FENTON

— Incorporated 1863 —

The city of Fenton is conveniently located with access to the U.S. 23 expressway possible from three locations in the city, as well as Fenton Township to the north and Tyrone Township to the south. Major Michigan cities, including Ann Arbor, Flint, Lansing and Detroit, can be reached in under an hour.

HISTORY

In 1834, a New Yorker named Clark Dibble explored the wilderness along the Shiawassee River on his way to Grumlaw, which is now known as Grand Blanc. By mistake, he found himself on the White Lake Trail. He proceeded north and landed on a spot on the Shiawassee River that he found so beautiful that he decided to stay. By 1836, “Dibbleville” consisted of a handful of people, a saw mill and two small houses that were all built along the river. Dibbleville was at the center of five trails, and several families came to make their homes there.

Other settlers, including William M. Fenton and Robert LeRoy, also natives of New York, followed soon after. Local legend has it that the city’s current name came from the winner of a card game in 1837, between Fenton, a lawyer and land speculator, and LeRoy, a land speculator. Fenton won the game, and the town was named “Fentonville,” and LeRoy earned the consolation prize, which was the opportunity to name the town’s main road after himself and other smaller streets after his family members, including Ann, Caroline, Adelaide, and Elizabeth.

Over the years, Fentonville prospered and in 1863 was incorporated as the village of Fenton. In 1964, the village of Fenton was incorporated and became the city of Fenton. Harry Lemen, who served Fenton for 41 years, became the city’s first mayor. Paul Bottecelli served as mayor after Lemen, from 1965 to 1968. Bottecelli was followed by Jack Winegarden, who served as mayor from 1969 to 1972.

TODAY

2023 was a year of infrastructure improvement, and that work continues into 2024.

Fenton began 2024 with the completion of multiple road projects it wasn’t able to finish at the end of 2023. The local street program will continue into 2024. It is a multi-million infrastructure project that will improve numerous Fenton roads. Phase I or the numbered streets subdivision was completed in 2023. Phase II will be completed in 2024.

The city replaced watermain in conjunction with road work on State Road, N. East Street, and the Elmwood subdivision. A new watermain on Oak Street (Rockwell to Elizabeth) will be completed by the end of December.

Owen Road from U.S. 23 to Jennings Road will be reconstructed.

Officials plan to finish construction of a \$353,000 facade repair and improvement at A.J. Phillips Fenton Museum and the construction of the Veterans Memorial Park in

2024. A Memorial Day 2024 Dedication Ceremony is planned for this addition to Freedom Park.

The State Bank Trail construction is expected to begin this year. It will provide walkability from Fenton at Jennings Road west to Triangle Park in Linden. This project is part of the Linden, Argentine, Fenton Township, Fenton City long-range connectivity plan. Fenton also will replace the pedestrian bridge over the Shiawassee River in 2024.

They improved the department of public works in 2023 and installed two columbarium at Oakwood Cemetery. The city ordered a new ladder truck this year at a cost of \$1.4 million. The new ladder truck is anticipated to arrive in early 2025.

Jeff Cross was promoted from the department lieutenant to Chief of Police in February 2023. Chief Cross attended the FBI National Academy in September 2023 and graduated in December. The police department received a grant for a new camera system that includes body/patrol vehicle/weapon camera system. Deployment should take place in 2024. The department hired four new police officers as replacements for openings created by vacancies.

The following businesses are expected to open in Fenton in 2024: Aldi, Barrel and Vines, GreenWay Auto Wash, which are all off Owen Road, and 113 Mill Street, where El Topo and Relief & Resource Co. used to be.

GREAT PLACE TO LIVE, WORK AND PLAY

Despite the growth that has taken place in the city of Fenton and the surrounding communities, the tri-county area remains a wonderful place to live, work and play. Residents and visitors alike enjoy simple pleasures, such as a stroll along the river or a picnic at one of the area’s many parks. Pre- and post-COVID-19 pandemic events attract thousands to the city. Events that took place in the past and expected to take place in the future include the summer concerts at the Fenton Millpond, the Fourth of July Freedom Festival, Fenton Artwalk, Farmers Market, Back to the Bricks, Taste of Fenton, St. John Applefest, and Jinglefest at Christmastime. The latest big event in the fall is called Bottles, Brews & News, brought to the city by The View Newspaper Group and Tri-County Times.

Featuring dozens of lakes and streams, Fenton and the surrounding communities boast a hub of outdoor recreational activities.

