Center of Hope gives gifts to more than 300 kids

‘...this is their first time being here because of the situations COVID has created’

By Hannah Ball

More than 200 kids will have presents to unwrap Christmas morning thanks to the Fenton Center of Hope.

On Saturday, Dec. 19 and Sunday, Dec. 20, volunteers with the organization placed large bags of presents in the trunks of cars that will go to families who requested help this holiday season.

Jennifer Strygulec, one of the Fenton Center of Hope directors, said they provided gifts for 234 kids from Fenton, Linden and Holly, and for more than 75 kids throughout Genesee County.

Santa was on scene, waving and talking to the kids outside the food pantry, which was decorated with lights and Christmas decorations.

Christina Clark of Fenton Township and a volunteer at FCOH helped at the event by organizing a sign-up at the gym she attends, CrossFit Fenton. Members committed to buying certain presents and dropping them off at the gym.

“They were a huge part of this, too,” Clark said. “They were a huge part of this, too.”

People just gave overwhelming support. It was a great community thing,” she said.

She’s also involved in a prison ministry, which helps provide presents for children who have incarcerated parents. Clark and her family made the Christmas decorations that gave the center a winter wonderland feeling that weekend, and she helped organize and wrap presents.

Clark said one couple donated 50 sets of Christmas pajamas. The wife was inspired to do this after she was at Macy’s and heard a woman in front of her in line at the checkout, telling her daughter that they had to return pajamas because they needed the money for other things.

“This woman wept,” Clark said. “This woman wept.”

Because of that couple, the families that picked up Christmas presents also received pajamas.

Clark said these women are always thinking about their children first, and she was happy to give presents to the parents, too. Another woman donated gift bags of Mary Kay items.

“This Christmas has been the best Christmas I’ve ever had,” she said. “This Christmas has been the best Christmas I’ve ever had.”

“The fact that my children are here and they’re helping. My daughter has been praying with the cars. It’s just a different meaning of Christmas this year.”

Clark is a regular volunteer at FCOH and has created relationships with people who come to the food pantry.

“Seeing the joy on people’s faces, there’s no describing how that feels,” she said. “We’re given the privilege to be able to do this for these deserving people that are in hard circumstances.

World Health Organization (WHO).
At that time, the WHO had declared
the 2019nCoV virus, referred to as the
coronavirus, was then a public health
emergency of international concern
because of the global outbreak.

January
On Jan. 30, WHO reported that there
were 7,834 confirmed cases, including
7,736 in China. WHO also reported
that 170 people had died, all of them
from China. While the immediate risk
of this new virus to the American public
was believed to be low at that time,
everyone was asked to do their part to
help respond to this emerging public
health threat.

February
By Feb. 28, to prepare for the
possibility of a coronavirus outbreak
locally, the Genesee County Health
Department (GCHD) was in constant
communication with the three
county hospitals and emergency EMS
responders, said John McKellar, health
officer at the GCHD. "I know the
hospitals are starting to plan for
a surge in the possible number of
patients. We are starting to ramp up
our conversations in the community," he said, adding that people need to
think about taking precautions to avoid
illness. This included frequent hand
washing, staying home if you become ill,
covering your mouth when you cough
and more.

March
On Wednesday, March 11, shoppers
were out at local stores stocking up on
toilet paper and disinfectants. Workers
stopped and took photos of empty toilet
paper aisles. At Walmart, a tall man
helped a woman pull down one of the
remaining toilet paper packages in an
otherwise completely empty aisle.
The disinfectant sprays and wipes
were also completely empty. At Target,
there was a one package per customer
limit.
Both VG’s stores were down by about
half their normal stock of toilet paper,
and the Silver Parkway location is out
of sanitizing items.
Soon, events were being postponed
or canceled.
On Friday, March 13, parents in
local school districts received notices
that all Michigan K-12 school districts
will be closed from Monday, March
16 through Sunday, April 5, due to the
pandemic, which originated in Wuhan,
China. Classes were to resume Monday,
April 6.
This notice was via an order from
Gov. Gretchen Whitmer, when she
announced at a news conference shortly before midnight, March 12.
Starting, Monday, March 16 at 3
p.m., all dine-in services at bars and
restaurants in Michigan were shut down,
following an executive order signed
by Whitmer, due to the coronavirus
outbreak. Takeout and delivery services
were still allowed. This restriction was
to be in effect until March 30.
On March 16, Fenton Mayor Sue
Osborn declared a state of emergency
within the city of Fenton due to
COVID-19 concerns. This declaration
followed the national, state and county
announcements, and it was to make
the city eligible for state, federal
and county resources to respond as the
city continues to address changing
conditions.
On March 17, Genesee County
Sheriff Chris Swanson announced the
creation of the Genesee County
Community Care Task Force in
response to the COVID-19 pandemic.
Two local congregations, The Rock
Church and The Freedom Center, are
participating members. Genesee
County had four confirmed cases of
coronavirus as of Friday, March 20, and
more people were working from home
to help slow the spread.

