# Coping with the pandemic while returning to campus

## ■ Items to include in college students' quarantine bags

By Sharon Stone

Millions of parents dropped their children off on college campuses for the start of a new school year in August. While that might not stand out in a normal year, 2020 has proven to be anything but normal.

Many colleges and universities grappled with how to approach the 2020-21 academic year as the world continued to battle the COVID-19 pandemic. Some schools chose to offer only remote learning and keep kids off campus entirely, while others offered in person classes and welcomed students back to campus.

Still, others created hybrid learning plans that combined remote learning with in person sessions.

Regardless of which option schools ultimately chose, it's fair to say that many recognized the potential that the pandemic could once again upset the academic apple cart after the semester began, forcing students and educators to adjust to fully remote learning in much the same way they did back in March.

In addition to that potential outcome, students who returned to campus must be prepared to enter

quarantine if they or a friend, classmate or roommate tests positive for COVID-19. In anticipation of that, it pays for students to prepare quarantine bags in case they need to isolate themselves at any point during the semester.

### Clothing

Few college students have exclusive access to washers and dryers in their dorm rooms or apartments. Shared laundry rooms will likely be off limits while students are under quarantine, so make sure to pack enough clothing to get through two weeks of isolation. Take inventory of your supply of pajamas, underwear and socks and purchase more if necessary.

### Food and cooking supplies

College students accustomed to eating their meals at the dining hall food may need to prepare their own meals while in quarantine. Stock up on nonperishable items, such as pasta, soup, rice, and cereal, that can be stored in your room for long periods of time without expiring. Bottled water can help you stay hydrated should you feel ill, while decaffeinated tea can help you stay warm should you feel chills. Bring along a mini refrigerator, a toaster or toaster oven, a teakettle, some pots and pans, bowls and plates, and utensils as well.

### Lake Fenton cross country teams finish second at first meet of season

By David Troppens

With the COVID-19 pandemic still heavily impacting real life, any sort of athletic team competing should be looked upon as a great success this fall.

Lake Fenton's varsity cross country teams did more than compete in their first meet of the season. Both genders placed second at the Evan Gardner (Durand) Invitational Aug. 21 at Durand Middle School.

The Lake Fenton boys cross country team came within one point of first-place Webberville, scoring 42 points compared to Webberville's

41 points. Not far behind the top two was Metro League foe Goodrich with 44 points. The other three squads (Swartz Creek, Brandon and Morrice) finished well behind the top three. In the girls' race, Lake Fenton finished with 63 points, 36 points behind first-place Goodrich. Brandon finished third with 72 points. The other three teams at the meet finished with at least 106 team points.

"Both teams ran well," varsity cross country coach Christopher Sobczak said. "By the time the girls' race started the temperatures started to go up

so that slowed the entire field down some. The boys had the advantage of cooler temps and it showed."

Lake Fenton's Joseph Gilbert began his senior season with an invitational title, beating the 61-boy field with a 5K time of 16:12.11, more than 20 seconds better than Webberville's second-place finisher Nathan Lott. The Blue Devils had their top-five boys scorers finish within the top 16. Senior Kevin Lewis placed fifth (17:13.65) while freshman Nolan Pinion placed ninth (18:08.51). Juniors Matt

The Lake Fenton varsity cross country programs understand that masks are going to be a part of their fall season. Both squads finished second at their first event, the Evan Gardner Invitational.

Fletcher and Nick Learman finished 14th (18:50.78) and 16th (19:34.18), respectively. Freshman Brady Smith

(20:10.74) and junior Jamison Chenett (20:47.40) placed 25th and 32nd, respectively, See **SECOND** on 19

# '84 Tigers started extending their AL East lead in late August

Editor's note: The Major League Baseball season has started, but the sports staff is going to continue to remember the 1984 season within our publication. Enjoy.

By David Troppens

The 1984 Detroit Tigers didn't have many awful memories during the season.

However, there was one notable exception — that were the games at Seattle's Kingdome.

After Detroit started the season with an all-time record 35-5 start, the Tigers traveled to Seattle and lost three straight games in the Kingdome by combined 22-9 score.

On Aug. 28, the Tigers were ready to make their second, and final, trip to the Kingdome for a three-game series against the lowly Mariners.

Once again, the Tigers were playing strong baseball when they got to Seattle. The Tigers were 9-2 in their last 11 games, and in first place by what was seemingly an insurmountable 12 games ahead of second-place Toronto.

During the first game of the series it looked like the Tigers were prepared to erase the terrible memories of May, earning a come-from-behind 5-4 victory against the Mariners. Detroit trailed 4-1 until Ruppert Jones's three-run home run in the top of the eighth inning. Jones was replacing Chet Lemon who would miss many games due to dizziness created by a head injury earlier during the road trip. In the ninth, Jones also provided the game-winning RBI-double. However, that's all the magic Detroit would have during this three-game series.