HOLLY

— Incorporated 1865 —

The village of Holly is located approximately five miles east of the city of Fenton. The community can be accessed from U.S. 23 to Silver Lake Road, east to Grange Hall Road, and from I-75 exits at East Holly Road and Grange Hall Road.

HISTORY

The village of Holly has a rich history. For many years, settlers referred to the area as Busseyburg, Algerville and Holly Mills. In the early 1830s, William “Big Bill” and Sarah Gage visited often, and built the first known cabin in the area. Gage was elected to the Michigan legislature in 1842, and contributed to the area’s growth by building plank roads between communities. The first man to settle permanently in the area was Ira C. Alger, a native of New York who arrived in 1836. The following year, the population doubled as his wife, Mary Anne, moved to the area and joined him.

Because of the saw and gristmills, Holly attracted the railroad industry. In 1855, the first train rolled into Holly, marking the true start of Holly’s economic growth. While the first set of railroad tracks were actually laid in 1834, it wasn’t until 1853 that the Detroit & Milwaukee Railroad reached the village. Afterward, Henry Howland Crapo later extended track from Holly northward to Flint, making it the first railroad intersection in Oakland County and among the oldest in the state.

The railroad years in Holly brought several businesses into town, including 17 hotels and numerous saloons. In the 1870s, a section of Holly’s Martha Street became known as “Battle Alley” as it was often the backdrop for many a barroom brawl that often spilled out into the street.

By 1907, word about Holly and its famous Battle Alley reached the ear of well-known prohibitionist Carry

Nation of Kansas. Nation traveled to Holly where she continued her six-year campaign against the evils of alcohol, visiting many Battle Alley watering holes, and using her “all hell howl” and famous axe to make her point.

In 1838, Jonathon T. Allen founded Holly Township and became its first supervisor. During that time, Allen named the village Mt. Holly after his boyhood home in New Jersey.

TODAY

The Holly area has seen growth in residential properties and businesses.

Holly Village has had continued growth on the north end in the Grange Hall Corridor where it’s almost built to capacity. The village improved blighted areas in the midtown area. The historic downtown district remains at 100% occupancy, with a waiting list for most of the storefronts. In addition, every downtown apartment for residential use is occupied, with three approved for use as Airbnbs.

One of the two approved retail marijuana facilities opened in 2023, and construction began on the second.

Longtime Fire Chief Steve McGee retired in December 2023. Fire Marshal Jeremy Watson was named acting fire chief.

In Holly Township, new businesses are expected to be built along the Fish Lake Corridor as well as a senior living center. In 2023, the township completed multiple infrastructure improvements and the new kayak launch on Fish Lake Road.

They continue to make improvements on the Holly Heritage Farmstead, at 13409 N. Holly Rd., including a new roof. The township originally took on the project in 2014 to save the approximately 120-year-old, 80-ton barn. Officials hope to turn the site into a venue that could support agricultural education and even offer a music and wedding venue.

Holly Township bought property on Grange Hall Road where they will put in new municipal offices.

ENTERTAINMENT REIGNS

Holly’s historic downtown is a booming shopper’s paradise, with stores and boutiques full of Michigan-made and hand-crafted products, specialty food items, clothing and antiques. Winglemire Furniture and Joseph’s Oak Shop are sesquicentennial Michigan businesses. Most stores are open after 5 p.m. and have special hours and sales during community events.

The North District of Holly provides the necessities of life in one convenient location, including groceries, sundries, dry cleaning, flowers, hardware and auto supplies.

Each year, pre-pandemic and post-pandemic, downtown Holly welcomes visitors to a number of village events including Wednesday night carshows from May through October, Blues, Brews and Barbecue, and the annual Dickens Festival, a popular Victorian holiday celebration that takes place in downtown Holly between Thanksgiving and Christmas.

Just outside the village, in Groveland Township, the Michigan Renaissance Festival brings in thousands of visitors every fall, luring them back in time to a fictional English village called “The Shire of Hollygrove,” during the reign of Queen Elizabeth I in the latter part of the 16th Century.

For outdoor enthusiasts, the Holly area boasts a large number of lakes and rivers, and two state parks, the Holly Recreation Area and Seven Lakes State Park. There, visitors can enjoy fishing, swimming, camping, hiking and all that nature affords. In winter, skiing and snowboarding await at the Mt. Holly Ski Area.

LINDEN

— Incorporated 1865 —

The city of Linden is located approximately four miles west of the city of Fenton, and can be accessed via U.S. 23 to Silver Lake Road.

HISTORY

Linden is rich with stories about the hardy settlers who overcame many struggles to make their homes in this community along the Shiawassee River.

