Two motorcyclists injured in Sunday crash

■Vehicle turned into their path on Silver Lake Road in Fenton Township

By Sharon Stone

Two injured motorcyclists were transported to Hurley Medical Center in Flint, following a crash Sunday, May 30 at 5:30

p.m. in Fenton Township.

According to Lt. Andrew Snyder of the Genesee County Sheriff's Office, deputies responded to the area of Silver Lake Road and Marl Drive for a personal injury crash involving a motorcycle and two other vehicles.

Based on witness statements, two vehicles were stopped on Marl Drive with the occupants talking while a third vehicle was attempting to make a southbound turn onto Marl Drive from Silver Lake Road. A Ford Fusion turned in front of the motorcycle that was traveling eastbound

on Silver Lake Road, causing a collision.

The driver of the motorcycle, a 56-year-old Fenton Township man and his female passenger, a 58-year-old Fenton Township resident, were transported to Hurley Medical Center.

The man suffered multiple

broken bones and was listed in critical condition. His female passenger suffered broken bones and was listed in good condition. The man driving the motorcycle was not wearing a helmet. His passenger was wearing her helmet.

This crash remains under investigation.

Riverfest officially approved by council

■July event will feature bands, food, river activities, city plaque dedication and more

By Hannah Ball

Linden City Council officially approved Riverfest and the city's Sesquicentennial Kick Off celebration for July 16-18.

The council considered the application Monday, May 24 at the council meeting. It was submitted by event organizer Happening in Linden with Brad Dick, city councilor, named as

See RIVERFEST on 6

many trees being cut down in our area. Before cutting down a tree, remember

that trees add value to homes, help our environment, provide shade and reduce CO2. Please consider replacing a tree if you have cut one down or add trees if you have room." Let To those of you complaining about all of the road repair and bridge repair. Stop complaining. You're the ones who were complaining for the last 10 year about how bad the roads were. You complain just to complain."

Fenton City planners table special land use request again

■ Provides applicant more time for parking study for proposed wedding/event venue in downtown Fenton

By Sharon Stone

The Fenton City Planning Commission tabled a special land use request at its March 25 meeting to convert the old granary and former Red Fox Outfitters building into a banquet facility. Planners determined this would allow the applicant

time to do a parking study, along with other items the planning commission requested.

The planning commission's meeting minutes were included in Fenton City Council's packet for its May 25 meeting.

At the planning commission's meeting in October 2020, planners initially recommended the city not approval a special land use permit, mostly due to parking concerns.

After sitting empty for years, Red Fox Outfitters opened in November 2015 after it was rehabilitated for \$1,950,000.

SkyPoint Ventures, the real estate/capital development arm of Phil Hagerman and Jocelyn Hagerman invested in rehabilitating the historical granary, which was built in 1856. The store closed in March 2020 and sits empty.

According to the planning commission, there is an 11-space parking lot to the east of the building and a 49-space city-owned parking lot with a mini-park area immediately east of that.

The applicant, Luc Birchmeier of Fenton, indicated he would like to turn the

building into a wedding venue ballroom/ event center. The facility could be used for corporate parties, anniversaries, business meetings, bridal showers and more.

Parking in the downtown area is a concern, however, Birchmeier said a shuttle service could help alleviate the problem.

In March, the planning commission found the special land use permit request is in compliance with the city ordinance's standards. The property is located in an area intended for a mixture of uses and the use of the building as a banquet facility should not change the character of the areas. Food for the facility would be catered.

Planners determined there would not be a negative impact from excessive production of noise and traffic, however, there would be a negative impact of parking during peak times. The planning commission also tabled this request at its December 2020 and January 2021 meetings so the applicant could address the parking issue.

According to city ordinance, one parking space per every two persons of capacity authorized by the State Building Code would be required. The original application indicated that maximum capacity is 250 persons with 10 percent or 25 guests, consisting of the wedding party who would be dropped off. The remaining 225 guests would equate to a demand for 113 cars. From this number, 60 parking spots are onsite and 35-50 would stay in local hotels and utilize the shuttle service. Based upon these numbers, the remaining cars (fewer than 60) could be accommodated within a six-minute walk of the site.

The applicant has since submitted a floor plan layout showing a capacity of approximately 120 people, but the city ordinance requires that parking be calculated based on maximum occupant capacity.

The city building department indicates maximum capacity is 253. This means 127 spaces are required while approximately 60 are onsite spaces and the abutting parking lot. The remaining 67 would be dependent on other parking spaces either on the street or in nearby public lots.

