"Mom, I'm bored." "What's something we can do together?"

and Kristen Archambeau, marketing coordinator and dance director, both said COVID restrictions are easing for Southern Lakes Parks & Recreation (SLPR) programs.

Koledo said the SLPR offices are not fully staffed in person yet, but he expects things to be back to normal in July. He did note that online registrations and communications have gone well this past year during the pandemic.

Currently, SLPR is hosting the farmers market Thursdays in downtown Fenton during the Street Experience. They also have numerous mini events

and activities taking place during the Street Experience on Thursdays and Fridays from 5 to 9 p.m.

Archambeau said dance, gymnastics and fitness classes were down regarding participation, however, numbers are coming back. "Numbers are stronger than we anticipated. They were small but solid for dance," she said.

SLPR art classes have remained popular and they gave people opportunities to connect with others and to try something out of their realm.

One class through SLPR that never shut down due to the COVID restrictions was the driver's education class. Koledo said there is a waiting list for this class for students at Lake Fenton, Fenton and Linden, as well as other community members.

Koledo and Archambeau said everyone is looking forward to classes starting up again this summer. They're sure the senior citizens who frequented the Friday morning senior get-togethers are looking forward to those mornings when the activities start up late July or early August.

SLPR offers an Adaptive Recreation

program, which includes the Adaptive Soccer Fun "ASF," which starts up again Sept. 11. This soccer club is a special needs soccer program aimed at people ages 5 through adults who want to play soccer but are unable to participate in mainstream programs. It's an eight-week session.

New for this summer is the NASA Camp: Academy of Future Space Explorers Camp in July for ages 5 to 12. Mad Science is the only organization licensed by NASA to use these activities for summer camps and school programs. Archambeau said, "This is a great class for kids."

The Jr. Hot Shots basketball program for kids is so popular that the June session is full. Basketball basics will cover dribbling, shooting, passing, defense, and rebounding. Instructor Jerry Davis has over 10 years experience coaching varsity basketball as well as many other years experience coaching players at an introductory level. Spots for the summer session are available.

The Gym Stars Gymnastics Programs for toddlers through high school age gymnasts has a new schedule for summer, with two sessions. You can do all 8 weeks or

pick a session that fits into your schedule. They also will offer a Day Camp.

Artistic or non-artistic people aged 13 and up might want to check out the Learn to Paint Like Bob Ross classes with instructor Ted Simpson. There are two more three-hour sessions available this summer.

Youth who need to shake off some cobwebs and want to focus on getting fit will want to check out the Ultimate Performance program for speed and strength. Archambeau said this program is "big" with the kids in middle and high school and "it's important for them to keep active."

## LINDEN SCHOOLS COMMUNITY EDUCATION

Debbie Brindle, the community education and food service director, said her program has many classes and camps offered. Some of the camps include Volleyball Camp, Girls or Boys Basketball Camp, Linden Track and Field Camp, and Eagles' Football Spread Camp.

A popular weekly activity are the Wednesday Night Races in the Park. Times Sports Editor David Troppens regularly covers these races held at Linden County Park for kids through adults.

Brindle said they're offering two sessions of a Wednesday Night Boys Baseball Clinic at the high school.

One thing Brindle is trying to bring in more are yoga classes. There are yoga classes for children as young as 2. They already held a Mini Yogi and Me class for young children and Brindle said the yoga instructor, Kristen Wesley, is "amazing." The parents were thrilled that Brindle is schedule more of these classes.

For incoming kindergartners, Brindle said they will have a Kinder Yoga and Art Camp in August. There will be three themed sessions. She said yoga

for youngsters is great for the little ones and brings attention to their body, mind and breathing.

Everyone is encouraged to check out all of the available classes. You do not have to live in the Linden schools district. Brindle said Linden Community Ed is for anyone anywhere. Everyone pays the same price for classes.

New this year is their lacrosse program for boys and girls. Brindle said they started with a boys camp, but this summer they are hoping to have girls sign up as well.

Other new programs include photography camps and karate classes.

Brindle said to register, call her office at (810) 591-0415. She's there weekdays from 7 a.m. to 3:30 p.m. to answer any questions.

# Eagles' seniors appreciate final season with program

By David Troppens

**Marysville** — The 2021 softball season probably meant more to Linden senior Emma Mossing than most seniors.

Sure, the 2020-21 athletic school year's entire prep season meant a lot to every senior athlete, but for Mossing it meant a little more, considering what happened during her sophomore season.

