CONGRATULATIONS TO THE Class of 2022

By Sharon Stone

Members of the Class of 2022 have endured challenging and interesting years during their high school career. This has been no small feat as they prepare for their next adventure in life and adulthood.

Schools were shut down in the spring of 2020 when the global pandemic struck the tri-county area and classes were held remotely during an influential time in their life. Classes and sports have

returned to pre-pandemic settings and these young men and women have adapted and thrived.

The Class of 2022 will have countless stories to retell for years to come. Some might share sad stories of loved ones who succumbed to the virus. Some might share stories of frustrating Zoom classrooms. Some might remember internet issues, wearing masks, staying socially distant, not being able to hang out with friends, erratic sports

schedules and more.

However, it appears those days are behind us.

Through so much adversity, the Class of 2022 should look back and take pride in how strong they are. They pursued their academic studies and sports dreams during stressful times and should be commended for their successes. Many will begin their journeys at universities, community colleges, trade schools, military or jump right

into working full-time jobs. There's a clean slate in front of them to write their next chapter.

The Times is celebrating this year's seniors at Fenton High School, Lake Fenton High School, Linden High School, Holly High School and the local students who graduated from Powers Catholic High School with this special Graduation section.

Congratulations to the Class of 2022.

FENTON HIGH SCHOOL

A NOTE FROM FHS PRINCIPAL

Michael Bakker

Class of 2022, the past thirteen years of school have provided you with opportunities of exploration and growth which have and will continue to shape your future. We thank you for allowing us to be a part of your lives, and we are grateful for the impact you have made on all of us and our community.

Regardless of where your next path leads you, and no matter how hard that new journey may be at times, remember the journey you once started in elementary, middle and high school. At one point it seemed equally as difficult.

As a class, you have arguably faced more adversity and uncertainty than most of your teachers and parents ever did at your age; and you have persevered. You have broken down barriers, achieved excellence in the classroom, conquered the athletic fields, and dazzled us with your creativity and talent in the arts. All this, while staring down a pandemic in the prime of your high school years. You have proven your abilities day in and day out, and there is no doubt you will continue to do the same in the future. You must continue

to ask questions, continue to listen, continue to learn, and despite any obstacles that may come your way, remember that your classmates, your teachers, your administrators, your parents, and your community will always be here to support you.

When the dust settles on your caps and gowns, and awards and certificates, know we will remember you as a group:

- of caring individuals who accepted others for who they are.
- who knew how to have fun and who

knew how to work together.

- who made others feel appreciated.
- that has made us laugh and cry.

So now we send you on your journey. A journey ripe with challenges, opportunities and endless possibilities. We are confident that you are prepared to take the next steps forward in that journey.

Members of the Class of 2022, from all of us to all of you, congratulations and good luck with your future goals and dreams.

Congratulations

to our 2022 Graduates

We wish you success and happiness in all of your future endeavors!

HOLLY HIGH SCHOOL

A NOTE FROM HOLLY PRINCIPAL

Peter LoFiego

The Broncho Class of 2022 will long be remembered for its role in reestablishing long-held traditions and rites of passage in our hallways.

Many of these traditions were put on hold due to the global pandemic. The Class of 2022 played an integral role in the return of these treasured events, such as Homecoming, Snowcoming, Senior Prom and Spirit Week. Traditions, if not repeated, often fall by the wayside. The Class of 2022 made sure that didn't happen, and its commitment to reinstating these traditions will mark its place in Broncho history for generations to come.

These students worked together to

plan float-making parties for Homecoming and help organize the first indoor prom in two years. They also helped plan and lead Spirit Week, a tradition for all students that reminds us what Broncho Pride is all about.

The past two years were filled with many ups and downs as we navigated the pandemic. While it's unclear exactly what "normal" will look like moving forward at Holly High School or anywhere else for that matter, this year's Senior Class helped us advance toward a sense of normalcy by leaps and bounds.

For that, more than anything, I and all future senior classes thank you.

I also thank you for setting an example on the value of perseverance. By helping reinstate these traditions, our graduating seniors taught our underclassmen the value of attending and participating in school events that spark pride and camaraderie among students and staff at Holly High.

I have never been more confident in the success of a senior class. Their relentless determination will serve them for a lifetime, whether they go on to college, technical training or jobs right after graduation.

To the Class of 2022: Be bold. Be brave. Be your best! You've shown us the way.

