

Argentine Township officer saves choking woman

■ Dislodges clam from unconscious 25-year-old woman at her home

By Sharon Stone

Argentine Township police officer

Steven Carlson is credited with saving the life of a 25-year-old Argentine Township woman on Nov. 26.

Sgt. Paul Honkanen said Carlson responded to a 911 call in the 16000 block of River Ridge that indicated

a woman was choking. Reportedly, the woman was eating clams with her family when she choked on a piece.

When Carlson arrived, the woman was unconscious and she did not appear to be breathing. He got her upright and

administered abdominal thrusts, which dislodged the piece of food.

Honkanen said the woman is doing fine now. He added that Carlson has been with the department nearly two years.

Rose Township likely to see millage on August 2022 ballot

■ To generate funds to continue contributions for fire and EMS service

By Sharon Stone

During its regular meeting Wednesday, Dec. 8, the Rose Township Board of Trustees unanimously voted in favor of postponing discussion on a proposed increase on a millage for fire and EMS service by North Oakland County Fire Authority (NOCFA).

Rose Township has two NOCFA millages, 1.3096 and 0.7229, for a total of 2.0325 mills. They both expire Dec. 31, 2021. Holly Township has a NOCFA millage of 4 mills.

■ View Newspaper Group event returned in person, raises money to help families in need

By Hannah Ball

The third annual Bottles, Brews & News was a success, raising \$7,000 for the Fenton Area Resources and Referral Network, Inc. (FARR).

Event organizers gave the check to

FARR on Wednesday, Dec. 15.

The event, hosted by View Newspaper Group, parent company of Tri-County Times, was held in late October in downtown Fenton's Rackham Park and featured craft beer, hard seltzer and wine samples, live music and food. Hundreds of people attended, enjoyed live music and sampled drinks.

First Omicron variant cases detected in Genesee County

■ Two adults with recent domestic travel, no hospitalization for either

The Genesee County Health Department (GCHD) has been notified of two Genesee County residents with confirmed cases of the Omicron (B.1.1.529) variant of COVID-19. Case investigation and contact tracing has been done for both individuals, one who first tested positive Dec. 1 and the other Dec. 2. Both individuals were adults between 18 and 64 years old who were not hospitalized. These cases were associated with domestic travel.

The Omicron variant was classified as a "variant of concern" by the Centers for Disease Control

See **OMICRON** on 27

“Although small in size, the Fenton Winegarden Library is part of the Genesee District Library, a countywide library system with 19 locations. Directly or through mutual assistance, Winegarden provides all the same services as the ‘big boys’ in Oxford, Ortonville and Clarkston. Please stop ignorantly bashing our local resources.”

“Anyone in the Fenton/Linden/Holly area who would like to pray for peace and healing, come to Transfiguration Lutheran Church, 14172 Fenton Rd., on the Solstice, Dec. 21 at 4 p.m. We will be outside, so dress for the weather. Everyone is welcome.”

“Towns should issue citations for all the illegal yard signs in parkways, medians, and telephone poles. It's out of control.”

AWARD WINNING CARDIAC CARE IN GENESEE COUNTY.

Decades ago, McLaren Flint committed to offering the most current and comprehensive cardiac care to meet our community's needs, close to home.

This commitment has always included the expertise of highly trained physicians and staff, as well as regularly investing in the latest technology and ensuring a state-of-the-art facility.

Why we are the region's heart hospital:

- Genesee County three-star hospital for coronary artery bypass grafting, a distinction given to the top 10 percentile of hospitals nationally by the Society of Thoracic Surgeons.
- Only Blue Distinction Center+ for Cardiac Care in Genesee County.
- Genesee County's pioneering hospital for advanced cardiac procedures, including Transcatheter Aortic Valve Replacement (TAVR), MitraClip, and WATCHMAN.
- Our cardiothoracic surgeons and structural heart specialists perform more procedures than other programs in the region.

To learn more about our award winning cardiac care program, visit mclaren.org/flintheart.

DOING WHAT'S BEST.®

Check out the Festival of Lights until Dec. 25

■Symphony Linden decked out with Christmas lights for the holidays

By Hannah Ball

Christmas is just around the corner, and if you’re thinking about driving around to go see Christmas lights, make sure you visit Symphony Linden and drive or walk through the Festival of Lights.

The assisted living facility off S. Bridge Street is currently decorated with thousands of Christmas lights. The bright and festive display will remain up until after Christmas. Volunteers from Linden Pay It Forward put up the lights in early December and had a lighting ceremony for the public and the residents of Symphony.

“The residents had their curtains and blinds open so they could watch and wave as the patrons and the Linden High School Marching band marched through playing Christmas music. We were unable to talk with them but the smiles on their faces said enough,” said event organizer Stephanie Johnson.

This is the second year for Festival of Lights. They started it last year to bring some holiday cheer to the residents at Symphony, their families and the public.

“We worked really hard at creating

The Festival of Lights at Symphony Linden has different Christmas displays for people to enjoy. **Photos: Hannah Ball**

different themed areas and some fun displays that we didn’t have last year. The kids are really enjoying them and everyone is loving the ‘photo opp’ sections,” Johnson said.

More than a dozen volunteers handed out goodie bags, managed traffic, passed out cookies and hot cocoa and helped make sure all the lights came on. More than a hundred people attended the lighting ceremony. Santa Claus was a special guest.

“We even got to give Santa Claus

a special tour and the kids loved it,” Johnson said. “We would like to thank our sponsors and thank the community for supporting Linden Pay It Forward. Merry Christmas and enjoy the lights.”

A representative from Symphony Linden said the event went well and it was a smaller crowd this year due to municipalities having Christmas celebrations on the same day. She said the residents “always enjoy it every year.”

Words with Hannah

I watched one of the year's most anticipated Christmas movies this past week, and it did not disappoint.

"The Princess Switch 3: Romancing the Star" is the third installment in the Princess Switch/Vanessa Hudgens universe. For those unfamiliar, the premise of this universe is that there are multiple people that have an uncanny resemblance to Vanessa Hudgens (they're all played by Vanessa Hudgens).

The first movie, "The Princess Switch," plays out the classic romance switcheroo in which a small town baker, Stacy, travels to the magical and wintery country of Montenegro but discovers that the princess, Margaret, looks just like her. They trade places and do the proper Christmas/Hallmark/Romance thing — they fall in love with someone they're not supposed to.

The first movie is utterly delightful, and so is the second movie, "The Princess Switch; Switched Again." In this installment, Margaret is preparing for her coronation, but the plot is threatened by the arrival of Fiona, Margaret's royal cousin, who bears an uncanny resemblance to both Stacy and Margaret (she's also played by Vanessa Hudgens). The third movie is not your

Hannah Ball
Staff Reporter

typical Christmas movie.

It's a heist. Rivaling "Ocean's Eleven," this film explores childhood hardships, lost familial love found again, and has a truly excellent redemption arc with Fiona, who ends up falling in love with Peter. They make a superb pair of thieves as they try to steal an extremely important relic.

Obviously, in the next film, Vanessa Hudgens needs to play a fourth character.

Netflix, consider this my resume. I have some ideas for "The Princess Switch 4."

Continue the heist theme and add a jailbreak: Peter and Fiona continue their venture into stealing expensive and rare items. One of their clients just happens to look a lot like Fiona (she's played by Vanessa Hudgens) and it's her father's dying wish to get back a diamond that was stolen from them when he was a child.

The one person who might know the location of the diamond, who's the client's ex-boyfriend, is in jail. Fiona and Peter have to break him out.

High School Musical theme: two neighboring countries are disputing over trade and supplies. From one country comes their nation's trade minister

Netflix, let me write for you

(played by Vanessa Hudgens) who has to negotiate with the prince of the other country, who's played by Zac Efron. The two start off as staunch enemies, fighting for what's best for their countries, but they end up falling in love over their love of music and wildcat animal rescues.

One important plot point is the annual charity concert battle, when the two compete by singing on stage.

Aliens: in the third movie, there's a scene in which young Fiona and young Peter look at the stars. This is foreshadowing the secret arrival of an alien spaceship. The extraterrestrials need help getting back to their galaxy, and they need a certain substance, found in the ground below the castle, to create fuel.

The aliens can shape shift. The leader changes their appearance to look like Vanessa Hudgens, and the rest of the aliens follow suit. However, they can only take one human form, so they can't shape shift to look like any other human. Stacy, Margaret and Fiona have to help the aliens get back to their galaxy while trying to keep secret the army of Vanessa Hudgens.

The Princess Switch universe should be unconstrained and heartwarming. I am more than prepared to deliver a script, Netflix. My favorite is option three.

Low Back and/or Sciatic Nerve Pain?

By Erica Rainer

Pain is the bodies natural, God given alarm system and as odd as it may sound, we are extremely lucky to have this sense. Even though it can (quite literally) be a REAL PAIN IN THE BUTT at times. Sciatica is pain that begins in the nerve roots, located on either side of the lower spine, moving through the sciatic nerve which runs the length of each leg from the buttocks, down to the foot. The leg agony, called radiculopathy, "it can be worse then back pain, and can come and go at times but if left untreated can lead to much worse problems in the future" Dr. James Ide, clinic director at Painless Chiropractic & Neuropathy Treatment Center of Fenton "It's very common for patients to come in describing an agonizing, sharp, shooting, burning pain that starts in the buttocks and

neck, resulting in headaches or pain, numbness, tingling and/or muscle weakness in the arms and hands or down in the low back and buttocks, resulting in Sciatic Pain. Once the patient goes to their MD, takes their prescriptions and then goes back, still in pain, they are usually referred to physical therapy, pain management or a surgeon. Most patients respond to physical therapy however, once the program has finished many report the pain returns. When they visit pain management, they may be prescribed the same types of drugs their MD gave them or they may jump straight to the steroid based epidural shots, injected directly into your spinal column (which may not be FDA approved so please be advised to do plenty of research if you ever find yourself in this situation). As for having surgery...

