Indoor gardening

■ Might just be the calming, healthy, invigorating activity you were looking for

By Sharon Stone

For many, the spring-like temperatures and sunshine this week is a refreshing reminder that opportunities for all sorts of outdoor activities will soon be here. As daylight inches longer and longer, the thought of planning our gardens in Michigan can be exciting.

If you don't have the outdoor space to plant a full garden this spring, bring a small sized vegetable, flower and herb garden indoors.

According to an article in shape.com, growing your own plants can save you trips to the grocery store for fresh produce. For some who are spending more time at home because of the pandemic, an indoor garden including vegetables, herbs or flowers might be just be the healthy hobby you were looking for.

Studies have shown that gardening is linked to an increase in life satisfaction, psychological well-being, and cognitive function, as well as reductions in stress, anger, fatigue, and depression and anxiety symptoms, according to the article.

See **INDOOR GARDENING** on 33

Now is the perfect time to consider starting an indoor garden using either seeds or small starter plants. Fresh herbs and vegetables can be used in your favorite recipes while flowers can provide soothing scents and beautiful colors.

FENTON POLICE ARREST FLINT
MAN FOR FIRST-DEGREE RETAIL
FRAUD

Fenton police arrested a 45-year-old Flint man for first-degree retail fraud Wednesday, Feb. 24. Lt. Jeff Cross said a loss prevention employee at a home and garden store on Silver Parkway called Fenton police at 12:25 p.m., to alert them that a shopper was concealing battery

packs under his coat. The employee continued to observe the shopper while Fenton police responded quickly to the store parking lot. The suspect also placed several items in a shopping cart. As the man walked past the checkout, the employee confronted him. The suspect ran to a waiting car pushing aside his cart. Fenton police stopped the man. Police recovered more than \$1,000 worth of merchandise. The man was released pending issuance of an arrest warrant from the prosecutor's office.

RETAIL FRAUD SUSPECT FOUND
HIDING IN CAR BACK SEAT

At 12:39 p.m. on Feb. 17, Fenton

police responded to a home and garden store for a retail fraud in progress. A loss prevention employee told police that when confronted past the checkout, the retail fraud suspect fled in a car that was waiting for him. The vehicle traveled northbound on Silver Parkway. The license plate and description of the vehicle was provided to police. Thinking the suspect might be headed north, a responding Fenton police officer entered northbound U.S. 23 from Owen Road. The suspect's vehicle entered the highway from Silver Lake Road, right in front of the officer. A traffic stop was initiated and the officer spotted the suspect hiding in the back seat. The suspect, a 35-year-old Grand Blanc man, was arrested and later released pending the issuance of an arrest warrant. More than \$250 worth of stolen merchandise was recovered.

IDENTITY THEFT REPORTED IN
FENTON

Fenton police are investigating an identity theft complaint made by a Fenton resident. Lt. Jeff Cross said a Fenton woman reported that two separate employers of hers were alerted that someone filed for unemployment benefits using her personal information. The woman also was advised to contact the unemployment office.

FENTON POLICE ARREST HOLLY
WOMAN

At 2 a.m. on Thursday, Feb. 18, Fenton police initiated a traffic stop to a vehicle on Main Street, near Oak Street after observing the vehicle make a wide turn, hit a curb and cross the centerline. Contact was made with the driver, a 45-year-old Holly woman, who told police her license was suspended. A consent search of the vehicle resulted in police recovering a meth pipe, suspected heroin and fentanyl and other unidentified pills. She was transported to the police station for processing and then transported to the Genesee County Jail, where more drugs were recovered from her possession. Fenton police will seek charges after they get the lab analysis of the recovered drugs.