Although The State Bank submitted a letter of approval for use of its parking lot at N. LeRoy Street and Silver Lake road, the lot is owned by the city and was leased to the bank for a 40-year term. Per that agreement, the lot cannot be committed or made available to other uses in the downtown area.

Due mostly to parking concerns, the planning commission recommended denial of the special land use request at this time.

Street Experience attracts families and friends

■Downtown Fenton bustles with activity Thursday and Friday evenings

By Sharon Stone

If you and your family or friends plan to head to downtown Fenton for the Street Experience tomorrow, Thursday, June 3 and Friday, June 4, you'll find several activities to take part in. Roads in the downtown area will be closed to vehicle traffic for the 5 to 9 p.m. event.

Every Thursday evening the Fenton Farmers Market will be open on the lawn of the Fenton Community & Cultural Center along S. LeRoy St.

This Thursday will have DJ entertainment near Ellen Street and S. LeRoy Street. There also will be kids street chalk "Chalk the Walk," a kids corn home, Giant Connect 4 and a mobile skate park by the tennis courts.

On Friday, visitors will be entertained by street music, DJ entertainment, a corn hole tournament, table tennis, kids mini golf, kids street chalk "Chalk the Walk" and kids corn hole and Giant Connect 4.

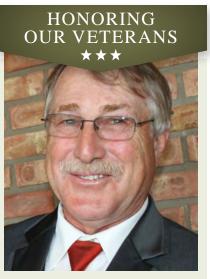

Restaurants and retail shops will be open with options for shopping indoors, outdoors and dining indoors, outdoors and carry-out.

Guests on the rooftop at the Fenton Fire Hall have a birds-eye view of the downtown area for the Street Experience. **Photo: Sharon Stone**

Shirley Ciofu (center) and Reney Sovel take part in a WERQ hip-hop dance fitness class led by instructor Nicole Bubnes. This class is held Thursdays at 5:30 p.m. at the Fenton Community & Cultural Center. **Photo: Sharon Stone**

Building Brands

s I sat in standstill traffic watching the minutes tick by, I realized there was no way I was going to make it to my dentist appoint-

ment on time. I wasn't just going to be late, I was going to miss it.

When I could, I exited the highway and called the dentist. "Hello, it's your worst patient." Of course, the team at the dentist office was super nice and let me reschedule.

Sitting on the road with nothing to do but stress, I realized this was the third time in three days that I had a schedule failure. On Monday I nearly missed my manicure appointment after a doctor's appointment ran two hours late. On Tuesday I was told we need to find a new date to host our fall craft beer fest due to a schedule conflict at the venue (more on this soon — promise!) and then the dentist mishap.

This pattern had to mean something. What was the universe trying to tell me? By the third scheduling snafu, I thought perhaps it was telling me to day drink, but I don't think that's the kind of message the universe sends.

Then I started thinking about our

It's time to manage your time again

management team meeting earlier in the week. We talked about bringing some team members back into the office, current mask protocols and the return

of our events — as well as community events like festivals and fairs.

It hit me — the universe is telling me that things are heating up and not just because summer has unofficially started.

With COVID-19 cases on the decline and vaccinations on the incline, life looks more like it did in 2019

every day. Nothing says, "we're back!" like orange barrels. After a year-plus of

waiting, now is the time to manage our time because venues, schedules and — even roads — are booking up. So, here are some tips thanks to an entrepreneur. com article and how I plan to use them to get my schedule in working order.

Embrace mornings, nights or weekends — the author suggests finding pockets of time with few interruptions to work on projects that need a lot of focus. I find that Wednesdays from 6:30 to 8:30 a.m. are the perfect mid-week opportunity to edit and write.

Schedule everything in one spot or organizational device — I fully stand by this advice. I'm old school and use a paper planner since writing things

RIVERFEST

Continued from Front Page

the organization representative. He abstained from the vote.

They still have to iron out some details, but with their experience in working with the city, "we know it's doable," Dick said.

This event is put on by Happening in Linden and Keepers of the Shiawassee. This year's Riverfest also will celebrate and commemorate Linden's 150th birthday, called the sesquicentennial, with a plaque dedication.

Saturday, July 17 is the plaque dedication at a time to be determined. Mayor Danielle Cusson requested that this not take place when another event is going on in order to make sure it's not overpowered by other activities.

Fireworks will take place at dusk on Saturday at the Mill Pond as well. They plan to run shuttles Saturday to take people to and from their vehicles because they expect it to be the busiest.

The event will feature food trucks,

bands, vendors, water events on the Shiawassee River throughout the entire weekend. Plans include a 5K road race, a street dance, a cardboard boat race, as well as having a portable skatepark available for kids to use.