That is until now...

Recent advances in the treatment of sciatica and lower back pain have led to the development and huge success of Non-Surgical Re-Constructive Spinal Care. The excellent results of this treatment have been published in major medical journals. With success rates as high as 90% many back surgeons are now recommending their patients try this treatment first before having surgery. Now, right here in Fenton Michigan, at Painless Chiropractic & Neuropathy Treatment Center you can try their highly successful treatment option to avoid surgery.

Sciatic Nerve
Possible Areas of Pain (Red)

If you are ready to get to the bottom of your debilitating, shooting, stabbing and burning pain that is streaming from your low back, buttocks & possibly sciatic nerve, Painless Chiropractic & Neuropathy Treatment Center is ready to deliver the same positive results to you as they have to so many others. That is why the team here at the View Group have teamed up with this clinic once again to spread the good news and showcase the offer they have put together for our readers. Call them now to get a full, thorough consultation & examination to pinpoint the cause of your problem for just \$49 (limit 30 spaces). **The normal cost of such an exam is \$160 so you will save \$111!** Don't suffer with pain and immobility any longer. **The clinic is Now Accepting New Patients and is conveniently located just one mile off of US-23** in a beautiful 10,000 sq foot building! Home of **3 fantastic doctors** (Dr. James Ide D.C., Dr. Amie Larson D.C., & Dr. Scott Anderson D.C.) and a welcoming care team. Discover the natural treatments offered right here locally that can eliminate the cause of your problem and give you the safe, lasting relief you deserve. Call and set up your appointment now. **Mention the code PAIN2021 and Call Today.**

New Treatment Options for Nerve Pain

flows down to the leg and at times into the foot with numbness, tingling and cramps in the leg." The sensation "can be intolerable," says Dr. Ide. "Some people describe it to be similar to the nerve pain you experience when you have a toothache," he explained.

After reviewing many different treatment options we have found that typically the average person who suffers from Sciatic pain usually experiences the same frustration when seeking help. They tend to start off going to their doctor who prescribes them one or more of the following; Muscle Relaxers, Pain Pills or Steroid Based Anti-Inflammatory Drugs. The Muscle Relaxers tend to make patients tired but do relax the muscles. The Pain Pills mask the pain while on them, but tend to make many people tense, nauseous, constipated and unable to focus. The Steroid Based Anti-Inflammatory Drugs give some people weakness, moon face, weight gain, insomnia and mood swings. All in all, the pain usually comes back once the drugs are gone because nothing was ever corrected just masked. These drugs all focus on the symptoms and not the problem. This is often the case with most pain related to the spine and nerves, regardless if your issue is in your

well we all know that surgery is risky and should always be the last resort. Once you make the decision to have surgery, there is no going back and undoing it and many other options are off the table after surgery. Regardless of how the symptoms are treated, the number one problem with finding relief through these treatments is that they only focus on treating the symptoms and not the underlying issue.

"I am so thankful I gave it a chance. I feel ten years younger and am pain free"
~Richard C. of Holly MI

This condition will eventually lead to muscle wasting, nerve damage, numbness, constant tingling down to the toes and eventually sexual dysfunction, even loss of bladder/ bowel control. Left untreated, the intense pain can rapidly wear you down and drain the joy out of life. People lose hope and have no idea where to turn.

Non-Surgical Reconstructive Spinal Care under the direct supervision of low back and sciatica specialist Dr. James Ide D.C. The fully trained spinal care team have helped countless patients find relief from their agonizing back and sciatica problems. "We use a combination of ultra-advanced technology not utilized elsewhere in the area for precisely diagnosing the cause of your pain; and a unique program for reconstructing the damaged area causing the pain; this means superior long-term results for most people" said Dr. Ide. Because the treatment is non-surgical, safe and easy, most patients report an almost immediate relief from their pain. However, as Dr. Ide says "we are happy patients experience less pain but the pain is just a symptom, our goal is to correct the underlying structural problem which will result in the symptoms going away as well. The pain is usually the last thing to show itself and usually the first thing to disappear but if not properly treated and maintained, will show up again and again in the future."

Make their Christmas brighter.

Roof work leads to fire

Several fire departments responded to a fire at Delta Tube Fabricating in Holly on Thursday, Dec. 16. A fire broke out as a crew were reroofing the old flat rubber roof. Strong winds combined with burning rubber produced heavy black smoke over the large manufacturing plant.

■ Delta Tube building in Holly damaged when old rubber surface catches fire

By Sharon Stone

Several fire departments responded to a fire at Delta Tube Fabricating on Grange Hall Road in Holly Village at 3:50 p.m., Thursday, Dec. 16.

Holly Fire Chief Steve McGee said six men were working on the roof to reroof the flat rubber roof when a fire began as they were fixing seams. He said the wind was a major factor in the fire spreading so quickly.

Because of their location on the roof, the workers were unable to immediately climb down. McGee said the fire department arrived quickly with ladders so that the men could climb down. Fenton City Fire Department also responded with a ladder truck.

McGee said one worker attempted to put out the fire with a fire extinguisher and inhaled some of the dry chemicals

BUSINESS BRIEFS

COMPILED BY SHARON STONE

RETIREMENT ANNOUNCED

William Edgar, MD has announced his retirement from family practice after 36 years serving the greater Linden community. Dr. Edgar opened his private practice in 1985, after completing his residency at St. Joseph Hospital in Flint. Together with his original partner, Gary King, M.D., Edgar has seen in practice grow from a two-person partnership to a five-provider Ascension Medical Group, Genesys clinic. The office has provided care for Linden area patients from childbirth through

Dr. William Edgar

FIRE

Continued from Page 8

and experienced some chest pain. That worker declined to be transported to the hospital for treatment.

Damage to the building was mostly on the surface of the old rubber roof. Being rubber, McGee said it produced a lot of black smoke. The fire department cleared the scene at approximately 7 p.m. McGee said the roofing crew were going to be back to complete the reroofing Friday.

Assisting through mutual aid were fire departments from Fenton City, North Oakland County Fire Authority, Springfield Township and Groveland Township.

geriatrics, for multiple generations of families. While stepping away from his family practice responsibilities, Edgar will continue his work with Ascension Hospital Group in his role of president of clinical operations.

Township approves assessment increases

■ Fish Lake weed treatment up 14%, road maintenance up 9%

By Sharon Stone

On Wednesday, Dec. 8, the Rose Township Board of Trustees approved a 14% increase on a weed control assessment and 9% increase on a road maintenance assessment for Fish Lake property owners by a vote of 4-1. Clerk Debbie Miller cast the dissenting vote

for each assessment.

The increases came after Fish Lake property owners Dan LaRou and Sylvia Roemer sent a letter to the township board dated Nov. 22. Their letter stated that they were requesting an adjustment of the special assessment district.

They requested the increases to continue the maintenance and management of the private Fish Lake roads (Big Trail Road, Frushour Drive and Field Drive) along with Fish Lake

weed control. They requested the increase run the duration of the special assessment district until 2025.

The board held multiple public hearings in 2020 before approving the current special assessment district last year.

LaRou and Roemer wrote that the costs of the roads and lake maintenance have risen each year without additional funding from the special assessment district account to offset these increased costs.

For 2021, road maintenance costs

totaled \$9,618.50 as of Nov. 22. Expected costs in 2022, 2023, 2024 and 2025 are \$12,147, \$12,392, \$12,800, \$13,210, respectively.

For 2021, lake maintenance costs totaled \$16,547 as of Nov. 22. Expected costs in 2022, 2023, 2024 and 2025 are \$16,919, \$17,298, \$17,677 and \$18,056, respectively.

John Mulvihill, township attorney, indicated in a letter to Supervisor Dianne Scheib-Snider that if at any time during the term of the special assessment district an actual incremental cost increase exceeds the estimate therefore by 10% or more, notice shall be given and a hearing afforded to the record owners of the property to be assessed. If there is no change in the special assessment district boundaries and the cost increase is less than 10%, a public hearing and notice to each property owner is not required.

Lake board special assessment districts are governed by the Natural Resources and Environmental Protection Act. In addition to the amount computed, the lake board may add not less than 10% or more than 15% of the gross sum to cover contingent expenses, including additional necessary hydrological studies by the department. No public hearing or notice is required if the increase is between 10% and 15%.

With the opinion of the attorney, Scheib-Snider wrote to LaRou and Roemer, "You can increase your road special assessment district by less than 10%, so 9% would be the allowable increase. The allowable lake special assessment district increase could be between 10% and 14%. The increase would be for the remainder of the term of both the road special assessment district and the lake special assessment district."

Miller said she voted against the increases because she was made aware that some people around the lake did not know about this proposed increase. She said she had been taking phone calls from angry residents, many who have lived decades there and on fixed incomes.

