FENTON

— Incorporated 1863 —

The city of Fenton is conveniently located with access to the U.S. 23 expressway possible from three locations in the city, as well as Fenton Township to the north and Tyrone Township to the south. Major Michigan cities, including Ann Arbor, Flint, Lansing and Detroit, can be reached in under an hour.

History

In 1834, a New Yorker named Clark Dibble explored the wilderness along the Shiawassee River on his way to Grumlaw, which is now known as Grand Blanc. By mistake, he found himself on the White Lake Trail. He proceeded north and landed on a spot on the Shiawassee River that he found so beautiful that he decided to stay. By 1836, “Dibbleville” consisted of a handful of people, a saw mill and two small houses that were all built along the river. Dibbleville was at the center of five trails, and several families came to make their homes there.

Other settlers, including William M. Fenton and Robert LeRoy, also natives of New York, followed soon after. Local legend has it that the city’s current name came from the winner of a card game in 1837, between Fenton, a lawyer and land speculator, and LeRoy, a

land speculator. Fenton won the game, and the town was named “Fentonville,” and LeRoy earned the consolation prize, which was the opportunity to name the town’s main road after himself and other smaller streets after his family members, including Ann, Caroline, Adelaide, and Elizabeth.

Over the years, Fentonville prospered and in 1863 was incorporated as the village of Fenton. In 1964, the village of Fenton was incorporated and became the city of Fenton. Harry Lemen, who served Fenton for 41 years, became the city’s first mayor. Paul Bottecelli served as mayor after Lemen, from 1965 to 1968. Bottecelli was followed by Jack Winegarden, who served as mayor from 1969 to 1972.

Today

Fenton had multiple notable events and improvements in 2024.

Fenton was selected as one of the 100 cities on the NLC Roadshow. The Veteran’s Memorial at Freedom Park was dedicated on Memorial Day 2024.

The MTA Trolley route through Fenton expands bringing two loops and four trolleys in service four days a week with no fees to riders. The refurbishments at the A.J. Phillips Fenton Museum was completed, and the patio was dedicated to The Seger Family for their work with the historical society.

The Arbor Day celebration in April provided free trees to residents as well as every third-grade student in Fenton Schools. Bush Park upgrades began in the fall of 2024.

The Freedom Festival committee selected retiring Councilman Scott

Grossmeyer as grand marshal for the Freedom Festival Parade. Mark Suchowski was selected to fill Scott Grossmeyer's council term. There was substantial completion of Elmwood and North Fenton Estates Neighborhood street construction projects.

Many successful events took place in the City of Fenton in 2024 including Restaurant Week, Cabin Fever, Freedom Festival, Art Walk, Taste of Fenton, Back to the Bricks Tune up Party, Applefest, Storytelling Festival, and Jinglefest. Jinglefest in December topped attendance numbers with more parade participation than ever.

In 2024, Kroger announced plans to come to the city of Fenton. Kroger plans to convert the former Michaels and current Family Farm & Home space at 15100 Silver Parkway into a 78,300 square-foot Kroger retail grocery store with a pharmacy drive-through window. ALDI opened in Fenton in 2024.

In Fenton Township, the Southern Lakes Water Extension Project achieved a critical milestone in 2024. All three phases of installation are complete and the water tower is now operational. Subdivisions, businesses, all four Lake Fenton School District buildings, and individual residences are continuing to connect to this vital system, reinforcing our commitment to reliable and sustainable water resources for the entire community.

Progress continues on the Thompson Road Corridor Study. Plans include roundabouts, center left-turn lanes, slip lanes, and enhanced non-motorized facilities. The township was granted \$10,000,000 towards the bridge project. Construction is slated to begin in Q1 2026.

The Fenton Township Board of Trustees developed a draft ordinance to regulate short-term rentals. The township also completed the 2024 update to the Fenton Township Master Plan.

In 2024, they celebrated the 50th anniversary of the Fenton Township Fire Department. Miller Industries completed a 190,233-square-foot expansion of its facility in the Thompson Road Corridor.

Great place to live, work and play

Despite the growth that has taken place in the city of Fenton and the surrounding communities, the tri-county area remains a wonderful place to live, work and play. Residents and visitors alike enjoy simple pleasures, such as a stroll along the river or a picnic at one of the area's many parks. Pre- and post-COVID-19 pandemic events attract thousands to the city. Events that took place in the past and expected to take place in the future include the summer concerts at the Fenton Millpond, the Fourth of July Freedom Festival, Fenton Artwalk, Farmers Market, Back to the Bricks, Taste of Fenton, St. John Applefest, and Jinglefest at Christmastime. The latest big event in the fall is called Bottles, Brews & News, brought to the city by The View Newspaper Group and Tri-County Times.