Events will take place around downtown, including in the VFW parking lot, the Linden Gazebo, the Linden Library, Eagles Wooden Park, and more. The application states that they expect to close Mill Street, Main Street (Broad Street to Tickner Street), Tickner Street (Main Street to east of Sharp's Funeral Home parking lot) and Broad Street (Main Street to Bridge Street) at different times.

However, event organizations are working with the police chief and fire chief to determine and finalize street closures.

"I think it's going to be a great event," said Police Chief Scott Sutter.

Betty Ciesielski, from Happening in Linden, urged the council to recognize how the event will benefit the city.

Organizers are working on a CO-VID-19 safety plan.

CONSTITUTIONALLY SELECTING A JURY – PART II

The jury selection process may seem straightforward, but there are some other considerations to take into account.

Among these is the fact that even though a peremptory challenge doesn't require a reason, if the challenge isn't exercised for a nondiscriminatory reason, it can be considered a violation of a defendant's 14th Amendment right to equal protection of the law.

The landmark decision as to this principal is the 1986 United States Supreme Court decision in Batson v Kentucky.

James Batson was an African American who was convicted in 1982 of burglary and receiving stolen goods by a Louisville, Kentucky Circuit Court jury.

At the trial, the prosecutor had peremptorily challenged the four black jurors on the jury panel leaving an all white jury.

An appeal was taken claiming that the defendant's constitutional rights to an impartial jury composed of persons representing a fair cross section of the community had been violated by this procedure.

In a 7 to 2 decision, the Supreme Court agreed and ruled that a prima facie case (one in which sufficient evidence is provided to make a decision unless the evidence is rebutted) of purposeful discrimination may be established in appropriate cases based solely on the evidence concerning the prosecutors exercise of a peremptory challenge.

To establish this claim the court found that the following must be shown:

- The defendant is a member of a cognizable racial group;
- The exercise of a peremptory challenge to exclude a member of a certain racial group from the jury;
- Circumstantial evidence that raises an inference that the peremptory challenge was exercised on the basis of race.

If a prima facie case is shown, the prosecutor must then rebut it with a believable race neutral explanation.

It is then up to the judge to decide if there has been an equal protection

PLEA DEAL

Continued from Front Page

During the pretrial hearing via Zoom on Wednesday, May 26, Judge Joseph Fabrizio in Oakland County 52-2 District Court accepted an amended agreement for lesser charges.

The operating while intoxicated and leaving the scene of a crash charges would be dismissed, and Ruth, who is trustee for Holly Township Board of Trustees, would plead guilty to operating a vehicle while impaired. He would also pay \$643 in cost recovery from the prosecutor's office and \$500 restitution to Holly Village for the damage done to a patrol vehicle.

A sentencing day has not yet been scheduled.

Holly Police Chief Jerry Narsh had previously said the charges stem from a hit and run drunk driving arrest Friday, Feb. 19. Narsh reported that an on-duty Holly police officer was stopped at the red light on westbound Grange Hall Road at N. Saginaw Street.

The driver of the vehicle, identified later as Ruth, that was northbound on Saginaw Street made a wide turn east onto Grange Hall Road, hitting the officer's patrol car head on. The officer exited his vehicle, spoke with Ruth and advised him to pull into a nearby driveway. Instead, Ruth drove a short distance eastbound on Grange Hall Road before pulling over and stopping.

The officer that was struck was checked out by medical staff for a minor injury, and was cleared to return to duty.

Ruth did not respond to comment request by press time.

violation.

An objection to an alleged violation is called a Batson challenge. The protected classes have been expanded to include challenges based on ethnicity and gender.

Batson now also applies to challenges by criminal defendants and in civil cases.

John Adams once said,

"Representative government and trial by jury are the heart and lungs of liberty."

Ensuring that juries are properly selected is one way of protecting that liberty.

A fantastic way to say Happy Father's Day!

Proposals will be accepted un-

TYRONE REVISITED

1834-1976

A Bicentennial Salute

Written and Prepared by Tyrone Township Resident

The Rose Township Board of

Trustees seeks qualified archi-

tects to submit proposals and

costs to renovate the historic

township hall.

til 3 p.m., Tuesday, June 29 at the current township hall, at 9080 Mason St., Holly. The architect or project architect of the firm must be a 36 CFR Part 61 Federal Qualified Historic Architect.

A site visit to the former township hall at 204 Franklin St., Holly, will be held Wednesday, June 9 at 3 p.m. Rose Township Supervisor Dianne Scheib-Snider will be present to answer questions and provide qualified firms time to tour the historic Rose Town House, Firms must call the office at (248) 634-6889 by

June 9 to take part in this tour.