During public comment, resident Julius Stern told the board that increasing the assessment without informing the affected residents is taxation without representation.

Parents urged to discuss threats with kids

■ Sheriff's detectives inundated with copycat threats following shooting at Oxford High School

By Sharon Stone

Two weeks after an Oxford High School student fatally shot four fellow students and wounded six other students and a teacher, Oakland County sheriff's detectives continue to be inundated with copycat threats that prevent area schools from returning to some semblance of normal.

Sheriff Michael Bouchard said these threats to Oakland County schools are often coming from students. All investigated so far have been

unfounded, but they are unsettling for students, parents, teachers, staff, and the community. He encourages all parents to speak candidly with their children and help them process the tragedy and help ease their anxiety. It continues to be important to share information about potential threats they may see or hear.

Students — or anyone — should plan on being arrested and prosecuted if they are caught making threats to harm anyone or anything at a school.

"These threats are often coming from other students who may think it's funny or a clever way to get out of class," Bouchard said. "This is not a joke or a harmless prank. No

one thinks this is funny. We take this seriously. If you choose such a foolish path and make a such a threat, understand that you will be caught and you will be punished. This is not a game."

Detectives are investigating threats that have been forwarded to Sheriff's Office substations in Brandon Township, Commerce Township, Highland Township, Orion Township, Oxford Township, Pontiac, Lyon Township and Rochester Hills.

As of Wednesday, Dec. 15, 23 Genesee County students have now facing charges for threatening to shoot up their schools, including one Linden

High School student, according to Genesee County Prosecutor David Leyton. Each of them have been charged with false report of terrorism, a 20-year felony, as well as computer-related charges.

Petitions have been sought in Oakland County Probate Court for at least eight students and dozens more are being investigated.

The day after the Nov. 30 Oxford High School shooting, a Lake Orion High School sophomore said he would "shoot up" the school if he could get a gun. The student, 15, was arrested at his Orion Township home by detectives for making a terrorist threat.

Advertisement for Bids for Lake Fenton Community Schools

Project Information

Sealed bid proposals will be accepted from qualified contractors by Lake Fenton Community Schools for Lake Fenton Community Schools for the 2021 Middle School Gym Improvements. Proposals may be mailed or delivered in person to:

Julie Williams, Superintendent
C/o Lake Fenton Community Schools
11425 Torrey Rd
Fenton, MI 48430

Pre-Bid Meeting

There will be no Pre-Bid Meeting.

Bid Information

Proposals must be received prior to 2:00 PM (local time) on April 6, 2021 at the Lake Fenton Community Schools Administration Office. Proposals will be publicly opened and read aloud at 2:05 PM in the Lake Fenton Middle School. All bids received after 2:00 PM on the bid date will not be accepted and will be returned to the Bidder unopened.

Proposals and Award

The Project will utilize separate prime contractors. All contracts for construction will be direct contracts with the Owner. Overall administration of the Project will be the responsibility of the Construction Management Firm, Wolgast Corporation. The Owner will award contracts on or about April 12, 2021, to separate prime contractors for separate bid divisions or combinations of bid divisions. All bids shall be submitted on the bid forms provided in the project specifications, completely filled in, and executed (copies of the bid forms are acceptable). Facsimile bids will not be accepted.

Plans and Questions

Requests by Contractors for inclusion as Bidders shall be addressed to the Project Manager, Derek Rickett, at Wolgast Corporation. One (1) electronic set of Bidding Documents will be provided to each contractor at No Cost through

Wolgast Corporation. Plans may be obtained by contacting the Project Administrator, Judy Rauch, at Wolgast Corporation at (989) 790-9120. All questions regarding the bidding procedures, design, and drawing/specification intent are to be directed to the Construction Manager on a Clarification Request Form (Section 00310), attention Derek Rickett.

Bid Security

A Bid Security by a qualified surety authorized to do business in the state where the Project is located and in the amount of five percent (5%) of the Base Bid shall accompany each proposal or proposal combination. The Bid Security may be in the form of a Bid Bond, Cashier's Check, or Money Order. Personal checks are NOT acceptable. Bids may not be withdrawn for a period of sixty (60) days after the bid date. Successful Bidders may be required to furnish Surety Bonds as stated in the Project Specifications (Section 00600).

Familial Disclosure

All bidders must provide familial disclosure in compliance with MCL 380.1267 and attach this information to the bid. The bid shall be accompanied by a sworn and notarized statement disclosing any familial relationship that exists between the Owner or the employee of the bidder and any member of the board, intermediate school board, or board of directors or the superintendent of the school district, intermediate superintendent of the intermediate school district, or chief executive officer of the public school academy. The District shall not accept a bid that does not include this sworn and notarized disclosure statement.

Owners' Rights

The Owner reserves the right to reject any or all proposals, accept a bid other than the low bid, and to waive informalities, irregularities, and/or errors in the bid proposals, which they feel to be in their own best interest.

Bid Divisions

116500 – Athletic Equipment
126600 – Gymnasium Bleachers

TYRONE TOWNSHIP PLANNING COMMISSION NOTICE OF PUBLIC HEARING

Notice is hereby given the Tyrone Township Planning Commission will hold a Public Hearing on Tuesday, January 11, 2022, beginning at 7:30 pm at the Tyrone Township Hall, 8420 Runyan Lake Road, Fenton, Michigan 48430. The purpose for the Public Hearing is:

1. To receive public comments regarding a request by Mark Niemi for a proposed shared private driveway as part of a land division resulting in two (2) new parcels at the end of the cul-de-sac on Indian View Trail. The parent parcel is Parcel Number: 4704-21-100-010, zoned FR (Farming Residential). Reference Tyrone Township Zoning Ordinance #36, Article 23 and Article 24.
2. To receive public comments regarding a request by Halim & Hanna Sultani for a proposed caregiver operation special land use permit at the property located at 9165 Faussett Road. The property is zoned RE (Rural Estates), Parcel Number: 4704-29-300-029. Reference Tyrone Township Zoning Ordinance #36, Section 21.55, Article 22, and Article 23.

Additional information is available at the Tyrone Township Clerk's Office, 8420 Runyan Lake Road, Monday through Thursday, 9 a.m. to 5 p.m. Individuals with disabilities requiring auxiliary aids or services should contact the Tyrone Township Clerk, at (810) 629-8631, at least seven days prior to the meeting.

Rich Erickson, Chairman
Tyrone Township Planning Commission

Buy book on Linden's history this weekend

By Peter Maas, president of the Linden Mills Historical Society

Just in time for Christmas, the Linden Mills Historical Society book, "Linden Memories Past & Present" will be available before Christmas. Those who have either ordered or reserved books, may pick them up at the Linden Museum on Saturday, Dec. 18 from 10 a.m. to 5 p.m. or Sunday, Dec. 19, from noon to 5 p.m.

For those who requested books be

mailed, the books will go out a few days prior. A limited quantity of books will be sold on a first come, first served basis at the museum this weekend.

The book has more than 250 pages filled with historic information, and many stories and photos shared by community members.

The book costs \$25. Check or cash is accepted. Proceeds will go toward the restoration efforts of our Mill Building.

FARR

Continued from Front Page

Since its inception, it has raised \$16,390 for FARR. The inaugural event in 2019 raised \$6,000 for FARR and the 2020 event, which was a drive-thru beer and wine fest called Beer Fest in a Bag, raised nearly \$3,500. The third Bottles, Brews & News continues the philanthropic partnership between View Newspaper Group and FARR.

"We were so happy to be back in person for this year's event," said Emily Caswell, brand manager at View Newspaper Group. "While it was fun to pivot in 2020 and do a drive-thru event, our sponsors, guests and volunteers were all happy to be back downtown."

Formed in 1990 by community leaders, churches and civic organizations, FARR works with area residents in crisis in the Fenton, Lake Fenton and Linden school districts and assesses their basic needs, such as food, shelter, health conditions, and identifies immediate and long-term objectives. FARR then coordinates with local partnering organizations to help address those needs and raise their level of self-sustainability.

Dawn Placek, executive director of FARR, thanked Caswell and the View Newspaper Group at the check passing

and said how fun it was to have an event right in Fenton.

"It is awesome and I just see it continuing to grow," she said. "I'm just so happy to work with the View Newspaper Group and be able to put on a great community event. The donation will help many families in need in our community."

Sponsors of this year's event included Hartland Insurance Agency, Inc., Geni-sys Credit Union, Michigan Web Press,

Sharp Funeral Homes, ELGA Credit Union, Tri-County Equipment, Fabiano Brothers, Vic Canever, Sawyer Jewelers, Provision Living, Southern Lakes Parks & Recreation, Fischer, Franklin & Ford, JRNN, NPF, Kaufman Printing, McDaniel Office Supply, Flint & Genesee Group, Americas Most Wanted 4X4, Allied

Printing, Fenton Winery & Brewery and many friends.

"We are so thankful for this year's sponsors. Thanks to their generous support and our more than 400 attendees, we were able to raise a great amount of money for FARR," Caswell said. "We are also so thankful to FARR and all of their awesome volunteers that make this event possible."

Keep an eye out for information on next year's Bottles, Brews & News set for fall 2022.

“We are so thankful for this year’s sponsors. Thanks to their generous support and our more than 400 attendees, we were able to raise a great amount of money for FARR.”

Need Christmas gift ideas?

