

LAKE FENTON 2021-2022 SCHOOL BUS SCHEDULES

Welcome to a new school year on behalf of First Student and Lake Fenton Community Schools

We take great pride in our department and are looking forward to serving you during the 2021-2022.

Our number one priority is to provide the safest most reliable student transportation service. We focus on the safest loading and unloading procedure for your child.

Michigan State law requires bus stops to be 200 feet apart from one another. Please have your child at his/her bus stop 15 minutes early for the first few days of school. Loading times are approximate until drivers adjust the routes. When routes have been adjusted we recommend your children are at their bus stop 5 minutes prior to their loading time.

The entire bus fleet is equipped with the eight light system, crossing gate, side stop arm, two-way radios, and all buses are equipped with the child check mate system. All the drivers use a uniform crossing pattern, and check their bus after each route to deactivate the child check mate system and hang a EMPTY PLACARD SIGN to ensure no sleeping children are left on board. All drivers prior to employment will have an extensive local, state and federal background check on both criminal and drivers license records. After employment we update these records yearly. Physical and substance abuse screening. Random substance abuse screening is performed on the entire transportation staff throughout the year. Post accident screening. Every driver is fully trained with a minimum of 52 hours classroom and behind the wheel training. Every driver is to attend scheduled safety meetings. Every driver is re-evaluated at least once a calendar year.

We ask, for the safety of your child and to continue consistency for the driver that you maintain the same pick-up and drop-off location every day throughout the week. Your AM pick-up may be different from your PM drop-off.

- We feel it is very important for you to be visible by the bus driver when unloading your children; this reassures the bus driver and child you are home.

- Please keep your emergency card up to date, any bus changes please notify transportation as well.

Please contact the Lake Fenton Transportation Department if you have questions or need additional clarification regarding this information at (810) 591-2552. Your cooperation and assistance in making sure these policy and guidelines are followed will help insure the personal safety of your student.

Sincerely,
Montgomery White — Location Manager
Heather Waltrip — Dispatcher
