Holly DDA names new director

■'I can't wait to continue the positive momentum that has been going on with the DDA the last several years'

By Sharon Stone

Nicholas "Nick" Klempp, 46, of Rose Township, was named the new Holly Downtown Development Authority (DDA) director on Monday, Oct. 12. He begins his duties Monday, Oct. 19.

Klempp replaces Katy Golden whose last day as DDA director was Sept. 15. She submitted her resignation letter Aug. 17.

On Thursday, Klempp said, "Every

Nicholas Klempp

job that I have workedathasbeen very community oriented and when the DDA job was posted it really made me think that this was the next step, not only in my career, but in beingabletoserve the community I

care about in a whole new way. I have always volunteered for many events and activities going on and so for me this was a very logical next step in continuing to serve and help others.

A message from the superintendent

Our students deserve the best

he purpose of any school district is to provide the best educational experience possible. On Nov. 3, Linden Community Schools is asking residents to vote on a \$55 million bond proposal. The bond proposal will support the school district's plan to provide even more educational opportunities for students and more benefits the community.

The bond projects associated with the bond proposal will affect all Linden Community Schools students and residents. The bond projects have been categorized in four general areas:

- enhancing student safety and school security;
- expanding and enhancing the instructional environment;
- · modernizing, upgrading, and constructing school facilities; and,
- technology and technology infrastructure.

The bond proposal calls for adding a collaborative learning center to Linden Elementary School, expanding the Linden High School media center into a collaborative learning center, adding

Linden Community Schools superintendent

secure entrances to all school buildings, relocating our Early Childhood Center from its current location in Argentine to Hyatt Elementary, building a new Multipurpose Center between Linden Middle School and Linden High School, developing zones to safely address teacherstudent interaction and collaboration, and adding space for robotics and Science, Technology, Engineering, and Math (STEM) programming.

If voters approve the \$55-million bond, it will require a 1-mill

increase in the 2020 levy. This means that a Linden homeowner living in a home with a taxable value of \$50,000 (the taxable value is typically 50 percent of the market value of a home). would pay \$50 more per year, or about 14¢ per day. While some homeowners will pay more than this, most Linden homeowners will pay less than 14¢ per day. Local businesses will also pay one additional mill in property taxes if voters approve the bond proposal.

To see a complete list of proposed building projects go to lindenschools. org and click on the "2020 School Election" button.

Our students deserve the best!

TO THE PERSON who incorrectly stated that the number of Americans with health insurance increased from 2016 to 2019. This is untrue. The uninsured rate rose from 8.6 percent in 2016 to 9.2 percent in 2019. Republicans are acting to reduce access to health insurance in a pandemic. It's shameful behavior.

YES! I DO feel better with MDHHS issuing emergency orders. It was a great joy to witness Supreme Court's public smack down of Whitmer. Cherry on top was Attorney General Nessel.

WHITMER CLAIMS TRUMP'S rhetoric is to blame for the kidnap plot. Trump didn't order everything closed. So many businesses went bust, and put people in jail for trying to survive or ordering COVID-19 patients in to nursing homes. Whitmer did it.

AS A CONSTITUTIONALIST, I call for the immediate impeachment and removal of Whitmer.

Compiled by Editor Sharon Stone and General Manager Jennifer Ward
 Question asked to Tri-County Times' Facebook followers

Who's the sweetest person you know and why?

"My son, without a doubt! He has the sweetest soul I've ever had the pleasure of raising."

"My husband of 24 years. He asked me to marry him on Sweetest Day and there isn't a better husband in the world."

"My granddaughter Aria. She is full of love."

Stephanie Caruso

POLICE & FIRE REPORT

COMPILED BY SHARON STONE

22-YEAR-OLD HOLLY MAN PUNCHES 23-YEAR-OLD HOLLY MAN, NO CHARGES

On Monday, Oct. 5, at 2:57 p.m., Holly police responded to a call of a fight in progress inside a business on N. Saginaw Street. The responding officer located and spoke with two males inside the store who said an acquaintance of one of the men saw them walk into the store, and had an ongoing disagreement with one of the males. The acquaintance, who was identified as a 22-year-old Holly man, punched the man in the face, also causing a disturbance in the store and then left the area. The victim of the punch, identified as a 23-year-old Holly man, was shaken up but declined to press charges for the assault.

BRANDON TOWNSHIP MAN ARRESTED FOR HOME INVASION

On Wednesday, Oct. 7, at 10:36 p.m., a Holly woman called police to report she has returned home from an extended employment out of state and discovered a person inside her home that has been previously banned from her property. The 21-year-old Brandon Township man was still inside the residence when officers arrived. The man was previously arrested by Holly police for breaking in to the same home on Sept. 10, and was out on bond for that offense. Officers arrested the man without incident and lodged him at the Oakland County Jail pending charges of home invasion and bond violation

WATERFORD MAN PUNCHES 31-YEAR OLD HOLLY MAN IN HOLLY BAR

On Thursday, Oct. 8, at 1:23 a.m., Holly police were dispatched to an Apollo Circle bar for a report of a fight occurring inside the bar. Upon arrival, officers identified a person involved and detained the 29-year-old Waterford man. The victim, a 31-year-old Holly man, was found unconscious on the floor inside the bar. Witness statements and video surveillance show the suspect walked up to the victim from behind, striking him several times in the head without provocation. The victim was transported to a medical facility and the suspect was released pending further investigation and charges based on the injuries of the victim. The suspect was cooperative with officers and admitted being the aggressor.

FENTON WOMAN SCAMMED BY THREATENING CALLER

On Sept. 28, Fenton police took a swindle complaint from a 62-yearold Fenton woman. The woman reported that she received a phone call and the caller told her that there had been some fraud detected on her bank accounts. She provided her Social Security number when they asked for it. She was instructed to put \$3,500 into an account and if she didn't the caller would have her arrested. The woman was also told to buy two \$200 eBay cards and provide the code on the back to the caller. Lt. Jeff Cross said the woman was scammed out of her money. Cross reminds residents never to provide any personal information to unknown callers and if there is any doubt, check with your local bank or police department. It's best just to hang up the phone.