■ Bookstore carries mugs, games, scarfs, mittens and more

By Hannah Ball

Haven't done much Christmas gift shopping yet? Fenton's Open Book has plenty of book and non-book gift ideas.

"There's a book here for everyone," said owner Karen Piacentini.

Some of the newest and biggest books that came out recently at the store include the Paul McCartney lyrics book, "The Lyrics: 1956 to the Present."

Fenton's Open Book also has "The Beatles Get Back."

"They're good for any Beatles fan," she said.

They also have "Renegades Born in the USA," a book formatted in a conversation style between former President Barack Obama and Bruce Springsteen.

Other big titles are "Cloud Cuckoo Land" by Anthony Doerr, author of "All The Light We Cannot See," "Go Tell the Bees That I Am Gone," an Outlander novel by Diane Gabaladon, "The Stranger in the Lifeboat" by Mitch Albom and "Atlas of the Heart" by Brené Brown.

Fenton's Open Book also carries popular titles like the poetry book "Call Us What We Carry" by Amanda Gorman, "All American Christmas" by Rachel Campos-Duffy and Sean Duffy, as well as "The Clanlands Almanac: Seasonal Stories from Scotland" by Sam Heughan and Graham McTavish.

Piacentini said they also carry the latest books from Stephen King, Ken Follett and Jodi Picault, "The Man Who Died Twice: A Thursday Murder Club" book by Richard Osman, and they also have "The 1619 Project" developed by Nikole Hannah-Jones. Many of these books are autographed.

"We do have a lot of autographed books here," she said.

Fans of the sitcom "Schitt's Creek" would be interested in "Best Wishes, Warmest Regards: The Story of Schitt's Creek" by Daniel Levy, a book that explores the show, the characters, behind the scenes moments and more.

"If you love the show, this is the best book ever," Piacentini said. "If you want to laugh, that's the book."

In kids' books, "The Christmas Pig" by J.K. Rowling is popular. They also have the "Cat Kid Comic Club" book and the new "Diary of a Wimpy Kid" book. Parents can find a selection of kids books that come with plushies.

"There's a lot of other good books here," she said. "So many new things came out this year."

Fenton's Open Book also carries many titles by Michigan authors in

a stand at the front of the store. This includes Tom Carr, who writes about true crime in Michigan, books on Fenton's History by Robert Harris, Erin Bartels books, and

"The Life of Charles Stewart Mott."

"It's a wonderful story," Piacentini said, adding that they sell "a ton" of books by Bartels.

The store also has books by local author and minister Chris Vitarelli. He writes thrillers based in Fenton.

"They are so good," she said. Also available are Michigan travel books, books on the outdoors, cookbooks, special editions of old classics and more.

The store also has non-book gifts such as journals and bracelets. Socks, handmade scarfs and wool mittens are popular. Much of this merchandise is Michigan-themed. Customers can buy jams, jellies, book-themed candles, tea made in Fenton, mugs and a variety of games. Parents might be interested in the dining sets for kids, which includes items like dinosaur forks and spoons.

Piacentini said Dice Poker is very popular, and they sell a lot of murder mystery games, like "Agatha Christie's Death on the Cards" and funny games like "Taco Cat Goat Cheese Pizza." They also have an escape room card game.

Fenton's Open Book also sells literary tarot cards and locally made dog leashes.

Piacentini said they're getting books in every day, and they're still taking orders. She's urging everyone to place their orders as soon as possible. She said they plan to be open until about 2 p.m. on Christmas Eve.

“We do have a lot of autographed books here.”

Karen Piacentini
Fenton's Open Book owner

Give her the gift of

McLaren Flint presents award to neurologist

■ Receives quarterly Physician Recognition Award

Sunita Tummala, MD, board-certified neurologist, is McLaren Flint's fourth quarter Physician Recognition Award recipient. She was given the award in front of her peers in November.

Tummala is the medical director of the McLaren Stroke Program. She has been with McLaren Flint for 14 years.

Tummala's nomination form reads:

"Dr. Tummala provides exemplary care to her patients and families. She is kind, never rushes, and makes herself available. She has never been rude or short with staff. She is happy to educate staff and families. Dr. Tummala goes out of her way to be helpful.

"One day, I was taking a patient to a CT scan and the bed motor did not work. She helped me push the bed. She

is simply amazing. Dr. Tummala also is head of the stroke program. On another occasion, I had a few questions, so Dr. Tummala stopped to contact our stroke coordinator for me. She did not have to take her time to do that. Dr. Tummala always goes above and beyond!"

Tummala specializes in neurology and clinical neurophysiology. She sees patients at her office, G-5084 W. Pierson Road in Flint.

The quarterly Physician Recognition Award allows physicians and staff to acknowledge members of the medical staff who:

- Are a current member of the McLaren Flint medical staff
- Demonstrate compassion and concern for patients and staff
- Have a cooperative attitude toward patients, colleagues, and staff
- Strive for constituent quality outcomes
- Display leadership and support to the organization

Mail carriers out early for priority yule

■ Help carriers stay safe as they deliver cheer this season

Postal Service carriers are working hard to deliver your special items this holiday season, and they'll be working earlier than usual to make your season bright. Between the hours of 6 a.m. – 9 a.m., you may hear a clatter on your

porch. Before you rush “to see what’s the matter” – it may be your local, friendly letter carrier out to help Santa make deliveries early this year.

Here are a few safety tips you can use to keep our carriers safe as they deliver early in the morning hours:

- Keep a porch light on
- Keep walkways clean
- Keep your dogs secured inside

No matter the time of year, on-time package deliveries start with the

customer — and knowing when to ship your packages is key. Here are some key shipping dates to keep in mind this season:

2021 Holiday Shipping Deadlines

Dec. 17 – First-Class Mail (greetings cards and letters)

Dec. 18 – Priority Mail

Dec. 23 – Priority Mail Express

Holiday How-Tos

The Postal Service offers shipping tips in 10 video “how to” guides. Each

Letter carriers with the U.S. Postal Service will be out making deliveries as early as 6 a.m.

video is less than three minutes long and shows how to properly address and ship packages, as well as how to pack a box so items arrive safely.

Mail and packages weighing more than 10 ounces and/or are more than a half-inch thick cannot be dropped into a collection box or left for a carrier to pick up if you're using stamps for postage. Instead, take them to a retail associate at any of our Post Office locations or use one of our self-service kiosks to weigh your packages and print shipping labels.

Additional news and information can be found at the Postal Service Holiday Newsroom: usps.com/holidaynews.

Ship From Home

Don't feel like going to the Post Office to drop off your special gift? You can stay home — cozy and socially distant — by going online. Visit usps.com or use the Click-N-Ship feature for help shipping that special holiday gift, ordering free Priority Mail boxes*, printing shipping labels, purchasing postage and even requesting free next-day Package Pickup. And usps.com is always open.

*Boxes are delivered within the U.S. with your regular mail, usually within seven to 10 business days. Exclusions apply.

For details and to order, visit store.usps.com/store/home.

The Postal Service generally receives no tax dollars for operating expenses and relies on the sale of postage, products and services to fund its operations.

Tis the season!

I JUST LEFT the Cause and Affect Gallery across from The State Bank. They have the best Christmas gifts: beaded purses, vases, stained glass, jewelry, painting, prints and carvings. Stop in for great gifts and view their exhibit. They have new things every week.

SUPER INSPIRING TO see the new engagement at local school boards. Don't forget Genesee Intermediate School District (GISD), the county umbrella over every district.

I LOVE OUR sheriff but he needs to address the opioid crisis in southern Genesee County. This year, 2021 is the worst year of all time.

LAKE FENTON SCHOOLS need a new school board member. Please let a conservative, common-sense type of person who will stand up for our kids apply for that role. Their futures depend on it.

WHEN THE NEXT elections come up, we all need to do better research on the candidates. They likely have Facebook so scroll through their posts so you can see if their personal opinions align with yours and see who they are friends with. Their comments will show who they really are.

JUSSIE SMOLLETT, DAUNTE Wright, and Jacob Blake versus Earl Plumlee, Christopher Celiz, and Alwyn Cashe. If you know the first three names and not the second set of three, consider changing your source of news.

MILLAGE

Continued from Front Page

During a special meeting June 3, to discuss its budget for NOCFA, the Rose Township Board of Trustees approved a motion by Trustee Glen Noble and seconded by Trustee Patricia Walls to approve an operating budget of \$849,926 as its annual contribution for fire and EMS services. This motion came after Clerk Debbie Miller made a motion to approve NOCFA's original proposed operating budget of \$920,000, meaning Rose Township and Holly Township would each contribute an even split of \$920,000 annually. The two townships were each previously contributing \$818,000 annually.

Supervisor Dianne Scheib-Snyder suggested a proposed millage be placed on the August Primary ballot.

Treasurer Paul Gambka said the millage would likely need to be between 3.5 to 4 mills for the next six years to generate enough funding for NOCFA service. Rather than two millages like the township currently has, the proposed millage would be one, which would cover fire and EMS service.

Clerk Debbie Miller asked the Board why NOCFA is not its own taxing authority like a school district is. Gambka said if NOCFA was its

own taxing authority, Rose Township would end up paying roughly 65% of the total contributed to NOCFA instead of 50%, which it contributes currently. He said this is based on taxable value of Rose Township compared with Holly Township.

Trustee Glen Noble said, "Being a taxing authority would be someone's, the fire chief's wet dream and we will never go for it."