Featuring dozens of lakes and streams, Fenton and the surrounding communities boast a hub of outdoor recreational activities.

The village of Holly is located approximately five miles east of the city of Fenton. The community can be accessed from U.S. 23 to Silver Lake Road, east to Grange Hall Road, and from I-75 exits at East Holly Road and Grange Hall Road.

History

The village of Holly has a rich history. For many years, settlers referred to the area as Busseyburg, Algerville and Holly Mills. In the early 1830s, William “Big Bill” and Sarah Gage visited often, and built the first known cabin in the area. Gage was elected to the Michigan legislature in 1842, and contributed to the area’s growth by building plank roads between communities. The first man to settle permanently in the area was Ira C. Alger, a native of New York who arrived in 1836. The following year, the population doubled as his wife, Mary Anne, moved to the area and joined him.

Because of the saw and gristmills, Holly attracted the railroad industry. In 1855, the first train rolled into Holly, marking the true start of Holly’s economic growth. While the first set of railroad tracks were actually laid in 1834, it wasn’t until 1853 that the

Detroit & Milwaukee Railroad reached the village. Afterward, Henry Howland Crapo later extended track from Holly northward to Flint, making it the first railroad intersection in Oakland County and among the oldest in the state.

The railroad years in Holly brought several businesses into town, including 17 hotels and numerous saloons. In

the 1870s, a section of Holly’s Martha Street became known as “Battle Alley” as it was often the backdrop for many a barroom brawl that often spilled out into the street.

By 1907, word about Holly and its famous Battle Alley reached the ear of well-known prohibitionist Carry Nation of Kansas. Nation traveled to Holly where she continued her six-year campaign against the evils of alcohol, visiting many Battle Alley watering holes, and using her “all hell howl” and famous axe to make her point.

In 1838, Jonathon T. Allen founded Holly Township and became its first supervisor. During that time, Allen named the village Mt. Holly after his boyhood home in New Jersey.

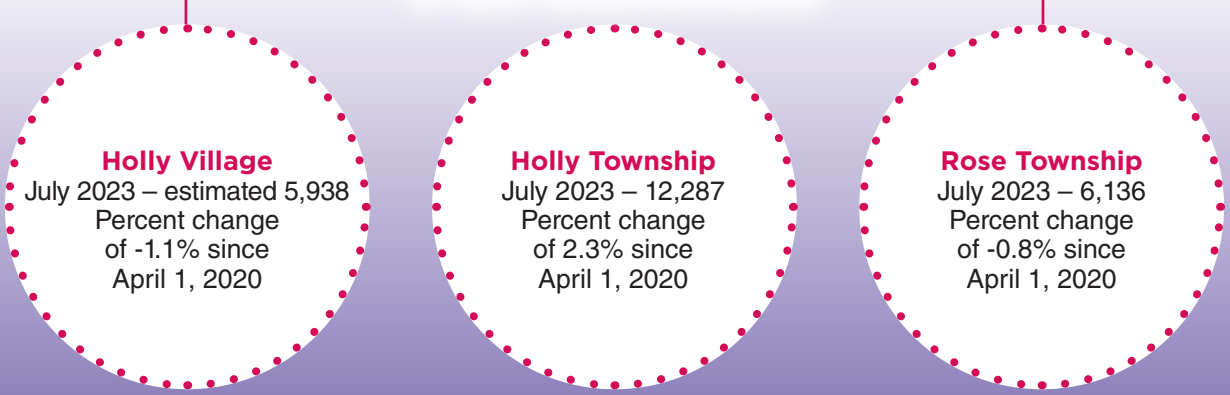

Today

Multiple residential development projects began in Holly Township in 2024 including a 338-unit mixed use development on 44 acres at Fish Lake Road at Quick Road along with a seven-acre Senior Living complex on Fish Lake Road.

Phase two of Riverside North is in the works for another 70-plus homes. Riverside Gardens, on the south side of Grange Hall Road, has been approved to bring additional homes. The engineering and master plan is moving along on the Dawson Tire property, the new home for the Holly Township offices, with a move in date set for 2025.

The Hawley Heritage farmstead project is moving along. The Ernst barn, an

1850 era dairy barn from Waterford, should be completed by spring of 2025 and be ready to use with the community garden. Fencing, walking paths and a new gazebo are also slated for 2025.

The Holly Township board moved to seven members adding two trustees which were approved in the 2022 election. This will allow the administration to operate as an administration without interfering with Open Meetings Act (OMA).

In the Village of Holly, the Holly Village Council began the process of determining where to relocate. It was decided to renovate the building at Cyclone Park. Renovations were completed and the new village offices were opened in late April 2024. It was decided this option would best serve the residents.