"It meant everything because I got hurt my sophomore year," Mossing said moments after the Eagles' 3-1 loss to

Marysville in a Division 2 State Quarterfinal contest at Marysville State Park, Tuesday. "I had a thumb injury, and then COVID-19 took away last year. I just wanted everything to go through this year."

That happened. And for the Linden varsity softball team that meant posting one of the greatest seasons in school history, perhaps it ranks the No. 2 spot in school history. The Eagles weren't able to win a Flint Metro

League title, placing second, but have accomplished a lot of other impressive credentials. The sixth-ranked Eagles posted a school record in wins with 34 victories in 42 contests. The postseason was where the Eagles had their greatest moments. Linden won three district games against Kearsley, Clio and Lake Fenton by a combined score of 45-15. Area rival Lake Fenton gave the Eagles their best battle, losing to Linden 7-5 in

# Linden's tourney run ends in state quarterfinal, falls to Marysville

By David Troppens

**Marysville** — The Linden varsity softball team's bats have led the Eagles to some lofty standards during the 2021 season.

Some of those accomplishments have come during the state tournament as the Eagles scored a combined 58 runs in five district and regional games to cruise to district and regional championships.

However, with the aid of Marysville pitcher Kirsten Smith, the bats were silenced during a D2 state quarterfinal contest at Marysville State Park, resulting in a tough 3-1 loss for the Eagles.

The Eagles (34-8) were limited to just two hits, and the one run represented only the third time in 42 contests this season. Meanwhile, the Vikings, who were playing a home game in front of a large crowd surrounding the softball field, were able to manufacture three runs against the Eagles using their short game.

"That's pretty much how they got their runs and we usually answer back with runs," Linden

varsity softball coach Gordon Jamison said. "The Marysville pitcher pitched a good game. She was hitting her spots. A couple of our hitters seemed to struggle with her. They either had a bad day themselves or they struggled with her or a combination of the two. They'll usually hit good pitching and make pretty good contact. Usually we make more contact."

The contest ended up being a pitchers' duel between the Eagles' Jordyn Hobson and Smith. However, the Eagles seemed to come out a little nervous in the opening inning and Marysville took advantage. After the Eagles went out in order in the top of the first inning, Marysville's Kate Westmiller was hit by a pitch. She stole second and advanced to third base on a single by Smith. Calle Perrin followed with an RBI-ground out, plating the game's first run. The Vikings led 1-0 to the approval of their large crowd.

The Eagles earned their first baserunner in the second inning. It came when Cassie Sylvester walked with two out. However, she remained

there after a strike out as the other three Eagles batting that inning struck out. In fact, five Eagles struck out the first time through the batting order.

Marysville scored a second run with the aid of a Linden error in the second inning, with the Vikings using the short game to earn that run. Anna Oles bunted and reached base on an infield single. Brandi Bassett followed with a batted ball to the infield that was booted putting runners on first and second with no out. Meghan Winston bunted for a single and loaded the bases with no out. The run was scored when Av-

Morse had one of the Eagles' two hits, an RBI-single in the third inning.

Sylvester (left) reached base twice during the contest, walking both times.

Widner scored Linden's only run in the third inning. She doubled and scored on a single by Morse.

Perrin drove in Marysville's first run in the first inning with an RBI-ground out.

Hobson threw strikes tossing 79 percent of her pitches (75-of-95) for strikes. She didn't walk a batter and struck out three. Of the 28 batters she faced, 22 faced a first-pitch strike. One of the three runs she allowed were unearned.

Woodard had two hits, and drove in a run during Marysville's second inning. She used bunts to do her damage.

Just like Hobson, Smith was effectively accurate, throwing 70 of her 92 pitches for strikes. The Eagles struggled, collecting just two hits and hitting just four balls to the outfield. The Eagles struck out 10 times and walked twice.

The Linden Eagles earned their second Division 2 regional championship in school history (the first coming in 2013) and broke a school record by winning 34 games during the 2021 spring season.

EAGLES' Continued from Page 23 the district title game.

What followed was the regional tournament which included a 9-4 victory in the semifinals against Imlay City and a 4-3 eight-inning victory against Essexville Garber in the regional title game. It was Linden's second regional title in school history. The run ended with the 3-1 loss to Marysville in the quarterfinal.

Linden varsity softball coach Gordon Jamison said the senior class was the key for the season's success. It was pivotal considering so many of this season's varsity starters were playing their first varsity games of their careers due to the loss of 2020 on COVID-19.

"How the seniors, especially Emma, took ownership of the team (meant everything)," Linden varsity softball coach Gordon Jamison said. "She was the reason that brought it to get it together and they jelled. There weren't a lot of girls on this team from the last time we played at school, so the seniors really played a huge role. They brought in their teammates and everyone jelled really well together."

