# A trail — *and bicycle* — for everyone

■ Pedaling 'Pure Michigan' and beyond brings families together in fun activity

By Sharon Stone

There are more than 1,300 miles of biking trails in Michigan to explore. Add another two miles to that opportunity when the Argentine Township portion of the LAFF (Linden, Argentine Township, Fenton Township, Fenton) pathway is completed.

Bicycling has become increasingly popular in Michigan, especially these past few months, when families were seeking safe outdoor activities during the COVID-19 pandemic and subsequent shutdowns.

There is reportedly a shortage of new recreational bicycles in northern Michigan, based on residents hoping to buy one while vacationing north of here. It's best to call retailers directly and check out their websites for availability.

Detroit Bikes, with a manufacturing

Ed and Julie Furmanczyk of Tyrone Township and their daughter, Jessica Urban and husband Brian, like to go on bike adventures throughout Michigan as well as on vacation, including Grand Cayman. Submitted photo

plant in Detroit, said it is currently out of stock of some models.

The lure of bicycling is highlighted through the Pure Michigan initiative. Whether recreational or mountain biking, Michigan has a trail for every cyclist's interest and comfort level, according to Michigan.org/biking.

Michigan offers more rail trails than any other state and is home to the International Mountain Biking Association Silver Level Ride Center in Copper Harbor.

### Bike Mackinac Island

For many families, visiting Mackinac Island is an annual trip and taking a ride around the island is a great activity.

The eight-mile bike ride around the island is a one-of-a-kind experience, and not just because your trek is on the state's only official highway that doesn't allow cars. Rent a single or tandem from one of the many outfitters or bring your own. There are plenty of inner island trails for fat tire enthusiasts, too.

# BICYCLE

Continued from Page 21

## Bicycling burns calories

According to Harvard University, biking at a moderate speed of 12 to 13.9 miles per hour will cause a 155-pound person to burn 298 calories in 30 minutes. At a faster rate of 14 to 15.9 miles per hour, a person of the same weight will burn 372 calories.

## Find the right bicycle for you

Bikes are divided into four broad

categories, including road, mountain, gravel and city. Within each, you'll find all kinds of options and every price.

For 2020, bicycling.com rated the Canyon Roadlite 7.0 as one of the best "road" bikes. It's priced at \$999.

They highly rated the "city" BENNO eJOY, priced at \$3,400. Their review said, "There's something about the eJoy 9D that makes you want to take care of it like a new pet."

For "mountain bikes," one of their top rated bicycles is the Kona Mahuna, priced at \$999.

A bit pricier is the Salsa Warroad Carbon Apex, priced at \$4,399. This is for "gravel" terrain.

The nostalgic Schwinn bicycles have been around since 1895 and were started by Ignaz Schwinn and Adolf Arnold. They set up their own bicycle factory and produced "World Bicycles," the official trade name for early Schwinn bicycles.

Schwinn still carries a variety of road, mountain, cruisers, hybrid and commuter bicycles.

One local family, Ed and Julie Furmanczyk of Tyrone

Township and their daughter, Jessica Urban and her husband, Brian of Lake Orion, go on bicycle adventures often.

Julie said that she and Ed have specialized mountain bikes and Ed also has a fat tire bike.

"It gets you outside in the fresh air and it's an awesome way to explore the outdoors," Julie said. "We enjoy it locally and we work it into our vacations, like Grand Cayman, Copper Harbor, Sedona and more. It's always an adventure."

The family also enjoys riding the Paint Creek Trail from Lake Orion to Rochester Hills, catching lunch along the way.

Bicycles are classified by the type of terrain they are best for, such as city streets, open road, mountain or gravel.

## Margaret Rita Reid

1950 – 2020

Margaret Rita Reid - age 69, passed away peacefully with her loving family by her side on Saturday, December 21, 2019 at home. She was born on December 4, 1950 in Detroit, Michigan to the late William Joseph Stairs & Marianna Justine (Luther) Stairs. Peggie was a hardworking woman with a heart of gold. Upon her well deserved retirement, Peggie became an avid gardener and was active in the Red Hat Society. Above all else, Peggie loved to cook and spend time with her friends and family. She will be dearly missed. Left to cherish Peggie's memory are her beloved husband of 47 years, Mr. James Ernest Reid of Murrells Inlet; their children, Michael Reid and his wife, Dawn of MI & Kimberly Bruno of MI; her adoring grandchildren,

## FUNERAL ETIQUETTE

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.