Holly High School *Senior Scholars*

• To be eligible for Senior Scholar recognition, a student must complete their high school career with a minimum 3.5 (weighted) GPA.

• Senior Scholars are ranked using a formula which incorporates both GPA and SAT score.

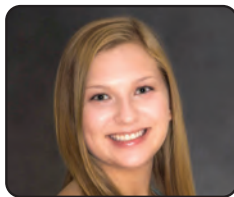

• Senior Scholar ranking: $(\text{GPA} \times 1200) + (\text{SAT Score}) = \text{Senior Points (6400 points possible)}$

• Students who score at least 5700 points are named Senior Scholars. They receive medallions, mention in a district press release, and recognition in the graduation ceremony and program.

• A student may submit valid SAT retake scores through April 1 of their Senior year.

LAKE FENTON HIGH SCHOOL

A NOTE FROM LFHS PRINCIPAL

Kate VanHouten

Class of 2022,

I would like to take this moment to congratulate each of you after the unprecedented and historic four years you have completed here at Lake Fenton High School. You each will go into this world to leave your mark and the sum of your educational journey thus far will provide you the knowledge and resilience needed to accomplish the next steps in your journey. It is through

these next steps that you will gain the wisdom and experience necessary for a life fully lived. We all look forward to the impact you will make and the adventures you will have. Remember your roots, but make your reach far and wide.

And as both your Literature teacher many years ago and now your past principal, I would like to end with a short excerpt from Walt Whitman's

famous poem O Me! O Life!,

*'O me! O life! of the questions of
these recurring,
...What good amid these,
'Oh me, O life?'*

Answer:

*That you are here — that life exists
and identity,*

*That the powerful play goes on,
and you may contribute a verse.*

Seniors, the worth of your life lies precisely in the act of fully living -- each day ahead of you offers a chance to contribute to the sum of human endeavor and to make your own mark in this world.

What will your verse be?

*Proud Principal,
Kate VanHouten Ed. S*

LAKE FENTON COMMUNITY SCHOOLS

Congratulates
THE CLASS OF **2022!**

Lake Fenton High School *Top Students*

Valedictorian Madeline Gibb

is the daughter of Mark and Jenny Gibb and has attended Lake Fenton Schools since kindergarten. During her time in high school, she has participated in National Honor Society, band, and theatre. She will be attending Central Michigan University on a full ride scholarship and was accepted into their musical theatre program.

Valedictorian Nic Learman

is the son of Kevin and Cara Learman. Over his four years at Lake Fenton High School, Nic has discovered his passions by exploring a variety of different extracurricular groups, including Robotics and band. His dedication to serving his community at St. John the Evangelist Parish made it easy for him to fit in with NHS. Maintaining a 4.0 GPA, Nic has challenged himself with a variety of AP and college classes, taking a particular interest in his two programming classes this year. He will be attending Kettering University this fall to major in Computer Science.

Valedictorian Luke Lynch

has attended Lake Fenton Community Schools since young 5's. He is the son of Jenny and Peter Lynch. During his time at Lake Fenton High School, Luke participated in multiple clubs and sports, including Key Club, National Honor Society, varsity lacrosse, varsity track and field, and travel hockey. He maintained a 4.0 GPA throughout high school, and some of his favorite classes included mathematics, science, French, and history. Luke will be attending the University of Michigan in Ann Arbor, where he plans to study Architecture.

Valedictorian Logan Rimarcik

is the son of Jeff and Tracy Rimarcik, who have provided him the freedom to explore many opportunities that he finds interesting, including piano, art, and tutoring which provided for his increased ability to connect interdisciplinary skills. Additionally, he maintained an unweighted 4.0 GPA while exploring differential equations, physics 1 & 2, linear algebra, Calculus, and self-study in various topics ranging from neuroscience to computer science. After high school Logan plans to attend MSU's Honor College while triple majoring in neuroscience, computer science, and mathematics.

Valedictorian Ruby Todd

has been going to Lake Fenton schools since kindergarten and is the daughter of Rocky and Catherine Todd. Throughout high school she has played volleyball and was on the varsity team for three years. She was also involved in the theater program and played many roles. She was inducted into NHS her sophomore year and became president her senior year. Ruby has a 4.0 GPA. Ruby plans to attend Michigan State University where she will be studying Environmental Engineering.