In 1835, brothers Richard and Perry Lamb built a log home and settled what is now Linden. The following year, many new people arrived to the area, including Richard Newton and Joseph Irving. Two other settlers, Jonathon Shepard and Benaiah Sanborn, helped Herman Harris and Consider Warner build what is now the longest-standing building in the city, the Warner Mill, a dual saw and grist mill.

Warner and Harris then began drawing how the village would be settled, but just after their plans got off the ground, tragedy struck twice.

In the early 1840s, just after the mill construction was completed, an epidemic broke out and infected more than 60 percent of the settlers, half of whom left their belongings and moved away. Less than a decade later, the mills caught fire and burned to the ground, only to be rebuilt again.

The 138-year-old mill, a well-constructed building, has become the city's civic center. Today, the historic mill is the meeting place for the Linden City Council and its various committees and commissions, and serves the community as a museum and public library.

PUTTING LINDEN ON THE MAP

As the years passed, several industries put Linden on the map, including a buggy manufacturer, until another Michigander, Henry Ford, changed the course of history. With the invention of the automobile, Lindenites turned their gaze from the land to water. High quantities of marl were found in area marshlands and another industry, cement manufacturing, would take hold of the tri-county area for the next 30 years.

In 1885, the "Union Block," which stretched from Bridge Street to Main Street, was constructed and used bricks made locally by culling the clay from the earth at the corner of Hyatt Lane and Silver Lake Road.

Tragedy struck on May 18, 2007, when residents and other onlookers watched as the Union Block burned to the ground, destroying forever this part of Linden's rich history. City officials are currently working with individuals to rebuild on the site.

The Linden Hotel remains one of the area's oldest businesses, having served the community for more than 120 years.

Down the road, west on Silver Lake Road, in Argentine Township, another historic mill, the Wolcott Mill, was also thriving. Almost 166 years after its construction, the mill has new owners who have made significant inroads into preserving its history.

One of the area's most prominent citizens was former Argentine Township Supervisor Dr. Isaac Wixom, who according to some historical accounts, performed the first successful war time hip joint amputation. It was Wixom who first laid out the plans for what is now the main strip in the township before moving on to the Michigan State House of Representatives.

TODAY

New park amenities, infrastructure projects and expected improvements at the Linden Mill building are a few of the completed and ongoing projects in Linden in 2023 and 2024.

Two new electric vehicle charging stations are now installed at Linden City Hall. This year's plans include developing Triangle Park as a trailhead for The State Bank Trail, which will be built on the south side of Silver Lake Road.

The city is waiting to receive bids for the Lindenwood subdivision road improvement project as well as W. Rolston Road improvement project.

The city now has an ice rink at the pavilion at Eagle's Wood Park. The city will renovate the Linden Community Center and construct a Safe Routes to School pathway along Stan Eaton Drive for Hyatt Elementary. The Linden Brewing Company is anticipated to open in March of this year.

The DDA intends to partner with the Parks and Recreation Commission to bring more art initiatives to the downtown with their established partnership with the Flint Institute of Arts.

Linden's 2024 goals include a potential columbarium at Fairview Cemetery and creation of a parking plan.

Each of the city parks received new amenities. The Kimble-Sharp Park received additional picnic tables and trash receptacles, and the ADA EZ Launch for canoes and

kayaks was completed and installed within the Linden Mill Pond. The city partnered with the Genesee District Library and installed the Story Book Trail within Eagle's Wooden Park. Triangle Park received new benches, charcoal grills, picnic tables and trash cans, as part of an Eagle Scout project.

Linden purchased the Linden Community Center (former VFW Hall) and plans to renovate it.

The city hosted the annual Memorial Day Parade and Picnic with Linden VFW

Post 4642, the Back to the Bricks Tune Up Party with Southern Lakes Parks and Recreation (SLPR). The Parks and Recreation Commission expanded upon its Thursdays in the Park Summer Events. The Downtown Development Authority (DDA) Board sponsored the Happening In Linden organization's events, and also sponsored the Music By The Mill Concerts, in conjunction with SLPR.

In conjunction with Desert Angels Organization, the city participated in the Stuff the Cruiser Challenge and collected items for miracle boxes for our troops.

The city will establish a water connection with the Genesee County Drain Commissioner Water and Waste Services, in addition to processes for additional infrastructure improvement projects. In 2023, the city learned it will receive \$4 million from the state to improve the Linden Mill building.

Fire Chief Brian Will celebrated 30 years with the city of Linden. Officer Jeremy Williams came on as the school resource officer within Hyatt and Linden elementary schools.

The city also took over management and day-to-day operations at the Loose Center.
