# ★★★ THE VOTES ARE IN! ★★★

When you have a house guest from out of town where do you shop the night before? What bakery supplies the bagels or cinnamon rolls for breakfast, where do you grab a quick lunch, a delicious dinner and a cocktail? Where do you point and say "I love that place" as you drive around town? What would you miss if you moved away?

These are the places that make up a community. These places are The Best of the Best. *The Tri-County Times* is proud to bring to light these places in our annual Best of the Best section. Thanks to your reader submitted

votes we have put together a list of the 2023 winners, honoring both the Best and the Favorites when it comes to a number of items like hamburgers, bakeries, great places for kids and many, many more.

Thank you for your participation and even more, thank you to the countless business owners, managers and employees who work tirelessly each day to make Fenton, Linden, Holly and the surrounding communities such great places to live, work and play.

Sit back, relax, flip through the following pages and admire The Best of the Best.
