Center of Hope gives gifts to more than 300 kids

■ '...this is their first time being here because of the situations COVID has created'

By Hannah Ball

More than 200 kids will have presents to unwrap Christmas morning thanks to the Fenton Center of Hope.

On Saturday, Dec. 19 and Sunday, Dec. 20, volunteers with the organization placed large bags of presents in the trunks of cars that will go to families who requested help this holiday season.

Jennifer Strygulec, one of the Fenton Center of Hope directors, said they provided gifts for 234 kids from Fenton, Linden and Holly, and for more than 75 kids throughout Genesee County.

Santa was on scene, waving and talking to the kids outside the food pantry, which was decorated with lights and Christmas decorations.

Christina Clark of Fenton Township and a volunteer at FCOH helped at the event by organizing a sign-up at the gym she attends, CrossFit Fenton. Members committed to buying certain presents and dropping them off at the gym.

"They were a huge part of this, too.

People just gave overwhelming support. It was a great community thing," she said.

She's also involved in a prison ministry, which helps provide presents for children who have incarcerated parents. Clark and her family made

the Christmas decorations that gave the center a winter wonderland feeling that weekend, and she helped organize and wrap presents.

Clark said one couple donated 50 sets of Christmas pajamas. The wife was in-

spired to do this after she was at Macy's and heard a woman in front of her in line at the checkout, telling her daughter that they had to return pajamas because they needed the money for other things.

"This woman wept," Clark said. Because of that couple, the families that picked up Christmas presents also received pajamas.

Clark said these women are always thinking about their children first, and she was happy to give presents to the parents, too. Another woman donated gift bags of Mary Kay items.

"This Christmas has been the best Christmas I've ever had," she said. "The fact that my children are here and they're helping. My daughter has been praying with the cars. It's just a different meaning of Christmas this year."

Clark is a regular volunteer at FCOH and has created relationships with people who come to the food pantry.

"Seeing the joy on people's faces, there's no describing how that feels," she said. "We're given the privilege to be able to do this for these deserving people that are in hard circumstances.

Continued from Front Page

World Health Organization (WHO). At that time, the WHO had declared the 2019nCoV virus, referred to as the coronavirus, was then a public health emergency of international concern because of the global outbreak.

January

On Jan. 30, WHO reported that there were 7,834 confirmed cases, including 7,736 in China. WHO also reported that 170 people had died, all of them from China. While the immediate risk of this new virus to the American public was believed to be low at that time, everyone was asked to do their part to help respond to this emerging public health threat.

February

By Feb. 28, to prepare for the possibility of a coronavirus outbreak locally, the Genesee County Health Department (GCHD) was in constant communication with the three county hospitals and emergency EMS

responders, said John McKellar, health officer at the GCHD. "I know the hospitals are starting to plan for a surge in the possible number of patients. We are starting to ramp up our conversations in the community," he said, adding that people need to think about taking precautions to avoid illness. This included frequent hand washing, staying home if you become ill, covering your mouth when you cough and more.

March

On Wednesday, March 11, shoppers were out at local stores stocking up on toilet paper and disinfectants. Workers stopped and took photos of empty toilet paper aisles. At Walmart, a tall man helped a woman pull down one of the remaining toilet paper packages in an otherwise completely empty aisle.

The disinfectant sprays and wipes were also completely empty. At Target, there was a one package per customer limit.

Both VG's stores were down by about half their normal stock of toilet paper,

and the Silver Parkway location is out of sanitizing items.

Soon, events were being postponed or canceled.

On Friday, March 13, parents in local school districts received notices that all Michigan K-12 school districts will be closed from Monday, March 16 through Sunday, April 5, due to the pandemic, which originated in Wuhan, China. Classes were to resume Monday, April 6.

This notice was via an order from Gov. Gretchen Whitmer, when she announced at a news conference shortly before midnight, March 12.

Starting, Monday, March 16 at 3 p.m., all dine-in services at bars and restaurants in Michigan were shut down, following an executive order signed by Whitmer, due to the coronavirus outbreak. Takeout and delivery services were still allowed. This restriction was to be in effect until March 30.

On March 16, Fenton Mayor Sue Osborn declared a state of emergency within the city of Fenton due to COVID-19 concerns. This declaration followed the national, state and county announcements, and it was to make the city eligible for state, federal and county resources to respond as the city continues to address changing conditions.