On Monday, March 23, Whitmer
signed the “Stay Home, Stay Safe”
Executive Order (EO 2020-21),
directing all Michigan businesses and
operations to temporarily suspend
in-person operations that are not
necessary to sustain or protect life.
This meant for at least the next three
weeks, individuals were to only leave
their home or place of residence
under very limited circumstances, and
they must adhere to social distancing
measures recommended by the Centers
for Disease Control and Prevention
(CDC).

By the end of March, Holly Area
Schools were providing an average
1,200 free meals daily to families in
need across the Broncho community
during the continuing pandemic.
A deal aimed at easing the economic
impact of the coronavirus pandemic
was approved by the White House and
Senate and was approved by the House
on March 27. The $2 trillion stimulus
package delivered much-needed aid to
workers, small businesses and health
care providers.
Whitmer signed an executive order
March 29 outlining new protocols for
all correctional facilities across the
state through April 26 in response to
the pandemic.

Kirk Norman, owner of Snappers on
the Water in Deerfield Township, began
giving out free dinners March 23 to
anyone who needs a little help during
the coronavirus pandemic. The meals
were free; no questions asked.

April
State Rep. Mike Mueller (R-Fenton
Township) reported that the state
Legislature approved a plan Tuesday,
April 7, to extend Michigan’s state of

emergency brought on by coronavirus to May 1, rather than to mid-June as recommended Whitmer.

“The public health crisis is ongoing, and I certainly believe we should extend the state of emergency to curtail the spread of the virus, but mid-June is too long,” Mueller said. “An extension to May 1 is a better timeframe and we can always extend it if we need to.”

In mid-April, it was reported that $1,200 stimulus checks would be sent to Americans. The money was meant to help people pay bills and stimulate the economy in the midst of a global COVID-19 pandemic that has left more than 22 million Americans filing for unemployment.

May

Secretary of State Jocelyn Benson announced May 19 that all registered voters in Michigan would receive an application to vote by mail in the August and November elections.

“By mailing applications, we have ensured that no Michigander has to choose between their health and their right to vote,” Benson said.

Michigan bars and restaurants in southern and central Michigan learned they could reopen to indoor dining at 50 percent capacity Monday, June 8. This came after the Upper Peninsula and northern Michigan businesses were allowed to reopen May 18. Whitmer made the announcement June 1.

The numbers of COVID-19 confirmed cases, probable cases, deaths and recoveries change daily. Cumulative COVID-19-associated hospitalization rates since March 1 were updated weekly, according to the Centers for Disease Control and Prevention (CDC). On Wednesday, June 24, the overall cumulative COVID-19 hospitalization rate was 94.5 per 100,000, with the highest rates in people aged 65 years and older (286.9 per 100,000) and 50-64 years (143.0 per 100,000).

July

On Friday, July 10, Whitmer signed executive order 2020-147, which reiterated that individuals were required to wear a face covering whenever they were in an indoor public space. It also required the use of face coverings in crowded outdoor spaces.

September

Holly Area Schools announced they would be fully virtual until Oct. 30 with the option of resuming in-person learning sooner given clear guidance and direction from the county and state health departments. Local school districts had varied schedules with some completely remote, some in-person or a mix.

Homecoming events at schools were canceled.

October

On Friday, Oct. 2, Michigan’s Supreme Court ruled that Whitmer lacked the authority to extend or declare states of emergency in relation to the COVID-19 pandemic. The Democratic governor issued an executive order declaring a state of emergency in March and expanded it via another executive order in April. The Republican-controlled legislature passed a resolution to extend the state of emergency, but only until April 30. Whitmer had issued several more orders related to the pandemic, according to npr.org.

On Thursday, Oct. 29, the Michigan Department of Health and Human Services (MDHHS) revised and extended its epidemic order, as Michigan continued to see a surge in cases, hospitalizations and deaths. Although most of the order was unchanged, new provisions targeted indoor gatherings where COVID had spread most rapidly.

November

The MDHHS issued a new emergency order Sunday, Nov. 15 that enacted a three-week pause targeting indoor social gatherings and other group activities. Under this order, indoor residential gatherings were limited to two households at any one time. However, MDHHS strongly urged families to pick a single other household to interact with over the next three weeks, consistent with new guidance released by the department.

