Indoor gardening

Might just be the calming, healthy, invigorating activity you were looking for.

By Sharon Stone

For many, the spring-like temperatures and sunshine this week is a refreshing reminder that opportunities for all sorts of outdoor activities will soon be here. As daylight inches longer and longer, the thought of planning our gardens in Michigan can be exciting.

If you don’t have the outdoor space to plant a full garden this spring, bring a small sized vegetable, flower and herb garden indoors.

According to an article in shape.com, growing your own plants can save you trips to the grocery store for fresh produce. For some who are spending more time at home because of the pandemic, an indoor garden including vegetables, herbs or flowers might be just be the healthy hobby you were looking for.

Studies have shown that gardening is linked to an increase in life satisfaction, psychological well-being, and cognitive function, as well as reductions in stress, anger, fatigue, and depression and anxiety symptoms, according to the article.

Now is the perfect time to consider starting an indoor garden using either seeds or small starter plants. Fresh herbs and vegetables can be used in your favorite recipes while flowers can provide soothing scents and beautiful colors.

FENTON POLICE ARREST FLINT MAN FOR FIRST-DEGREE RETAIL FRAUD

Fenton police arrested a 45-year-old Flint man for first-degree retail fraud Wednesday, Feb. 24. Lt. Jeff Cross said a loss prevention employee at a home and garden store on Silver Parkway called Fenton police at 12:25 p.m., to alert them that a shopper was concealing battery packs under his coat. The employee continued to observe the shopper while Fenton police responded quickly to the store parking lot. The suspect also placed several items in a shopping cart. As the man walked past the checkout, the employee confronted him. The suspect ran to a waiting car pushing aside his cart. Fenton police stopped the man. Police recovered more than $1,000 worth of merchandise. The man was released pending issuance of an arrest warrant from the prosecutor’s office.

RETAIL FRAUD SUSPECT FOUND HIDING IN CAR BACK SEAT

At 12:39 p.m. on Feb. 17, Fenton police responded to a home and garden store for a retail fraud in progress. A loss prevention employee told police that when confronted past the checkout, the retail fraud suspect fled in a car that was waiting for him. The vehicle traveled northbound on Silver Parkway. The license plate and description of the vehicle was provided to police. Thinking the suspect might be headed north, a responding Fenton police officer entered northbound U.S. 23 from Owen Road. The suspect’s vehicle entered the highway from Silver Lake Road, right in front of the officer. A traffic stop was initiated and the officer spotted the suspect hiding in the back seat. The suspect, a 35-year-old Grand Blanc man, was arrested and later released pending the issuance of an arrest warrant. More than $250 worth of stolen merchandise was recovered.

IDENTITY THEFT REPORTED IN FENTON

Fenton police are investigating an identity theft complaint made by a Fenton resident. Lt. Jeff Cross said a Fenton woman reported that two separate employers of hers were alerted that someone filed for unemployment benefits using her personal information. The woman also was advised to contact the unemployment office.

FENTON POLICE ARREST HOLLY WOMAN

At 2 a.m. on Thursday, Feb. 18, Fenton police initiated a traffic stop to a vehicle on Main Street, near Oak Street after observing the vehicle make a wide turn, hit a curb and cross the centerline. Contact was made with the driver, a 45-year-old Holly woman, who told police her license was suspended. A consent search of the vehicle resulted in police recovering a meth pipe, suspected heroin and fentanyl and other unidentified pills. She was transported to the police station for processing and then transported to the Genesee County Jail, where more drugs were recovered from her possession. Fenton police will seek charges after they get the lab analysis of the recovered drugs.

HOLLY TOWNSHIP MAN CRASHES INTO HOLLY POLICE VEHICLE, FLEES SCENE

On Friday, Feb. 19, at 10:20 p.m., an on-duty Holly police officer was stopped at a red traffic light on westbound Grange Hall Road, at N. Saginaw Street. A driver of a vehicle that was northbound on Saginaw, made a wide right turn east onto Grange Hall Road, hitting the officer’s patrol car head on. The officer exited his vehicle and spoke with the male driver and advised him to pull into a nearby driveway. Holly Police Chief Jerry Narsh said instead, the man continued eastbound on Grange Hall Road. Holly police officers pursued the man’s vehicle and stopped him. It was determined the 66-year-old Holly Township man was intoxicated and he was placed under arrest. The driver was transported to Holly police station for processing and he became uncooperative with officers. The driver was lodged at the Oakland County Jail for leaving the scene of a traffic crash and drunk driving. His name has not been released because he has not yet been arraigned. The officer who was struck was checked out by medical staff for a minor injury, and he was cleared to return to duty.