Noble added that Holly Township has the mobile home parks and that group of people don't pay taxes.

Scheib-Snyder said NOCFA being "a taxing authority is not an issue we want to be with, with the fire authority." She said it would be better for the residents to decide and

that the decision to not go to a taxing authority for NOCFA was already discussed and rejected at previous township meetings.

Noble proposed that the township place a six-year millage at 3.5 mills on the August 2022 ballot.

Gambka said he wants to investigate further and look at the taxable value for Holly Township. He said costs keep going up and there has not been an increase since 2008. "We need to play catch up," he said.

The board decided to postpone discussion and proposed ballot language until its January 2022 meeting.

To the residents and property owners of Fenton Township, Genesee County, Michigan, and any other interested parties. Please take notice that a regular meeting of the Fenton Township Planning Commission will be held on Thursday January 13, 2022 at 6:00 p.m. at 12060 Mantawauka Dr. and by ZOOM video meeting. The public may participate in the meeting via the following web link:

<http://bit.ly/FentonPC>

Or by telephone by calling into the following number:

Phone Number: (312)626-6799

Meeting ID: 998 2931 8197

Passcode: 258667

Members of the public will only be able to speak during the public comment portion(s) of the meeting and such comment will be limited to three minutes per person. To provide for orderly public participation, when the Chairperson or meeting moderator calls for public comment, a person wishing to speak must state their name and wait to be recognized before speaking. The Chairperson or moderator will recognize all persons wishing to speak during public comment. Prior to the meeting, if members of the public have certain questions or wish to provide input on any business that will be addressed at the meeting, such persons may contact the Planning Commission members through Michael Deem, Zoning Administrator, by email at mdeem@fentontownship.org, or by mail at 12060 Mantawauka Drive, Fenton, MI 48430. Comments received prior to 3:00 p.m. on January 13, 2022 are guaranteed to be received by the Planning Commission. A copy of the meeting material may be found on the Township website homepage at www.fentontownship.org.

The Township will provide necessary reasonable auxiliary aids and services to individuals with disabilities at the meeting upon 72 hour advance notice by contacting Robert Krug, Township Clerk, by email, phone, or mail at the below.

Bronchos collect first victory of season, beat Clio

By David Troppens

The Holly varsity boys basketball team thought they played well enough against the Linden Eagles in their opener to possibly earn a victory.

In their second game of the season, the Bronchos played another strong defensive game but had one thing happen that didn't happen enough against Linden — they got some shots to fall — resulting in Holly's

68-40 Flint Metro League crossover road victory against the Clio Mustangs.

"It was good," Holly varsity boys basketball coach Steve DeHart said. "After playing a hard fought game against Linden last week and not getting some shots to fall, but still playing what I thought was some pretty solid defense, it was nice to get the win (against Clio). We started off sloppy. We were still not very patient running our

offense, ... but the kids settled down and played hard. We picked our defensive intensity up in the second half, and our transition game afforded us some good looks at the basket. We got the ball more in the paint. We settled more against Linden. I'm not sure we were more patient but we were more intent at getting more paint touches in this game."

Devils' strong fourth leads squad to win vs Creek

By David Troppens

Lake Fenton — A year ago, it took the Lake Fenton varsity boys basketball team about half the season to learn how to finish off victories, ending the season with a 5-2 mark during the Blue Devils' final seven games.

There were some lessons that had to be learned at the start of the year as they began that season with a 2-5 mark.

However, it seems the Blue Devils have retained some of the lessons they learned during the second half last season.

The Blue Devils nailed all seven of their field goal attempts and converted 9-of-13 free throws in the fourth quarter, helping the squad earn a nice 62-44 home victory against Flint Metro League crossover foe Swartz Creek Tuesday night.

"I think we are strong funda-

mentally and we are growing day in and day out with our chemistry," Lake Fenton senior Max Muenzer said. "It's the same with football. We just have such a close group this year.

"We struggled with (closing games) in the past for maybe three years, so it's been a point of emphasis to close out games and come out of big moments fired up. I think we did a good job with that today."

The Blue Devils jumped to an 8-0 lead early (the last two of those points coming on a Francis Senter assist on a Muenzer layin) in the contest and never trailed. Yet, the Dragons hung close enough all game long looking poised to possibly make a run at the lead throughout the contest.

Lake Fenton enjoyed a 21-10 lead with 5:32 left in the second

LF remains unselfish, crushes Dragons

By David Troppens

Lake Fenton — The Lake Fenton varsity girls basketball team played unselfish basketball on offense and used a stifling pressing defense to create easy scoring chances a year ago to lead the Blue Devils to a Flint Metro League Stars Division title and a district championship.

It looks like the Blue Devils are intent on using the same equation toward outstanding success again this season.

The Blue Devils' defense caused chaos all night long, resulting in transition hoops constantly against the Swartz

Linden boys basketball splits two week contests

By David Troppens

The Linden varsity boys basketball team had a busy week last week.

Not only did the Eagles have to travel to Flushing on Friday (results weren't known at presstime), but they also hosted Northville on Monday and traveled to

Corunna on Tuesday.

The Eagles lost to Northville 43-37 on Monday and defeated Corunna 46-29 on Tuesday.

Against Corunna, the contest remained tight for about a quarter. Linden jumped to a 5-0 lead on a three-pointer by

Reichen Lund and a fast break layup by Brandon Green. However, Corunna cut it back to 5-4, and the Cavaliers were still within 10-8 late in the quarter. However, Jase Becher hit a putback hoop, putting the Eagles up 12-8 after one quarter.

See **LINDEN** on 23

BRONCHOS

Continued from Page 21

The game remained pretty tight until the third quarter, with the teams exchanging the lead occasionally. Actually, it was free throws that kept Clio in the

ball game during the first half. The Mustangs shot a whopping 12 free throws in the opening quarter, netting seven of them, helping them to nine first-quarter points.

Blue Devils defeat Fenton in opening Metro dual

By David Troppens

Fenton — It was a battle of neighborhood rivals to start the Flint Metro League's wrestling season on Wednesday.

And in some ways both teams could feel reasonably decent about the performance.

The Lake Fenton Blue Devils came away from Fenton High School with a sweep of Fenton and Imlay City, earning victories by scores of 51-30 against Fenton and 42-36 against Imlay City. The Tigers lost both matches, dropping its second bout to Imlay City as well, but after taking four forfeits, the Tigers pushed Lake Fenton right to the end of the match as well.

"The boys wrestled tough," Lake Fenton varsity wrestling coach Vance Corcoran said. "We're still pretty young and inexperienced at a few weight classes, but I saw a lot of determination out on the mat and that's always a good thing. Our hammers did their job and that carries down the line and inspires everyone

else to do theirs. We're not where we need to be, but after our first full week of competition, I am very pleased. We will continue to work on our strengths and our weaknesses and get to where we need to be."

The big match, of course, was the Lake Fenton-Fenton battle. The Blue Devils led most of the match but the Tigers cut the cap to 30-27 at one time after Carson Krzeszak's (285) pinfall victory of Alex Perry with four matches to go. But, the Tigers had to forfeit the next two, setting up a pivotal battle between Lake Fenton's Robbie Moore (119) and Fenton's Owen Freeman. Moore won the bout by pinfall in the final seconds of the match, clinching the victory for the Blue Devils. For added emphasis, Lake Fenton's Jackson Ketchum (125) concluded the match with a pinfall win against Fenton's Jamal Horne in 1:04.

Fenton opened the match with Garrett Clark's (130) pinfall win against Lake Fenton's Drake Deem in 5:01, but the

Strong second half sparks Eagles past Corunna, 52-39

By David Troppens

The Linden varsity girls basketball team found themselves in a pretty competitive crossover Metro League road battle with Corunna for most of the night on Tuesday.

The teams exchanged the lead back and forth frequently during the first three quarters, and it was tied 28-all with about four minutes remaining in the third quarter.

However, that's when the Eagles took flight. Linden finished the third quarter on a 9-2 run and then kept their momentum going during the fourth quarter, earning a 52-39 road victory.

Tied at 28-all, the Eagles' run in the third quarter started with a Shaye Barkholz hoop. From there, it eventually ended with a steal and a fast-break layup by Paige Leedle, giving the Eagles a 37-30 lead entering the fourth quarter.

"We started really slow. Our offense wasn't firing like it had been in

the past few games and our defense seemed a little sluggish," Linden varsity girls basketball coach Zachary Darling said. "The girls took the half-time challenge I gave them and came out with a fire in the second half. We went on our run offensively and started to play better defense. Once we got up by double-digits, we felt better about the game and were able to finish off with a solid win."

Any chance that Corunna had of a comeback ended quickly when Leedle hit two three-pointers within the first minute of the fourth quarter, giving the Eagles (3-1) a 43-30 lead. If that didn't do it, a steal and layup by Allison Maienbrook dashed any hopes Corunna had of a comeback.

Early on, it was a tight battle. The Eagles' biggest lead in the first half was four points. It happened twice. The first time came at 9-5 and the second time at 22-18. Both times a Leedle trey made it a four-point lead.

CONTINUED AT TCTIMES.COM

LINDEN

Continued from Page 21

Becher was on a little bit of a roll at that time. Previously, he had hit a layin that gave the Eagles a 10-6 lead in the first quarter, which meant he had scored the team's last two buckets. Well, he scored the first two buckets of the second quarter as well, hitting on two layins. The second was off a pass from Lund, giving Linden a 16-8 lead. The run continued when Lund was fouled on a three-point shot. Lund made all three free throws and the Eagles led 19-8 with 4:50 left in the half. Linden's 11-0 run to start the second quarter eventually ended with two converted free throws by Lund. Linden led 23-8. The Eagles led 27-13 at halftime and the lead was never seriously threatened after that.

