown rival Fenton looming on Friday,” Darling said. “We definitely seemed off and felt the oddity of the game, but they didn’t let it get the better of them.”

Paige Leedle had a strong game, netting a team-high 18 points, three rebounds, two steals and one assist. Alexis Parker had 11 points, six steals, four rebounds and three assists while Kelsey McLennan had nine points, 10 rebounds, three steals, two blocks and two assists. Jordan Peterson chipped in four points.

LFLF gymnasts capture victories vs. recent opponents

By David Troppens

The LFLF gymnastics team has been busy lately. The squad has been successful as well.

The LFLF gymnastics team defeated Vassar on Feb. 14 and also beat Tecumseh/Port Huron on Monday.

In the 135.325-124.825 victory against Tecumseh/Port Huron, Apryl Smith led the LFLF team. She posted a 9.325 score on the floor and also posted a team qualifying score in all four events. Lauren Hayden recorded a 9.15 on the floor and also posted a team score in all four events while Avery Miller posted a qualifying score on the floor and vault.

Emily Allor had a team-qualifying score on the vault, the bars and the beam while Temorwski earned a team-qualifying score on the bars and beam. Grace Cross had a counting score on the floor.

Blue Devils compete with state-ranked Goodrich, 69-55

By David Troppens

The Lake Fenton varsity boys basketball team gave state-ranked Goodrich a pretty good battle Tuesday night.

Lake Fenton trailed the Martians (16-1) just 25-24 at halftime and were still within four points at the end of three quarters, before eventually losing a 69-55 Metro League Stars Division road contest.

“We battled them pretty hard,” Lake Fenton varsity boys basketball coach Josh Fox said.

“Things are starting to click for some of our players. Goodrich is a really good team and their two big players made some plays. We were extremely proud of our guys.”

The Blue Devils’ offense was pretty consistent during the contest.

Fenton — Jake Kennedy and Anthony Barnett have had a great senior season with the Fenton varsity boys swim team.

During their senior season, the Tigers have won the county meet and have earned a dual victory at Grand Blanc High School for the first time in school history. Indeed it’s been a great season already.

“We haven’t ever won county, and Grand Blanc has been champion for 19 years so it was nice to them what we have this year,” Kennedy said. “Also, Fenton has never gone to and won a meet at Grand Blanc and we won two Tuesdays ago by beating them 114-66, so that was pretty convincing. It’s something that is nice to have during our last season.”

“I feel really good about this season,” Barnett said. “Overall the team has stepped up, especially considering all of the great seniors we lost last year. I’m pretty proud of this season.”

The Tigers continued their impressive season with a 141-39 dual meet victory at home against the Holly Bronchos Tuesday night.

The Tigers were fresh off a pretty strong performance at the MISCA meet and dominated on Tuesday, winning all 12 events while also sweeping the top three positions in two of the individual events.

Kaz Sieja and Joel Diccion each had two individual wins. Sieja won the 200 freestyle (1:59.99) and the 100 freestyle (56.40) while Diccion won the 200 individual medley (2:15.04) and the 500 freestyle (5:20.42). Diccion also was a member of two winning relays. He teamed with Jack Fries, Kennedy and Justin Miller to win the 200 medley relay (2:02.69) while Gavin Crews, Jacob Shannah, Alec Maddock and Diccion won the 400 freestyle relay (3:49.74). Sieja also teamed with Evan Koch, Shannah and Kennedy to win the 200 freestyle relay (1:43.10).

The other individual event winners for Fenton were: Crews in the 100 breaststroke (1:11.64), Koch in the 50 freestyle (25.50), Justin Miller in diving (162.05), Max Haney in the 100 butterfly (1:00.04) and Maddock in the 100 backstroke (1:04.22).

Fenton took seven of the nine individual seconds as well. They were earned by Justin Melchor in the 200 freestyle (2:00.51), Crews in the 200 individual medley (2:19.20), Lucas Shampo in diving (137.75), Haney in the 100 breaststroke (1:11.77), Jack Fries in the 100 butterfly (1:07.98), Barnett in the 500 freestyle (5:47.22), and Braden Falvo in the 100 backstroke (1:07.83).

“I like the camaraderie of our team,” Kennedy said. “One of the best things about this team is how well we get along. We all get together outside of school regularly and go out to eat. It’s a good team atmosphere. To my knowledge any team in this school or any school has this. We all get along. That’s the way to make a team work.”

“Our hard work practices help us bond with our teammates and doing fun stuff together,” Barnett said.