On Nov. 25, the MDHHS issued citations and the Michigan Liquor Control Commission (MLCC) suspended liquor licenses to establishments, including one in Fenton, that were in violation of the recent public health order issued on Sunday, Nov. 15.

December

On Monday Dec. 7, the MDHHS extended by 12 days the epidemic order that restricts indoor social gatherings and other group activities. The additional 12 days would allow the department to determine the full impact of the Thanksgiving holiday on the spread of COVID-19 across Michigan.

On Dec. 18, Whitmer announced that Michigan’s casinos, movie theaters, bowling alleys and similar venues would be allowed to reopen Monday, Dec. 21, with some restrictions in place. High school also were allowed to resume in-person classes.

Indoor dining will remain banned, at least through Jan. 15, 2021.

On Monday, Dec. 21 the city of Fenton and Downtown Development Authority (DDA) announced an e-Gift card program where those buying a gift card for a participating business would receive a matching gift card to help boost local businesses.

FENTON TOWNSHIP CLERK
News and feature photos should “show” the viewer the events, news, color and emotions of their own community. This year was filled with events, new and familiar, as well as a fair share of tragedy.
KEEP AN EYE ON YOUR PACKAGES
On Tuesday, Dec. 8, deputies from the Genesee County Sheriff’s Office responded to the 2000 block of Ray Road for a larceny report. Neighbors observed a black Oldsmobile Alero occupant take packages off a front porch and leave the area. A short time later, the same vehicle was seen in a driveway on the 2000 block of Thompson Road. No items were taken from that residence. The same vehicle was reported in Grand Blanc Township earlier that day involving the same type incident. This incident remains under investigation.

BUILDER’S TOOLS STOLEN
On Wednesday, Dec. 9, deputies from the Office of Genesee County Sheriff responded to the 11000 block of Princewood Circle for a larceny report. The area is an active home construction site. Contact was made with the contractor who reported that several items were stolen from his trailer. The items include a $2,200 laser level. This incident remains under investigation.

IMPROPER TURN LEADS TO ARREST FOR OWI
On Sunday, Dec. 13, while on routine patrol, deputies from the Genesee County Sheriff’s Office observed a Chevrolet Impala make an improper turn from Fenton Road onto N. Long Lake Road. Contact was made with the driver. The odor of intoxicants was emanating from the vehicle. The deputy conducted a field sobriety test on the driver and it was determined the driver was intoxicated. The vehicle was impounded and the driver was arrested for operating while intoxicated and transported to the Genesee County Jail.

ITEMS STOLEN FROM UNLOCKED VEHICLE AT PARK
On Monday, Dec. 14, a deputy from the Office of Genesee County Sheriff’s Office responded to the 5500 block of Hidden Ridge Trail for a larceny report. The female victim reported that she was at the Linden County Park Dec. 7 and when she returned to her truck, her cell phone and credit cards were missing. The vehicle was left unlocked at the time of the larceny. This incident remains under investigation.

DEFECTIVE HEADLIGHT LEADS TO CITATION
On Sunday, Dec. 20, a deputy from the Genesee County Sheriff’s Office observed a Chevrolet van traveling eastbound on Lahring Road near Linden Road in Fenton Township with a defective headlight. Contact was made with the male driver, a 37-year-old Grand Blanc resident. A records check on the driver showed he had a suspended driver’s license. The vehicle was turned over to the passenger who possessed a valid driver’s license. The driver was issued a citation and released from the scene pending a court date.

DEPUTY REUNITES STRAY DOG WITH ITS OWNERS
On Dec. 21, Dep. Matthew Meek of the Genesee County Sheriff’s Office, was on routine patrol in Fenton Township. He was dispatched to the area of Rolston Road and Patrick Drive on a report of a stray dog. He noticed that the dog had a collar on but it had no identification. Believing that the dog might have been microchipped, he took the dog to Companion Animal Hospital in Linden. The vet technician was able to scan the dog and found the owner’s information through the microchip. The dog was soon reunited with its owners.

A lot of these people, these past couple days, I don’t even recognize them from the pantry because this is their first time being here because of the situations COVID has created. That’s even more heartbreaking.”

Another volunteer who’s also Clark’s sister-in-law, Stephanie Fisher of Flushing, was one of the donors that helped the FCOH buy presents for the children and families. Fisher met Jennifer Strygulec, one of the directors of the organization, and heard her and Clark talking about helping families and children who had incarcerated parents.

“That touched me because that’s how my family was. My dad was in prison. Just hearing that those kids were not going to get presents, and I just said, ‘we got to help.’ I told my husband we got to do something,” she said.

“It’s just a different meaning of Christmas this year.”
