FENTON

— Incorporated 1863 —

The city of Fenton is conveniently located with access to the U.S. 23 expressway possible from three locations in the city, as well as Fenton Township to the north and Tyrone Township to the south. Major Michigan cities, including Ann Arbor, Flint, Lansing and Detroit, can be reached in under an hour.

HISTORY

In 1834, a New Yorker named Clark Dibble explored the wilderness along the Shiawassee River on his way to Grumlaw, which is now known as Grand Blanc. By mistake, he found himself on the White Lake Trail. He proceeded north and landed on a spot on the Shiawassee River that he found so beautiful that he decided to stay. By 1836, "Dibbleville" consisted of a handful of people, a saw mill and two small houses that were all built along the river. Dibbleville was at the center of five trails, and several families came to make their homes there.

Other settlers, including William M. Fenton and Robert LeRoy, also natives of New York, followed soon after. Local legend has it that the city's current name came from the winner of a card game in 1837, between Fenton, a lawyer and land speculator, and LeRoy, a land speculator. Fenton won the game, and the town was named "Fentonville," and LeRoy earned the consolation prize, which was the opportunity to name the town's main road after himself and other smaller streets after his family members, including Ann, Caroline, Adelaide, and Elizabeth.

Over the years, Fentonville prospered and in 1863 was incorporated as the village of Fenton. In 1964, the village of Fenton was incorporated and became the city of Fenton. Harry Lemen, who served Fenton for 41 years, became the city's first mayor. Paul Bottecelli served as mayor after Lemen, from 1965 to 1968. Bottecelli was followed by Jack Winegarden, who served as mayor from 1969 to 1972.

ON THE WEB

All Fenton area municipalities have informative websites, giving members of their communities all of the resources they need, including information about municipal services, elected leaders, administrative personnel, local ordinances, meeting agendas and minutes, and more. the Fenton Fire Hall restaurant.

Fenton approved an estimated \$389,218 for the Veterans Memorial Park Project, which will be constructed at Fenton Freedom Park. The city expects the project to be completed in time for Veterans Day, Nov. 11, 2023.

GREAT PLACE TO LIVE, WORK AND PLAY

Despite the growth that has taken place in the city of Fenton and the surrounding communities, the tri-county area remains a wonderful place to live, work and play. Residents and visitors alike enjoy simple pleasures, such as a stroll along the river or a picnic at one of the area's many parks. Pre- and post-COVID-19 pandemic events attract thousands to the city. Events that took place in the past and expected to take place in the future include the summer concerts at the Fenton Millpond, the Fourth of July Freedom Festival, Fenton Artwalk, Farmers Market, Back to the Bricks, Taste of Fenton, St. John Applefest, and Jinglefest at Christmastime. The latest big event in the fall is called Bottles, Brews & News, brought to the city by The View Newspaper Group and Tri-County Times.

HOLLY

— Incorporated 1865 —

The village of Holly is located approximately five miles east of the city of Fenton. The community can be accessed from U.S. 23 to Silver Lake Road, east to Grange Hall Road, and from I-75 exits at East Holly Road and Grange Hall Road.

HISTORY

The village of Holly has a rich history. For many years, settlers referred to the area as Busseyburg, Algerville and Holly Mills. In the early 1830s, William “Big Bill” and Sarah Gage visited often, and built the first known cabin in the area. Gage was elected to the Michigan legislature in 1842, and contributed to the area’s growth by building plank roads between communities. The first man to settle permanently in the area was Ira C. Alger, a native of New York who arrived in 1836. The following year, the population doubled as his wife, Mary Anne, moved to the area and joined him.

Because of the saw and gristmills, Holly attracted the railroad industry. In 1855, the first train rolled into Holly, marking the true start of Holly’s economic growth. While the first set of railroad tracks were actually laid in 1834, it wasn’t until 1853 that the Detroit

& Milwaukee Railroad reached the village. Afterward, Henry Howland Crapo later extended track from Holly northward to Flint, making it the first railroad intersection in Oakland County and among the oldest in the state.

The railroad years in Holly brought several businesses into town, including 17 hotels and numerous saloons. In the 1870s, a section of Holly’s Martha Street became known as “Battle Alley” as it was often the backdrop for many a barroom brawl that often spilled out into the street.

