Gyms, fitness centers, pools reopen

■ Closed since mid-March, staff and members adjust to pandemic guidelines

By Sharon Stone

Area gyms, fitness centers and pools were allowed to reopen Wednesday, Sept. 9. This comes after Gov. Gretchen Whitmer signed Executive Order 2020-176 on Thursday, Sept. 3.

In addition to gyms being allowed to open their doors, organized sports were allowed to resume.

Whitmer also signed an executive order that outlines strict workplace safety measures that gyms and pools must follow to protect people from the spread of COVID-19.

Gyms must require wearing of masks at all times, including times of exercise, configure workout stations or implement protocols to enable 6 feet of distance between individuals during exercise sessions, reduce class sizes to enable at least 6 feet of separation between individuals, provide equipment-cleaning products throughout the gym, and more.

Planet Fitness on Owen Road in Fenton reopened Wednesday. Employees

A member of the Planet Fitness in Fenton shares a photo of the gym, which was allowed to reopen Wednesday, Sept. 9. Submitted photo

at the Fenton location have worked hard to welcome guests back and to provide a clean, sanitary and judgment free workout members expect, according to the

gym's Facebook page. Because of the local requirements, they are only able to accommodate 138 members at a time and masks are required for members and

guests at all times.

Members who paid dues in March, when the governor shut the state down, will have those dues credited toward their first monthly bill.

Coreena Storms of Fenton said her gym, Libratum Strength & Conditioning, is an "awesome gym with amazing coaches."

Ed McNulty, who owns Tri County Ninja with his wife Megan, said business is going "OK, but no where near as well as pre-covid."

McNulty said they are starting to see interest return a little bit.

"We were able to host camps and things earlier, but we weren't classified as a gym in the same way as Planet Fitness. Even though we did get under most of the same restrictions. The governor would allow us to have almost 50 people inside based on occupancy guidelines, but we have instituted a self-imposed cap of 10."

To offset their lost revenue, the McNultys are offering some distance learning assistance. "We have staff on hand to help the kids with homework

Holly tennis off to strong start in Flint Metro League action

By David Troppens

Holly — COVID-19 does pose a few issues when it comes to the Holly varsity boys tennis season.

“For one, we have to wear a mask when we get off the court,” senior Garrett Reid said. “We have to try to stay away from

each other and that’s kind of a bummer because we all want to talk to each other. ... But one nice thing is we don’t have to wear a mask when we are playing anymore. It’s great that we have that freedom to be able to take off our mask when we are playing.”

Whatever the issues may be

during a meet, they don’t seem to be stopping the Bronchos. Holly improved to 3-0 in Metro League action on Thursday, defeating Owosso by an easy 8-0 score.

“I feel like we are doing pretty good,” senior Joe Kittle said. “It’s a little weird having to wear masks and almost having to

wear them while playing, but I think we are doing well.

“I like this team because I think a lot of kids have potential over the next couple of years. I am good buddies with everyone on the team. It’s a pretty good team. I love it.”

Tigers open soccer season with impressive 7-0 win vs. Owosso

By David Troppens

Fenton — On Aug. 12, the Fenton varsity boys soccer team started practicing for its 2020 fall season.

But just like so many other fall sports teams, the journey to a first game took much longer than hoped due to the COVID-19 pandemic and the state guidelines preventing play.

First, a game against area rival Linden was canceled, and following that was the cancellation of a few other games. But, on Wednesday, the wait was finally over. The Fenton Tigers were able to begin their season with a home game against Owosso.

And while playing the first

game took nearly a month, it didn't take senior Desmond Coughlin long to give the Tigers their first lead of the season. It took just 34 seconds. Coughlin gave the Tigers an early 1-0 lead and Fenton never lost control of the contest earning a 7-0 win at home in their first Flint Metro League game of the season.

“It was pretty tough because we thought the games were going to start but then we had to wait,” Coughlin said. “We were having fun practicing but we are really glad that the season is starting.”

“It feels great now because we have been working so hard. And coming off such a good season last year we just

want to get out here and play as good as we can and have a good time with our brother-ship.”

The Tigers struck quickly. A pass from Ashton McKellar set up a nice shot to the far-side corner by Coughlin for the first goal of the season.

“It does feel pretty exciting and exhilarating,” Coughlin said about the goal. “We are just ready to get the season going.”