The seniors were pleased with their final prep season.

"It's been the best season ever," senior Maddie Morse said. "We got so far. I remember my sophomore year, we were so excited for our junior season but we didn't have it, so our senior year meant everything to us. It was everything. It was like riding a roller coaster. That's how I can describe it because it was riding the ups and downs, but we kept it going."

ery Woodard hit into a fielder's choice play. The Eagles went for the out at home but were unable to get the out, resulting in a 2-0 lead with the bases still loaded and no out. Amazingly, Hobson was able to work out of the jam without another run scoring. An infield fly out, a strike out and a ground out ended the inning, allowing the Eagles to trail just 2-0.

Linden's only two hits of the contest came in the third inning. After an out, Megan Widner hit a double to right centerfield. A ground out by Hobson moved Widner to third, and she scored on a bunt single by Maddie Morse. A ground out ended the threat, but the Eagles were now within a 2-1 margin and were starting to look a bit more comfortable.

However, from there, Smith only became stronger on the mound. After Morse's single, Smith retired the next 12 batters. Hobson was nearly as effective, only allowing one more run in the fifth inning, and, again, the short game helped score the Marysville run.

A bunt single put Smith on first, but courtesy runner Emma Curtis was gunned out at second base by Linden catcher Hannah Bollinger for a caught stealing. Cain continued the inning with an infield single. She moved to second on a ground out and stole third. She scored on Avery Wolters's single to center, the only batted ball to leave the infield during the inning. Marysville led 3-1.

Linden had one more chance in the seventh. With two out, Sylvester earned her second walk against Smith, and McKayla Timm followed with a batted ball that was almost a double, putting runners on second and third, but the call was a foul ball. A strike out ended the inning and the game.

"They deserved to win," Morse said. "We both deserved to win. We both played well, but they just played better, and good for them."

"I knew we could've done better, but we left everything out there," Linden senior Emma Mossing said.

Smith tossed 70 of her 92 pitches for strikes, getting a first-pitch strike to 19 of the 25 batters she faced. She struck out 10 batters, walked two and tossed a two-hitter.

Hobson threw 75 of her 95 pitches for strikes and struck out three batters while walking none. She allowed seven hits.

## POLICE & FIRE REPORT

COMPILED BY SHARON STONE

### HOLLY MAN ARRESTED ON WARRANT

On Saturday, June 12, a Holly police officer was conducting traffic enforcement patrol and observed a vehicle in front of him with expired plates. The officer ran the driver through the Law Enforcement Information Network (LEIN) and determined the registered owner has a suspended driver's license and an open arrest warrant. The vehicle was stopped and the driver admitted to the officer he has a suspended license and a warrant for his arrest. The 25-year-old Holly man was arrested and transported to Holly police station for processing. An officer from the warrant holding agency arrived and took custody on their charges.

### TOO SOON FOR FIREWORKS

On Saturday, June 12, a Holly police officer was dispatched to an area on Grange Hall Road for a report of fireworks. The officer remained in the area to determine the source, but while he was on location, none were set off.

### BURTON MAN NEARLY THREE TIMES OVER LEGAL LIMIT

On Sunday, June 13, while a Holly police officer was on patrol on N. Saginaw Street, he observed a vehicle driving without headlights on and unable to keep his vehicle in his lane of travel. The officer got behind the vehicle and initiated a traffic stop. The officer detected strong signs of alcohol intoxication and had the driver perform sobriety tests. It was determined the man was nearly three times over the legal limit. The 27-year-old Burton man was arrested for operating while intoxicated and transported to Holly police station for processing.

## MICHIGAN VOTES

### LEGISLATIVE ACTIVITY

— Compiled by Sharon Stone —

MichiganVotes.org is a free, non-partisan website created by the Mackinac Center for Public Policy to provide concise, non-partisan, plain-English descriptions of every bill and vote in the Michigan House and Senate. This report was released Friday, June 11.

#### Senate Bill 458: Require governor notify legislature when traveling out of state

To require that when leaving the state and on return, the governor must notify the lieutenant governor, and require this person to notify legislative leaders in writing within 12 hours.