On March 17, Genesee County Sheriff Chris Swanson announced the creation of the Genesee County Community Care Task Force in response to the COVID-19 pandemic. Two local congregations, The Rock Church and The Freedom Center, are participating members. Genesee County had four confirmed cases of coronavirus as of Friday, March 20, and more people were working from home to help slow the spread.

On Monday, March 23, Whitmer signed the "Stay Home, Stay Safe" Executive Order (EO 2020-21), directing all Michigan businesses and operations to temporarily suspend in-person operations that are not necessary to sustain or protect life. This meant for at least the next three weeks, individuals were to only leave their home or place of residence under very limited circumstances, and they must adhere to social distancing measures recommended by the Centers for Disease Control and Prevention (CDC).

By the end of March, Holly Area Schools were providing an average 1,200 free meals daily to families in need across the Broncho community during the continuing pandemic.

A deal aimed at easing the economic impact of the coronavirus pandemic was approved by the White House and Senate and was approved by the House on March 27. The \$2 trillion stimulus package delivered much-needed aid to workers, small businesses and health care providers.

Whitmer signed an executive order March 29 outlining new protocols for all correctional facilities across the state through April 26 in response to the pandemic.

Kirk Norman, owner of Snappers on the Water in Deerfield Township, began giving out free dinners March 23 to anyone who needs a little help during the coronavirus pandemic. The meals were free; no questions asked.

emergency brought on by coronavirus to May 1, rather than to mid-June as recommended Whitmer.

"The public health crisis is ongoing, and I certainly believe we should extend the state of emergency to curtail the spread of the virus, but mid-June is too long," Mueller said. "An extension to May 1 is a better time frame and we can always extend it if we need to."

In mid-April, it was reported that \$1,200 stimulus checks would be sent to Americans. The money was meant to help people pay bills and stimulate the economy in the midst of a global COVID-19 pandemic that has left more than 22 million Americans filing for unemployment.

May

Secretary of State Jocelyn Benson announced May 19 that all registered voters in Michigan would receive an application to vote by mail in the August and November elections.

"By mailing applications, we have ensured that no Michigander has to choose between their health and their right to vote," Benson said.

Michigan bars and restaurants in southern and central Michigan learned they could reopen to indoor dining at 50-percent capacity Monday, June 8. This came after the Upper Peninsula and northern Michigan businesses were allowed to reopen May 18. Whitmer made the announcement June 1.

The numbers of COVID-19 confirmed cases, probable cases, deaths and recoveries change daily. Cumulative COVID-19-associated hospitalization rates since March 1 were updated weekly, according to the Centers for Disease Control and Prevention (CDC). On Wednesday, June 24, the overall cumulative COVID-19 hospitalization rate was 94.5 per 100,000, with the highest rates in people aged 65 years and older (286.9 per 100,000) and 50-64 years (143.0 per 100,000).

July

On Friday, July 10, Whitmer signed executive order 2020-147, which reiterated that individuals were required to wear a face covering whenever they were in an indoor public space. It also required the use of face coverings in crowded outdoor spaces.

September

Holly Area Schools announced they would be fully virtual until Oct. 30 with the option of resuming in-person learning sooner given clear guidance and direction from the county and state health departments. Local school districts had varied schedules with some completely remote, some in-person or a mix.

Homecoming events at schools were canceled.

October

On Friday, Oct. 2, Michigan's Supreme Court ruled that Whitmer lacked the authority to extend or declare states of emergency in relation to the COVID-19 pandemic. The Democratic governor issued an executive order declaring a state of emergency in March and expanded it via another executive order in April. The Republican-controlled legislature passed a resolution to extend the state of emergency, but only until April 30. Whitmer had issued several more orders related to the pandemic, according to npr.org.

On Thursday, Oct. 29, the Michigan Department of Health and Human Services (MDHHS) revised and extended its epidemic order, as Michigan continued to see a surge in cases, hospitalizations and deaths. Although most of the order was unchanged, new provisions targeted indoor gatherings where COVID had spread most rapidly.