UNEMPLOYMENT INSURANCE FRAUD REPORTED IN HOLLY

On Tuesday, Oct. 6, at 2:46 p.m., a 40-year-old Holly man reported to Holly police that he had been contacted by the State of Michigan Unemployment Insurance office to verify his claim. The man is employed and did not file a claim. The victim filed all proper reports of fraudulent claims with his employer and financial institution as well as a police report.

Bottles, Brews & News 'Beer Fest in a Bag' set for Nov. 21

■Tickets on sale now for take home beer and wine fest

Beer and wine lovers can rejoice as there will be at least one beer and wine festival to enjoy this fall. Bottles, Brews & News "Beer Fest in a Bag" is set for Saturday, Nov. 21.

The first-ever event of its kind replaces the in-person Bottles, Brews & News — a craft beer and wine festival, which was held in downtown Fenton last year. Unable to host the sell-out event this year due to health and safety guidelines, organizers got to work to find a way for beer and wine lovers to sample new adult beverages while supporting their community. The result is the Bottles, Brews & News "Beer Fest in a Bag."

For just \$30, attendees will get a reusable souvenir bag filled with a variety six pack featuring craft beer, hard cider, hard seltzer and wine and goodies for two — to go!

Ticket holders can pick up their Beer Fest in a Bag in the parking lot of John's Pizzeria, 1492 N. Leroy Street in Fenton

HOT LINE CONTINUED

FUSING A 21-day transition period and immediately terminating all enforcement of Whitmer's Executive Orders. LOL!

THE SUPREME COURT has had nine Justices for 150 years and has had a Left majority for 50 years. With Trump's next appointment, the Court would have a Right majority. Not wanting to lose the majority, the Democrats want to Increase the current number of Justices or 'Pack the Court.' No.

HARRIS WAS A failed presidential candidate who dropped out early. A vote for Biden-Harris is for a Harris presidency. Vote for Trump now and hope the Dems can get a better candidate next time.

LITTLE GIRL ASKED what the USA looked like. Her father tore into pieces a page showing the USA. She began putting them together. Quickly the map was correctly, together, she said, 'Jesus was on the other side of the page. Got Him together, then our country just came back together.'

between 3 and 8 p.m., Saturday, Nov. 21. A special drive-thru will be set up for easy grab-and-go service.

The bag will also include details on each of the featured beverages so that ticket holders can bring the beer and wine fest experience home for just themselves or a small group of friends.

Those wanting to add a to-go food order to their Beer Fest in a Bag can

call John's Pizzeria at 810.629.5060 to place a carryout order in advance.

"We are so excited to be able to bring this event to the community," said View Newspaper Group Brand Manager Emily Caswell. View Newspaper Group pub-

lishes the Tri-County Times along with 14 other community newspapers and is host of Bottles, Brews & News. "Last year's event was such a success that we knew we had to find a way to keep the Bottles, Brews & News name and spirit alive. We are so thankful to our partners for helping us do just that!"

Proceeds from the event will benefit local nonprofit agency, Fenton Area Resource and Referral Network, Inc. (FARR). Last year's Bottles, Brews & News raised \$6,000 for the nonprofit. Formed in 1990 by community leaders, churches and civic organizations, FARR

works with area residents in crisis in the Fenton, Lake Fenton and Linden school districts. FARR assesses their basic needs (food, shelter, health) and identifies immediate and long-term objectives. FARR then coordinates with local partnering organizations to help address those needs and raise their level of self-sustainability.

The event is for those 21 and older only.

Tickets are on sale now at myfenton. com. For sponsorship opportunities contact Emily Caswell at 810.513.8501.

Veterans and active duty military can count on Social Security

Submitted by Vonda Van Til

Every year on Veterans Day, we honor the people who risk their lives to protect our country. Our disability program is an important part of our obligation to wounded warriors and their families.

Social Security is an important resource for military members who return home with injuries. If you know a wounded veteran, please let them know about our Wounded Warriors webpage. You can find it at ssa. gov/woundedwarriors.

The Wounded Warriors webpage answers many commonly asked questions, and shares other useful information about disability benefits, including how veterans can receive expedited processing of their Social Security disability claims. Benefits available through Social Security are different from those from the Department of Veterans Affairs and require a separate application.

We apply our expedited process for military service members who become disabled while on active military service on or after Oct. 1, 2001, regardless of where the disability occurs.

Even active duty military who continue to receive pay while in a hospital or on medical leave should consider applying for disability benefits if they're unable to work due to a disabling condition. Active duty status and receipt of military pay doesn't necessarily prevent payment of Social Security disability benefits. Although a person can't receive Social Security disability benefits while engaging in substantial work for pay or profit, receipt of military payments should never stop someone from applying for disability benefits.

We honor veterans and active duty members of the military every day by giving them the respect they deserve. Let these heroes know they can count on us when they need us most. They earned these benefits. Our webpages are easy to share on social media and by email with your friends and family. Please consider passing this information along to someone who may need it.

Vonda Van Til is a Social Security Administration, public affairs specialist

POLICE & FIRE REPORT

COMPILED BY SHARON STONE

WORK TRUCK STOLEN FROM MAIN STREET DRIVEWAY

The Fenton Police Department is investigating the theft of a 2006 Dodge Ram pickup truck. Lt. Jeff Cross said a Fenton resident from the 300 block of Main Street reported Sept. 30 that sometime between 6:30 and 7 p.m. that day someone drove away with his truck. He had parked his truck in his driveway. The truck was unlocked and the keys were in the ignition. The truck was entered in Law Enforcement Information Network (LEIN) as stolen. The truck is described as a red truck, with a gray topper with a ladder rack on top of the topper. The work truck was full of tools. If anyone has information, they are to call Fenton police at (810) 629-5311.

FENTON POLICE ARREST FLUSHING WOMAN FOR RETAIL FRAUD

A 31-year-old Flushing woman was arrested Oct. 3 for retail fraud at Walmart, Lt. Jeff Cross of the Fenton Police Department said on Oct. 3, at 1:55 p.m., a loss prevention employee observed the woman scanning some items at the selfcheckout lane and not scanning others. In all, she skipped scanning \$195 worth of merchandise. She was stopped by the loss prevention employee when she exited the store. Fenton police took the woman into custody and the stolen merchandise was returned to the store. She was issued a December court appearance ticket for retail fraud.