Lund finished the contest with 13 points while Becher netted 10.

Tigers lose defensive road contest at Owosso, 42-34

By David Troppens

The Fenton varsity girls basketball team played three reasonably solid quarters in its road game against Owosso.

However, it may have been the one quarter that the Tigers' offense struggled that cost the squad a victory in a Metro League crossover contest with Owosso.

The Tigers (1-2) enjoyed an 11-6 lead after one quarter, but were held scoreless in the second quarter, resulting in a 16-11 halftime deficit. Still, the Tigers were in the contest, but it was probably that eight minutes that cost Fenton in what was a 42-34 decision.

In the opening quarter, Adrie Staib led the Tigers, scoring four of her team-high 11 points. Kaleigh Shaker added a three-pointer while Grace MacCaughan and Lauren Gangwer had two points each.

The second quarter was tough though, and what didn't help matters was the Tigers weren't able to get the benefit of getting into the bonus as Owosso was

whistled for just five first-half fouls. The Tigers never were able to get some chances at the charity stripe during the second quarter. Meanwhile, Owosso had six, but failed to take advantage, netting just one. Skotti Ball-Duley was Owosso's top offensive performer in the second quarter, netting five points in the stanza.

The third quarter saw the Tigers score eight points with MacCaughan, Staib, Allie Browne and Tammy Craven scoring two points each, but Ball-Duley hit an early trey in the third quarter, helping the Lady Trojans maintain a 27-19 lead after three quarters.

Fenton cut the margin to four points during the fourth quarter, before Owosso pulled away. Ball-Duley added seven more in the fourth quarter, helping ice the contest for Owosso. She finished with a game-high 21 points. Abby Logan hit two treys in the fourth for Fenton, while Staib finished with five points in the fourth.

Holly loses tight match vs. Corunna

By David Troppens

The Holly varsity wrestling team had a pretty tight first Flint Metro League match this season.

The Bronchos ended up tied with Corunna 36-36, but lost due to a tiebreaker. Holly also faced Birmingham Groves and won that match 52-27.

Most of the matches against Corunna were decided either by forfeit or pinfall. The Bronchos earned pinfall wins from Hunter Hummel (160), Jacob Gonzales (171), Jayden Higgins (215) and Sean

Murray (125). Murray's pin was the last match of the dual, and took just 14 seconds. Holly also had forfeit wins by Andrew Cross (130) and Anthony Ayotte (135). However, Corunna also had seven wins and five of them came via pinfall.

Against Groves, Chase Couchman (140), Konner Welch (145), Higgins (215), Christian Preston (119) and Andrew Cross (130) won by pinfalls while Gonzales (171) and Murray (125) won by forfeit. Drake (189) earned a major decision win as well.

DUAL

Continued from Page 22

Blue Devils won each of the next four matches with two being forfeit wins. Zack Hall (140) and Drew Corcoran (145) earned the forfeit wins while Ty Johnson (130) defeated Fenton's Blake Gerow and Noah Hall (152) defeated Fenton's Dylan Beverly by pinfall, raising the Blue Devils' lead to 24-6.

During the midpoint of the match, Fenton's Philip Lamka (160) defeated Jack Conley due to injury default, John Sage (189) pinned Lake Fenton's Hunter Carey, Evan Firby (215) pinned Lake Fenton's Josh Ezel and Krzeszak (285) earned his pin, making it a tight bout, but then Lake Fenton won the last four matches. In the middle, Lake Fenton's Karson Crist (171) also earned an 8-4 decision win against Kyle Dunfield.

Lake Fenton's Karson Crist (left) and Fenton's Kyle Dunfield fought to a tight 8-4 decision with Crist winning. **Photo: David Troppens**

Jorge Martin (103) and Clay Cook (112) also won by forfeit.

Lake Fenton earned its win against Imlay City with Hall (140), Jaxon Penrod (189) and Marvin (103) collecting pinfall wins and Johnson (135) earning a technical fall victory. Hall (152) won by major decision

and Cook (12) won by decision. Crist (171) won by forfeit.

Fenton had forfeits in four matches against Imlay City as well. However, Beverly (152) earned a decision win, Firby (215) won by major decision and Lamka (160) won by forfeit.

ROSE TOWNSHIP BOARD OF TRUSTEES REGULAR MEETING SYNOPSIS

December 08, 2021

Supervisor Scheib-Snider called the Regular Meeting of the Rose Township Board of Trustees to order at 7:03 p.m.

Roll Call:	Board Members Present: Gambka, Miller, Noble, Walls, Scheib-Snider
	Board Members Absent/Excused: None

Rose Township Clerk

Dianne Scheib-Snider
Rose Township Supervisor

DEVILS'

Continued from Page 21

quarter after a converted free throw by Carter Smith. However, the Dragons cut into the lead pretty quickly, actually cutting the gap to 22-18 on a three-pointer by Quandre Wright. Lake Fenton led just 26-22 entering halftime.

However, the Blue Devils (2-1) increased the lead immediately in the third. Ashton Hunter began the quatrtter with a trey, sparking a 10-0 run. It continued with a Senter putback, a conventional three-point play by Muenzer and two

converted free throws by Hunter. Suddenly, Lake Fenton's lead was 34-22. And now, the lessons of icing a victory were going to come into play.

Lake Fenton led the entire contest, but the Dragons cut the margin to 38-29 entering the fourth quarter. However, a layin by Muenzer and two converted free throws by Gavin Teffner upped the gap to 42-29 with 6:35 left. From there, the Blue Devils made it mighty tough for the Dragons to seriously threaten the lead due to their perfect 7-for-7 shooting in the fourth quarter.

PREP REPORT

BOYS SWIMMING

► **Davison 89, Holly 36:** The Bronchos dropped seconds off of their times as they competed against the Cardinals. Zachary Rockafellow and Brandon Strickert each earned a first and second in their individual events. Strickert won the 500 freestyle (6:13.69) and earned his second in the 200 freestyle (2:16.63). Rockafellow took the top spot in the 100 backstroke (1:07.63) and earned his second in the 100 freestyle (55.58). Grant Hoffman earned a first in the 100 breaststroke (1:31.99) as well. Holly's 200 freestyle relay team of Rockafel-

low, Hoffman, Dwight Van'tZelfde and Strickert won with a time of 2:07.36.

WRESTLING

► **Linden 67, Ortonville-Brandon 18:** Linden won 10 of the 14 matches to earn the easy victory. Bryce Shingleton (125), Brenden Shingleton (130), Aiden Haney (145), Brady Makela (152) and Jase Gundry (215) earned pinfall wins while Adelia Carr (112), Ben Wingblad (125), Louis Goble (140) and Michael Bush (171) won by forfeit. Bryce Eliuk (285) also earned a 9-8 decision win.

Holly plays better in second game, falls to Clio

By David Troppens

Holly varsity girls basketball coach Ben Varner is feeling a little better after his team's second contest of the season. After scoring just eight points in a loss against the Linden Eagles in their season opener a few nights earlier, the Bronchos showed strides of considerable progress in their second contest at Clio.

The Bronchos still lost, but Holly's young and inexperienced team performed much better, losing a 54-26 contest against the Lady Mustangs.

"It was a lot better," Varner said. "We played really good the first two quarters but then came out in the third quarter and turned the ball over five times in a row. That sucked the life out of us. We never were able to get much closer, but we kept playing hard.

"I told them we got better from Friday, that's for sure. We still have to capitalize on our free throws, especially in the third quarter. This game was some-

thing to build on for sure." The two squads battled to a 6-4 first quarter, with Clio earning the slight edge. Clio outscored Holly 15-6 in the second quarter, resulting in a 21-10 halftime lead. Holly was able to score eight points in each of the final two quarters. The Bronchos could've scored many more points. They were more aggressive offensively and got to the line for 29 free throws. However, they made just 12 of them. Still, that was a considerable improvement from the team's first game as well when they took just six free throws during the 32 minutes against Linden. "We need to make some more free throws. If we do, this game could've been way closer and way more competitive," Varner said. "It could've been a totally different game if we made more free throws in the third quarter. But this game is something to build on for sure. I knew we were better than what we saw

Holly showed great progress in its second game of the season despite losing to Clio. Photo: Christopher Summers

on Friday. That wasn't us. We've played in scrimmages and stuff and we've played much better than that." The Bronchos (0-2) were paced by Morgan Flukey's nine points. Autumn Lewis chipped in five points and Make-na McGee netted three points. Alana Simmons had two points and played strong defense.

Creek Dragons. That also meant easy layups for those willing to run the floor and collect the quality passes downcourt from the Blue Devils' guards. It all resulted in an easy 75-31 home victory against the outmatched Dragons.