November

The MDHHS issued a new emergency order Sunday, Nov. 15 that enacted a three-week pause targeting indoor social gatherings and other group activities. Under this order, indoor residential gatherings were limited to two households at any one time. However, MDHHS strongly urged families to pick a single other household to interact with over the next three weeks, consistent with new guidance released by the department.

On Nov. 25, the MDHHS issued citations and the Michigan Liquor Control Commission (MLCC) suspended liquor licenses to establishments, including one in Fenton, that were in violation of the recent public health order issued on Sunday, Nov. 15.

December

On Monday Dec. 7, the MDHHS extended by 12 days the epidemic order that restricts indoor social gatherings and other group activities. The additional 12 days would allow the department to determine the full impact of the Thanksgiving holiday on the spread of COVID-19 across Michigan.

On Dec. 18, Whitmer announced that Michigan's casinos, movie theaters, bowling alleys and similar venues would be allowed to reopen Monday, Dec. 21, with some restrictions in place. High schools also were allowed to resume in-person classes.

Indoor dining will remain banned, at least through Jan. 15, 2021.

On Monday, Dec. 21 the city of Fenton and Downtown Development Authority (DDA) announced an e-Gift card program where those buying a gift card for a participating business would receive a matching gift card to help boost local businesses.

POLICE & FIRE

REPORT

COMPILED BY SHARON STONE

KEEP AN EYE ON YOUR PACKAGES

On Tuesday, Dec. 8, deputies from the Genesee County Sheriff's Office responded to the 2000 block of Ray Road for a larceny report. Neighbors observed a black Oldsmobile Alero occupant take packages off a front porch and leave the area. A short time later, the same vehicle was seen in a driveway on the 2000 block of Thompson Road. No items were taken from that residence. The same vehicle was reported in Grand Blanc Township earlier that day involved in the same type incident. This incident remains under investigation.

BUILDER'S TOOLS STOLEN

On Wednesday, Dec. 9, deputies from the Office of Genesee County Sheriff responded to the 11000 block of Princewood Circle for a larceny report. The area is an active home construction site. Contact was made with the contractor who reported that several items were stolen from his trailer. The items include a \$2,200 laser level. This incident remains under investigation.

IMPROPER TURN LEADS TO ARREST FOR OWI

On Sunday, Dec. 13, while on routine patrol, deputies from the Genesee County Sheriff's Office observed a Chevrolet Impala make an improper turn from Fenton Road

onto N. Long Lake Road. Contact was made with the driver. The odor of intoxicants was emanating from the vehicle. The deputy conducted a field sobriety test on the driver and it was determined the driver was intoxicated. The vehicle was impounded and the driver was arrested for operating while intoxicated and transported to the Genesee County Jail.

ITEMS STOLEN FROM UNLOCKED VEHICLE AT PARK

On Monday, Dec. 14, a deputy from the Office of Genesee County Sherriff's Office responded to the 5500 block of Hidden Ridge Trail for a larceny report. The female victim reported that she was at the Linden County Park Dec. 7 and when she returned to her truck, her cell phone and credit cards were missing. The vehicle was left unlocked at the time of the larceny. This incident remains under investigation.

DEFECTIVE HEADLIGHT LEADS TO CITATION

On Sunday, Dec. 20, a deputy from the Genesee County Sheriff's Office observed a Chevrolet van traveling eastbound on Lahring Road near Linden Road in Fenton Township with a defective headlight. Contact was made with the male driver, a 37-year-old Grand Blanc resident. A records check on the driver showed he had a suspended driver's license. The vehicle was turned over to the passenger who possessed a valid driver's license. The driver was issued a citation and released from the scene pending a court date.

DEPUTY REUNITES STRAY DOG WITH ITS OWNERS

On Dec. 21, Dep. Matthew Meek of the Genesee County Sheriff's Office, was on routine patrol in Fenton Township. He was dispatched to the area of Rolston Road and Patrick Drive on a report of a stray dog. He noticed that the dog had a

collar on but it had no identification. Believing that the dog might have been microchipped, he took the dog to Companion Animal Hospital in Linden. The vet technician was able to scan the dog and found the owner's information through the microchip. The dog was soon reunited with its owners.

Another volunteer who's also Clark's sister-in-law, Stephanie Fisher of Flushing, was one of the donors that helped the FCOH buy presents