By 1907, word about Holly and its famous Battle Alley reached the ear of well-known prohibitionist Carry Nation of Kansas. Nation traveled to Holly where she continued her six-year campaign against the evils of alcohol, visiting many Battle Alley watering holes, and using her “all hell howl” and famous axe to make her point.

In 1838, Jonathon T. Allen founded Holly Township and became its first supervisor. During that time, Allen named the village Mt. Holly after his boyhood home in New Jersey.

TODAY

Holly welcomes community for veterans and service members. Last August, Holly American Legion Post 149 and the Holly Area Veterans Resource Center brought the Vietnam Moving Wall to Holly. The Moving Wall is a half-size replica of the original Vietnam Veterans Memorial on the Mall in Washington, D.C.

Last February, Holly Village Council approved an ordinance amendment that now allows Holly Village to grant business licenses to qualified applicants to open recreational marijuana establishments. Last June, Holly Village Council approved two marijuana retail licenses, one for The Brand Labs and one for Lume Cannabis Co. Village Manager Jerry Walker said he expects the businesses to open this winter. Holly Village Manager Jerry Walker said, “The winter and spring of 2022 was a time of study and investigation for the council as they evaluated the pros and cons of granting cannabis licenses. After much consideration they decided to issue two retail cannabis licenses, dispensaries, along with other licenses for grow, processing, testing, etc...”

On June 21, 2022, a fire broke out at Battle Alley Arcade Antiques in downtown Holly. With strong winds and temperatures in the 90s, the fire quickly spread to nearby businesses. The fire raged for hours. The antique shop was destroyed and the Holly Hotel, the Holly Moose Lodge, Andy’s Place, Creative Fashions of Holly, RHL Financial Group and Ziggy’s Ice Cream were damaged. The historic Holly Hotel sustained heavy damage and the owners have said they are committed to rebuilding. Fundraising efforts continue to help the other businesses and employees who lost their jobs due to the fire.

Work also continues on an approximately 120-year-old, 80-ton Farmstead barn. Officials want to turn the site into a venue that could support agricultural education, and even act as a music and wedding venue.

The Holly Police Department started a food pantry in April 2021 that feeds dozens of people a week. This food pantry continues to provide fresh food at times, nonperishable items, and dry products, such as cleaning supplies and personal health care items 24/7/365.

Year after year, Holly proves to be a municipality that loves events. The always-popular Dickens Festival was attended by thousands of people in 2022, and downtown was busy in early October for the annual Witches Night Out. Other events include HollyDays. Battle Alley remains closed to traffic between S. Saginaw and S. Broad streets to make it a walking area and social district.

The community continues in its effort to save the Holly Union Depot by fundraising, including the production of the movie, Cupid’s Christmas, to help move the old station to a safer location. In addition to the movie about

the Holly Depot, Christmas at the Holly Hotel was filmed in the downtown area and featured several local residents. Both movies have been released for public viewing.

During the November 2022 General Election, the voters in Holly Village approved a 15-year, 3-mill millage for fire and police services.

ENTERTAINMENT REIGNS

Holly’s historic downtown is a booming shopper’s paradise, with stores and boutiques full of Michigan-made and hand-crafted products, specialty food items, clothing and antiques. Winglemire Furniture and Joseph’s Oak Shop are sesquicentennial Michigan businesses. Most stores are open after 5 p.m. and have special hours and sales during community events.

The North District of Holly provides the necessities of life in one convenient location, including groceries, sundries, dry cleaning, flowers, hardware and auto supplies.

Each year, pre-pandemic and post-pandemic, downtown Holly welcomes visitors to a number of village events including Wednesday night car shows from May through October, Blues, Brews and Barbecue, and the annual Dickens Festival, a popular Victorian holiday celebration that takes place in downtown Holly between Thanksgiving and Christmas.

Just outside the village, in Groveland Township, the Michigan Renaissance Festival brings in thousands of visitors every fall, luring them back in time to a fictional English village called “The Shire of Hollygrove,” during the reign of Queen Elizabeth I in the latter part of the 16th Century.