Cola Sisk was the primary beneficiary of breaking offense. She scored a game-high 25 points with the overwhelming majority of them coming off the break. However, she wasn't the only one scoring. The Blue Devils saw every one of their nine players score at least one field goal in the contest, with three hitting double-digits. When Kerrigan Howdeshell wasn't scoring one of her 12 points, she was dishing off one of her seven assists. Amaya Smith also chipped in 11 points. The only player to score just two points was Anna Prevost, but she was more than willing to dish off assists, collecting four for the contest. Emerson Baker chipped in six points and three assists while Savannah Fellenbaum had five

Kerrigan Howdeshell (left) battles for a loose ball against Swartz Creek. Photo: David Troppens

points and three assists. The Blue Devils' style of play has resulted in a quick 3-0 start with Lake Fenton earning the continuous mercy clock at times in each of their first three games. They have outsored their foes 198-82. "Last year we were already unselfish and bonded so well, it's just carried over to this year too," Sisk said. "We've been practicing together seven days a week and by pushing ourselves it really gets us closer together."

CITY OF FENTON
GENESEE COUNTY, MICHIGAN

CODE OF ORDINANCES BOARD OF REVIEW
AMENDMENT
NOTICE OF ADOPTION

Ordinance No. 712

Please take notice that on December 13, 2021, the City Council of the City of Fenton adopted Ordinance No. 712, Fenton Code of Ordinances, Chapter 31- Taxation, Article II - Board of Review, Section 31-18 to provide for the appointment of alternate members of the board of review and to otherwise secure the health, safety, and general welfare of the residents and property owners of the City of Fenton; and repealing all ordinances or parts of ordinances in conflict with this Ordinance.

The Ordinance has the following sections and catch lines: Section 1: Amendment to Chapter 31 - Taxation, Article II - Board of Review, Section 31-18, Appointing Alternate Members; Section 2: Severability, Section 3: Repeal; and Section 4: Effective Date, which is effective upon this publication notice. Copies of the proposed Ordinance are available for inspection and copying at Fenton City Hall, 301 S. Leroy Street, Fenton, MI 48430, during ordinary business hours.

Endowment supports Hurley Children's Hospital

■ Pediatric dentist's donation opens Sheppy Dog Child Life Services Endowment

Inching toward retirement, pediatric dentist Dr. Alan Klein has made a generous donation to open the Sheppy Dog Child Life Services Endowment. Child Life specialists at Hurley Children's Hospital help kids cope with the stress and uncertainty of being in the hospital through therapeutic play, preparation for procedures and education to reduce their fear, anxiety and pain.

Klein, who has practiced specialized pediatric dentistry at Hurley for more than 40 years, said, "Hurley is the best place, not just in Genesee County, but in Michigan, for kids — especially those very young or with special needs who require very special dental care."

For a decade, Klein created matching incentives totaling tens of thousands of dollars that motivated the community to help Hurley Children's Hospital with the Xbox Game Room Makeover

contest, the CU Direct contest, and three "Vote for Miracles" contests, presented by Credit Unions 4 Kids. His final matching gift was in 2019 for the "Santa Cares" campaign presented by local credit unions.

Klein started the Sheppy Dog fund in memory of his beloved golden retriever. Donations have enhanced pediatric services at the hospital and at Hurley Children's Center-Sumathi Mukkamala Center at the Flint Farmers Market.

Hurley's Child Life Specialists see 1,000-1,500 patients each month in Pediatrics, Pediatric Intensive Care, Pediatric Emergency, Cardiology, Pre-op Surgery, Gastroenterology, Oncology, and are on-call for Radiology, Neurology, and Rehab. Child Life Services are not billable or covered by insurance. The new endowment will ensure that Child Life will be around for years to come.

To donate, go to hurleyfoundation.org/donate.

OMICRON

Continued from Front Page

and Prevention (CDC) on Nov. 30. Variants are classified as "variants of concern" if they show evidence of one or more of the following — being more contagious, causing more severe illness or resistance to diagnostics, treatments or vaccines.

The Omicron variant was first detected Nov. 11 in South Africa and the first case was confirmed in the United States on Dec. 1. The identification of the Omicron variant is not unexpected as it has been identified in more than 20 other states. The first reported Omicron variant in Michigan was reported in a Kent County resident Dec. 9. Viruses constantly change through mutation, and new variants of a virus are expected to occur over time.

The Michigan Department of Health and Human Services (MDHHS) Bureau of Laboratories is a national leader in whole genome sequencing for SARS-CoV-2 and will continue to monitor for variants of concern.

According to the CDC, the Omicron variant will likely spread more easily than the original SARS-CoV-2 virus. How easily Omicron spreads compared to the Delta variant remains unknown. CDC expects that anyone with the Omicron infection can spread the virus to others, even if they are vaccinated or do not have symptoms. With other variants, like Delta, vaccines have remained effective at preventing severe illness, hospitalizations and death and are expected to do the same against Omicron.

The recent emergence of Omicron further emphasizes the importance of primary vaccinations and boosters. The most effective way to prevent the spread of COVID-19, hospitalization, and death is to be vaccinated. To provide additional protection against the Omicron variant, masks and distancing are effective. Wearing a mask in indoor areas offers additional protection, and with the easy transmission of the Omicron variant, social distancing or wearing a mask in crowded outdoor activities is recommended.

TRI-COUNTY FUNDRAISERS

COMPILED BY SHARON STONE

FIFTH ANNUAL FENTON ONESIE PUB CRAWL

The community is invited to the fifth annual Fenton Onesie Pub Crawl, hosted by Ed Constable (edconstable.com) of Fenton Township. Constable has been hosting the fundraiser to benefit local charities and organizations. This year, he is once again sponsoring the Brad Stone Scholarship, which benefits graduates of Lake Fenton High School. He is splitting the proceeds with another local non-profit, Fenton Center of Hope, which is in the

process of moving to its new location on N. Fenton Road near Camp Copneconic. Attendees will have fun while raising money for the local charities. Buses will run in a continuous circuit and you can hop on/off/skip whichever bars you'd like. Attendees are encouraged to check in early to avoid the crowds. Onesies are optional, but highly encouraged. The event is **Saturday, Jan. 15 from 2 to 7 p.m.**, beginning at the Fenton Township Hall. For more information and to buy tickets, go to fentonpubcrawl.com.

Hyatt Elementary collects most food donations

■ **Stuff the Bus** program helps feed families in need during the holiday

By Hannah Ball

Linden — Hyatt Elementary collected the most non-perishable food items during this year's Stuff the Bus program out of the three school districts that participated.

On Wednesday, Dec. 15, the Fenton Area Resource and Referral Network, Inc. (FARR) presented Principal John Strickert with a trophy for the students.

Every year for the Stuff the Bus program, the school districts of Linden, Fenton and Lake Fenton collect financial donations and non-perishable food items, which is then distributed by FARR and the Kiwanis Club to local families in need.

This year, Hyatt Elementary collected the most with 6,427 non-perishable food items. The school won a \$250 gift card for a pizza party. Linden Elementary came in second place by collecting approximately 4,750 items. Linden elementary schools collected more than 11,000 items.

Heather Josephson's class at Hyatt Elementary collected the most nonperishable food donations with nearly 1,200 items for the Stuff the Bus fundraiser this year. On Wednesday, Dec. 15, they accepted a trophy from the Fenton Area Resource and Referral Network, Inc. (FARR), which distributes the food to local families who need help this holiday season. **Photo: Hannah Ball**

While they don't yet know how much in total was raised by the three school districts, Carla Juarez, who's ran the program since it began in 2006, said this year "surpassed anything we have ever seen before" in regards to donations.

"This is all for at-risk families in the three school districts that need a little extra help during the holidays," she said. "I want to thank the community for their generosity this year and their support. A lot of people came out to collect

food and a lot of people were generous with food and monetary donations."

John Strickert, principal at Hyatt Elementary, said the school has approximately 350 students and their goal was to collect 1,200 items. They surpassed that goal by thousands.

"All the students in the whole community, they came together for this. It was heartwarming to see how much they care about each other. It was pretty powerful," he said.

FARR Executive Director Dawn Placek said this year, they've received five times the amount of non-perishable food items and three times the number of financial donations compared to previous years during the Stuff the Bus program.

They also collected more than \$8,000 with donation centers at VG's and The State Bank.

"The money goes to provide food for our food share program and so we're able to do Thanksgiving baskets, Christmas baskets, Easter baskets. We do an Easter meal," she said, adding that the food goes to any other food programs they run.

Wishing all our
friends, family & customers

JUMBLE KIDS

THAT SCRAMBLED WORD GAME!®

By David L. Hoyt and Jeff Knurek

The letters of these crazy words are all mixed up. To play the game, put them back into the right order so that they all make real words you can find in the dictionary. Write the letters of each real word under each crazy word, but only one letter to a square.

Now you're ready to solve today's Jumble for Kids. Study the picture for a hint. Play around with the letters in the circles. You'll find you can put them in order so that they make your funny answer.

FUNERAL ETIQUETTE WHAT CAN I DO TO HELP LATER?

In the days and months to come, the family will continue to need your support. Try to write or call on a regular basis. Continue to include them in your social plans, they will let you know when they are ready to participate. It is also nice to remember the family on special occasions during the first year following the death. Don't worry about bringing up the pain and emotion of the loss, they are well aware of that. By remembering such occasions as wedding anniversaries and birthdays, you are not remembering the death, but reaffirming that a life was lived.