#### Passed 20 to 16 in the Senate

Sen. Ruth Johnson (R-Dist. 14)	YES
Sen. Jim Runestad (R-Dist. 15)	YES
Sen. Lana Theis (R-Dist. 22)	YES
Sen. Jim Ananich (D-Dist. 27)	NO
Sen. Ken Horn (R-Dist. 32)	YES

#### Senate Bill 458: Irwin legislative leader "domestic terrorist" amendment

To add an exception to SB 458, waiving the "governor has left the state" reporting requirement for a legislative leader believed to present "a security risk to this state because of his or her affiliations with a domestic terrorist organization." This was proposed by Sen. Jeff Irwin, D-Ann Arbor.

#### Failed 16 to 20 in the Senate

Sen. Ruth Johnson (R-Dist. 14)	NO
Sen. Jim Runestad (R-Dist. 15)	NO
Sen. Lana Theis (R-Dist. 22)	NO
Sen. Jim Ananich (D-Dist. 27)	YES
Sen. Ken Horn (R-Dist. 32)	NO

#### Senate Bill 429: Establish sand and gravel mining regulatory regime, fees

To impose a state permit mandate on "aggregates" mining (sand and gravel), which are needed for road repair and reconstruction projects. The bill would preempt locally imposed restrictions and permit requirements (with exceptions), and authorize a \$5,000 permit application fee.

#### Passed 19 to 17 in the Senate

Sen. Ruth Johnson (R-Dist. 14)	NO
Sen. Jim Runestad (R-Dist. 15)	NO
Sen. Lana Theis (R-Dist. 22)	NO
Sen. Jim Ananich (D-Dist. 27)	YES
Sen. Ken Horn (R-Dist. 32)	YES

#### House Bill 4823: Shift more online gambling tax revenue to horse race industry

To remove a cap on the amount of state online gambling tax revenue that can be given to the horse race industry and tracks. Fiscal agency analysts note this could cause a modest reduction in revenue for schools.

#### Passed 88 to 21 in the House

Rep. Bob Bezotte (R-Dist. 47)	YES
Rep. Mike Mueller (R-Dist. 51)	YES

#### House Bill 4667: Ban government "vaccination passport"

To prohibit the state or local governments from producing or issuing a COVID-19 vaccine passport, subject to a \$1,000 penalty per violation. The bill would also ban governments from providing an incentive to a person to require or use a vaccination passport.

#### Passed 62 to 47 in the House

Rep. Bob Bezotte (R-Dist. 47)	YES
Rep. Mike Mueller (R-Dist. 51)	YES

#### House Bill 4631: Reduce a limit on government "civil asset forfeiture" takings

To create an exception to a 2019 law that prohibited government "civil asset forfeitures," which are takings of property that may be associated with a suspected drug-related crime, unless the individual is actually convicted or accepts a plea bargain. That only applies to police seizures of property worth \$50,000 or more, and the bill would lower this to \$20,000 for property seized by public airport authority police.

#### Passed 77 to 33 in the House

Rep. Bob Bezotte (R-Dist. 47)	YES
Rep. Mike Mueller (R-Dist. 51)	YES

Glenysellen is together again with the love of her life, Daniel H. Chaffin, who loved her until his passing on May 4, 2021. She was predeceased by her sister, Karen (Thomas) Molter. A private service will take place at Great Lakes National Cemetery in the near future for both her and Daniel.

**Charleene Kromer**

1935 - 2021

You are cordially invited to participate in the memorial service honoring Charleene Kromer. It will be Saturday, June 26, 2021, at 11 AM at the Fenton United Methodist Church, 119 S. Leroy Street, Fenton.

Visitation will be Friday, June 25th from 4 - 6 PM and 7 - 9 PM at the Sharp Funeral Home 1000 Silver Lake Road, Fenton, Michigan. Also, visitation from 10 AM the morning of the Memorial Service at the Fenton United Methodist Church. Join the family after the service for a lunch. How marvelous, how wonderful... is God's love. Char's obituary asked that in lieu of flowers, donations be given to the Gideons International. Many people responded. Donations to-date have provided 9,133 people with a New Testament. If you missed that opportunity,

feel free to write a check payable to The Gideons International. Another option is to support a local ministry that assists families who are adopting or fostering homeless children. Make your check payable to

Clara's Hope. Clara was an adopted grandchild whose brain was undeveloped and had only a few months' life expectancy. But the love of her family and community extended her life dramatically. Clara was the inspiration for establishing the Clara's Hope Ministry. She, in her marvelous way, confirmed the love of Jesus to all within her touch. (mail donations to Kromer Family, 650 Gamber Lane, Linden, MI 48451). [www.sharpfuneralhomes.com](http://www.sharpfuneralhomes.com).

FUNERAL ETIQUETTE  
WHAT CAN I DO TO HELP LATER?

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.
