JUMBLE KIDS
THAT SCRAMBLED WORD GAME!
By David L. Hoyt and Jeff Knurek

The letters of these crazy words are all mixed up. To play the game, put them back into the right order so that they all make real words you can find in the dictionary. Write the letters of each real word under each crazy word, but only one letter to a square.

Now you're ready to solve today's Jumble for Kids. Study the picture for a hint. Play around with the letters in the circles. You'll find you can put them in order so that they make your funny answer.