Source: TheFuneralSource.org

Jeffrey Jay Caszatt

1956 – 2021

Jeffrey Jay Caszatt - age 65, of Bay City, passed away Wednesday, December 8, 2021. A celebration of life has been held. Jeffrey was born April 18, 1956 in Carson City, the son of Stanley and Janet (McGill) Caszatt. He was a 1974 graduate of Lake Fenton High School. Jeffrey was a hardworking, honest man. He started his career working out west on oil rigs, then worked as a pipefitter for many years. He enjoyed bowling, waterskiing and fishing. He had a great sense of humor and was very well read. Surviving are his children, Jason (Maureen) Wilburn of Northville, Lindsey Caszatt of Waterford, Amy (Terry) Klumpp of Lennon; grandchildren, Julian, Rylie, Colin, Kassie, Taylor and Dakota; brothers, Randall and Kevin Caszatt; sister, Diane (Thomas) Waugh; several nieces and nephews. He was preceded in death by his parents and wife, Pamela Jo Caszatt. Tributes may be shared at www.sharpfuneralhomes.com.

LOOKING BACK at this week in HISTORY

COMPILED BY SHARON STONE

DEC. 19

1998: After nearly 14 hours of debate, the House of Representatives approves two articles of impeachment against President Bill Clinton, charging him with lying under oath to a federal grand jury and obstructing justice. Clinton, the second president in American history to be impeached, vowed to finish his term. In November 1995, Clinton began an affair with Monica Lewinsky, a 21-year-old unpaid intern. Over the course of a year and a half, the president and Lewinsky had nearly a dozen sexual encounters in the White House. In April 1996, Lewinsky was transferred to the Pentagon. That summer, she first confided in Pentagon co-worker Linda Tripp about her sexual relationship with the president. In 1997, with the relationship over, Tripp began secretly to record conversations with Lewinsky, in which Lewinsky gave Tripp details about the affair.

DEC. 20

1957: While spending the Christmas holidays at Graceland, his newly purchased Tennessee mansion, rock-and-roll star Elvis Presley receives his draft notice for the United States Army. With a hit movie, "Love Me Tender," and a string of gold records including "Heartbreak Hotel," "Blue Suede Shoes," and "Don't Be Cruel," Presley had become a national icon, and the world's first bona fide rock-and-roll star, by the end of 1956. The following year, at the peak of his career, Presley received his draft notice for a two-year stint in the army. Fans sent tens of thousands of letters to the army asking for him to be spared, but Elvis would have none of it. He received one deferment, during which he finished working on his movie King Creole, before being sworn in as an army private in Memphis on March 24, 1958.

DEC. 21

1988: Pan Am Flight 103 from London to New York explodes in midair over Lockerbie, Scotland, killing all 243 passengers and 16 crew members aboard, as well as 11 Lockerbie residents on the ground. A bomb hidden inside an audio cassette player detonated in the cargo area when the plane was at an altitude of 31,000 feet. The disaster, which became the subject of Britain's largest criminal investigation, was believed to be an attack against the United States. One hundred eighty nine of the victims were American. In 2003, Libya accepted responsibility for the bombing, but didn't express remorse. Pan Am Airlines, which went bankrupt three years after the bombing, sued Libya and later received a \$30 million settlement.

DEC. 22

1956: A baby gorilla named Colo enters the world at the Columbus Zoo in Ohio, becoming the first-ever gorilla born in captivity. Weighing in at approximately 4 pounds, Colo, a western lowland gorilla whose name was a combination of Columbus and Ohio, was the daughter of Millie and Mac, two gorillas captured in French Cameroon, Africa, who were brought to the Columbus Zoo in 1951. Before Colo's birth, gorillas found at zoos were caught in the wild, often by brutal means. In order to capture a gorilla when it was young and therefore still small enough to handle, hunters frequently had to kill the gorilla's parents and other family members.

DEC. 23

1888: Dutch painter Vincent van Gogh, suffering from severe depression, cuts off the lower part of his left ear with a razor while staying in Arles, France. He later documented the event in a painting titled Self-Portrait with Bandaged Ear. Today, Van Gogh is regarded as an artistic genius and his masterpieces sell for record-breaking prices; however, during his lifetime, he was a poster boy for tortured starving artists and sold only one painting. In May 1890, Van Gogh moved to Auvers-sur-Oise, near Paris, where he continued to be plagued by despair and loneliness. On July 27, 1890, he shot himself and died two days later at age 37.

DEC. 24

1851: A fire sweeps through the Library of Congress and destroys two-thirds of Thomas Jefferson's personal literary collection. Jefferson, who died in 1826, had offered to sell his personal library to Congress after the Congressional library, along with the rest of the Capitol and the White House, was burned by the British in 1814, during the War of 1812. His collection of 6,487 volumes of books and newspapers fetched \$23,950 and, in addition to providing an invaluable archive to the nation, the fee helped pay off some of Jefferson's personal debts. According to the Library of Congress, Jefferson also offered to arrange and number all the books himself. He called his collection, which contained a vast assortment of scientific works, an "interesting treasure" that he hoped would have a "national impact."

DEC. 25

1914: Just after midnight on Christmas morning, the majority of German troops engaged in World War I cease firing their guns and artillery and commence to sing Christmas carols. At certain points along the eastern and western fronts, the soldiers of Russia, France, and Britain even heard brass bands joining the Germans in their joyous singing. There was even a documented case of soldiers from opposing sides playing a good-natured game of soccer. The so-called Christmas Truce of 1914 came only five months after the outbreak of war in Europe and was one of the last examples of the outdated notion of chivalry between enemies in warfare.

Charles Franklin Harrison 1932 - 2021

Charles Franklin Harrison - age 88, of Fenton, passed away Monday, December 13, 2021. A memorial service will be held 11 AM Wednesday, December 22, 2021 at Fenton United Methodist Church, 119 S. Leroy St., Fenton. Pastor Jeff Jagers will officiate. The family will receive friends from 10 AM until the time of service. Those desiring may make contributions to Fenton United Methodist Church. Burial will take place at a later date at Great Lakes National Cemetery. Charles was born December 31, 1932 in Arenac County, the son of Charles Wesley and Ethel (Smith) Harrison. He was a veteran of the US Army. Charles earned a bachelor's degree from

Colorado State and a master's degree from Eastern Michigan University. Mr. Harrison retired from General Motors. He was a member of Fenton United

Methodist Church. Surviving are his wife, Donna; children, Heidi Harrison, Mark Harrison and Jeffery (Erika) Harrison; grandchildren, Ryan, Hayden, Meredith, Madelynn, Megan and Adam; great-grandson, Lucas; sister, Mildred Marks; brother, Bill (Marlene) Harrison. He was preceded in death by his parents and brother, Roy. Tributes may be shared at www.sharpfuneralhomes.com.

Donna Ruth Aidif 1932 - 2021

Donna Ruth Aidif - age 89, of Fenton, died Thursday, December 9, 2021. Private family services will be held at a later date. In lieu of flowers, contributions may be made to Lake Fenton United Methodist Church, 2581 N Long Lake Rd, Fenton, MI 48430. Donna was born May 28, 1932 in Flint, the daughter of Russell Edric and Thelma Mae (Church) Holcombe. She married Joseph Aidif on October 2, 1954 and he preceded her in death on May 5, 2010. Donna had worked in administration for Consumers Energy for nine years and spent many years volunteering at Lake Fenton United Methodist

Church where she was an active member. She was an avid bowler and a square dancer. Surviving are three sons, Daniel (Wendy) Aidif of Winter Park, FL, Ronald (Kristen) Aidif of Grand Rapids, and Dale (Suzanne) Aidif of Grand Blanc; nine grandchildren; and several great-grandchildren. She was also preceded in death by her parents; and sister, Christine Daniel. Arrangements by Sharp Funeral Homes, Fenton Chapel, 1000 W. Silver Lake Rd., Fenton. Tributes may be shared at www.sharpfuneralhomes.com.

Vance Hart Gordon 1926 - 2021

Vance Hart Gordon - age 95, of Athens, formerly of Fenton, died Sunday, December 5, 2021. A memorial service will be held at Great Lakes National Cemetery

in Holly, at a later date. Arrangements by Lighthouse Funeral & Cremation in Union City, www.lighthousefuneral.com. Vance was born May 22, 1926 in Fenton to Mark and Alice (Bennett) Gordon. He left high school to serve in the Army (1944-46) stationed in France, Austria and Germany, and later earned his diploma through Ferris State. On April 27, 1947, Vance married the former Donna Johnson in Fenton. He retired as a supervisor of employment for Chevrolet after 27 years, then went to work for GM in Dearborn and later was a local driver for the Fenton Chevrolet dealership. Vance's life revolved around Fenton. He lived there 92 years before relocating to

Athens. He was a polite, gentlemanly, honest family man and very protective of his daughters. Vance belonged to American Legion Post #38 and St. Jude's

Episcopal Church. He liked to sing, especially Christmas carols. He is survived by daughters, Kimberly (Robert) Goodspeed of Woolwich, ME, Kyle (Dennis) Stanton of Athens, and Kelly (Frank Provato) Gordon of Waterbury Center, VT; granddaughters, Kaitlyn Goodspeed of Woolwich, ME, Amy (Paul Uldriks) Stanton of Athens, and Amanda (Dave) Snyder of Ellettsville, IN; several nephews; nieces; and two great-grandchildren, Andrew and Zachary Snyder. He was preceded in death by his wife of 65 years, Donna (2012); parents; sisters, Jean Weigant and Mary Poag. Memorials suggested to St. Jude's Episcopal Church, 106 E. Elizabeth, Fenton, MI 48430.