HOLLY POLICE ADVISE 11-YEAR-OLD BOY AFTER HE SHOOTS NERF DARTS AT RESIDENT’S HOME

On Tuesday, Feb. 16, at 2:53 p.m., a Holly resident called to report a young boy was shooting Nerf style darts at her living room window. The sound was loud and there were several impacts. She asked the boy to stop, but he threatened the homeowner and walked away. The officer searched the area and located an 11-year-old boy shooting a Nerf gun. As the officer approached him, the boy’s grandmother exited a home to say she is caring for him. The boy admitted he was shooting the darts at the window and was advised by the officer to stay off private property and to not threaten adults when caught doing wrong.

An indoor garden also is a great learning experience for you and your kids. They will learn what it’s like to dig in dirt, plant a seed or starter plant, provide it nourishment and water and to see it grow.

According to garden writer and indoor gardening expert Julie Bawden-Davis, founder of healthyhouseplants.com, a healthy indoor home garden requires proper watering, lighting, fertilizing, potting soil, humidity, staking, pruning and growing the best indoor plants.

Proper lighting is necessary for healthy plants. According to tips by healthyhouseplants.com, unlike humans and animals, plants produce most of their own food. Light triggers and energizes the process of photosynthesis, a procedure that makes the carbohydrates that fuel plants. Without sufficient light, plants can’t photosynthesize and instead use stored food to maintain growth. As the plant wears down its energy reserves, it cannibalizes itself, eventually starving to death. For the best results, use full-spectrum lighting for your indoor garden.

Look for sales on various sizes of gardening pots. Houseplants eventually become root-bound, requiring new potting soil and a larger container. Spring and fall are the ideal times to give them a new home.

Most houseplants grow best in rich, well-drained soil. The best planting soil mix is porous for root aeration and drainage and able to retain moisture and nutrients, according to Bawden-Davis.

In general, houseplants require at least 45 percent humidity, so be sure to check the setting on your home’s humidifier.

To properly water each plant, check with the directions for each variety of plant. You won’t want to water too little or too much.

According to shape.com, before you dump some soil, seeds, and water in a pot and call it a day, you need to carefully plan out your indoor garden. Ask yourself: “How much room do you have to garden indoors? Will you use artificial light to expand planting options? And what herbs and vegetables do you eat and use when preparing your meals?”

These questions will help you figure out which herbs and veggies, and how many of each, you’re able to maintain in your growing conditions.

The best vegetable choices for indoor growing include leaf lettuce, spinach, arugula, and kale. These greens take around 45 days to reach maturity.

For indoor herb gardens, choose basil, chives, mint, oregano, parsley, sage, and thyme — flavor boosters that often thrive indoors.

As a graduate of University of Michigan and DePaul University College of Law in Chicago, Chris was known for his research and writing skills as well as his quick wit and humor. While Chris demonstrated his skill in law, Chris realized quickly that big city life wasn’t for him and instead decided to pursue a career that would engage him on an analytical, physical and personal level. Chris returned to Michigan and found his true calling as a firefighter with the Fenton Township Fire Department. Over his 20-year career with the Fire Department, Chris obtained his Officer 1, 2 and 3 certifications. He became a certified Emergency Medical Technician, Fire Inspector and Hazmat Technician, and was certified by Michigan Urban Search and Rescue. Chris rose through the ranks at the Fire Department, starting as a firefighter and earning the ranks of Sergeant, Lieutenant, Captain, Battalion Chief, and Deputy Chief. He was a member of the Michigan Association of Fire Chiefs and the International Association of Fire Chiefs. He truly enjoyed helping people and giving back to his community. After 20 years of service, Chris retired from the fire service in 2017. Chris was always proud to represent the Department wherever he went. At the same time that Chris was fighting fires and rolling on rescue calls on nights and weekends, he was working as a lineman for AT&T. The job of a lineman had a few elements that really appealed to Chris – it allowed him to work independently and it gave him plenty of physical activity. He worked out of the Holly garage for a period and out of the Flint garage, putting in 20 years of rugged service.