The score remained 1-0 until Andrew Hutchins dished a pass to Calvin Curtis. Curtis dribbled up the field for about five yards before taking the shot and scoring, making it a 2-0 lead. Before the half was

Fenton girls golf team earns two more wins

By David Troppens

The Fenton varsity girls golf team is now more than halfway through the Flint Metro League's dual meet portion of the season, and they remain perfect in league play.

The Tigers improved to 5-0 in Metro action by beating Kearsley and Brandon at Goodrich Country Club on Wednesday. Actually, the Tigers dominated their competition, posting a team score of 169 while Kearsley (241) and Brandon (245) were more than 70 strokes behind the victors.

Brook Herbstreit helped lead the Tigers' domination with a match med-

alist nine-hole score of 39. However, she wasn't the only strong performer as the Tigers had all six of their golfers post scores under 50.

Katelyn Burkett was the meet's next-best golfer, shooting a 42. Meanwhile, Olivia Herbert carded a 43 and Victoria Carnell shot a 45. Fenton's fifth and sixth scorers also had strong days as Jilian Roberts shot a 46 and Elise Roberts carded a 47.

The only other team with an undefeated record in the Flint Metro League is Goodrich. The Tigers host them in a key Metro dual Wednesday.

up, Benjamin Chapple and Zander Fulton also scored, giving the Tigers a 4-0 half-time lead.

The Tigers continued to dominate in the second half, flirting with the eight-goal mercy rule. McKellar scored two second-half goals and Curtis scored another goal in the second half, however, the Tigers were unable to get the eighth goal that would've called the game early. Still, a 7-0 victory was pretty impressive.

"I like most that we were out here having fun and playing good soccer for our first game," Coughlin said. "We had great brother-ship out there today."

The Tigers have a good nucleus of players returning from last year's team that not only shared the Metro League title with Linden and Goodrich, but also advanced to the D2 state semifinals before falling in an over-time game. This season, the Tigers will be competing at the Division I

level in the state tournament.

"We are just trying to go as far as we can, play as long together as we can as a team and stay together," Coughlin said. "We are in D1 in districts this year so it's going to be tougher. We are just going to have to play tougher."

The game was played with every participant wearing a mask due to the pandemic.

LF soccer off to unbeaten start

By David Troppens

A year ago, the Lake Fenton varsity boys soccer team only had 15 players and lacked serious depth.

Consequently, the Blue Devils were able to only win two games and record two draws in 17 contests.

Just two games into this season, things have changed. The Blue Devils not only have more players (22 on the roster) but they also have more talented players within that depth. Many of those players that were on last year's team also have more experience as well. The results? The Blue Devils have a win and a tie in their first two games of the 2020 fall season.

Lake Fenton drew Genesee Christian 1-1 in its first game and then beat Flushing in a Flint Metro League contest 2-0 on Wednesday.

"Both of those teams beat us 3-0 last year," Lake Fenton varsity boys soccer coach Sam Jawhari said. "But I have some really good ninth-graders that came up this year and three are getting a lot of playing time. ... Last year we had 15 players and there weren't

11 key players out there. I hardly knew who to bring in when people got tired. Now we have people coming off the bench and we aren't missing anything."

The Blue Devils looked on the verge of losing its first game of the season against Genesee Christian but showed some mental fortitude, earning the draw. With 57 seconds left, captain Johnny Rubey scored off a free kick, tying the game.

"It was a beautiful kick from about 30 yards out," Jawhari said.

The Charter Township of Fenton is requesting proposals from qualified contractors for snow removal services at Fenton Township facilities. Proposal forms are available at the Fenton Township Office, 12060 Mantawauka Drive, Fenton, Michigan 48430. Proposal forms are also available on Fenton Township's website at www.fentontownship.org.

Sealed proposals must be submitted to Fenton Township no later than 3:00 p.m. Thursday October 1, 2020. Any questions should be directed to the Fenton Township Operations Manager by email at info@fentontownship.org or by phone at (810) 629-1537.

NOTICE OF PUBLIC HEARING Proposed Silver Lake Road Connector Trail M.D.N.R. Grant Application

The Southern Lakes Regional Metropolitan Parks and Recreation Commission (SLPR) is developing a Michigan Department of Natural Resources Trust Fund grant application for the development of the Silver Lake Road Connector Trail. The pathway will be constructed along the south side of Silver Lake Road through the communities of Linden, Fenton and Fenton Township and connects Triangle Park in the City of Linden with Silver Lake Park in the City of Fenton. The proposed pathway benefits the southern lakes area communities by providing alternate transportation, recreational opportunities, and regional connectivity with an overall goal to develop non-motorized connectivity within these southern Genesee County communities and beyond.