REOPENED

Continued from Front Page

The approximately \$4.3-million project was funded in part by a special federal Transportation Investment Generating Economic Recovery (TIGER) grant with the remainder shared by RCOC and Holly Township.

The project included:

- 4.5 miles of asphalt resurfacing
- Improved sight distances
- Guardrail installation
- Culvert maintenance
- High-friction pavement treatment at significant curves to improve safety
- Reconstruction of the retaining wall at the North Holly Road/Belford Road intersection
- Raising the elevation of the road in three locations to improve drainage

The event was led by the RCOC Board of Road Commissioners, RCOC Board Chairman Greg Jamian and Holly Township Supervisor George Kullis.

FOR THOSE CONFUSED about the 2A. MILITIA, noun, a military force that is raised from the civil population to supplement a regular army in an emergency.

HUGE SHOUT-OUT to all the Democratic governors in the country. You've done an amazing job of turning Democrats into Republicans. Keep up the great work! Trump 2020! Make America free again.

HOT-LINERS YOU HAVE almost persuaded me to continue wearing my mask with all of your ridiculous comparisons of seatbelts and oven mitts. Yeah right. Thank you to the businesses that recognize the Supreme Court's ruling and let us make our own decisions about whether we'll wear our mask or not.

BIDEN AND HIS son are thieves, having made millions of dollars from China, Russia and other countries. They get away with it only because the mainstream media never reports it. Just research it, time to wake up.

GDL names new children's librarian

Marissa

Boisclair

The Genesee District Library has named Marissa Boisclair as the new Children's Librarian. Boisclair has worked in libraries for 10 years, most recently as a youth services library

assistant at Delta Township District Library and as a library assistant at Capital Area District Library.

The role of the children's librarian is to provide literacy services for youth in Genesee County, including story times for children.

"My story times will incorporate sign language, and I love to build programs

around literacy, empathy, mindfulness, and problem-solving," Boisclair said. "I hope to increase literacy rates by collaborating with the schools, caregivers and children of our communities."

Boisclair said that libraries keep people connected socially, in person and virtually, and also help people sort truth from fiction. "I hope to reach members of the community who have yet to discover the library and share these wondrous worlds with them," she said. "Libraries offer free programming and access to digital

> and physical materials for all their entertainment, lifelong learning, and hobby building needs."

> Boisclair sees the role of the library as one of support and navigation for the community, including small business owners, schools and students. "We are community hubs and we're not going anywhere," she said.

Most importantly, Boisclair

hopes to provide safe and welcoming spaces and platforms for youth to express themselves.

Boisclair holds an Associate of Arts degree from Mott Community College, a Bachelor of Accounting from Northwood University, and a Master of Library Science from Wayne State University.

MichiganVotes.org is a free, non-partisan website created by the Mackinac Center for Public Policy to provide concise, non-partisan, plain-English descriptions of every bill and vote in the Michigan House and Senate. This report was released Friday, Oct. 9.

Senate Bill 886: Authorize expanded unemployment benefits during epidemic

To suspend through the end of 2020 various limits, restrictions and requirements related to collecting state unemployment insurance benefits for layoffs related to the epidemic. Among other things, benefits would be payable for up to 26 weeks instead of 20 weeks; benefit payments would not be assessed against an employer's unemployment insurance account; workers would not have to seek

another job while collecting benefits; "work-sharing" plans would be allowed; eligibility restrictions would be eased and more. The bill also clarifies that individuals who are independent contractors were eligible for benefits as of March 15, 2020. The bill is "tie-barred" to other bills extending epidemic-related liability protections to employers and other institutions, meaning it cannot become law unless they also become law.

Passed 38 to 0 in the Senate

Sen. Ruth Johnson (R-Dist. 14)	YES
Sen. Jim Runestad (R-Dist. 15)	YES
Sen. Lana Theis (R-Dist. 22)	YES
Sen. Jim Ananich (D-Dist. 27)	YES
Sen. Ken Horn (R-Dist. 32)	YES

Senate Bill 1094: Restrict coronavirus admissions to nursing homes

To prohibit admitting an individual who has tested positive for coronavirus to a nursing home unless it can provide a designated area for coronavirus patients, with staff retraining to provide the appropriate level of care necessary, and with various exceptions. The bill would also order an evaluation of the COVID-19 "hospital overflow"

facilities the state contracted for early in the epidemic, which were hardly used.

Passed 38 to 0 in the Senate

Sen. Ruth Johnson (R-Dist. 14)	YES
Sen. Jim Runestad (R-Dist. 15)	YES
Sen. Lana Theis (R-Dist. 22)	YES
Sen. Jim Ananich (D-Dist. 27)	YES
Sen. Ken Horn (R-Dist. 32)	YES

Senate Bill 1108: Authorize rules for electronic public meetings

To permit and establish rules for a public body to hold meetings electronically, with members and votes considered to have met the usual requirements, and a requirement that members of the public be allowed to participate by phone or electronically. The bill would also require public bodies to accommodate the participation of a member who is absent due to a medical condition or a statewide or locally declared state of emergency.

PATHWAY

Continued from Page 3

Speakers included Ed Koledo, director of Southern Lakes Park and Recreation, Linden Community Schools Superintendent Russ Ciesielski, Phil Hagerman, Argentine Township Supervisor Brian Saad, and more.

Terese Ciesielski, who's spearheaded the project for years, thanked all the groups involved, which includes the school system, the LAFF Pathway Group, the Hagerman Foundation, Southern Lakes Parks and Recreation and more. The main goal was to give students a safe option when they walked to and from school.

One speaker was Kelsey Mayser, a mother of two who lives on a property that the new pathway goes through. She said her children got their first bicycles a week ago because now they have a safe place to learn to ride.

"It is absolutely amazing," she said. "There are kids walking to school. It's so nice to wake up to hear that and not just cars going by."

She said she worries about students having a safe place to walk to and from school. Mayser praised the organizers.

(Left) Argentine Township Supervisor Brain Saad told the group he was proud of the bipartisan effort to secure a federal state and local county grants to fund this project. (Right) Teresa Ciesielski thanked all of the groups, municipalities and people that helped make the pathway possible. **Photo: Hannah Ball**

"Now we have this perfect pathway and our kids get to use it," she said.