For outdoor enthusiasts, the Holly area boasts a large number of lakes and rivers, and two state parks, the Holly Recreation Area and Seven Lakes State Park. There, visitors can enjoy fishing, swimming, camping, hiking and all that nature affords. In winter, skiing and snowboarding await at the Mt. Holly Ski Area.

LINDEN

— Incorporated 1865 —

The city of Linden is located approximately four miles west of the city of Fenton, and can be accessed via U.S. 23 to Silver Lake Road.

HISTORY

Linden is rich with stories about the hardy settlers who overcame many struggles to make their homes in this community along the Shiawassee River.

In 1835, brothers Richard and Perry Lamb built a log home and settled what is now Linden. The following year, many new people arrived to the area, including Richard Newton and Joseph Irving. Two other settlers, Jonathon Shepard and Benaiah Sanborn, helped Herman Harris and Consider Warner build what is now the longest-standing building in the city, the Warner Mill, a dual saw and grist mill.

Warner and Harris then began drawing how the village would be settled, but just after their plans got off the ground, tragedy struck twice.

In the early 1840s, just after the mill construction was completed, an epidemic broke out and infected more than 60 percent of the settlers, half of whom left their belongings and moved away. Less than a decade later, the mills caught fire and burned to the ground, only to be rebuilt again.

The 138-year-old mill, a well-constructed building, has become the city's civic center. Today, the historic mill is the meeting place for the Linden City Council and its various committees and commissions, and serves the community as a museum and public library.

PUTTING LINDEN ON THE MAP

As the years passed, several industries put Linden on the map, including a buggy manufacturer, until another Michigander, Henry Ford, changed the course of history. With the invention of the automobile, Lindenites turned their gaze from the land to water. High quantities of marl were found in area marshlands and another industry, cement manufacturing, would take hold of the tri-

county area for the next 30 years.

In 1885, the "Union Block," which stretched from Bridge Street to Main Street, was constructed and used bricks made locally by culling the clay from the earth at the corner of Hyatt Lane and Silver Lake Road.

Tragedy struck on May 18, 2007, when residents and other onlookers watched as the Union Block burned to the ground, destroying forever this part of Linden's rich history. City officials are currently working with individuals to rebuild on the site.

The Linden Hotel remains one of the area's oldest businesses, having served the community for more than 120 years.

Down the road, west on Silver Lake Road, in Argentine Township, another historic mill, the Wolcott Mill, was also thriving. Almost 166 years after its construction, the mill has new owners who have made significant inroads into preserving its history.

One of the area's most prominent citizens was former Argentine Township Supervisor Dr. Isaac Wixom, who according to some historical accounts, performed the first successful war time hip joint amputation. It was Wixom who first laid out the plans for what is now the main strip in the township before moving on to the Michigan State House of Representatives.

TODAY

2022 marks the beginning of change in Linden, yet the city's charming atmosphere remains unaffected.

Linden City Council voted to join the Genesee County water system as Fenton Township expanded its Thompson Road Corridor Water Project. Another infrastructure change is the way police and fire services are funded in the city. In August, voters approved a 5-mill millage to fund police and fire services.

The city continues to make upgrades to the downtown area and attract more people to events, including Ladies Night Out,

Kiwanis Karaoke at the Mill and more.

In the summer, Roger Sharp, CEO and founder of Sharp Funeral Homes, and Joe Kimble, Emeritus Professor at WMU-Cooley Law School., who paid to renovate the Kimble-Sharp Gazebo, also paid to fix the old water wheel, which is working again.

The Linden City Council changed in 2022 after the Nov. 8 election. Councilor Elizabeth Armstrong took the seat of former councilor Aaron Wiens.

Once again, the city held multiple successful and well-attended events in 2022. Zombies, Scarecrows and Monsters, one of the largest family friendly Halloween events in the area, continues to grow and grow every year. Thousands of people attended Holiday Happening in December to celebrate Christmas.

The city is expanding parks and recreation opportunities. Linden approved plans to make Triangle Park a trailhead for The State Bank Trail, which is expected to be constructed alongside Silver Lake Road in 2023.

Construction was completed on the Beacon & Bridge gas station and the business is up and running, giving the downtown area a fresh look.