In the second game of the series, Seattle starter Mark Langston pitched a two-hitter as the Mariners earned a 5-1 victory. The series ended with another loss on Aug. 30. Jack Morris pitched a complete-game four-hitter, but Seattle starter Jim Beattie was just as strong, tossing eight shutout innings. Seattle broke a scoreless tie in the bottom of the eighth by scoring two runs on two Tigers' errors on the same bunt. Detroit scored a run in the top of the ninth, but ended up drop-

ping a 2-1 verdict. The Tigers had lost another series at Seattle, and finished the season with a 1-5 record at Seattle.

The losses dropped the Tigers' lead against the Toronto Blue Jays to 10 1/2 games with a three-game road trip to Oakland coming up. The Tigers continued to struggle, losing two of three to the Athletics.

The Tigers led 4-1 early in the first game of the series but ended up losing a 7-6 verdict in the 13-inning game. The game-winning run was scored on a Dave Rozema wild pitch. The second game of the series wasn't much better, as the Athletics won a 7-5 contest. Oakland scored six runs in the bottom of the first inning against Tigers' starter Juan Berenguer.

The trip back to Detroit for three games against the Baltimore Orioles didn't change the Tigers' recent fortunes. On Labor Day, 36,797 fans at Tiger Stadium saw Detroit lose a 7-4 game against the Orioles. A four-run eighth against Detroit starter Jack Morris set up the loss. On Tuesday, the Tigers lost another game, dropping a 4-1 verdict to the Orioles.

# Fenton golfers remain hot, defeat Swartz Creek Dragons in first dual meet

With a strong third-place tournament finish already in their back pocket, the Fenton varsity girls golf team began its Metro League dual meet season in impressive fashion against Swartz Creek at Holiday Meadows Golf Course.

The Tigers won due to the fact the Dragons didn't have enough golfers to create a team score, but the Tigers still had the six best scores of the nine competitors at the meet.

Brook Herbstreit, who had a strong summer season, remains hot. She was the medalist with a nine-hole score of 39. Her biggest competition was teammate Elise Roberts who shot a 42. The Tigers had three more golfers shoot a 45 or better. Katelyn Burkett shot a 43 while Victoria Carnell shot a 44. Olivia Herbert carded a 45. Jilian Roberts was Fenton's final scorer, shooting a 52.

# Linden starts golf season with a victory

Linden's varsity girls golf team lost a heartbreaking contest in its first Flint Metro League dual of the season.

The Eagles lost due to the fifth score between Goodrich at Spring Meadows Country Club. The teams were tied 192-192 after the top four golfers for

each team, meaning the fifth scores matters. Goodrich's Laney Madill shot a 50 compared to Hanna Baldwin's 56.

Linden's Ella LaMothe was the meet's medalist, carding a 42 in the nine-hole competition.

### Medical supplies

Extra masks are a must-have when returning to campus, and they can help students make it through quarantine as well. Masks can be worn when using restrooms, even if students are attending schools that plan to isolate people who test positive in buildings that cannot be accessed by non-infected community members.

In addition to extra masks, make sure you have enough daily hygiene supplies, such as toothpaste, shampoo, body lotion or soap, deodorant, tissues, and disinfectant, to last through quarantine, which is typically no less than two weeks.

### Technology

While in quarantine, students will want to stay connected to the outside world and parents will no doubt want to check in as often as possible to see how their children are faring. A reliable laptop, desktop or tablet can ensure students can chat with family and friends and even stay up-to-date with their schoolwork via the Zoom conferencing app. A backup phone charger also can make sure students stay connected throughout their quarantine period.

Quarantine bags can help students returning to college campuses this fall safely navigate their time in isolation.

### **House Bill 5746: Stockpile for the next epidemic**

Introduced by Rep. John Cherry (D), to appropriate money the State Police would use to maintain a “a stockpile of materials and supplies that will be necessary to respond to a disaster or emergency.” The amount is not specified and would be negotiated if the proposal advances. ### **Senate Concurrent Resolution 25: Demand Governor compile and release coronavirus epidemic statistics:**

Introduced by Sen. Tom Barrett (R), to demand that the governor compile and make available detailed county- and state-level data from the start of 2020 on

overall hospital and intensive care bed occupancy rates; daily beds occupied by verified COVID-19 patients; daily emergency room visits; verified COVID-19 hospitalizations and deaths related to nursing homes and to patients with pre-existing or underlying health conditions, segregated by age, gender, and race; the daily number of ventilators and personal protective equipment available; and the number of medical professionals who have been furloughed or had their hours cut.