Koledolaid out the future phases and said they're working on information campaigns.

Phase 2 will be the Silver Lake Road pathway. Phase 3 will be a pathway on Owen Road, and Phase 4 will be a pathway on Fenton Road, connecting to the Thompson Road Regional Dog Park. The latest update on Phase 2 is that designs are in the works, and organiz-

ers will start talking with the affected property owners. Koledo said they're also working on a major donor campaign to raise matching funds in order to get more grants to fund the projects.

The 2.1-mile pathway was designed by Fleis & VandenBrink Engineering and starts at Haviland Beach Drive and Lobdell Road, traverses through the Linden Schools campus to Silver Lake Road and then continues east on Silver Lake Road, through Fenton Township and connects into the existing city of Linden's sidewalk and bike lane. Construction began June 15 and was completed a few weeks ago.

Saad said thousands of people have already used the path, including when it was under construction.

This \$1.4-million project was a joint effort from federal, state, local and private dollars. This pathway provides a safe route for school children to walk or bike to and from school.

Saad said, "The Argentine Township Board is proud to have leaned into a bipartisan effort to secure a federal state and local county grants to fund this project. Now that Argentine Township leads the way, going first, we are excited to see the city of Fenton has won their grant proposal as well and we will be linking arms with our sister city to make this the most desirable place to live work and play in Southeast Michigan.

"We plan to maintain our sleepy bedroom community status only safer. Now that the majority of families living around the school complex(s) have an alternative route in which to send their kids to school, cutting down on bus traffic and providing healthier recreational opportunities for this Township," he said.

Just sayin'...

Farewell to Bonnie!

ince I first started driving a car nearly 50 years ago, and in all my travels on city streets, country roads and highways locally and throughout the United States, including Hawaii, I have never ever spotted a stranded or wounded dog along the side of any road. That's not true of one woman I know and I have a story about her that I don't think too many people know. Fenton Township Supervisor Bonnie

Mathis, who will be giving up her leadership position in a couple of weeks, has an uncanny knack of spotting dogs in distress wherever she goes. It's so often that it is almost eerie. She has told countless stories over the years of incidents where she was driving here or there and identified a dog that is either lost, abandoned or being wounded in some way. While most people would keep on driving for fear of being bitten

or injured, Bonnie, without regard for her own safety, always provides assistance to these helpless creatures.

At a luncheon a few years ago, she was telling the story of another dog she rescued from harm, and I asked her, "Why does this keep happening to you?" She just smiled and with a little giggle said, "I don't know."

But this one aspect of Bonnie Mathis' character, considering her other many accomplishments, is something I will always remember. It has been my honor and pleasure to know her and if dogs love and trust her ... well, there you go.

Bonnie has served the people of Fenton

Township, who she refers to lovingly as "my residents," for more than 30 years, as both a trustee on the Board of Trustees and as supervisor for the past 16-plus years. She has weathered many storms in that leadership role, some of which include the growing pains of development, major sewer issues, and more.

I could go on and on about Bonnie's delightful personality and her many accomplishments, but I think her employees said it best when they nominated her for the Fenton Area Business & Professional Women's Club "Boss of the Year" in October of 2004, which she, of course, won.

They said, "Bonnie Mathis is a woman who wears many hats. Not only is she the owner of a well-established interior design business for more than 30 years, she is supervisor of Fenton Township, serves on the board of the Humane Society of Genesee County and is active in her church, St. John the Evangelist of Fenton. She also is a wife, mother and grandmother.

"Working with her throughout the years, we have found her to be exemplary in her business ethic, which is simply an extension of her character. She remains confident and positive even during adversity.

There is no facade with Bonnie Mathis. What you see is what you get. An honest, compassionate, self-sacrificing woman. Always willing to go the distance. It may be extra hours needed for a job deadline, dropping everything to expedite admission to Cleveland Clinic for someone in crisis or trying to find a home for a stray dog.

"She is an asset to the Fenton community, both professionally and personally and continues to inspire us daily."

Social Security is important for women

Submitted by Vonda Van Til

In November, we show gratitude for the many things we are thankful for throughout the year. Family usually tops the list. The strong women in our lives are one of the central figures we appreciate.

More women in the 21st century work, pay Social Security taxes, and earn credit toward monthly retirement income than at any other time in our nation's history. Yet, on average, women face greater economic challenges in retirement than men.

The majority of the people receiving Social Security benefits are women. Women generally live longer than men while often having lower lifetime earnings. In addition, women may reach retirement with smaller pensions and other assets compared to men. These are three key reasons why Social Security is vitally important to women.

If you've worked and paid taxes into

the Social Security system for at least 10 years, and have earned a minimum of 40 work credits, you may be eligible for your own benefits. Once you reach age 62, you may be eligible for your own Social Security benefit whether you're married or not and whether your spouse collects Social Security or not. If you're eligible and apply for benefits on more than one work record, you generally receive the higher benefit amount.

The sooner you start planning for retirement, the better off you'll be. We have specific information for women at ssa.gov/people/women. You also can read the publication What Every Woman Should Know at ssa.gov/pubs/ EN-05-10127.pdf.

Please share these links with friends and family you love.

Vonda Van Til is a Social Security public affairs specialist

HOT LINE CONTINUED

THE HEALTHCARE WORKERS who wear masks have two options; wear the mask because they fear the virus or because their employer mandates wearing one. Healthcare workers typically have bills to pay like the rest of us, and if fitting in means another bill is paid, that's what I'll do.

INSTEAD OF COMPLAINING about church music from afar, maybe try attending in person or

online and repenting of your sins. There's only one way to avoid the lake of fire and an eternity in hell itself

YOU WEAR A mask out of respect for others? You want to be sure you don't get someone who is vulnerable sick? Why haven't you been wearing masks before this pandemic? The flu kills thousands every year. Where was your compassion and consideration then?

FAREWELL

Continued from Page 4

Well said. Bonnie has decided to leave public office in November to spend some much-deserved quality time with her husband, Dave, her daughters and grandchildren.

Trustee Vince Lorraine will be taking over the leadership role on the Fenton Township Board of Trustees after the Nov. 3 election. I only had the pleasure of meeting Mr. Lorraine one time, but I understand he is an outstanding businessman and an all-around good guy who will continue steering Fenton Township in a positive direction after Bonnie leaves.