In July 2024, the Holly Village Council approved the purchase of a 2024 Spartan Pumper fire engine. This engine replaced a 20-plus year old engine, which will serve the village for many years to come.

The eighth annual HollyDays festival was celebrated in September. This festival is a celebration that continued after the village's Sesquicentennial Celebration in 2015 and is very popular featuring downtown fireworks, live music, and a food tent sponsored by the Moose Lodge.

The last Friday of November was the kickoff of the 51st Dickens' Festival, which is the longest continuous running Dickens' Festival in the country. The

festival featured a large lighted parade and the annual Christmas Tree lighting.

In December, the fire department promoted four people to sergeant, which completes the dire command structure to optimize service to the community.

In late November and December, the Holly Village Council approved the hire of new Clerk/Treasurer Lisa Bone and new Manager Tim Price to replace Clerk/Treasurer Deborah Bigger and Manager Jerry Walker both of whom are retiring January 31, 2025.

Entertainment Reigns

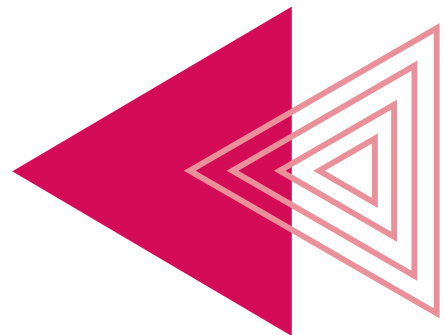

Holly's historic downtown is a booming shopper's paradise, with stores and boutiques full of Michigan-made and hand-crafted products, specialty food items, clothing and antiques. Winglemire Furniture and Joseph's Oak Shop are sesquicentennial Michigan businesses. Most stores are open after 5 p.m. and have special hours and sales during community events.

The North District of Holly provides the necessities of life in one convenient location, including groceries, sundries, dry cleaning, flowers, hardware and auto supplies.

Each year, pre-pandemic and post-pandemic, downtown Holly welcomes visitors to a number of village events including Wednesday night car shows from May through October, Blues, Brews and Barbecue, and the annual Dickens Festival, a popular Victorian holiday celebration that takes place in downtown Holly between Thanksgiving and Christmas.

Just outside the village, in Groveland Township, the Michigan Renaissance Festival brings in thousands of visitors every fall, luring them back in time to a fictional English village called "The Shire of Hollygrove," during the reign of Queen Elizabeth I in the latter part of the 16th Century.

For outdoor enthusiasts, the Holly area boasts a large number of lakes and rivers, and two state parks, the Holly Recreation Area and Seven Lakes State Park. There, visitors can enjoy fishing, swimming, camping, hiking and all that nature affords. In winter, skiing and snowboarding await at the Mt. Holly Ski Area.

Putting Linden on the map

As the years passed, several industries put Linden on the map, including a buggy manufacturer, until another Michigander, Henry Ford, changed the course of history. With the invention of the automobile, Lindenites turned their gaze from the land to water. High quantities of marl were found in area marshlands and another industry, cement manufacturing, would take hold of the tri-county area for the next 30 years.

In 1885, the “Union Block,” which stretched from Bridge Street to Main Street, was constructed and used bricks made locally by culling the clay from the earth at the corner of Hyatt Lane and Silver Lake Road.

Tragedy struck on May 18, 2007, when residents and other onlookers watched as the Union Block burned to the ground, destroying forever this part of Linden’s rich history. City officials are currently working with individuals to rebuild on the site.

The Linden Hotel remains one of the area’s oldest businesses, having served the community for more than 120 years.

Down the road, west on Silver Lake Road, in Argentine Township, another historic mill, the Wolcott Mill, was also thriving. Almost 166 years after its construction, the mill has new owners who have made significant inroads into preserving its history.

One of the area’s most prominent citizens was former Argentine Town-

The city of Linden is located approximately four miles west of the city of Fenton, and can be accessed via U.S. 23 to Silver Lake Road.

History

Linden is rich with stories about the hardy settlers who overcame many struggles to make their homes in this community along the Shiawassee River.

In 1835, brothers Richard and Perry Lamb built a log home and settled what is now Linden. The following year, many new people arrived to the area, including Richard Newton and Joseph Irving. Two other settlers, Jonathon Shepard and Benaiah Sanborn, helped Herman Harris and Consider Warner build what is now the longest-standing building in the city, the Warner Mill, a dual saw and grist mill.

Warner and Harris then began drawing how the village would be settled, but just after their plans got off the ground, tragedy struck twice.