SLPR will be holding an informational public hearing on Thursday, September 17th at 6 PM to explain the proposed project and grant application and seek input from the community. Due to COVID restrictions, the public hearing will be held using the Zoom meeting platform. Use the following link to attend the meeting, ask questions and/or show your support:

<https://us02web.zoom.us/j/86805964438?pwd=SGY4UzAwd3U1ZTIEWU54YS9JdmduUT09>

or dial in at (646) 558-8656, using the meeting ID 868 0596 4438 and Pass Code 606872. If you have any questions, please contact Ed Koledo at SLPR by calling (810) 714-2011 or using email at ekoledo@slpr.net.

Just sayin'...

vhogan@tctimes.com

What's 'up' with that

When I was in college many moons ago, my rhetoric classes were among my favorites. The lessons that really stuck with me were the use and misuse of certain words. My professor would say it is awkward to write, "There were over 100,000 people in the crowd." She said using the word "over" instead of "more than" made one immediately look to the sky and ask "over what?"

In the newspaper business, we follow the AP Style guidelines in our writing and in recent years, writing "over" instead of "more than" has become acceptable. I still can't do it.

I take issue with the overuse of another little word — up! My friends and coworkers know that I literally cringe when I hear someone ask, "Did you see the write-up in the paper?" Even though write-up is technically one correct way to refer to a story or an article, it just doesn't sound right to me so I avoid it. I live by the motto, "When in doubt, throw it out."

But every day, I hear or read sentences like, "The restaurant is serving up hamburgers tonight," or "Let's grill up some steaks." Afterwards we need to "clean up the mess." Later, we can "bake up some cookies." I could

list hundreds of examples like this. Like my old professor said, I want to look to the sky and say "up where?" Take out the word "up" — does the sentence work? Of course it does. Again, it is not wrong to use "up" like this, just unnecessary.

I'm wondering if this is a Michigan thing because I don't recall using "up" like I described here when I lived in the Chicago area. I could be wrong but I just don't remember saying things like "Can we meet up at the restaurant?"

Our former features editor, the late Jan Ryneerson, used to say things in what I thought was a strange way and it turns out it really is a Michigan thing. Instead

of saying "We were having cocktails at the hotel (like everyone knows that the Hotel is the Fenton Hotel Tavern & Grille)," she would say, "We were having cocktails 'over to' the hotel."

She said "over to" instead of "at" all the time. When I brought it to her attention, she would simply smile and say that she's right and I'm wrong.

Oh well, maybe I'm too picky about things like this. Maybe I should just get liquored up somewhere and forget about it. Just sayin'!

Nick Rizzo, fitness research director for RunRepeat.com said just 30.98 percent of gym members have returned to their gym, according to a survey involving 5,055 respondents.

The survey showed that Michigan had the least amount of gym members having returned to their gyms since the initial lockdown, with only 10.34 percent returning.

Gym members from Michigan were the third most likely of any state to have already canceled or are considering canceling their memberships (64.66 percent).

GUIDELINES THAT FACILITIES MUST FOLLOW:

- Maintain accurate records, including date and time of entry and exit, names of patrons and contact information, to aid with contact tracing; and deny entry to any visitor who does not provide at a minimum

their name and phone number.

- To the extent feasible, configure workout stations or implement protocols to enable 6 feet of distance between individuals during exercise sessions.
- Indoor class sizes must be reduced to 10 or fewer.
- Limit capacity in the facility to 25 percent of the total occupancy limits.
- Mandate wearing of facial coverings at all times except when swimming. Face shields are not sufficient.
- Regularly disinfect exercise equipment, including immediately after use. If patrons are expected to disinfect, post signs encouraging patrons to disinfect equipment.
- Ensure that ventilation systems operate properly.
- Close steam rooms and saunas, jacuzzies and cold plunge pools.

THAT SCRAMBLED WORD GAME!®
By David L. Hoyt and Jeff Knurek

The letters of these crazy words are all mixed up. To play the game, put them back into the right order so that they all make real words you can find in the dictionary. Write the letters of each real word under each crazy word, but only one letter to a square.

Now you're ready to solve today's Jumble for Kids. Study the picture for a hint. Play around with the letters in the circles. You'll find you can put them in order so that they make your funny answer.