Good luck Bonnie, I'm sure I'll be seeing you around. Good luck, too, to Mr. Lorraine. You've got some pretty big shoes to fill. Just sayin'!

HOME INFUSION COULD BE YOUR SOLUTION

Danielle Hilborn, Pharm.D.

VP of Pharmacy Services, McLaren Health Management Group

When people are struggling with an injury, infection, or chronic illness, McLaren Home Infusion can help. Home infusion therapy is designed to help people with their medication and fluids at home for safer and more effective results, as well as a lower risk of infection and rehospitalization. The goal of McLaren's caring and compassionate infusion team is to give people the opportunity to receive convenient care, while gaining their freedom and living independently.

Infusion therapy is commonly administered in a hospital setting, but McLaren Infusion can be provided in the comfort and security of your own home. Now, a doctor can prescribe home infusion therapy when oral medications aren't effectively helping the person in need.

If someone is prescribed home infusion therapy by their physician, our expert team will help create a personalized plan of care specific to that person's long-term goals and health needs. Our experienced intake team will verify insurance benefits, so people understand their coverage and any out of pocket costs up front. Not only that, our team helps with an assortment of other things, such as education and training on how to administer medication, symptom monitoring, and consistent physician and pharmacy communication.

McLaren Home Infusion offers a wide variety of services and therapies to its patients:

- · Skilled nursing and patient/caregiver education and training
- Total parenteral nutrition
- Enteral nutrition
- Immunomodulators
- · Immunoglobulin/IV and subcutaneous therapies
- Anti-infection therapy
- Inotropic therapy
- · Hemophilia replacement factors
- Hydration therapy
- Steroid therapy
- · Pain management
- Alpha-1 therapy

At McLaren, we are focused on DOING WHAT'S BEST®. So, if you or someone you love is interested in home infusion therapy, please let our team help by calling (800) 774-6999.

The group exploring Haunted Hollygrove approaches an eerily lit castle.

HALLOWEEN

Continued from Front Page the normal cheery lively grounds they're used to.

This will be an experience for thousands of visitors to "A Haunting in Hollygrove — Phantasm of Lights" running weekends at the grounds of the Michigan

Renaissance Festival until Oct. 31.

This is a 3/4-mile haunted walk through the familiar festival grounds. The buildings and landscapes are transformed by the immersive lighting, spooky sounds and actors in costume.

While the COVID-19 pandemic prompted the canceling of the regular

DORTONLINE.ORG | 800.521.3796

SERVING ALL OF MICHIGAN

RITAN POLICY OF THE PARTY OF TH

The first group exits the haunted village with a cloud of snow. Photo: Tim Jagielo

Renaissance Festival, spokesperson Kim Heidger said it's provided an opportunity to explore new options and uses for the festival grounds.

Heidger believes that other such festival groups are just trying to pull together what they can with main events being canceled. This is the first time such an event has been held at the festival grounds, but she compared it to Glenlore Trails in Commerce Township.

National chain Fantasee Lighting from Belleville is handling the immersive lighting design. "The lighting is what changes this event," Heidger said. The companydescribesitasa visual, enchanted haunting walk-thru experience."

Children should enjoy the lights, while adults can go for the jump scares and creepy scenes. "We want to give people a different kind of Halloween experience," Heidger said.

Previously events like "Halloween at Hollygrove" provided a more festive atmosphere with games, dancing and costumes and a haunted trail. Instead, this event focuses entirely on the haunted trail.

There are actors that provide some jump scares, but it's not like a haunted house. "This is more like immersing yourself in an actual haunted village," Heidger said.

Overall it takes 35 to 40 minutes with a guide providing pacing between groups,

which start every 10 minutes.

Adult Ticketsare \$25 each and children's tickets (ages 5-12) are \$17.95 each.

Tours run from 7 to 11 p.m., Thursday through Sunday until Halloween night. Go to halloweeninholly.com for more information and to reserve tickets.

Jeremy and Elizabeth Rosencrantz of Flushing took their children Hunter, 6, and Gunner 3, through the haunted

village, and they both seemed to like it. "There was some really good lighting in there," Elizabeth said.

Kim Heidger Michigan Renaissance Festival marketing

While mostly a spooky trail walk, there are some scenes more typical of a haunted house attraction.

TRY RACE WALKING

■ 'It gives you a full body workout'

By Hannah Ball

Fenton. Twp — More than a dozen people came out to Linden County Park on Saturday, Oct. 10 to learn a new skill and exercise — race walking.

Kathy Gurin, a Lapeer resident, and Robin Keene, who's from Swartz Creek conducted the race walking clinic, which was the first event in the LAF-FAPALOOZA 2020 series to celebrate the opening of the new Argentine Township non-motorized pathway.

"Race walking could still be really big. It's a great option instead of running. It's still competitive. It's a technique," Gurin said.

On Saturday, they went through the basic technique of race walking. This includes what stretches to do before

RACE WALKING

Continued from Page 19

and after a workout, what shoes to wear, what clothes to wear and more. They also taught how not to get injured and how important it is to listen to your body.

"It gives you a full body workout," Keene said. "You are working different muscle groups then when you run. It does your inner and outer thighs, your glutes, abdominal muscles, and you don't have the impact that you have from running."

She switched from running to race walking in 1991 when she was pregnant with her son, and she discovered she could walk as fast as she was jogging.

Keene got Gurin into race walking when Gurin was going through chemotherapy to treat cancer.

"She came to my house, got me off the couch and said, 'come on, I'm going to teach you how to race walk. It'll be good for you. That's kind of where the whole thing started," Gurin said.

They've raced walked together for years and have done marathons together. They did the Crim this year, which was virtual, and Keene has previously won two marathons in race walking.

Both have done dozens of races. Race walkers can find competitions for 5Ks, 10Ks and more.

"Those who want to learn to walk faster, we can do that. Those who want to learn to race walk, we'll show them how to get started with the race walking and techniques," Keene said.

Gurin said the best piece of advice was to invest in a good pair of shoes.

"Believe it or not, you can easily put 500 miles on a pair of shoes," Gurin said.