The historic Rose Town House was built in 1881. Additions and a barrier free ramp were added during the 1970s. New township offices were built and the former hall was used for public functions until 2012.

The township worked with Oakland County Planning historic architect Ron Campbell to develop concept design for replacing the exterior ramp. (Various design options were presented and the recommended option was accepted by the township board.) That recommendation included:

- Removal of the exterior ramp and building an addition to allow access to the two levels via a vertical lift
- Creating a second means of egress from the public hall
- Reconstruction of the exterior concrete monumental stairs and restoration of the double entry doors
- Future improvements, barrier free toilets, storage, kitchen on the lower level and site improvements to heighten public use of the hall and foster historic rehabilitation of the complex

The township's intent is to retain an

architectural firm with historical qualifications and the necessary resources to perform structural, electrical and HVAC planning, designing, bidding, and construction administration deemed to be in the best interest of the township.

The project is envisioned to be

completed in three phases based on budget limitations. The phases are:

Phase 1 - Removal of existing ramp and related selective demolition necessary; restoration/reconstruction of front stairs, an addition proving barrier free access to both levels and a second means of egress from the Main Hall; restore double doors a the original front entrance

> Phase 2-Rehabilitation of basement for public restrooms; table and chair storage, warming kitchen

Phase 3 – Site enhancements, parking, landscaping, etc.

The immediate anticipated project need is to obtain a total project cost estimate of all three phases. The outcome of the estimate of cost of each of the three phases will assist the township board in determining whether the project will proceed, and which phases would be included.

HOT LINE CONTINUED

FEW ARE CLAIMING that electric vehicles have zero environmental impact. EVs have less impact than ICE vehicles. Coal is continuing to lose market share to renewables and natural gas for electricity generation in the U.S. Advancements in battery technology are yielding higher energy density and faster charge times.

IF I HAD it to do all over again, I would've raised my children on organic food.

Hundreds gather at Lakeside Cemetery

■Community pays tribute on Memorial Day to the men and women who made the ultimate sacrifice serving our country

By Sharon Stone

Holly — With no nearby Memorial Day parades to attend, residents in the greater Holly area lined the streets of the parade route to pay tribute to the men and woman who paid the ultimate price serving the U.S. in the armed forces.

The Holly High School marching band entertained parade-goers

Hundreds gathered at Lakeside Cemetery to take part in a solemn Memorial Day service, which included music by the band, wreath presentations, rose ceremony, gun salute, the playing of Taps and the announcement of local scholarships.

Betty Richter, the older sister of Karl Richter, spoke of her famous brother. She also presented the Karl Richter award. Karl Richter would be 78 years old. He graduated from Holly High School where he was an all-around standout lettering in three varsity sports, and he was class president.

Civic groups, veterans, police and fire personnel, scouts and the Holly High School marching band show off their hometown patriotism for the Memorial Day Parade. Photo: Sharon Stone

Betty spoke of how she taught her younger brother to fly and by the time he was set to graduate from high school he was an experienced pilot. Nine days after graduation, he became a cadet in the Air Force Academy. She told those gathered

how her brother flew 100 successful missions and signed up for another 100. His plane was shot down on his 198th mission on July 28, 1967.

Because Holly's Memorial Day parade and service were canceled last year because of COVID, Betty presented the 2020 award, which went to Benjamin Wilson. This year's award went to Drew Hignite.

Ben Baldwin, the Holly High School band director, announced the John Philip Sousa award. This award went to one of Holly's drum majors, Marshall Schaefer-Rice.

The Kiwanis Club awards went to Holly High School seniors Jenna Hughes and Emma Tooley.

Local Memorial Day events

■Some events change due to COVID-19; communities show support for fallen veterans

Linden Memorial Day events included the traditional Memorial Day service Monday, May 31, at 10 a.m., at the Fairview Cemetery Veterans Monument. It was led by the Linden VFW Post 4642.

"As I walked to the event, I met a family spanning many generations. They were attending the event as they have done for the past 30 years. It was great to see so many people keeping the tradition and making the ceremony part of their day," said Linden Mayor Danielle Cusson.

The Memorial Day Parade and Picnic did not take place this year due to COVID-10.

The Fenton Veterans of Foreign War (VFW) Post 3243 and Auxiliary did a procession in downtown Fenton for Memorial Day along with two wreath presentations, one at the bridge over the Shiawassee River and one at Freedom Park. After, they traveled to Oakwood Cemetery for a Memorial Day service at the soldier's statue. There was no parade this year due to COVID-19.