Valedictorian Logan Whittecar

has attended Lake Fenton Community Schools since Kindergarten and is the son of Kristain and Cameron Whittecar. During his time at Lake Fenton High School, Logan participated in extracurricular activities including National Honor Society, Student Counsel, Marching Band - Drum Major, Theater and Cross Country. He maintained a 4.0 GPA throughout high school. Logan will be attending Michigan State University in East Lansing, where he plans to study Premedical Sciences.

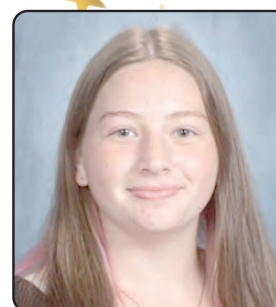

Salutatorian - Carter Smith

is the son of Kirk and Erin Smith and has attended Lake Fenton Community Schools since pre-school. During his time at Lake Fenton High School, Carter has participated in multiple clubs and sports, including Key Club, National Honor Society, varsity football, varsity basketball, and varsity track and field. He maintained a 3.995 GPA throughout high school, and some of his favorite classes included American History, AP Calculus, AP Bio, and AP Literature. Carter will be attending Trine University where he plans to play football and study Pre-medicine.

Salutatorian - Gracie Kaye

is the daughter of Roxane and John Kaye. She has gone to Lake Fenton Schools since kindergarten. In her high school career, she has been on varsity softball, sideline cheer, and competitive cheer. She has been on the honor roll and involved in the NHS all four years by maintaining a 3.995 GPA. She will be a Patient Care Technician right out of high school with her academic performance at the Genesee Career Institute. She will be continuing her education as a student at Oakland University's Honors College as a nursing student.

Claire Osborne

maintained a 3.981 GPA throughout her high school career. She participated in Concert Band for 7 years and was awarded the Leadership Award at her final concert. She was a part of the Lake Fenton Marching Band for 4 years, becoming section leader for her last two years of high school. She was a varsity athlete for the lacrosse team for 4 years and a co-captain in her last year, also earning the Scholar Athlete Award. She joined the National Honor Society for her last two years of high school and earned Honor Roll all 4 years. She enjoys reading, listening to music, and hanging out with her friends. Her mother is Janet Beilharz. She is attending Michigan State University in the fall with hopes to become an aerospace engineer.

Dylan Hammis

is the son of Kris and Marc Hammis. During his four years at Lake Fenton High School, he has participated in football, basketball, Key Club (President), Yearbook, and NHS. His favorite class subject has always been Math, especially Calculus. He has maintained a 3.986 GPA throughout high school. Thanks to the help of his parents, he has been fortunate enough to go to Michigan State University on multiple scholarships where he plans to study mechanical engineering and minor in business.

ON BEHALF OF
LINDEN HIGH SCHOOL

Congratulations
TO THE

AS ALWAYS...
GO
EAGLES!

LINDEN HIGH SCHOOL

A NOTE FROM LINDEN PRINCIPAL

Darin Dreaskey

Congratulations to the Linden High School Class of 2022!

Your journey over the past four years has been a proverbial roller coaster ride. Throughout all of the peaks and valleys, you have persevered. You have persevered academically, persevered emotionally, persevered athletically, and persevered as a class. You have completed the roller coaster ride of high school. I'd like to share a poem that I think encapsulates your journey the past four years, and hopefully something that will help guide you as you move on from LHS.

*Life is like a roller coaster
You will need a safety belt to hold you in
For things will be scary
And you will have to face your fears
Around the curve there are new possibilities
And a future that awaits
Things won't be easy
And the ride won't be smooth
There will be bumps and sharp turns along the way
People won't always agree with you
And you won't always agree with them
But challenge yourself to look outside of the box
To see things from a different perspective every now and then
To open your mind to the world around you
For the journey of life will fly by faster than you think
And before you know it you will have a story to tell
Full of tests and fears
And mistakes and tears
But memories will be made
And a history will be engraved
For the flips and down hills will always be worth it in the end
Because in one short blink things may come to an end
And we must not take things for granted
For life is like a rollercoaster
And you never know what will happen
Unless you climb the hill
And open your eyes and enjoy
The beautiful masterpiece of life
Which lies right over the next hill
- Unknown*

As you venture away from the comfort of home, LHS, and community, use the same perseverance in pursuit of your next educational, personal, or professional goal(s). Continue to ride the roller coaster. Keep your eyes fixed on the next hill to climb.

On behalf of Linden High School congratulations, and we wish you the very best! #lindeneaglepride.