They recently found out about the paths around the tri-county area. Keene said pathways are "really nice" to walk on. They don't have many in Swartz Creek, so she walks mainly in subdivisions.

They've trained on all kinds of roads, and some can be more dangerous than others, especially on streets with traffic.

"This is a beautiful thing for these guys to have, somewhere where kids can ride and walk and be a little bit safer," Gurin said, mentioning the pathway in the Linden County Park.

The new Argentine Township pathway starts at Haviland Beach Drive and Lobdell Road, which is the beginning of the Phase 1 Pathway, and continues into the Linden schools campus where it heads north and then onto Silver Lake Road heading east to the city of Linden.

Other LAFFAPALOOZA 2020 events:

These free fitness-related demonstrations will be held from 11 a.m. to 12 p.m. at Blue Jay Picnic Pavilion at Linden County Park. The schedule is as follows:

- Oct. 17 Bicycle Maintenance & More with Cycle Fit
- Oct. 24 Yoga for Runners & Walkers with Lynn North
- Oct. 31 Juggling with Heather with Heather Durham

Show your prociation Sweetest Day is Oct. 17

By Sharon Stone

Saturday, Oct. 17 was Sweetest Day, but who's to argue against using some of these ideas any day to show the "sweet" people in your life just how important they are.

Sweetest Day typically falls before Halloween on the third Saturday of

Dating back to 1922, this sweet holiday

is believed to be created by a Cleveland candymaker. According to a story by News 5 Cleveland, Sweetest Day first got its start when candy employee wanted to do something for those who tended to be forgotten or overlooked. He would often bring small treats to orphanages and elderly homes and the inclusive gesture took off from there.

Ways to show you care

Arrange a dinner delivery

If you aren't able to drop off a meal, consider giving them the luxury of ordering what they want by sending a gift card or meal voucher.

Say it with a custom card

When this thoughtful gesture arrives

at their doorstep, it'll let them know you're thinking about them.

Spell it out with cookies

Treat your sweet person to some specialty cookies as a show of your appreciation. From custom decorated sugar cookies

to a handmade family recipe, there are options for every budget.

Win them over with wine

If inviting them over for a wine night isn't possible, think about dropping off one of their favorites or a surprise bottle with a personalized label that expresses your love, has a pop of humor, or incorporates favorite photos.

Give a self-care package

If there's one thing we could all use some extra of this year it's self-care. Put together a personalized selfcare package filled with anything from bath bombs and lotion to a soothing neck massager.

Photobomb them

Drop off a framed photo from your favorite memory together Printing out your special times together shows how much you value them.

21

Do it with doughnuts

Sweeten their Sweetest Day with a box of doughnuts from one of the local doughnut shops.

Tigers compete with Dexter in battle of two top 10 teams

By David Troppens

Fenton — Two of the top 10 teams in the state competed in a dual meet on Saturday, and with it came some strong times and performances.

The Fenton Tigers, ranked 10th in Division 2, took on the eightranked Dexter squad and Dexter left with a 117-69 victory.

There was no race with more

anticipation than the 100 backstroke. In it, Dexter's defending 100-yard D2 state champion backstroker Charlotte Schultz competed against Fenton's Gracie Olsen. Olsen won two individual state championships a year ago herself, taking the top spot in the 200-yard freestyle and in the 100-yard butterfly. Taking Schultz on in her own championship event, Olsen took an admirable second with a time of 1:01.25. Schultz won with a time of 1:00.53. Schultz won the event with a time of 56.42 seconds last year. Olsen loved competing against Schultz.

"It was awesome. ...I talked to Charlotte after the race and she said congrats. She's super sweet,

Fenton, Linden soccer end up tied atop Metro with Goodrich again

Tigers defeat Swartz Creek 4-2 to earn share of league championship

By David Troppens

All the Fenton varsity boys soccer team could do on Monday was take care of its business.

The Tigers had to beat Swartz Creek in order to have any chance of earning a three-way-Metro League championship with Linden and Goodrich for the second straight season.

After that, the Tigers had to hope Goodrich could beat Linden to force the three-way tie.

The Tigers (10-1) took care of business. Des Coughlin scored a goal just four minutes into Fenton's road contest at Swartz Creek and never trailed in a 4-2 victory against the Dragons.

The Martians — and Mother Nature — helped out with the rest as Goodrich won a 1-0 verdict at Linden, a game that was called at halftime due to weather. That meant for the second straight season, the three teams tied for the league crown. It also meant Fenton earned at least a share for three straight seasons and four of the last five seasons. Of course,

Fenton's Andrew Hutchins (immediately above) protects the ball in a recent game against Linden. (Above right) Linden's Colin Love tries to dribble the ball downfield in a contest with Goodrich. (Immediate right) Daniel Duprey battles for the ball in the same game. Fenton, Linden and Goodrich ended in a tie for first place in the final Metro League standings.

Eagles fall to Goodrich, creates threeway deadlock for title

By David Troppens

Linden — The Linden varsity boys soccer team entered its battle with Goodrich already knowing it was going to at least share the Flint Metro League championship.

The Eagles could also leave with an outright championship.

The end result was the Eagles had to settle for a three-way tie atop the final Flint Metro League standings with Fenton and Goodrich for a second straight season.

The three-way tie happened because the Eagles lost to Goodrich by a 1-0 score, tying those two teams atop the standings. Finally, Fenton defeated Swartz Creek 4-2 to also earn a spot atop the final league standings.

Linden had two opponents it had to battle on Monday. First off, the Eagles had to beat the Martians. Secondly, once they fell behind, they had to also find a way to beat out Mother Nature. As the first half continued, it became apparent thunderstorms were going to be a part of the night's future, making it apppar-

Bronchos remain perfect in Metro, defeats Fenton

By David Troppens

Holly—In Metro League history, the Holly Bronchos have never won an outright championship in volleyball.

The Bronchos have just two championships to their name. Holly shared the title with LakeVille during the 1993-94 school year, and shared the Metro League Stripes Division crown with Flushing last season.