NOTICE OF PUBLIC HEARING

Annual Redetermination of Special Assessment Roll for Special Assessment District for the Purpose of Fire Protection Services and Emergency Medical Response Services

TOWNSHIP OF HOLLY

Oakland County, Michigan

NOTICE IS HEREBY GIVEN, that the Township Board of the Township of Holly will conduct a public hearing at the Karl Richter Campus in the Holly Area Schools Meeting Room, 920 E. Baird St., Holly, Michigan 48442, on June 16, 2021, at 6:30 p.m. or as soon as possible thereafter on the estimated costs and expenses, and the distribution of the levy for Fire Protection Services and Emergency Medical Response Services as redetermined pursuant to MCL 41.801(4).

PLEASE TAKE NOTICE that the Special Assessment District for the Purpose of Fire Protection Services and Emergency Medical Response Services within which the cost of fire protection services, including but not limited to construction of facilities, operational cost of fire protection, maintenance and improvement of equipment facilities, and the cost of ambulance services and related emergency medical response services within the Special Assessment District for the fiscal year 2021-2022 is approximately \$953,577.00. The amount of the special assessment is based upon the special benefit to real property from the nature and level of fire protection services and emergency medical response services to be provided to the Township by the North Oakland County Fire Authority.

PLEASE TAKE FURTHER NOTICE that the total amount proposed to be specially assessed in the Special Assessment District for the Purpose of Fire Protection Services and Emergency Medical Response Services and the millage rate proposed are:

TOTAL: \$953,577.00 MILLAGE RATE: 3.9500

PLEASE TAKE FURTHER NOTICE that copies of the proposed budget and of the proposed special assessment roll may be inspected at the office of the Township Clerk at 102 Civic Drive, Holly, Michigan 48442, by appointment. For

an appointment please call the Clerk at 248-3697445.

PLEASE TAKE FURTHER NOTICE that at the public hearing, the Township Board will hear and or review said special assessment roll and any comments or objections thereto which might be made or filed with the Board at or prior to the time of said public hearing, and will consider any revisions, amendments, or changes to said proposed special assessment roll and the amount of special assessments to be levied against benefited property.

Appearance and protest at this public hearing is required in order to appeal the amount of the special assessment to the Michigan Tax Tribunal. An owner or party in interest or his or her agent may appear in person at this hearing to protest the special assessment, or shall be permitted to file his or her appearance or protest by letter received at or before the public hearing, and if such a letter is filed, then the personal appearance of the person protesting is not required.

The owner or any person having an interest in the real property who protests in person or in writing at this hearing as set forth above may file a written appeal of the special assessment with the Michigan Tax Tribunal within thirty (30) days after the confirmation of the special assessment roll.

PLEASE TAKE FURTHER NOTICE that if the proposed special assessment roll is confirmed, or is modified and confirmed, the special assessment will be collected in the same manner as property taxes as provided for by law.

All interested persons are invited to be present at the aforesaid time and place to submit comments concerning any of the foregoing, or to protest the proposed special assessment roll and/or special assessment.

Holly Township will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed material being considered at the hearing, to individuals with disabilities at the hearing upon seven (7) day notice to the Township Clerk. Individuals with disabilities requiring auxiliary aids or services should contact the Township Clerk at 248-369-7445.

Holly's Nolan Jenkinson

Holly baseball finishes second in Metro, sweeps Kearsley

By David Troppens

The Holly varsity baseball team completed the Flint Metro League season in second place.

The Bronchos locked up second place by sweeping the Flint Kearsley Hornets in team's final twinbill of the Metro season. Holly won a tight 5-4 thriller in the opening game and then crushed Kearsley in the second game 14-1.

Holly's two-run sixth in-

ning gave the Bronchos (25-9-2 overall and 16-4-2 in the Metro League) a 5-3 lead. With one out, Jacob Hild walked and Mason Yoder doubled. Weston Syjud followed with a two-run single, giving Holly the lead for good.

Kearsley had two more chances to tie the game or take the lead against Holly starter Mason Yoder. Kearsley opened the bottom of the sixth with a single and had another batter reach base on an error. However, the inning ended with Holly catcher Hild throwing out a potential steal attempt. A strike out ended the inning.

Kearsley had another chance to score in the bottom of the seventh. A lead-off single started the threat and two outs later, Kearsley earned a walk. However, the game ended with a fly out.

Yoder was the star, pitching a complete-game victory. He tossed a six-hitter and walked three, Only one of the four runs he allowed were earned.