HOLLY POLICE ADVISE 11-YEAR-
OLD BOY AFTER HE SHOOTS
NERF DARTS AT RESIDENT'S
HOME

On Tuesday, Feb. 16, at 2:53 p.m., a Holly resident called to report a young boy was shooting Nerf style

darts at her living room window. The sound was loud and there were several impacts. She asked the boy to stop, but he threatened the homeowner and walked away. The officer searched the area and located an 11-year-old boy shooting a Nerf gun. As the officer approached him, the boy's grandmother exited a home to say she is caring for him. The boy admitted he was shooting the darts at the window and was advised by the officer to stay off private property and to not threaten adults when caught doing wrong.

PASSED OUT AT THE WHEEL

On Friday, Feb. 19, at 12:19 p.m., a Holly police officer assisted a Michigan State Police (MSP) unit with a suspected drunk driver who was passed out behind the wheel on Fish Lake Road. The driver of the vehicle was arrested for drunk driving and transported back to Holly police station for processing. The officer learned that the 48-year-old Holly man also had three open Holly police arrest warrants. Holly Police Chief Jerry Narsh said the man was extremely uncooperative with officers during booking and was transported to the Oakland County Jail for lodging.

HOLLY TOWNSHIP MAN
CRASHES INTO HOLLY POLICE
VEHICLE, FLEES SCENE

On Friday, Feb. 19, at 10:20 p.m., an on-duty Holly police officer was stopped at a red traffic light on westbound Grange Hall Road, at N. Saginaw Street. A driver of a vehicle that was northbound on Saginaw, made a wide right turn east onto Grange Hall Road, hitting the officer's patrol car head on. The officer exited his vehicle and spoke with the male driver and advised him to pull into a nearby driveway. Holly Police Chief Jerry Narsh said instead, the man continued eastbound on Grange Hall Road. Holly police officers pursued the man's vehicle and stopped him. It was determined the 66-year-old Holly Township man was intoxicated and he was placed under arrest. The driver was transported to Holly police station for processing and he became uncooperative with officers. The driver was lodged at the Oakland County Jail for leaving the scene of a traffic crash and drunk driving. His name has not been released because he has not yet been arraigned. The officer who was struck was checked out by medical staff for a minor injury, and he was cleared to return to duty.

INDOOR GARDENING

Continued from Page 19

An indoor garden also is a great learning experience for you and your kids. They will learn what it's like to dig in dirt, plant a seed or starter plant, provide it nourishment and water and to see it grow.

According to garden writer and indoor gardening expert Julie Bawden-Davis, founder of healthyhouseplants.com, a healthy indoor home garden requires proper watering, lighting, fertilizing, potting soil, humidity, staking, pruning and growing the best indoor plants.

Proper lighting is necessary for healthy plants. According to tips by

healthyhouseplants.com, unlike humans and animals, plants produce most of their own food. Light triggers and energizes the process of photosynthesis, a procedure that makes the carbohydrates that fuel plants. Without sufficient light, plants can't photosynthesize and instead use stored food to maintain growth. As the plant wears down its energy reserves, it cannibalizes itself, eventually starving to death. For the best results, use full-spectrum lighting for your indoor garden.

Look for sales on various sizes of gardening pots. Houseplants eventually become root-bound, requiring new potting soil and a larger container. Spring and fall are the ideal times to give them

a new home.

Most houseplants grow best in rich, well-drained soil. The best planting soil mix is porous for root aeration and drainage and able to retain moisture and nutrients, according to Bawden-Davis.

In general, houseplants require at least 45 percent humidity, so be sure to check the setting on your home's humidifier.

To properly water each plant, check with the directions for each variety of plant. You won't want to water too little or too much.

According to shape.com, before you dump some soil, seeds, and water in a pot and call it a day, you need to carefully plan out your indoor garden. Ask

yourself: "How much room do you have to garden indoors? Will you use artificial light to expand planting options? And what herbs and vegetables do you eat and use when preparing your meals?"

These questions will help you figure out which herbs and veggies, and how many of each, you're able to maintain in your growing conditions.

The best vegetable choices for indoor growing include leaf lettuce, spinach, arugula, and kale. These greens take around 45 days to reach maturity.