This season has the possibility of being the first. Holly captured another big victory in the pursuit of that

goal by defeating the Fenton Tigers in three sets 25-15, 25-20, 25-11. The win keeps the Bronchos (6-0) undefeated in Metro League Stripes Division play, one game ahead of the Flushing Raiders. The Raiders are the only team that has a realistic shot at catching the Bronchos. Fenton fell to 3-3 in league play with the loss. And for the Bronchos, it's always nice to beat the Fenton Tigers.

"It's always a big rival so we know we have to work

even harder because we want to beat them really bad," Hol-

ly senior Paige Weeder said.
"We know we have to come together and play as a team and we won."

The Bronchos started out a little slow in the opening

a little slow in the opening set, but it didn't matter too much because the Tigers did as well.

Holly had hitting errors on the first two points of the set, but the Tigers followed that with a service error and a hitting error of their own.

See BRONCHOS on 25

TRI-COUNTY TIMES I DAVID TROPPENS

Holly's varsity volleyball team remains undefeated in Flint Metro League Stripes Division play. The Bronchos defeated the Fenton Tigers Wednesday.

Tigers open D1 district action with 5-0 victory vs. Davison

By David Troppens

A year ago, the Fenton varsity boys soccer team had an incredible 2019 post-season.

The Tigers edged out the Linden Eagles in a shootout in a Division 2 district title match and eventually advanced all the way to the D2 state semifinal round before seeing their season end.

This year the dynamics have changed. The Tigers are now in Division 1 and will have to face some larger sized schools if they want to make a similar tournament run this year.

The Tigers won their opening game of their D1 tournament (being hosted by Fenton) by defeating Davison 5-0 Wednesday night at Fenton High School.

"The boys came out fired up tonight," Fenton varsity boys soccer coach Matt Sullivan said. "They know it's uncharted territory being in Division 1, but we can not change the way we play. We have to outwork our opponents if we want a chance to win, and that is what we did tonight."

The Tigers took control of the contest early on, scoring just eight minutes into the contest. Calvin Curtis crossed a ball into the middle of the goal where Will Dickens capitalized on the cross, scoring the opening goal. The Tigers led 1-0 and would never look back.

Before the first half was over the Tigers pulled ahead with two more goals. Ben Chapple scored Fenton's second goal off Curtis's second assist of the

TRI-COUNTY TIMES I DAVID TROPPENSDesmond Coughlin prepares to kick a ball in a recent contest.

night. Finally, with 10 minutes left, the Tigers had a memorable goal off a corner kick. Dickens crossed a ball that actually curled into the top far corner of the goal, giving him a goal off the actual corner kick. The Tigers led 3-0 and were now in control.

Any chances of a Davison come back ended when the Tigers (13-2-1) scored a fourth goal halfway through the second half. It came when Des Coughlin scored on a Dickens' cross.

VILLAGE OF HOLLY PUBLIC HEARING ON THE TIF/DEVELOPMENT **PLAN RENEWAL**

NOTICE IS HEREBY GIVEN, that a public hearing will be held on the proposed renewal of the Village of Holly Downtown Development Authority Tax Increment Financing (TIF) and Development Plan renewal. A TIF/Development plan was established in 2000. The renewal will be for twenty (20) years.

DDA District Legal Description:

It is hereby described as consisting of the general properties fronting or with addresses on the following Village streets: Grange Hall Road, North Holly Road, South Broad Street all to the Village limits, North Saginaw Street, South Saginaw Street, West Maple Street, East Maple Street from Saginaw Street to Railroad Tracks, North Broad Street, Front Street, Battle Alley, and the 100 blocks of First Street and Michigan Avenue

Council will hold a public hearing to receive written and verbal comments from citizens regarding the TIF and Development Plan renewal on November 10, 2020 at 7:00 PM during the regular Council meeting which will be held electronically. Members of the public may participate electronically as described below.

Access the meeting at https://us02web.zoom.us/j/85633547839

Or go to zoom.us. At the top, right corner, select 'join a meeting'. Enter the meeting ID # 856 3354 7839. The bottom left corner is used to start the video and audio feeds. Or you can call in using the following numbers:

- +1 312 626 6799 US (Chicago)
- +1 646 558 8656 US (New York)
- +1 253 215 8782 US
- +1 301 715 8592 US
- +1 346 248 7799 US (Houston)
- +1 720 707 2699 US (Denver)

Written comments may be submitted by email to the Village Clerk/Treasurer at dbigger@hollyvillage.org prior to the meeting.

Maps, plats and a description of the development plan are available for viewing at the Clerk/Treasurer's office during regular business hours. All aspects of the plan will be open for discussion at the public hearing.

Individuals needing assistance to participate are asked to contact the Village offices at least 24 hours prior to the meeting at (248) 634-9571 during regular business hours. An attempt will be made to make reasonable accommodations.

> Deborah J. Bigger Clerk/Treasurer Village of Holly

TRI-COUNTY TIMES I CHRISTOPHER SUMMERS

Linden's Drew Kinney runs down a ball during a recent match. Kinney had 17 digs in the Eagles' loss to Flushing.

Eagles lose to Flushing, earn 1-2 record at recent quad

By David Troppens

The Linden varsity volleyball team had a busy early part of the week and did so to mixed results.

The Eagles competed at the Brown City quad on Monday, going 1-2 in three matches. On Wednesday, the Eagles lost to one of the defending Metro League Stripes Division champions, the Flushing Raiders.

On Monday, the Eagles lost to Croswell-Lexington 23-25, 25-13, 25-13 and to Swan Valley 27-25, 25-19, but bounced back to beat Brown City 10-25, 25-16, 16-14.

In those matches, Maddy Shier had a big night at the net collecting 17 kills and nine blocks. Emma Mossing had 14 kills and four blocks while Hannah

Lewandowski had 11 kills. Defensively, Payton Somers led the Eagles with 18 digs. Lewandowski followed her with 11 digs.

The Eagles played a four-set match with the Raiders on Wednesday night, losing by a 15-25, 25-15, 25-17, 25-20 score. Linden (2-4 in the Metro and 4-10 overall) had several players have strong defensive nights. Drew Kinney had a team-high 17 digs while Braylin Robbins had 12 digs. Kendall Miller contributed eight digs. At the net, the Eagles presented a solid block with Robbins having six blocks and Miller five blocks.

Offensively, Miller had 18 assists with Kinney leading the way with seven kills. Robbins had six kills.