Holly scored two runs in the top of the third to take a 2-1 lead. Logan Winstead reached base on an error and Jacob Pittenger walked. Mason Clark sacrificed them to second and third and Chris Walton was hit by a pitch, loading the bases. Nolan Jenkinson singled in the two runs.

Fenton boys track competes well at team MITCA meet : Tigers enter

By David Troppens

The Fenton varsity boys track and field team competed at what is considered the unofficial team state meet Friday when the Tigers went to the MITCA Division I Team State Meet at Lansing Waverly High School.

While there, the Tigers posted some impressive performances and finished fifth as a team.

Brandon Miller is expected to contend for some individual event state championships at the D1 state meet and showed why at the MITCA meet. Miller recorded a new MITCA state record in the 100 meter dash, recording a time of

10.61 seconds en route to a first-place finish. The old record was 10.68 seconds. He also earned a first in the 200 with a personal-best time of 21.24 seconds. Who was his best competition in the 200 at the meet? Why it was his Fenton teammate Noah Sage who placed second in 21.64 seconds. Sage also placed third in the 100 (11.06).

Miller and Sage also helped the Tigers to a firstplace finish in the 800 relay. They teamed with Donovan

Miller and Evan Koch to post a first-place time of 1:30.20. They also helped the 400 relay team with Donovan Miller and Christopher Piwowarczyk to a secondplace performance (43.60).

Justin Miller also recorded a second at the meet. Expected to be a state contender in the high jump, he posted a secondplace leap of 6-feet-0. His teammate, Jack Larson, placed fourth (5-8).

Finally, the Tigers earned one more top-three effort with the 1,600 relay team of Koch, Landon Sahouri, Patrick Hamilton and Piwowarczyk earning it with a time of 3:37.59.

state meet with lofty seedings

■Linden track athletes also seeded high at D2 meet

By David Troppens

If the regional seedings are correct, the Fenton varsity boys track and field team could be having a pretty outstanding day Saturday at the Division 1 State Track and Field Championships at East Kentwood High School.

The Tigers have three No. 1 seeds among the 17 events, two more seeded second and seven competitors seeded • in the top 10.

The Linden varsity boys track and field team also has two top 10 seeded performers for Saturday's Division 2 Zeeland Public Schools. The Linden girls also have a top seed in an event • as well.

Fenton's Brandon Miller enters the Some of the Fenton varsity boys D1 state meet with the top regional track team's top players at the MITCA $\overline{}$ time in the 200 (21.25) and the second-Division 1 Team State meet were • best 100 time (10.60) while Noah Sage sprint runners (above photo, from holds the top time in the 400 (47.69) right to left) Brandon Miller and Noah and is sixth in the 200 (22.02). Finally,

Linden softball uses long ball to capture Ogemaw Heights title

By David Troppens

Linden's varsity softball team used the long ball to capture the Ogemaw Heights Tournament title on Saturday.

In the opening contest, the Eagles hit three home runs, helping spark a 10-0 victory. In the 16-3 victory against Ogemaw Heights, the Eagles (29-6) hit five home runs.

In the first game, Liv Burke, Hannah Lewandowski and Haley Ludwig hit fourbaggers. Ludwig hit a tworun shot in Linden's three-run second inning. Burke led off Linden's three-run fifth with a four-bagger and Lewandowski ended the contest via the 10-run mercy rule with a solo home run to start the sixth.

Linden had 15 hits with Ludwig collecting four safeties and Burke and Emma Mossing collecting three hits each. On the mound, Jordyn Hobson pitched all six innings, allowing just one hit and two walks. She struck out 13 batters. She threw 87 pitches with 60 being strikes.

In the second game, Bollinger hit two home runs while Burke, Hobson and Ludwig had a home run each. The Eagles scored 12 runs in the first inning with Hobson opening the game with a solo home run. Two batters later, Bollinger hit a solo shot, and later, Bollinger hit her second home run in the opening inning with a two-run shot. Just two batters later, Ludwig hit the team's final four-bagger in the stanza, a two-run shot. The Eagles' final four-bagger was Burke's solo shot in the second inning.

Mossing had three hits while Hobson, Maddie Morse, Bollinger and Burke had two hits each.

Linden catcher Kylee Mason prepares for a collision at home plate during a recent contest against Grand Blanc. The Eagles won the Ogemaw Heights Tournament. Photo: Mark Bolen

Holly softball ends Metro season on high note, beats Kearsley

By David Troppens

The Holly varsity softball team had its ups and downs during the Flint Metro League season.

Possibly predictably it made sense the Bronchos finish the Metro season with a .500 record.