For indoor herb gardens, choose basil, chives, mint, oregano, parsley, sage, and thyme — flavor boosters that often thrive indoors.

Owen Road, and Phase 4 will be a pathway on Fenton Road, connecting to the Thompson Road Regional Dog Park.

The railway project has received broad community support, but funding is the main issue.

The group attempted to fundraise by creating millages. In 2019, the group put on the May ballot a proposal in Linden, Fenton and Fenton Township that would create millages to pay for connecting pathways in these municipalities. All three failed.

The LAFF group hasn't stopped their efforts.

In June 2020, the Fenton City Council approved a resolution in support of applying for a grant to fund the development of the Silver Lake Road Connector Trail. The \$997,000 grant would come from the Michigan Department of Transportation's Transportation Alternatives Program, also called the MDOT

All municipalities involved have passes resolutions in support of pathways.

TAP Grant. This 2-mile non-motorized pathway would connect the pathway at the northwest corner of Arbor Drive and Silver Lake Road to the pathway along E. Broad Street, at Triangle Park, in Linden.

The Silver Lake Road Connector Trail has been identified as a Tier 1 Short Term Priority in the Genesee County Regional Non-Motorized long range transportation plan. Tier 1 projects are identified as having strong southern support and are the highest priority for development. The three municipalities, along with SLPR, have allocated \$15,000

to the project for matching funds, and LAFF Pathways have allocated \$48,000. The project has received approximately \$441,509 from the Genesee County Metropolitan Planning Commission to be received in 2023.

More than \$1 million has been raised for the project through private funding and additional grants.

Christopher Toot

1960 – 2021

Christopher Toot – age 60 of Linden, passed away peacefully Wednesday, February, 17, 2021. Preceded in death by father Charles Toot. Survived by mother, Jane Toot; sister, Martha Spencer of MD; and nephews, Zach and Lucas. As a graduate of University of Michigan and DePaul University College of Law in Chicago, Chris was known for his research and writing skills as well as his quick wit and humor. While Chris demonstrated his skill in law, Chris realized quickly that big city life wasn't for him and instead decided to pursue a career that would engage him on an analytical, physical and personal level. Chris returned to Michigan and found his true calling as a firefighter with the Fenton Township Fire Department. Over his 20-year career with the Fire Department, Chris obtained his Officer 1, 2 and 3 certifications. He became a certified Emergency Medical Technician, Fire Inspector and Hazmat Technician, and was certified by Michigan Urban Search and Rescue. Chris rose through the ranks at the Fire Department, starting as a firefighter and earning the ranks of Sergeant, Lieutenant, Captain, Battalion Chief, and Deputy Chief. He was a member of the Michigan Association of Fire Chiefs and the International Association of Fire Chiefs. He truly enjoyed helping people and giving back to his community. After

20 years of service, Chris retired from the fire service in 2017. Chris was always proud to represent the Department wherever he went. At the same time that Chris was fighting fires and rolling on rescue calls on nights and weekends, he was working as a lineman for AT&T. The job of a lineman had a few elements that really appealed to Chris – it allowed him to work independently and it gave him plenty of physical activity. He worked out of the Holly garage for a period and out of the Flint garage, putting in 20 years of rugged service. He went to great heights (literally) to keep a lot of people connected. In honor of Chris's dedication to the Fenton Township Fire Department and to continue Chris's commitment to giving back to his community, his family asks that in lieu of flowers, memorial contributions be made in Chris' name to: Fenton Township Fire Department Smoke Detector/Carbon Monoxide Detector Fund 12060 Mantawauka Drive Fenton, MI 48430. Chris will be missed by family, friends and the countless people he supported who never knew his name. His fire department colleagues said it best; "Rest easy, Chief, we've got it from here." Memorial service date/time to be announced at a later date. Please view and sign family guest book at www.beallfuneral.com.

FUNERAL ETIQUETTE
WHAT CAN I DO TO HELP LATER?

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.