In the early 1840s, just after the mill construction was completed, an epidemic broke out and infected more than 60 percent of the settlers, half of whom left their belongings and moved

away. Less than a decade later, the mills caught fire and burned to the ground, only to be rebuilt again.

The 138-year-old mill, a well-constructed building, has become the city’s civic center. Today, the historic mill is the meeting place for the Linden City Council and its various committees and commissions, and serves the community as a museum and public library.

Today

2024 was a year of progress and projects for the City of Linden. The City navigated the special assessment processes for two major road improvement projects, the Lindenwood Subdivision Improvement Project and the West Rolston Road Improvement Project.

Another vital infrastructure initiative includes the Genesee County Water Connection Project, with the connection tentatively scheduled for spring 2025. The Safe Routes to School for Hyatt Lane and Stan Eaton Drive continues to move forward and will be bid in the new year, with construction to follow. Surf Internet completed underground fiber installation for residential connection.

In January, the City of Linden assumed control of the day-to-day operations and management of the Loose Senior Citizens Center. Loose partnered with the Fenton and Linden Regional Chamber of Commerce and hosted events including Meet the Candidates and Young Women and Men in the Workforce.

The Linden Mills Rehabilitation and Redevelopment Project started and is progressing, thanks to the \$4 million grant allocated from the State of Michigan. Pre-construction work was ongoing in the beginning of 2025 with construction expected to take place in spring of 2025.

The Linden Mills Historical Society Museum closed its doors in preparation for the major project. The city continues conversations with the Genesee District Library to partner and find an alternative location and ways to keep services available through construction.

Also in 2024, city staff made efforts to improve communications and keep residents up to date on projects and city happenings. A Projects webpage was created on the city website, providing helpful links, resources, plans and documents for ongoing projects. City

council approved a contract with CivicPlus, which allowed staff to establish and launch a city-wide notification system to better keep residents informed.

The owners of 106 South Bridge Street, the former “Opera House,” completed improvements to the exterior seating area for the Ice Cream Garage. Bridge Street Brewtique relaunched from Collections on Bridge Street to include a coffee shop, expanded seating area, additional retail and events/classes.

Dollar Tree opened in Linden. Rite Aid closed. Alpine Marketplace is slated to expand into the old Rite Aid location and will bring back the pharmacy. The city also welcomed Great Lakes Concrete, as Redbridge Financial closed its downtown doors.

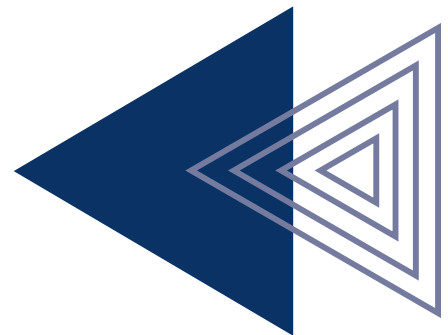

The city hosted the annual Memorial Day Parade and Picnic with Linden VFW Post 4642, National Night Out, the Back to the Bricks Tune Up Party with Southern Lakes Parks and Recreation (SLPR), and the Parks and Recreation Commission continued their Thursdays in the Park Summer events.

The Linden Downtown Development Authority (DDA) was a sponsor of the Happening In Linden Organization’s events, and also sponsored the Music By The Mill Concerts.

Linden Fire Chief Brian Will presented the Chief’s Award to Firefighter Jeff Mullins, as well as the Firefighter of the Year award to Ray Davis. Linden staff participated with, in conjunction with Desert Angels Organization, the Stuff the Cruiser Challenge and collected items for miracle boxes for our troops in honor of former Linden Police Chief Pete Van Driessche.

The city has a new mayor, Elizabeth Armstrong, and three new city councilors, Denise Miller, Jerry Link and Thomas Hicks.

In Argentine Township, repairs were completed to the Argentine Township dam. The Argentine Township Fire Department received its new fire truck. Former supervisor Robert Cole was once again elected as supervisor. Matthew Frederick was elected as treasurer and Norm Schmidt and Ed Renckly were elected as trustees.

As the largest commercial newspaper printer in Michigan, Michigan Web Press / Stafford Printing is proud to serve more than 250 clients.

The numbers above prove the demand for printed products continues because the products we print, bind, insert and mail get results for our customers.

Those products include direct mail pieces, advertising inserts, annual reports, catalogs, shopping guides and, of course, newspapers – including the 14 community papers published by our sister company, View Newspaper Group.

Locally and independently owned, Michigan Web Press / Stafford Printing and View Newspaper Group will continue to grow, and our customers will remain our top priority.

COMMITTED TO: • PRINT CLIENTS • ADVERTISERS • READERS • OUR COMMUNITIES