Holly finished the Metro season with an 11-11 record by sweeping Kearsley in a final twinbill. Holly defeated Kearsley 16-3 in the opening game and 17-0 in the second contest.

The first game was just five innings with Rhylee Parks driving in four runs and Autumn Lewis providing a home run. Lewis hit her four-bagger in the Bronchos' six-run second inning, hitting a two-run shot. By that time the Bronchos led 6-0. Meanwhile, Parks hit an RBI-single in Holly's four-run

See HOLLY on 12

Holly's Maggs Bohem earned both victories on the mound in the Bronchos' twinbill sweep of Kearsley. **Photo: David Troppens**

SEEDINGS

Continued from Page 10

petitor to post a leap of 6-foot-8.

The individual events are just the start of the Tigers' potential points. The Tigers' 400 relay team of Donovan Miller, Sage, Christopher Piwowarczyk and Brandon Miller (42.54) holds the second-best regional time, while Fenton's 800 relay team of Donovan Miller, Sage, Brandon Miller and Evan Koch hold the third-best time (1:28.80).

If the Tigers hold those seeds, they'll score 58 team points which would contend Fenton for the Division 1 state championship.

Linden's girls have a top seed as well in D2 action. Lani Manners, Lauren Goodman, Kennedy Hoose and Victoria Osmond hold the state's top time in the 400 relay (51.00). The Linden boys have two top-10 seeds in the same event. Kyle Eberhard is the fifth seed in the 1,600 (4:26.36) and River Meckstroth is the sixth seed (4:27.29) in the 1,600.

Linden's Lani Manners is one of the Eagles' state members of the 400 relay team. **Photo: David Troppens**

Fenton softball falls in a pair of tight games vs. Davison Cardinals

By David Troppens

The Fenton varsity softball team faced off against a strong Davison squad and lost a couple of tight pitchers' duels.

The Tigers lost the opening contest 4-2 and then lost the second game 3-2.

In the opener, Jordyn Bommersbach pitched a two-hitter over eight innings. She walked three and struck out five.

The teams were tied at 1-all entering the eighth inning. Davison responded by scoring three runs in the top of the eighth without the aid of a run-producing hit. Both teams began the eighth with a runner on second base. Caitlin Byers singled and Paige Anderson hit an RBI-ground out for Davison. Chloe Hug walked and the next run scored on a fielder's choice ground out. A Fenton error allowed the third run to score.

Fenton did score a run in the eighth. Lily Turkowski hit an RBI-single, scoring the Tigers' runner on second base (Chloe Lefever), but that's as close as the Tigers would get.

Fenton scored its other run in the sixth when Madi Best singled and scored and Adrie Staib plated her with a triple.

In the second game, Davison scored two runs in the top of the first inning. Fenton scored single runs in the frist and fifth innings to tie the game, but Davison scored another run in the top of the sixth to earn the 3-2 victory.

In the opener, Sophie Collins singled and eventually scored on Best's RBI-single in the opening inning. In the fifth, Best reached base on an error and went to second on Chloe Lefever's single. Best scored on a sacrifice fly by Lauren Miller.

On the mound, Kariana Pelkey tossed a seven-hitter and walked one batter while striking out three. She needed only 89 pitches and threw 65 for strikes. Unfortunately, it was in a losing cause.

HOLLY

Continued from Page 11

fourth, a two-run single in the Bronchos' six-run second and an RBI-single in the third.

Offensively, Nora Kreft had a strong showing, collecting two hits and three RBI. Hunter Weeder and Audrey Combs each had two hits and two RBI.

On the mound, Maggs Boehm was the winning pitcher, allowing seven hits and a walk in five innings of work. She struck out two batters.

In the second game, Holly scored 10 runs in the top of the third to earn the

three-inning 15-run mercy-shortened victory. In this contest, Delaney Jenkinson had two home runs and Lewis had one. Jenkinson's first four-bagger was a two-run home run in the first inning. She also hit an inside-the-park home run in the second inning, plating two more runs. Lewis hit a two-run shot in the third inning.

Jenkinson went 4-for-4 with four RBI and four runs scored. Lewis and Alivya Boehm had three hits each while Maggs Boehm had two hits. On the mound, Boehm allowed one hit and no walks over the three innings. She struck out three.

PREP REPORT

SOFTBALL

► Grand Blanc 13-16, Linden 0-7: The Eagles lost both games of the doubleheader. In the opening game, Jordyn Hobson and Emma Mossing had a double each.

Linden had 10 hits in the second game with Mossing and Hannah Bollinger having a home run each. Hobson had three hits while Mossing and Mikayla Timm had two hits each.