EAGLES

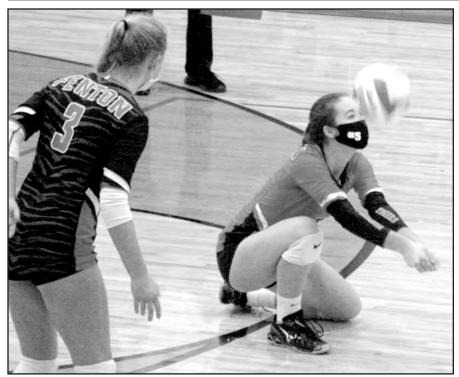

Continued from Page 22

ent that the game could end at any time due to weather. At halftime, the weather worsened and eventually resulted in the contest being called at the break with Goodrich winning 1-0. When the game was called, Goodrich fans honked horns in the parking lot to celebrate their crown.

Goodrich's aggressive style meant

the Martians typically controlled the ball against the Eagles, which meant more scoring chances during the 40-minute contest. Early in the game, a shot by Goodrich's Luke Kowalczyk sailed just wide three minutes into the game. Goodrich took four of the first five shots. However, Linden's one chance during that time was a pretty good chance, needing a save off a corner kick attempt.

TRI-COUNTY TIMES I DAVID TROPPENS (Above) Fenton's Emily Starrmakes a dig in the Tigers' loss to Holly. (Right) Sarah Jewell makes a dig in the same contest.

BRONCHOS

Continued from Page 23

The service error gave Holly's Nicole Jewell the service and she responded with five straight points. The final two came on back-to-back kills by Kennedy Hogan, the second coming on an overpass kill. Holly led 7-2 and never lost the lead. Holly led only 15-10 until back-to-back-to-back kills by Weeder, Hogan and Amanda Patterson gave the Bronchos an 18-10 lead. Match point eventually came on a Fenton service error, the fifth the Tigers had in the set.

The second set was the most competitive of the three as Fenton enjoyed a 4-3 lead after a kill by Paris Whitney and then a 5-4 lead after a Holly serice error. However, a kill by Holly's Marissa Walker gave the Bronchos the lead and the Tigers would never lead again. A service run of six straight points by Sarah Jewell bumped Holly's lead to 11-6. Fenton cut the gap to just 15-14 after a kill by Grace Pierle, but a tip kill by Holly's Amanda Patterson gave Holly's Mary McAninch the service and she rattled off five straight points. By the time a Sarah Jewell kill capped the run, Holly led 21-14. Fenton tried to battle back late, cutting the margin to 24-20 on a kill by Jordyn

Bommersbach, but Walker iced the Holly set victory with a kill.

The third set was all Holly as the Bronchos scored the first four points of the game with kills by Hogan, Macy Martin and Weeder sparking the run.

Fenton cut the Holly lead to just two a handful of times and still only trailed 14-11 after a kill by the Tigers' Adrie Staib, but Weeder responded with a kill, giving her the service.

LEAGUE

Continued from Page 22

Linden and Goodrich have earned at
least a share of the crown each of the
last two years as well. The three are
creating a nice little rivalry within the
Metro circles.

"Mother Nature worked in our favor Monday night both at Swartz Creek and in Linden," Fenton varsity boys soccer coach Matt Sullivan said. "We don't talk about league championships or district and regional championships as a goal for us at the beginning of the season. We never measure the success of our seasons by those titles. But we do fortunate to have them and it's always nice to look back and see those when you're older.

"The Goodrich rivalry has been a

great addition to the Metro League in our district. For a school their size, their program has a great history, including a state championship, and they play a very physical aggressive style similar to ours. They have made our league that much better."

Swartz Creek tied the game up,but Will Dickens gave the Tigers a 2-1 lead off an Austin Ames cross. Ben Chapple made it a 3-1 lead midway through the second half on a putback shot after Calvin Curtis took the initial shot.

The Dragons tried to battle back, cutting the gap to 3-2 at one time, but Andrew Hutchins, who assisted Coughlin's opening goal, scored on an Ashton McKellar assist earning the Tigers the 4-2 win.

TIGERS

Continued from Page 22

Olsen said. "It definitely is (different mentally competing against a state championship caliber swimmer) and it's a good thing. I like racing."

Olsen won the 200 individual medley with a time of 2:12.21. She won her first state championship two years ago as a freshman in the individual medley with a time of 2:03.19. Fenton had three more firsts, including two more individual firsts. Abigail Dolliver won the 50 freestyle (26.63) while Madeline Kazmierski was first in the 100 butterfly (1:03.28).

Mr. Alton "Al" Wagner

1929 - 2020

Mr. Alton "Al" Wagner - age 91, of Fenton, passed away peacefully Saturday, October 10, 2020. He was preceded in death by his parents Edward and Lydia Wagner; sister, Marion Ingersoll; and daughter,

Sherry Wagner. He will be lovingly remembered by his wife. Dona Wagner: children. Wavne (Kathrvn) Wagner, Nancy (Emil) Sabolish, and Matthew Wagner; grandchildren, Krystyn (Gabriel) Perez and Christopher Wagner; and great-grandchildren, Oliver and Abigail Perez. A native of Flint, Al attended Flint Central High School, graduating in 1947. He served proudly in the National Guard, achieving the rank of Sergeant First Class. Al and Dona met during their high school days, married in 1949, and celebrated their 71st anniversary in August. Following in his father's footsteps, Al was a skilled builder and craftsman by trade. He founded Wagner Homes, and built many

member of the Builders Association of Metro Flint for many years, and was named Builder of the Year in 1995. Al was an avid outdoorsman. and enjoyed hunting, fishing, skiing, and golf.

was an active

Deer camp in November was a favorite of his for 70 vears. His children have fond memories of ski trips up north and family vacations, and Al and Dona traveled worldwide during their retirement years. The family would like to extend special thanks to the kind and caring staff of Vicinia Gardens of Fenton, and The Medical Team Hospice. A private funeral service will be held at Sharp Funeral Homes, Fenton Chapel, 1000 Silver Lake Road, Fenton. The family welcomes memories and messages to be shared on Al's tribute page at www. sharpfuneralhomes.com. In lieu of flowers, contributions may be made in Al's memory to the charity of one's choice.