The Bronchos were without a full squad.

“We came into the season with a bit smaller team than we’ve had the last few years,” Holly varsity swim coach Kurtis Knight said. “We have 12 kids right now and tonight we only had nine. We had three with the flu and that didn’t help us at all. There’s not much...

Bronchos defense held WOLL to just seven more points in the fourth quarter. WOLL made just three field goals in the entire second half.

“We rotated the defensive personnel on the Lakers’ sharp-shooting duo... and were able to hold the Lakers to just one made basket in the third quarter and two in the fourth quarter,” Holly varsity boys basketball coach Steven Dehart said.

Dehart rotated Vaughn Peters, Alec Lewis, Ben Wilson, Andre Simmons and Mathews among WOLL’s top offensive players. Dylan Hignite also had a strong second half, blocking four shots.

Mathews led Holly’s offense with 22 points while Hignite finished with 11 points, with nine of those coming in the second half. Ryan Ortiz hit two second-half treys and finished with 11 points. Wilson had seven points while Peters and Hunter Jackson netted six points each. Hignite led the Bronchos with nine rebounds. The 68 points represents the most points the Bronchos have scored in a game all season long.

quarter and the Tigers trailed 31-26 at halftime.

“Both teams played well in the first half,” Logan said. “They made four threes in the first quarter and we made three. They stretched it out in the second quarter by making nine free throws. But it was a relatively even first half. We had some fouls and they took advantage.”

In the second half, the Tigers’ offense remained strong, but the team’s defense was just as strong. Fenton won the second half 45-27.

“We were efficient offensively, but we were really dialed in defensively,” Logan said. “We made them work for everything. And on defense we made our free throws. Alec Kussro made 8-of-10 free throws and salted the game away the last couple of minutes.”

Kussro had a big game, collecting a career-best 19 points. He hit 13-of-16 free throws. Addison McIntosh also continued his recent run of strong performances, netting a team-high 27 points.

However, the Pioneers won by pinfall at 285 and by decision at 103, taking a 33-21 lead. Holly forfeited three of the final four bouts, as Croswell-Lexington earned the win.

Pros and cons to pet doors

Pets quickly take up residence in their owners’ homes and hearts. Many pet parents treat their pets as full-fledged members of the family, with the same privileges and attention they devote to other family members.

A 2016 Harris Poll found 95 percent of Americans consider their pets to be part of the family, and there is not much they won’t do for their companion animals. One area where pet owners may focus their attention is giving their pets more freedom to explore the outdoors. This can be achieved with the installation of a pet door.

With busy schedules taking many pet parents away from home, pets may spend many hours alone. An outdoor retreat could be just what the veterinarian ordered for pets who need more fresh air. Before pet owners install doors for their four-legged friends, it may behoove them to consider the advantages and disadvantages to doing so.

**PROS**

Pet doors can be very convenient for pet owners and pets. Unencumbered bathroom breaks is one of the prime reasons to get a pet door. Not having to wake up early in the morning or rush home from work to let out a pup can give pet owners more freedom. Cat owners may choose to have their cats soil outdoors, removing the hassle and odor of indoor litter boxes.

A pet door provides a way for pets to regulate when they need to go and not be at the mercy of their human companions. This is handy when training a puppy who cannot hold his bladder for more than a few hours.

Avoiding indoor accidents can be a great reason to install a pet door.

Pets need exercise and stimulation to alleviate boredom and avoid destructive behaviors. Access to the outdoors promotes physical activity and mental stimulation. Cats may chase bugs or small animals. Dogs may run around the yard and play with a ball or stick. Easy access to outdoor play can take some of the burden off of busy pet owners.

**CONS**

As convenient as pet doors can be, they may disconnect pet owners from their pets. People may feel they don’t need to spend the time in the yard or walking the animal, and that can adversely affect the bonds between pet owner and pet.

Another potential disadvantage concerns alpha-driven pets. Giving pets control over theircomings and goings may reinforce ego and potentially cause the animal to be less responsive to his owner’s commands.

Safety is another concern. Although there are smart doors that can only open when triggered by a chip on the pet’s collar, one never knows what pets may bring indoors. Cats may present dead rodents and dogs may dirty the house with muddy paws.

Weather is another concern. In colder climates, pet doors may be another source of drafts, contributing to inefficient heating and cooling situations.

Dogs or cats who are prone to roaming could get into trouble if left to their own devices outside.

Pet owners should consider a host of factors before installing pet doors in their homes.