BASÉBALL

▶ Lake Fenton 4-7, Owosso 8-0:

The Blue Devils were paced by Lance Willman's two hits in the opening contest. Noah Schatzley had a hit and drove in two runs.

In the nightcap, Max Borski tossed a six-hit shutout, striking out seven batters in the 7-0 victory. He threw just 86 pitches, throwing 65 strikes.

Offensively, Mason Cook paced the Blue Devils with three hits and three RBI while Cameron Wright had two hits each.

Obituaries

Maxine Marie Bloomfield

1935 - 2021

Maxine Marie Bloomfield - age 86, of Lake Fenton, passed away Thursday, May 27, 2021 in Pearland, TX. Maxine was born April 8,

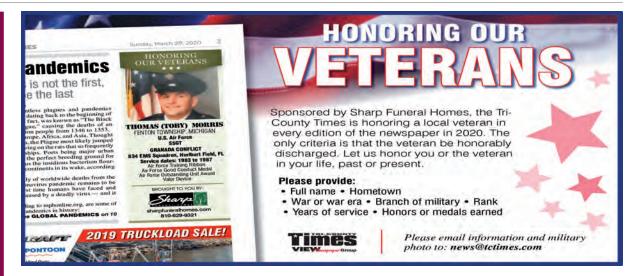

1935 in Saginaw and was the daughter of Ella and Raymond Bailey and sister to Mary Ellen Zellers of Flushing. A 1956 graduate of Hurley Hospital Nursing School, she worked for many years at the private medical practice of Buchanan, Martin, and Bailey in Fenton before volunteering at

local hospice agencies. She was a devout Christian and longtime member of Lake Fenton United Methodist Church. Her husband of 60 years, Rodger Bloomfield, preceded her in 2018. A loving Mom and Grandmother, she is survived by sons, Mike (Lori), Mark (Bonnie) and David; grandchildren, Courtney (Will), Brian, Carolyn, Meghan, Blake and Brooke; greatgrandchildren, Anden and Sterns. Services will be held later this year at Lake Fenton United Methodist Church, 2851 N. Long Lake Road, Fenton. In lieu of flowers, the family prefers donations be made in Maxine's honor to LFUMC.

FUNERAL ETIQUETTE WHAT CAN I DO TO HELP LATER?

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.

Horoscopes

ARIES

Mar 21/Apr 20

You feel most comfortable when things are organized, Aries. However, flexibility is handy as well, and sometimes things may not be in order as much as you like. Adapting is key.

you'll hit your stride soon enough.

TAURUS

Apr 21/May 21 Taurus, once you get into a groove, you will find that many of your tasks are much easier to manage. Keep plugging and

GEMINI

May 22/Jun 21 Gemini, sometimes it may seem like the smallest issue is suddenly a major mountain that you must scale. Change your approach and you'll soon realize you can handle anything.

©2021 King Features Synd., Inc. • Answers in this Sunday's edition of the Tri-County Times

CANCER

Jun 22/Jul 22

Many things may come to you more easily than usual, Cancer. Ride this wave of ease that has fallen into your lap. Enjoy the break that comes with it as well.

LEO

Jul 23/Aug 23

You can get far with minimal effort this week, Leo. Simply set your sights on an end goal, and before you know it you will reach that destination.

VIRGO

Aug 24/Sept 22

Virgo, check your messages frequently this week, as someone needs to get in touch with you. He or she may have some news that can change your course.

LIBRA

Sept 23/Oct 23

Libra, don't focus too much on emotions this week. Instead, put all of your energy into intellectual musings, which will help you complete a project in the days ahead

SCORPIO

Oct 24/Nov 22

Scorpio, even with the frenzy of activity around you, try not to be overwhelmed by the situation. Your first reaction may be to fly off the handle. Keep it together.

SAGITTARIUS

Nov 23/Dec 21

Consider calling up an old friend or a former romantic partner who has the potential to stir up some passion inside of you, Sagittarius. More excitement is on the horizon

CAPRICORN

Dec 22/Jan 20 Capricorn, this is one of those weeks when you get sidetracked at seemingly every turn, Capricorn. Don't be too hard on yourself about the delays.

AQUARIUS

May 31, 2021 Jan 21/Feb 18

For the week of

Aquarius, embrace some difficult tasks this week. These projects will make you appreciate the value of hard work and put simpler tasks in perspective.

PISCES

Feb 19/Mar 20

This is your week to make short work of chores, Pisces. You may be lacking patience, but everything will get done, especially if you ask for help.
